Just One Night, Part 3: Binding Agreement Kyra Davis, 2013-05-20 Part 3 of the Just One Night series. One wild night in a Vegas hotel changed everything for Kasie. Sleeping with a powerful, sexy stranger made her rethink her impending marriage, and a whole lot more. As her affair threatens her job and the sexy billionaire Robert Dade becomes more controlling, Kasie has to figure out if her passion is leading her down a path she really wants. She's seduced by his gifts of power, success, and adventure, she's overwhelmed by what he can make her feel with a single touch, the way he can make her ache for him with just a look. But is the cost of absolute power and pleasure a price Kasie can afford? And does she truly know this man who says he can give her everything...or is he still a stranger after all?

Just One Night, Part 2: Exposed Kyra Davis, 2013-03-18 Part 2 of the Just One Night series. One passionate night with a stranger turned Kasie's world upside down, and just when she thought she was getting the hang of things, her fiancé finds out... You should sleep with a stranger—those words whispered in her ear by her best friend became a challenge Kasie took to heart. Suddenly, the man who gave her the most shocking pleasure in that upscale Vegas hotel—a man whose name she never bothered to find out—is her company's biggest client. As this unknown man becomes Mr. Dade at the office, and Mr. Dade becomes Robert in the bedroom, Kasie discovers her true nature and begins to question the carefully controlled, modest image she has crafted to please her family and friends. But when her fiancé, Dave, finds out, his rage and desire to both keep her and punish her could cost her everything—including Robert, the only man who has wanted Kasie for who she really is and the only man who makes her feel truly alive.

Just One Night, Part 1: The Stranger Kyra Davis, 2013-01-21 Kasie knows who she's supposed to be. But one passionate night with a mysterious stranger will teach her who she wants to be. You should sleep with a stranger, her best friend whispers in her ear as they take to Vegas for one last pre-wedding fling. Despite her best intentions, when Kasie Fitzgerald enters the casino and sees him, a man whose tailored clothes belied a powerful, even dangerous, presence, she loses herself to the moment. Maybe it's the dress, much shorter than she'd ever normally wear, or the Scotch, but something makes her give herself over to him more completely than she's ever done with a man before. It was supposed to be just one night. But right as she's thinking she wants more, he shows up in her office with an agenda. As the billionaire CEO of a company that's engaged her PR firm, his demands just became her reality...and he desires so much more than just some attention in the

boardroom.

Just One Night Carly Phillips, 2021-04-20 He's a billionaire with everything he desires...except the woman he wants most. She's his best friend, personal assistant, and off limits. Until one night and a positive pregnancy test changes everything. Jordan Greene, the housekeeper's daughter, is the only woman who can handle billionaire Linc Kingston and his bossy ways. She's also his lifelong best friend. No matter how hot the attraction between them simmers, there are lines she knows better than to cross. When Linc is gutted by lies and family secrets, Jordan's comfort ends with a sensual night in bed and a surprise he never expected. Getting his personal assistant pregnant makes him too much like the father he despises, and his initial reaction may cost him everything he loves.

Just One Night Kyra Davis, 2013-12-31 You should sleep with a stranger, her best friend whispered in her ear—and so begins the intense, erotic journey of Kasie Fitzgerald in Book One of the *Just One Night* series, a blockbuster bestseller and “an uplifting story in which sex is presented both as freedom and as a metaphor for power” (Publishers Weekly). Kasie Fitzgerald knows who she's supposed to be. Responsible. Reliable. Predictable. She's an ambitious workaholic who is devoted to the sensible man she plans to marry. But one wild, impulsive night in Vegas is about to open her eyes up to who she wants to be... Trying her sexy new dress and her luck at a blackjack table, Kasie meets him. Intense. Flirtatious. Dangerous. She accepts his invitation for a drink...and then to his hotel room. She doesn't know his name. But she'll never forget the sex. Hard. Thrilling. Explosive. So when her mystery man later shows up at her office unexpectedly, she succumbs to his mastery, both in bed and in the boardroom. There's no telling where the powerful, wealthy Robert Dade will lead her. But there's also no resisting her desire...however far she'll go under its spell. The only question is who she'll be when the journey ends.

Emblaze Jessica Shirvington, 2013-09-03 When Violet Eden loses the key to the gates of Hell she is forced to make a choice that carries apocalyptic consequences When you're hanging off the edge of a volcano, how do you make the most important decision of your life? For Violet Eden the decisions between right and wrong are getting harder and harder. Because apparently being a half-angel Grigori doesn't always make you right. Where is the good in having to choose between the life of her best friend and saving humanity? How does she balance a soul-crushing need for her Grigori partner, Lincoln, and the desire to keep him safe at all costs? And what if the darkest exiled angel of all, Phoenix, isn't as bad as she thought? Both sides—Angels vs. Exiles—are racing to decipher an ancient scripture that would allow anyone banished to the Underworld to return. And at the very center: Violet. She only has one chance to make the right choice... Vibrant and Healthy Kids National Academies of Sciences, Engineering, and Medicine,Health and Medicine Division,Board on Population Health and Public Health Practice,Committee on Applying Neurobiological and Socio-Behavioral Sciences from Prenatal Through Early Childhood Development: A Health Equity Approach,2019-12-27 Children are the foundation of the United States, and supporting them is a key component of building a successful future. However, millions of children face health inequities that compromise their development, well-being, and long-term outcomes, despite substantial scientific evidence about how those adversities contribute to poor health. Advancements in neurobiological and socio-behavioral science show that critical biological systems develop in the prenatal through early childhood periods, and neurobiological development is extremely responsive to environmental influences during these stages. Consequently, social, economic, cultural, and environmental factors significantly affect a child's health ecosystem and ability to thrive throughout adulthood. *Vibrant and Healthy Kids: Aligning Science, Practice, and Policy to Advance Health Equity* builds upon and updates research from *Communities in Action: Pathways to Health Equity* (2017) and *From Neurons to Neighborhoods: The Science of Early Childhood Development* (2000). This report provides a brief overview of stressors that affect childhood

development and health, a framework for applying current brain and development science to the real world, a roadmap for implementing tailored interventions, and recommendations about improving systems to better align with our understanding of the significant impact of health equity.

Voice and Agency Jeni Klugman, Lucia Hanmer, Sarah Twigg, Tazeen Hasan, Jennifer McCleary-Sills, Julieth Santamaria, 2014-09-29 Despite recent advances in important aspects of the lives of girls and women, pervasive challenges remain. These challenges reflect widespread deprivations and constraints and include epidemic levels of gender-based violence and discriminatory laws and norms that prevent women from owning property, being educated, and making meaningful decisions about their own lives--such as whether and when to marry or have children. These often violate their most basic rights and are magnified and multiplied by poverty and lack of education. This groundbreaking book distills vast data and hundreds of studies to shed new light on deprivations and constraints facing the voice and agency of women and girls worldwide, and on the associated costs for individuals, families, communities, and global development. The volume presents major new findings about the patterns of constraints and overlapping deprivations and focuses on several areas key to women's empowerment: freedom from violence, sexual and reproductive health and rights, ownership of land and housing,

and voice and collective action. It highlights promising reforms and interventions from around the world and lays out an urgent agenda for governments, civil society, development agencies, and other stakeholders, including a call for greater investment in data and knowledge to benchmark progress.
