“This is a time when the fragile form of this world is felt. The seemingly solid foundations are shaking. The question we should be asking is, Do we have a Rock under our feet? A Rock that cannot be shaken—ever?” —John Piper On January 11, 2020, a novel coronavirus (COVID-19) reportedly claimed its first victim in the Hubei province of China. By March 11, 2020, the World Health Organization had declared a global pandemic. In the midst of this fear and uncertainty, it is natural to wonder what God is doing. In *Coronavirus and Christ*, John Piper invites readers around the world to stand on the solid Rock, who is Jesus Christ, in whom our souls can be sustained by the sovereign God who ordains, governs, and reigns over all things to accomplish his wise and good purposes for those who trust in him. What is God doing through the coronavirus? Piper offers six biblical answers to that question, showing us that God is at work in this moment in history.

**YOUR WORDS HAVE POWER** Never underestimate the power of your words. It could pave the way to a more successful life in all areas. Some people take their thoughts and words for granted, thinking that they make no difference. Others use the creative power of the mind and words to make a better future for themselves. No one can change your world for you. You have to create it yourself. God created the world in which we live, and you can continue the work of creation and recreation if you use the right thoughts and words. Christmas is more than about Christmas for Christmas sake. It's the beginning of a new life and new opportunities to become better and smarter in the choices we make. After Christmas comes the New Year, which is a time for self-assessment and strong resolutions. Making decisions and taking steps based on God's unfailing promises is one sure way to have a successful new year. Think of the mistakes it will help you avoid, and the resources it will help you save. Think of the high chances of success you will get when you have God's wisdom guiding you every step of the way. It's good to trust in God. That's why you have to make each year count. Go right now and make each day of your life count. Make it work exactly as God intended for you using the powerful promises in this book. God's word never fails. Do it and see great things unfold right before your eyes.

season and confidence to step into who they were created to be.

The strong God of Exodus. The ancient poetry of the Psalms, and the eternal teachings of Proverbs. Matthew, Mark, Luke, and the mystical beauty of John. The new heaven and earth of Revelation. Bible verses—an enduring source of guidance, peace, and rejuvenation—are here given a very special treatment in colorful letterpress illustrations that bring each phrase to life in a fresh and meaningful way. The verses are drawn from seven translations (including the New International Version, The New Revised Standard Version, and The King James Bible) and arranged in order, beginning with Genesis 1:1. These selections include 100 of the most distinctly meaningful passages of the Old and New Testament, made even more powerful through the transformative lens of art. Like a contemporary update on medieval illuminated manuscripts, the book combines the timeless words of the Bible with timely artwork—in this case, hand-lettering and illustration in a variety of beautiful styles and remarkable aesthetics from 25 contemporary artists. It's a new and vibrant way to experience the living word.

This fascinating story of a Dutch Reformed mission among the Karo of North Sumatra chronicles the field's first fifteen years - 1889-1904. Plantation executives sponsored the mission, hoping to enlist the Karo as Christian allies in a colonial war against Muslim "fanatics." But the Karo hated the plantations, and likewise distrusted and resisted the missionaries. Civil servants saw the mission as a forerunner of the government's annexation of the Sumatran highlands, and in the military expedition to take the region, the missionaries played a prominent role. Consequently, the missionaries found their credibility diminished by their links to the despised colonial apparatus. Nonetheless, the missionaries' motives were religious, and they struggled with the compromises that made their work possible, yet ultimately precluded its success. Unlike other missionary studies - that focus on biography or on large regions - this historical ethnography concentrates on a single field, and on the personalities and activities of the several men who pioneered it in its formative years. It examines the missionaries' assumptions and values, describe how the missionaries contrasted themselves with the government and capitalist business, and explores the difficulties of translating Christianity across a great cultural gulf. The Early Years of a Dutch Colonial Mission will give pause to anyone who has thought missionaries heroic, or to anyone who has thought them misled.
