

Bible Study Exodus Chapter 1

The book of Exodus is a key to understanding the Bible. Without it, the Bible would lack three early scenes: deliverance, covenant and worship. Exodus provides the events and narrative, the themes and imagery foundational for understanding the story of Israel and of Jesus. You can read Exodus on your own, and its main themes will be clear enough. But an expert can sharpen your understanding and appreciation of its drama. Tremper Longman provides a box-seat guide to Exodus, discussing its historical backdrop, sketching out its literary context, and developing its principal themes, from Israel's deliverance from servitude to Pharaoh to its dedication to service to God. And, for Christians, he helps us view the book from the perspective of its fulfillment in Christ.

R. Alan Cole provides introductory information and a passage-by-passage commentary on Exodus, a book crucial for understanding the message of the New Testament. Exodus tells of the saving acts of God, the instituting of Passover, the giving of the Law, and the stories of Moses (first prophet) and Aaron (first high priest).

David Guzik's verse-by-verse commentary on the Book of Exodus. David Guzik's commentaries are noted for their clear, complete, and concise explanation of the Bible.

Moses pioneered a Spirit-led leadership paradigm that Christian leaders do well to emulate today. Moses didn't want to be a leader. He had been raised as a prince of Egypt, but now at 80, he was content to be a simple shepherd, watching sheep on the slopes of Sinai. Then, God spoke from the burning bush and Moses' world changed. How do you lead a multitude of people through impossible situations, badgered by a storm of criticism from within the camp, and threatened by deadly peril from without? Moses the reluctant leader has much to teach both disciples and leaders today. This Bible study leads you through Moses' life covering several chapters in each lesson so you can see the big picture. It slows down, however, to examine key passages in Exodus and Numbers that give insight into God's instruction to Moses. One lesson surveys the tabernacle, the priesthood, and the sacrifices that God revealed through Moses. This book explores Moses' life in 9 lessons with discussion questions, and can be used for personal enrichment, by small groups and classes, and by teachers and preachers for sermon preparation.

Every chapter of the Bible summarised in 140 characters or less. These summaries originally appeared as the @biblesummary project on Twitter. For three-and-a-half years, Chris Juby posted one tweet per chapter, one chapter per day to 30,000 followers, finishing the project in November 2013. This edition is the full archive of all 1,189 summaries. Each chapter is summed up in its contents, each paragraph reduced to its proper heads, the sense given, and largely illustrated with practical remarks and observations.

Women desire to live well. However, living well in this modern world is a challenge. The pace of life, along with the new front porch of social media, has changed the landscape of our lives. Women have been told for far too long that being on the go and accumulating more things will make their lives full. As a result, we grasp for the wrong things in life and come up empty. God created us to walk with him; to know him and to be loved by him. He is our living well and when we drink from the water he continually provides, it will change us. Our marriages, our parenting, and our homemaking will be transformed. Mommy-blogger Courtney Joseph is a cheerful realist. She tackles the challenge of holding onto vintage values in a modern world, starting with the keys to protecting our walk with God. No subject is off-limits as she moves on to marriage, parenting, and household management. Rooted in the Bible, her practical approach includes tons of tips that are perfect for busy moms, including: Simple Solutions for Studying God's Word How to Handle Marriage, Parenting, and Homemaking in a Digital Age 10 Steps to Completing Your Husband Dealing With Disappointed Expectations in Motherhood Creating Routines that Bring Rest Pursuing the Discipline and Diligence of the Proverbs 31 Woman There is nothing more important than fostering your faith, building your marriage, training your children, and creating a haven for your family. Women Living Well is a clear and personal guide to making the most of these precious responsibilities.

This volume continues from Graham I. Davies commentary on Exodus 1-10 and takes the reader up to the end of Exodus chapter 18, covering the release of the Israelites from Egypt and the crossing of the Red Sea. Davies brings together all the relevant aids to exegesis - linguistic, textual, archaeological, historical, literary, and theological - to help the reader understand the texts at hand. In addition to the parting of the waters and the defeat of Pharaoh's army the chapters commented upon also include the so-called 'Song of the Sea' in Exodus 15, a complex hymn that Davies studies in depth, and the provision of manna in the desert. The textual issues are varied and Davies navigates them deftly, providing close commentary and profound insights into these well-known texts. Two results of Davies's research are to place the old hypothesis of an Elohistic source on a much stronger footing and to reaffirm that both it and the J source extended through both Genesis and Exodus.

