

## Bill Hull

Most observers consider E. Y. Mullins, president of Southern Baptist Theological Seminary from 1899 to 1928, to be the most influential Southern Baptist theologian and denominational leader of the twentieth century. His book, *The Axioms of Religion* (1908) is considered his most-creative and most-enduring work. The book was received as virtual orthodoxy by Baptists around the world. Complete with a critical introduction, this volume sets a new standard in Mullins study and in the study of Baptist history by restoring Mullins to his rightful place. Appendices accompany vols. 64, 67-71.

Scripture places high priority on the discipling capacity of the church, This book shows how to accomplish it. Foreword by Howard Ball. *Tales from the Wake Forest Hardwood* chronicles how Wake Forest basketball could survive the university's relocation from the quaint town of Wake Forest to the city of Winston-Salem without ever leaving behind fans and followers.

How do we stop giving in to our temptations and instead pursue deliverance and transformation from them?

Discipleship occurs when someone answers the call to learn from Jesus how to live his or her life as though Jesus were living it. The end result is that the disciple becomes the kind of person who naturally does what Jesus did. How the church understands salvation and the gospel is the key to recovering a biblical theology of discipleship. Our doctrines of grace and salvation, in some cases, actually prevent us from creating an expectation that we are to be disciples of Jesus. A person can profess to be a Christian and yet still live under the impression that they don't need to actually follow Jesus. Being a follower is seen as an optional add-on, not a requirement. It is a choice, not a demand. Being a Christian today has no connection with the biblical idea that we are formed into the image of Christ. In this groundbreaking new book, pastor and author Bill Hull shows why our existing models of evangelism and discipleship fail to actually produce followers of Jesus. He looks at the importance of recovering a robust view of the gospel and taking seriously the connection between conversion—answering the call to follow Jesus—and discipleship—living like the one we claim to follow.

*The Kingdom Life* provides an integrated approach to spiritual formation. This rich compilation from an extraordinary team of thinkers offers sound theology and key practices to strengthen you and those you disciple in light of Christ's lordship and life in the kingdom. -- back.

From the author of the bestselling book, *The Disciple-Making Pastor*, is a fresh take on leading like Jesus in every area of life. Whether you are leading a business, a church, or your family, the principles Bill Hull shares will draw you closer to Jesus and show you how to lead as a disciple of the one who transforms everything we know and believe about leadership.

What is a Christian? At the most basic level, a Christian is a disciple of Jesus Christ. And yet many Christians today couldn't tell you what a disciple of Jesus Christ is, or would even think of themselves as disciples. And yet in the Great Commission, Jesus specifically called us to make disciples. Everything else is secondary. *The Cost of Cheap Grace* is an extended, sweeping, bold, and bracing call to repentance for where we've let secondary things subvert our commitment to discipleship, and a compelling vision for discipleship as the basis of the gospel in all its world-changing, subversive power.

*The Complete Book of Discipleship* On Being and Making Followers of Christ Tyndale House

Foreshadowing the twentieth-century experience, the Spanish American War was America's first modern foreign war. Catapulting the United States into an international world power, it had lasting international implications. Besides America's acquisition of Puerto Rico, the Philippines, Hawaii, and Guam, the war led the United States to take to the international stage, confronting Germany and Japan, and creating a diplomatic bridge between Great Britain and the United States. For Spain the 1898-1899 conflict was the death knell of empire. This volume provides easily accessible information on the naval and army operations, Spanish operations, and the political background to the military events, with an emphasis on future foreign affairs.

*Bill, the Galactic Hero* is written by Harry Harrison who is also the author of *Deathworld*, *Make Room! Make Room!* (filmed as *Soylent Green*), the popular *Stainless Steel Rat* books, and many other famous works of SF. "Simply the funniest science fiction book ever written."--New York Times bestselling author Terry Pratchett At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Greg Ogden recovers Jesus' method of accomplishing life change by investing in just a few people at a time. In this revised and updated edition Ogden sets forth his vision for transforming both the individual disciple and discipleship itself, showing how discipleship can become a self-replicating process with ongoing impact from generation to generation.

