

## **Bible Studies Endtime Ministries With Irvin Baxter**

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Today's headlines shout of modern plagues, social tensions, economic crises, and rampant depression. Many are asking, what day is it on God's prophetic calendar? Trusted Bible teacher and pastor Dr. David Jeremiah opens up the Word of God to reveal what it has to say about the days in which we are living. In this ten-lesson study guide, which accompanies the book of the same name, Dr. Jeremiah shares how prophecies and wisdom from centuries ago still speak the truth today and point the way forward to tomorrow. Whether one is new to biblical prophecy or a longtime student of the Bible, this timely message will encourage and recalibrate us to the mission of God in our daily lives. As Dr. Jeremiah explains, "The idea for this book began a few years ago in an interview I did with Matt Crouch for my book *Is This the End?* At the end of the interview, Matt asked, 'So where's the hope?' I've never forgotten that question, and since then I have determined that all my prophetic writing should be infused with hope. The first

section will be 'Where Are We?' Here we will find modern stories and show the reader where we are in this cultural moment. The second section is 'What Does It Mean?' In this section, we will focus on the exposition of Scripture and how the events we describe fit with prophecy. Finally, the last section will be the hope section I talked about above—"Where do we go from here?" Here we want to give application and practical ways for living with hope and courage." Journey with Dr. Jeremiah back to the Bible to find out, Where Do We Go from Here?

The impact of *The Late Great Planet Earth* cannot be overstated. The *New York Times* called it the "no. 1 non-fiction bestseller of the decade." For Christians and non-Christians of the 1970s, Hal Lindsey's blockbuster served as a wake-up call on events soon to come and events already unfolding -- all leading up to the greatest event of all: the return of Jesus Christ. The years since have confirmed Lindsey's insights into what biblical prophecy says about the times we live in. Whether you're a church-going believer or someone who wouldn't darken the door of a Christian institution, the Bible has much to tell you about the imminent future of this planet. In the midst of an out-of-control generation, it reveals a grand design that's unfolding exactly according to plan. The rebirth of Israel. The threat of war in the Middle East. An increase in natural catastrophes. The revival of Satanism and witchcraft. These and other signs, foreseen by prophets from

Moses to Jesus, portend the coming of an antichrist . . . of a war which will bring humanity to the brink of destruction . . . and of incredible deliverance for a desperate, dying planet.

Many Christians think of end times prophecy as a gigantic, intimidating puzzle -- difficult to piece together and impossible to figure out. But every puzzle can be solved if you approach it the right way. Paul Benware compares prophecy to a picture puzzle. Putting the edge pieces together first builds the 'framework' that makes it easier to fit the other pieces in their place. According to Benware, the framework for eschatology is the biblical covenants. He begins his comprehensive survey by explaining the major covenants. Then he discusses several different interpretations of end times prophecy. Benware digs into the details of the Rapture, the Great Tribulation, the judgements and resurrections, and the millennial kingdom. But he also adds a unique, personal element to the study, answering questions as: -Why study bible prophecy? -What difference does it make if I'm premillennial or amillennial? If what the Bible says about the future puzzles you, Understanding End Times Prophecy will help you put together the pieces and see the big picture.

As R. Paul Stevens leads you to examine for yourself what the Bible says about end times, you'll learn what you can do now to be ready for the future—whatever it

holds. In this thirteen-session LifeGuide Bible Study features additional questions for starting group discussions and for meeting God in personal reflection, together with expanded leader's notes and a "Now or Later" section in each study.

Called to Travail explains in depth the process and purpose of our fiery trials and God's ultimate desire to birth His presence and power into His end-time intercessors. We are on the verge of an unprecedented outpouring of the Spirit and a double-portion anointing that will cause devils to tremble and the gates of hell to crumble. Jesus will choose us in our "furnace of affliction" as we respond in trust and faith. Through deep travail and intercession, we will see millions of captive souls released from the strongholds of sin. Hear the cry of Jesus in this book, calling you to a place of deeper intimacy and trust and to abandon everything and run with Him into the harvest field.

One of the world's most beloved Bible teachers offers a definitive collection of resources on biblical prophecy, the end times, and the apocalypse. "The end times." "The apocalypse." "The day of judgment." Terms such as these are both fascinating and frightening for any student of God's Word. They point to key questions people have wrestled with for centuries, including: What does the Bible tell us about the future? How much can we understand about biblical prophecy

and its application in our lives? What signs and signals will precede the end of everything as we know it? Which of those signs and signals have already come to pass, which are we experiencing now, and which are still to come? In this landmark collection, bestselling author Dr. David Jeremiah offers answers to these questions and much more. Drawing from decades of experience as one of the world's most-respected Bible teachers, Dr. Jeremiah has updated content from previously published works in addition to writing new material on a wide variety of subjects. The result is a truly epic and authoritative guide to biblical prophecy—a must-have resource for Christians seeking to navigate the uncertainties of the present and embrace God's promises for the future. This book will give the reader a much better understanding of what God has planned for this world's future. Prior to Tribulation, the Church (the believers in Jesus Christ) will be caught up, raptured, and will meet the Lord in the air. Much of what is written in numerous books of the Bible that deal with prophecy is written in symbolic language, often making it difficult to understand. One purpose of this book is to reveal and explain to the reader what is meant by those symbols, thereby giving the reader a glimpse and a better understanding of what the future holds. Additionally, when dealing with a specific subject such as an event that was prophesied in the book of Revelation, often, that subject is

covered in other verses of that book and/or in other books within the Bible. The comparing of scripture with scripture supports, sheds light, explains, and/or reinforces our understanding of that particular passage. Following the Tribulation is the Millennium, the one-thousand-year reign with Christ.