EP Study Commentaries have been described as: 'Sufficiently scholarly to give [them] credence in the academic world, but at the same time ... sufficiently straightforward to make [them] accessible to any serious student of the Bible'. (Banner of Truth) - Provided by publisher.

The Bible, as the record of salvation, is one complete whole, an organism throbbing with life, and a system of prophecy wrought out in history according to plan. It is "a marvelous structure, of which the ground plan was prepared in advance," a harmonious, graduated whole, with perfect proportion and accord in all its parts, and having Christ as its goal. And the theme of the kingdom of God, with the rhythm of its progressively developing epochs and periods, is the leading basic melody of this whole majestic divine symphony. Thus can we interpret the Scripture as a record of God's plan of salvation. It is to be read ... according to the dispensations, economies, gradations, and groupings. Here the human spirit stands on the very highest possible prophetic watch-tower. Worlds and ages come within its expanded field of vision. Here it looks beyond the narrow circle of its own personality, beyond the frontiers of nationality and civilization, yea, beyond all the bounds of the present and of time itself.

Getting free is only half the story. Freedom is a central theme in our world. It's become a rallying cry for people, groups, even entire nations. But freedom without boundaries can be costly. Based on the book of Exodus, this study offers an eye-opening look at the pitfalls of deliverance without discipline, and shares the freedom found through a loving submission to God and His will for us. Part of Dr. Warren W. Wiersbe's best-selling "BE" commentary series, Be Delivered has now been updated with study questions and a new introduction by Ken Baugh. A respected pastor and Bible teacher, Dr. Wiersbe explores the need to balance freedom with responsibility. Filled with real-world examples that resonate today, this study uncovers how you can experience true freedom in [every area of] your life.

The book of Exodus records the pivotal events in the formation of biblical Israel—the deliverance from slavery, the leadership of Moses, the wilderness wanderings, and the giving of the Law at Mount Sinai. Bible scholar Nahum Sarna, whose widely praised *Understanding Genesis* has become a standard text, examines and illuminates the distinctiveness of the Exodus narrative in light of ancient Near Eastern history and contemporaneous cultures—Egyptian, Assyrian, Canaanite, and Babylonian. In a new foreword to this edition, Sarna takes up the debate over whether the exodus from Egypt really happened, clarifying the arguments on both sides and drawing us back to the uniqueness and enduring significance of biblical text.

Observe...Interpret...Apply People with Bibles don't always know how to use them. They're good at absorbing and repeating material from sermons, commentaries, and blogs, but they miss the fullness and joy that comes from studying the Bible for themselves. The power to change the world is available, but it goes untapped. Though study aids are helpful, imagine if your primary ministry curriculum was Scripture itself. You could study the Bible, teach people how to study it themselves, and expect those folks to lead their own Bible studies with their neighbors, coworkers, and friends. Each year, you'd see an increasing number of men and women wield the sword of the Spirit, piercing hearts and drawing the lost to Jesus. Ordinary people can learn to study the Bible. These people may not have been to seminary. They don't have much free time. But they love Jesus and want to be more like him. They want to know him. Knowable Word offers a foundation on why and how to study the Bible. Using a running study of the first chapter of Genesis, it illustrates how to observe, interpret, and apply the Scripture—and gives the vision behind each step. It also shows how to read each Bible passage in light of salvation history. But besides being just a how-to on Bible study, it fuels the desire to learn and grow through studying the Scriptures. This book will appeal to three kinds of people: 1. Beginners who love God and his Word 2. Mature Christians who want to improve their Bible study skills 3. Leaders who long not only to teach but also to equip Knowable Word offers what each group needs: a sensible Bible study method. By learning to observe, interpret, and apply, ordinary people will grow extraordinarily close to Jesus Christ as they learn to study his knowable Word.

Enjoy J. Vernon McGee's personable, yet scholarly, style in a 60-volume set of commentaries that takes you from Genesis to Revelation with new understanding and insight."

