Bad Date: A Never Before Released Novella Blind dates were the absolute worst. Awkward, filled to the brim with small talk, and they never, ever worked out. Kay knew all that. process. Maybe Heather was just a force to be reckoned with. Or maybe, it was because Kay had serious pushover tendencies. But when the date came, Kay found herself alone at a table for almost an hour before she called it quits. She'd been stood up. Yup, that was just perfect. Her night was shot, she was behind on her word count, but then . . . she quite literally ran into tall, dark, and handsome outside the restaurant. One look at him and Kay thought that perhaps her night might be salvaged after all. Until she discovered tall, dark, and handsome was a jerk. but she believed in Julian once, and he only betrayed her. Now Julian is back — a new man — and determined to win Kendall's heart. But this reformed bad boy just might find that Going in Deep is harder than it looks.

Sometimes it's hard to keep a low profile as an attractive woman in a casino. I was minding my own business, using my skill to win enough money at the blackjack tables to pay off my student debt, when I noticed someone else was minding my business, too. He was hot, he looked ultra-rich, and he had no reason to notice me. So why was he stalking me from table to table? I thought I might be in trouble for winning too much. I had no idea how sexy the trouble would turn out to be.

A secret duo of romance authors team up under the pseudonym Max Monroe to bring you a sexy, laugh-out-loud new series. Are you ready to meet the Billionaire Bad Boys? Blind dates? Online dating profiles? Been there, done that. Georgia Cummings has zero luck with dating, and the era of the internet is not her friend. No matter how fast she runs, how many corners she turns, she can't find her way out of this weird, alternate universe where men think dick pics are a replacement for small talk and getting to know a girl. Kline Brooks is the quintessential billionaire bad boy-dark, styled, short hair, muscles for days, and a panty-dropping smile. Except-he isn't. As his employee, he won't touch her with a ten foot pole. But she won't touch him either. Too bad their hormones missed the memo.

And then Duke does something Jane never expected: He plays along with her charade. With his hard-partying playboy reputation jeopardizing a 150-million-dollar investment deal, Duke realizes an engagement with the sexy but oh-so-proper librarian could be just the thing to repair his reputation.