How can we discern between conspiracy theories and trustworthy facts that line up with end-time geopolitical signs? *The Non-Prophet* may be a day late and a dollar short when it comes to understanding Bible prophecy, but that doesn't mean you have to be. "My prayer is that you will use this workbook to form deep and lasting convictions about end-time events. I also pray this study will help you make sense of the world today and discover a little more about your personal calling as you serve God in your generation." —Todd Hampson This workbook is designed for use with *The Non-Prophet's Guide to the End Times*

New York Times bestseller New York Times bestselling author David Platt challenges us to unite around a gospel-centered vision in *Radical Together*. In *Radical*, David Platt's plea for Christians to take back their faith from the American Dream resonated with readers everywhere. Now, he asks how a gospel-centered vision might reshape our priorities as the

body of Christ? How might well-intentioned Christians actually prevent God's people from accomplishing God's purpose? And, how can we best unleash the people of God in the church to carry out the purpose of God in the world? Writing to everyone who desires to make an impact for God's glory—whether you are an involved member, a leader, or a pastor—Dr. Platt shares six foundational ideas that fuel radical obedience among Christians in the church. With compelling Bible teaching and inspiring stories from around the world, he will help you apply the revolutionary claims and commands of Christ to your community of faith in fresh, practical ways.

The Pretribulation Rapture theory has had a foothold on many Christians in America for over a hundred years. This teaching is not allowed to be challenged in many Christian circles. Exposing the Fallacies of the Pretribulation Rapture takes the building blocks of this theory and dismantles them one by one in a serious, thought-provoking analogy of this doctrine. • Is the seven year tribulation really a biblical term? • Is the church literally raptured in Revelation chapter 4? • Are there signs that precede the return of Christ? • Is the rapture really an invisible event? • Are Christians exempt from tribulation? • Where did the true roots of the pretribulation rapture come from? • What

does the day of the Lord have to do with the rapture? These questions and many more are answered in *Exposing the Fallacies of the Pre-Tribulation Rapture*. Not only is there a thorough examination of the rapture, but also a detailed account is given of the numerous discrepancies among leading pretribulation teachers over Bible passages on the second coming. Billy Broadwater's in-depth Bible based research for over twenty-years brings home the truth about the rapture.

*Understanding the End Times* was never intended to be a book describing world conditions to predict the closeness of the appearing of Jesus for His Church. Many books have come and gone written with the purpose of comparing world events to scriptures about end times and Jesus' return. However, this book was not; it was designed to provide a Bible understanding of God's plan for the ages by weaving together the prophecies of the Old and New Testaments. It was also designed to describe the situations and events that will exist on earth at the time of the culmination of all things. For these reasons this book should be timeless. This book will challenge you to open your heart to the Word of God and your eyes to what is happening in the world. The atmosphere is lining up like never before, spiritually, morally, politically, economically, in every way. Don't let your heart fail for fear of what is coming on mankind and the world. Instead, look up in faith and anticipation. Your redemption is closer than ever!

'End Time Prophecy' focuses on the core messages of the books of Daniel and Revelation, which are enshrined in the Holy Bible. Although they were written hundreds of years apart, these two books chronicle events that should characterize socio-political, economic and religious life on this planet-earth. While history proves that several of the prophetic messages in both books have already been fulfilled, we are all witnesses of the current world order that synchronizes with some of these revelations. This gives credence to the authenticity of the books of Daniel and Revelation so that there is every reason to believe that the future of our world is already determined and encoded in these prophecies. In 'End Time Prophecy' Dr. Fred Opoku-Gyimah the author, unveils the hidden truths behind these prophetic scriptures that often pose a

challenge to Christians as well as Bible Scholars alike. He carefully analyses each of these prophecies by invoking relevant scriptural principles as well as significant historical and current affairs to bring clarity to the reader. Rev. Dr. Opoku-Gyimah is the Chancellor of Immanuel Bible Institute & Seminary, General Overseer of Pentecostal Redeemer's Temple Inc. both in New York, as well as General Overseer of Born Again Believer's Ministries in Ghana. He holds a Bachelor of Arts Degree in Biblical Studies, Doctorate Degree in Ministry, Master of Arts Degree in Christian Education, a Doctorate Degree in Divinity from Canon Bible College and Seminary. He holds a Master of Religious Arts Degree in Theology and a Doctorate Degree in Theology from Jacksonville Theological Seminary. For over 22 years he has served as a Pastor and an authority in SPIRITUALWARFARE and END TIMES. He is married to Mrs. Margaret Opoku-Gyimah and blessed with three children - Leticia, Ebenezer and Emmanuel. The return of Jesus is the climax of human history and the great hope of the Church. The generation in which He returns will be more dramatic than any other described in Scripture. Jesus has given the Church essential information to strengthen and preserve her through this season of unprecedented trouble and great glory. In this hour, the Lord is preparing a people who are familiar with the signs of His coming. They will prepare the way for His return by declaring in advance what He is about to do. More than just relaying information, they will impart love for Jesus and confidence in His leadership as they explain the wisdom of His end-time plan to others. In this study

manual, Wes Hall provides a biblical overview of the end times and explains why it is important for believers to study and understand this subject. From Jesus and the apostles we know that it is not only possible, but necessary, to recognize the generation of the Lord's return.