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

Born the son of a clergyman on October 18, 1662, Matthew Henry was ordained into the British Presbyterian Church where he held the pastorate in Chester from 1687 to 1712. He was widowed, married again and had 10 children, three whom died in infancy. Henry died in 1714. Henry began work on his commentary as "Notes On The New Testament" in 1704 and the monumental work was completed shortly before his death in 1714. Remembered as a caring pastor, a passionate lover of the Word of God, and a man of great personal integrity, Matthew Henry has left his mark on the hearts of countless Christians who seek a deeper understanding of the riches that Scripture contains. This edition of Matthew Henry's Commentary on the Whole Bible uses the King James text and is abridged from the original six volumes while faithfully retaining all of the vibrant themes of that classic work. Everything here is in Matthew Henry's own words and nothing relevant to today's reader has been omitted.

Exodus

The first in a new Bible study series from Verse By Verse Ministry International (vbvmi.org). This 12-week VBVMi Group Study on End Times features thought-provoking teaching of core biblical concepts in prophecy. The workbook prepares both individual students and small groups for a deeper study of eschatology by examining key ideas and highlights from the book of Revelation, Daniel and other scripture. Students will gain a foundational understanding of God's plan for Israel, the Church and the end of the age. The VBVMi Group Study series is designed to suit the needs of students new to a study of end times while still offering a challenge to experienced Bible students. Each lesson in this study includes a video available to stream for free over the internet. The videos feature the teaching of Stephen Armstrong, acclaimed for his unique and gifted approach to explaining the Bible. The 12 videos are available for viewing or download for free at: <http://www.vbvmiendtimesstudy.org>. A printable PDF copy of the workbook may also be downloaded for free.

Verse-by-Verse Commentary on Leviticus You Shall Be Holy God told Israel some 20 times in Leviticus, "You shall be holy." This book tells how God wanted Israel to be holy, and what they were to do when they fell short of His holiness. Through the sacrifices, the priesthood, and the good law of God, the Lord made Israel more like their holy God - and points us to Jesus, God's ultimate Holy One. David Guzik is widely known for his popular online, verse by verse commentary on the entire Bible, used by many thousands of pastors, teachers, and everyday Christians worldwide. More information at enduringword.com

"Now there arose a new king over Egypt, who did not know Joseph" (Exodus 1:8). With that introduction, we enter into the story of the Hebrew people in the Book of Exodus. No longer under the protection of their forefather Joseph, the children of Israel became slaves to the Egyptians. But God was raising up a deliverer in Moses, to lead His people from bondage to freedom so they could worship Him. In this 10-session verse-by-verse study of Exodus 1-18, journey alongside God's people from Egypt to Mt. Sinai to unpack the deeper meaning behind stories that may already be familiar to you: the struggle of God's people in slavery to the Egyptians, the birth and life of Moses, the plagues God leveled against Pharaoh, and God's great provision in the parting of the Red Sea. Discover how God fights for His children and prioritizes their worship of Him above all else. Additional purchase or renting of the video teaching sessions is recommended for the best experience of this Bible study book. Features: Leader helps to guide questions and discussions within small groups Personal study segments to complete among 10 weeks of group sessions Ten essential teaching videos, approximately 30-45 minutes per session, available for purchase or rent Benefits: Learn the deeper theological implications of stories you've known for years. Understand how God protects His children and prioritizes their worship of Him above all else. Explore how God provided deliverance for His children to be able to worship Him freely and how it affects our lives today.

The exodus is the central event of the Old Testament, giving meaning to everything else we find in its pages. Part One of this study takes us through the first fifteen chapters of Exodus—from slavery to the call of Moses, from plagues to crossing the sea, from captivity to freedom in the Sinai. Discover that God hears those who are beaten down and liberates those who are in need of his justice. Commentary, study and reflection questions, prayers, and access to online lectures are included. 5 lessons.