This volume of the classic stories of Philip K. Dick offers an intriguing glimpse into the early imagination of one of science fiction's most enduring and respected names. Since his untimely death in 1982, interest in Dick's work has continued to mount and his reputation has been enhanced by a growing body of critical attention as well as many films based on his stories and novels. Featuring the story *We Can Remember It for You Wholesale*, which inspired the major motion picture *Total Recall*, this collection draws from the writer's earliest fiction, written during the years 1952-55. Also included are fascinating works such as *The Adjustment Team* (basis of the 2011 movie *The Adjustment Bureau*), *Impostor* (basis of the 2001 movie), and many others. "A useful acquisition for any serious SF library or collection." --Kirkus Reviews "More than anyone else in the field, Mr. Dick really puts you inside people's minds." --Wall Street Journal "The collected stories of Philip K. Dick are awe-inspiring." --Washington Post

*Historic Photos of Chattanooga* captures the remarkable journey of this city and her people, with still photography from the finest archives of city, state and private collections. From the Civil War through Reconstruction, the rise of industry, World Wars and into the modern era, Chattanooga has remained a unique and prosperous city. With hundreds of archival photos reproduced in stunning duotone on heavy art paper, this book is the perfect addition to any historian's collection.

This edition has been greatly enlarged and updated to provide both scientists and engineers with a clear and comprehensive understanding of composite materials. In describing both theoretical and practical aspects of their production, properties and usage, the book crosses the borders of many disciplines. Topics covered include: fibres, matrices, laminates and interfaces; elastic deformation, stress and strain, strength, fatigue crack propagation and creep resistance; toughness and thermal properties; fatigue and deterioration under environmental conditions; fabrication and applications. Coverage has been increased to include polymeric, metallic and ceramic matrices and reinforcement in the form of long fibres, short fibres and particles. Designed primarily

as a teaching text for final-year undergraduates in materials science and engineering, this book will also interest undergraduates and postgraduates in chemistry, physics, and mechanical engineering. In addition, it will be an excellent source book for academic and technological researchers on materials.

Handbook of Behaviorism provides a comprehensive single source that summarizes what behaviorism is, how the various "flavors" of behaviorism have differed between major theorists both in psychology and philosophy, and what aspects of those theories have been borne out in research findings and continue to be of use in understanding human behavior.

The final court of whether or not you are becoming like Jesus is not attending another church program but how you act in daily life. Christlike aims to change outward actions by inner spiritual growth through uncomplicated obedience in our relationship with God. Author Bill Hull uses his experience as a pastor and his background in disciplinarian and spiritual formation to show how Scripture memory plays an integral role in your discipleship. Explore what it means to be a Christian and what your role is in the kingdom of God.

Solving today's environmental and sustainability challenges requires more than expertise and technology. Effective solutions will require that we engage with other people, wrestle with difficult questions, and learn how to adapt and make confident decisions despite uncertainty. We need new approaches to leadership that empower professionals at all levels to tackle wicked problems and work towards sustainability. Leadership for Sustainability gives readers perspective and skills for promoting creative and collaborative solutions. Blending systems thinking approaches with leadership techniques, it offers dozens of strategies and specific practices that build on the foundation of three main skills: connecting, collaborating, and adapting. Inspiring case studies show how the book's strategies and principles can be applied to diverse situations: Coordinating the activities of widely dispersed individuals and groups who may not even know they are connected, illustrated by the work of urban planners, local businesses, citizens, and other stakeholders advancing ambitious climate action goals via a Community Energy Plan in Arlington County, Virginia Collaborating with diverse stakeholders to span boundaries despite their differences of opinion, expertise, and culture, as illustrated by the bold actions of a social entrepreneur who transformed the global food service industry with the "plant-forward" movement Adapting to continuous change and confounding uncertainty, as a small nonprofit organization mobilizes partners to tackle poverty, water scarcity, sanitation, and climate change in rural India Readers will come away with a holistic understanding of how to lead from where they are by applying leadership principles and practices to a wide range of wicked situations. While the challenges we face are daunting, the authors argue that these situations present opportunities for creating a more just, healthy, and prosperous world.

Jesus wants mature disciples. This book shows how to squeeze joy out of sorrow, truth from pain, and make permanent advances for the Savior.