The National Directory for the Formation, Ministry, and Life of Permanent Deacons in the United States "is an important point of reference for those Churches in which the permanent diaconate is a living and active reality." It contains the guidelines and directives to be used when preparing or updating a diaconate program and formulating policies for the ministry and life of deacons. This volume also includes Basic Standards for Readiness for the formation of permanent deacons in the United States from the Bishops' Committee on the Diaconate and the committee document Visit of Consultation Teams to Diocesan Permanent Diaconate Formation Programs. Book jacket.

Exodus is the heart of the Hebrew Bible, the defining moment in Israel's birth as a people, the dramatic triumph of their God. Yahweh, Pharaoh, Moses, Aaron, the Hebrew slaves, the plagues, the parting of the Red Sea—these larger-than-life characters and epoch-making events capture the imagination of everyone from biblical scholars to moviemakers. However, the meaning and significance, the beauty and nuance, of this captivating biblical book are lost unless we have a world-class Scripture scholar to open our eyes to its riches. In Exodus 1–18, William H. C. Propp translates the original text in all its grandeur, then provides a masterful exploration and analysis of the book's first eighteen chapters. Here the fate of the Hebrew slaves hangs in the balance of the dramatic conflict between the God of Israel and the Pharaoh of Egypt. From the discovery of Moses in a basket made of bulrushes to the story of the Burning Bush, from the ten plagues visited upon Egypt by God to water from the rock and quail and manna from the skies, Exodus is filled with the miraculous and the dramatic. Doubleday is proud to be publishing the long-awaited first of two volumes of the Anchor Bible Commentary on Exodus. Exhaustive, meticulous, and brilliantly researched, Propp's Exodus 1–18 is well worth the wait, exceeding expectations and meeting the reader's every need.

Although the descendants of Jacob moved to Egypt as honored guests, in time they became despised slaves groaning under the mistreatment of Pharaoh. In response to the people's cries, God called a man named Moses to lead the Israelites out of Egypt into Canaan, but their journey took a dramatic forty-year detour when they failed to trust in God. In this study, John MacArthur guides readers through an in-depth look at the historical period beginning with God's calling of Moses, continuing through the giving of the Ten Commandments, and concluding with the Israelites' preparations to enter the Promised Land. This study includes close-up examinations of Aaron, Caleb, Joshua, Balaam and Balak, as well as careful considerations of doctrinal themes such as "Complaints and Rebellion" and "Following God's Law." The MacArthur Bible Studies provide intriguing examinations of the whole of Scripture. Each guide incorporates extensive commentary, detailed observations on overriding themes, and probing questions to help you study the Word of God with guidance from John MacArthur.

In the Lord's recovery during the past five hundred years the church's knowledge of the Lord and His truth has been continually progressing. This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries. It is filled with the revelation concerning the processed Triune God, the living Christ, the life-giving Spirit, the experience of life, and the definition and practice of the church. In this set Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation, development, and expounding of the truths contained in the Scriptures. The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people; the second principle is that we should interpret, develop, and expound the truths contained in the Bible with Christ for the church; and the third governing principle is Christ, the Spirit, life, and the church. No other study or exposition of the New Testament conveys the life nourishment or ushers the reader into the divine revelation of God's holy Word according to His New Testament economy as this one does.

This volume--the work of a lifetime--brings together all the Joseph Smith Translation manuscript in a remarkable and useful way. Now, for the first time, readers can take a careful look at the complete text, along with photos of several actual manuscript pages. The book contains a typographic transcription of all the original manuscripts, unedited and preserved exactly as dictated by the Prophet Joseph and recorded by his scribes. In addition, this volume features essays on the background, doctrinal contributions, and editorial procedures involved in the Joseph Smith Translation, as well as the history of the manuscripts since Joseph Smith's day.

This volume contributes to the study of early English poetics. In these essays, several related approaches and fields of study radiate outward from poetics, including stylistics, literary history, word studies, gender studies, metrics, and textual criticism. By combining and redirecting these traditional scholarly methods, as well as exploring newer ones such as object-oriented ontology and sound studies, these essays demonstrate how poetry responds to its intellectual, literary, and material contexts. The contributors propose to connect the small (syllables, words, and phrases) to the large (histories, emotions, faiths, secrets). In doing so, they attempt to work magic on the texts they consider: turning an ordinary word into something strange and new, or demonstrating texture, difference, and horizontality where previous eyes had perceived only smoothness, sameness, and verticality.