Words to inspire and live by, from a preeminent theologian and educator

From the author of the best-selling book *The Disciple-Making Pastor* comes a call to Christian leaders to let go of their addiction to secular models of leadership rooted in pragmatic success. Most leadership literature talks about having the "right kind" of leadership personality. You know the type: big-picture visionaries who serve others and get the best out of people. But the popular pattern of doing what works and getting rewarded for it is actually the enemy of Christian leadership. It thrives on making our work impersonal and exploitive. Far too often, it serves the leader rather than those the leader leads. Sadly, this pattern dominates Christian leadership in the West. We need a different style of leadership — one patterned after Jesus. Jesus influenced others because of who he was, not because he was well-known or a person of power or because he had mastered a set of skills or implemented an effective leadership strategy. He could have completed his mission living in your house, driving your car, married to your spouse, working at your office, and raising your kids because leadership comes down to character. Many who aspire to leadership are looking for the right circumstances so they can lead. Many in positions of leadership find it difficult to lead because of obstacles, such as a lack of funds, authority, and or confusion about methods. Jesus faced all of these — and more — yet he accomplished his mission. This is not a book about improving Christian organizations; it is about changing how Christians lead. It is for anyone with a megaphone, a platform to speak, who wants to lead others in being a witness for truth. It is for people with a pulpit, whether that pulpit be a business or a position of influence in a domain of the culture: entertainment, sports, politics, industry, the arts, academia, or religion. If you are someone to whom others listen— this book is for you. Each chapter begins with a title and statement about Jesus' life. Jesus was a different kind of teacher. The Pharisees focused on doing the right thing. Jesus emphasized becoming the kind of person who wants to do the right thing. Others taught the importance of doing good; Jesus taught how to be good. He didn't teach behavior modification alone; he taught how to change the sources of behavior. Knowing how to lead others begins by seeing Jesus as your leader.

Thomas doubted. Peter denied. Matthew had a shady past. And most of Jesus' disciples had trouble understanding his true message and mission at times. How did Jesus take lowly fishermen and tax collectors and turn them into some of the most influential men that ever lived? And how can modern church leaders empower regular church members to meet their potential as servants of God? In *Jesus Christ, Disciplemaker*, Hull outlines Christ's methods in training his twelve disciples and presents a biblical pattern that emulates Christ's model for reaching the lost. By taking readers through four growth phases—evangelizing, establishing, equipping, and leading—Hull shows how these principles can be adapted for any discipler. *Jesus Christ, Disciplemaker* is the perfect resource for pastors and church leaders who want to learn how to help others grow in God's service.

Shows pastors how to build high commitment within their churches despite the cultural tendency to avoid commitment.

Rockabilly, a musical designation coined by *Billboard* magazine in the mid-1950s, is a rambunctious rhythmic style combining the liveliest elements of country, gospel, and rhythm and blues. Popularized by such performers as Elvis Presley, Buddy Holly and Ricky Nelson, rockabilly has been a major influence on the music of Bob Dylan, the Beatles and Bruce Springsteen (among many others). This book captures the essence of life on the road and in the recording studio through interviews with many of rockabilly's foremost artists. Among those sharing their experiences are Jerry Allison and Sonny Curtis of the Crickets, Sonny Burgess, Wanda Jackson, Glen Glenn, the Collins Kids, Charlie Gracie and Deke Dickerson. Also included are several rare publicity photos.

Every church wants to experience the fullness of God, but many feel discomfort and confusion when the question of gifts of the Holy Spirit is raised. What does it mean to move in the power of the Holy Spirit? Isn't the issue of gifts of the Spirit divisive to evangelical churches?

*Straight Talk on Spiritual Power* begins with Bill Hull's own theological journey from being a student at a charismatic university to a cessationist to a pastor with a moderate position affirming the full ministry of the Holy Spirit in the church today. Using Jesus as the ultimate model, Hull searches the Scriptures and finds a consistent balance between the Word of God and the power of the Spirit. He shares the gradual change in his own church as it grew to experience the gospel with power, the Holy Spirit, and deep conviction. Conscious of the fears and confusion often surrounding this topic, Hull carefully looks at topics such as speaking in tongues, baptism in the Holy Spirit, healing, prophecy, and miracles, and offers thorough scriptural as well as practical instruction.