One of the best commentaries on Exodus ever to appear in English, now in paperback!

Many Christian feminists wonder if they can simultaneously maintain their commitment to principles of gender equality and their faith in the Scriptures, particularly the Old Testament. Writing in response to feminist biblical scholars who approach the Old Testament with a hermeneutic of suspicion, Jacqueline Lapsley offers Christian feminists strategies to hear the subtle ideas and voices of the less powerful within the Old Testament texts. Reading and interpreting a number of Old Testament narratives in which women are prominent, Lapsley considers how these stories may reflect God's word for us. In doing so,

she demonstrates how the narrative often attempts to shape the moral response of the reader by revealing the intricacy and complexity of the moral world evoked. In this gentle shaping of the reader's ethical sensibilities, she argues, is where God may be whispering a word for us.

Matthew Henry had the rare ability to express profound spiritual insights with simplicity and eloquence. Over the years his writings have been read for both their scholarship and devotion, and none more than the classic Commentary on the Whole Bible. Now you can read the very best of Matthew Henry in this new edition of his famous commentary. A valuable source of reference and sermon material with a clear modern typeface, this classic is a treasure for pastors, students, Bible teachers, and devotional readers alike!

A useful survey of the Old Testament that will aid in understanding difficult passages. This one volume contains all of Irving Jensen's Bible self-study guides to the Old Testament.

The story of the Exodus from Egypt is of fundamental importance, both in the Old Testament and beyond. However, it also contains issues that are theologically problematic for many readers, especially concerning the actions of God. Why does God send a series of devastating plagues on Egypt? How do we understand the hardening of Pharaoh's heart? What do the answers to these questions say about the character of God? This study addresses these questions, taking into account the complex interaction of the presuppositions of faith and responsible textual interpretation. The approach is narrative-theological and canonical--reading the story in its current form as a story, and concentrating on the various passages within the story that appear to present rationales for God's actions (especially Exodus 9:13-19 and 10:1-2). By reading these explanations in their context within the story, and paying attention to such factors as speaker, addressee, purpose, and reception, a picture is built up of the different and developing relationships between God, Pharaoh, and Moses. This complex interaction provides a way to read and understand the wider plagues story, including the plagues and hardening of the heart within it. The study concludes by considering another story with a similarly difficult portrayal of God's actions--the story of the capture of the Ark in 1 Samuel 4:7, where a similar pattern can be observed. The picture that emerges is challenging rather than comfortable--a God who is responsive, speaking and acting to confront others to make the appropriate response to him.

How does the Jesus of the New Testament compare to the Jesus we think we know so well? Bestselling author Philip Yancey conducts an enlightening biblical and historical investigation. This honest book will help you discover a different Jesus from the flannelgraph Sunday school figure, the sweetly smiling Victorian Savior, and all the cultural clichés that have tamed Jesus and kept him in comfortable religious boxes. Philip Yancey cuts through existing views and preconceptions of Jesus--citing opinions from church history, modern history, and popular culture; discussing how different people and cultures view Jesus; dissecting popular quotes about Jesus; and much more--and he offers a more accurate perspective by pointing us back to the Bible. From the manger in Bethlehem to the cross in Jerusalem, Yancey presents a complex character who generates questions as well as answers, a disturbing and exhilarating Jesus who wants to radically transform your life and stretch your faith. The Jesus I Never Knew engages your heart, your mind, your emotions, and your senses, preparing you for a new, life-changing encounter with the real Jesus described in the Gospels. Also available: The Jesus I Never Knew video curriculum, participant's guide, and study guide.

"Based on the Revised Standard Version, Second Catholic Edition, this volume leads readers through a penetrating study of the book of Exodus, using the biblical text itself and the Church's own guidelines for understanding the Bible. Ample notes accompany each page, providing fresh insights and commentary by renowned Scripture scholars Scott Hahn and Curtis Mitch, as well as time-tested interpretations from the Fathers of the Church. These helpful study notes explain what the biblical authors often assumed. They also provide rich historical, cultural, geographical, and theological information pertinent to Exodus." - back cover.