Well organized and readily accessible, *The Complete Book of Discipleship* pulls together into one convenient, comprehensive volume relevant topics to discipleship such as: Spiritual growth Transformation Spiritual disciplines Discipleship in the local church and beyond

Indexed for easy reference

Since its founding in 1816, Chattanooga has seen the rise of many extraordinary citizens, including Rev. T. Hooke McCallie, Civil War pastor; mayor and industrialist John Wilder; Benjamin Franklin Thomas, who established the nation's first Coca-Cola bottling plant; and Adolph Ochs, a successful newspaperman who went on to purchase the New York Times. Bessie Smith sang her first blues here, while the city's railroads hummed to the tune of Glenn Miller's Chattanooga Choo-Choo. Leo Lambert brought Ruby Falls to the public, while Garnet Carter's Tom Thumb Golf, the nation's first miniature golf course, became part of his future attraction, Rock City. "Antique Annie" Houston garnered one of the country's grandest collections of glassware in her barn on the east side of town. Celebrities Reggie White and Samuel L. Jackson also grew up in Chattanooga. *Legendary Locals of Chattanooga* celebrates these and many other personalities who have helped make Chattanooga a unique and energetic city.

A must-have keepsake for Blackhawks fans of all ages, this souvenir provides the opportunity to celebrate the life of the greatest hockey player in Chicago's history. One of the most charismatic and electrifying athletes of his or any era, Bobby Hull thrilled fans with his unique combination of speed, skill, and grace and his electrifying career is highlighted in this biography where he traces his life from his days as a youngster learning to skate on the Bay of Quinte to his current role as a Blackhawks ambassador. Throughout the book, beautiful photos reflect on Hull's greatest moments, including amassing a team-record 604 career goals, collecting three Art Ross trophies as the league's leading scorer, earning Lord Stanley's Cup and a championship ring in 1961, and being inducted into the Hockey Hall of Fame in 1983. Featuring hundreds of rare, full-color photos from his personal archive and accompanying text from legendary Chicago sports columnist and Blackhawks team historian Bob Verdi, *The Golden Jet* gives Hull's millions of fans a never-before-seen glimpse into the life of this hockey icon. Bringing the pictures to life is an exclusive commemorative DVD, which includes highlights, interviews, and behind-the-scenes clips from the Blackhawks' video library. Christ commanded the church to make disciples, to produce people who love and obey God, bear fruit, and live with joy. The crisis at the heart of the church is that we often pay lip service to making disciples, but we seldom put much effort behind doing it. For the pastor who is ready to put words into action, *The Disciple-Making Pastor* offers the inspiration and practical know-how to do so. Bill Hull shows pastors the obstacles they will face, what disciples really look like, the pastor's role in producing them, and the practices that lead to positive change. He also offers a six-step coaching process to help new disciples grow in commitment and obedience and practical ideas to integrate disciple making into the fabric of the church.

The daughter and grandson of General Hull have prepared a biographical, and at times autobiographical, portrait of his military and personal life. Given the controversial nature of his surrender of Detroit, the family has attempted to clear his good name. Because he and all of his siblings were gay men, Bill Hull felt his sexuality was not unusual. Nonetheless, discretion was vital to southern gay men, says Hull. Public acknowledgement of homosexuality could result in economic recrimination or physical violence. He describes his coming-out experience as a teenager and the impact the liberating Chapel Hill atmosphere had on gay males. His experiences at the University of North Carolina and his participation in the local civil rights movement further awakened his sexual and social consciousness. Hull explains how the civil rights movement served as the basis for the later gay rights movement. He points to dominant gay personalities in Chapel Hill and the pivotal role early gay bars had on his sexual identity. The interview illuminates the public safe sexual havens on the UNC's campus. He describes the fear of HIV and AIDS within the gay community in the early 1980s. Hull argues that the subsequent conservative backlash against gay culture negatively impacted the openness of the Chapel Hill gay community.

*A Practical Guide to Creating and Sustaining a Culture of Disciple-Making in Any Church* Over the last few decades American churches have produced plenty of converts but not as many mature believers. Studies show the majority of Christians don't even understand the basics of faith. But how do you tackle such a big problem? *Replicate* shows church leaders how to make disciples who make disciples and get the rest of your church on board as well. This one-on-one relational ministry is how Jesus laid the foundation for His church that is still growing today, and it's how we continue the work in our own local congregations. Learn the five marks of a healthy disciple-making church, how to influence culture, uproot misconceptions of the church and the gospel, and change your church and community. No more focusing on mere numbers, it's time to grow in maturity and through multiplication.
