Nothing Is Impossible with God When You Pray Effectively Prayers are meant to be answered, but many Christians do not know how to pray effectively. Fortunately, the Bible teaches us how to pray in order to bring glory to God and to address our physical, emotional, spiritual, financial, and relational needs. In Prayers That Get Results, Pastor Tom Brown delves into different types of prayer and reveals why believers cannot take a one-size-fits-all approach when they talk with God. He explains that Scripture provides us with specific prayers for specific needs, each with a unique language and attitude, including... Prayers of submission Prayers of petition Prayers of agreement Prayers of release Prayers in the Spirit Prayers of intercession Prayers of binding and loosing And more When you know how to talk to God effectively, you will see your prayer time not as a tiresome chore but as a sacred and joyous activity that you don't want to stop. If you are longing to see your prayers answered, you have found the right resource.

Evidence that evil is flourishing faces Christians every day, leaving many feeling hopeless and helpless. What they don't realize, says esteemed pastor Jack Hayford, is the power that is theirs through the cross. Instead, they labor under the misconception that spiritual warfare occurred only during biblical times. But it is right here, right now, says Pastor Jack. And for the first time he lays out the strategies he's learned for engaging and defeating evil--through prayer. With clarity and passion, he shows readers how to • develop powerful devotional habits • engage in intercession • plead the blood of Christ • understand the correct use of binding and loosing • confront evil • learn why some prayers don't succeed • and much more When believers embrace the cross's power, they will stand up in hope and light against the evil of this world, penetrating even the deepest places where the enemy's darkness dwells.

Life gives us choices. When we know what's right, JUST DO IT! These forty stones help you find that the right choices in life are much better. Wrong choices can keep our lives in turmoil and nothing will seem to ever go right. This journey through my years of raising my children and growing up will help you too as you share my stones. Some stones will seem rough, others smooth and then there are those stones which will bring hard changes in your life. But if you throw down your stones, God will begin a work in your life to help you be who you were called to be. There were times I felt like I was being stoned. Then other times I could find rest and peace in receiving these stones. Yet in all these stones you will see, as I did, that when I made the right choice to let God be God, I found these stones easy to lay down before a Holy God, knowing that no matter what was happening in my life God would be with me all the way. God promises to never leave us or forsake us. Through these years and years of learning to walk in obedience and sacrifice I have grown up and found that God's ways and His thoughts are not our thoughts. HE IS THE WAY, THE TRUTH and THE LIFE. It was not always easy, but it was a journey of a lifetime for me, with a God who loves me so much that He gave His life so we can all be over comers and not be overcome! Now, follow me down this less-traveled path to find peace, joy, obedience, and sacrificial love, as you too begin to..THROW DOWN YOUR STONES.

If you want to know the temperature of your spiritual life, look at the thermostat setting on your prayer life. Prayer is the most misunderstood and neglected aspect of the Christian life. It has been estimated that most Christians pray three to five minutes a day. Compare that to the time many spend complaining, and you'll gain insight into the spiritual and emotional condition of our day. Yet God has constructed the world in such a way that there is much He won't do in a

Prayer is a powerful weapon, a two-edged sword not to be wielded carelessly. There are certain types of prayer Satan would like us to use. Although we have authority as the children of God, how we fight can determine the personal consequences of our spiri

No more general, routine, and unfocused praying. This book lays the foundation for engaging in spiritual warfare by effective, pointed, biblically based prayer. Part I presents in the first chapter a solid theological foundation, treating worldview, the reality of the spirit world, and our resources. The next chapters show the place of prayer in warfare and delineate some strategies, tactics, and cautions. Part II suggests some pattern warfare prayers for personal, church, and world needs. Believers have used some of these very effectively to see the Lord intervene and remove oppression and obstacles. Winning the War through Prayer is like a bucket of cold water thrown onto a largely lukewarm Church. For those who have already experienced the power of demonic forces and the triumph of Christ, this book will give them more practical knowledge of how to confront the enemy. For those who have ignored the biblical teaching about our invisible war, such readers will be jolted in to reality. Their eyes will be open to a new level of spiritual discernment and a new way of praying that is directed against the forces that seek to destroy us (Dr. Erwin Lutzer). In my evaluation, this book is the best presentation of biblical warfare praying that has been written. God has use Fred to write an articulate, doctrinally sound, biblical call to warfare praying that exceeds anything yet writtenan academic and biblical study, a very useable and much needed document (Dr. Mark I. Bubeck).

Many people today find that their prayers don't "work." And like a broken cell phone, DVD player, or TV remote, they throw prayer out as unnecessary "clutter" in their busy lives. Anne Graham Lotz has found that while prayer does work, sometimes the "pray-ers" don't. So she has turned to the prophet Daniel for help. The Daniel Prayer is born deep within your soul, erupts through your heart, and pours out on your lips, words created by and infused with the Spirit of God quivering with spiritual electricity. It's really not an everyday type of prayer. It's a prayer birthed under pressure. Heartache. Grief. Desperation. It can be triggered by a sudden revelation of hope. An answer to prayer, a promise freshly received, a miracle that lies just over the horizon. Join Anne in a thrilling discovery of prayer that really works. This book will help you pray effectively for your nation, for your families, and for yourself.

Biblical Answers to Spiritual Warfare Questions Have you ever wondered... Can Christians be demon-possessed? Are natural disasters the judgment of God? Why does it seem that my prayers are not being answered? Why do I have so much trouble with the Devil? What is the difference between God's voice and the Devil's voice? How do I overcome the spirit of jealousy, divination, bondage, and infirmity? Within the pages of this book are simple, no-nonsense, biblical answers that will help you to understand what it is to be one of God's warriors in these last days.

The reality of the invisible world and its wars is evinced by tangible realities in the physical ephemeral sphere. Sometimes, abstract scenes from the dream world appearing in form of sweet dreams or nightmares in human subconscious mind metamorphose into real life experiences, to say the least. The enigma that stems from these ethereal perspectives seems to stick in the silver lining of our day-to-day activities irrespective of any personal persuasion, religious belief or freethinking conviction. It is clear from these indications that the physical is largely ruled by the spiritual and that prevailing events in the affairs of mankind are the resultant effects of the sublime and impalpable causes. There are invisible courts where decisions are made and verdicts are passed which influence visible happenings on this side of the divide and reflect such streaks in the elemental system in an unhinged manner. It is mostly characterized by annoying, recurrent misfortunes. One of the most personal and powerful acts a Christian can engage in is prayer. Yet many believers struggle with their prayer lives, wondering whether they are really making a difference and how they can be more effective. Delving deep into the biblical understanding of prayer, beloved author and leader Derek Prince shows readers the secret to leading a dynamic prayer life, how to receive what they ask for, and how to align themselves with the heart of God. Practical strategies like fasting, biblical study, discipline, and consistency are extensively explained and illustrated by powerful testimonies. This is a life-changing book.

Overcome evil in Jesus' name.

Warfare Prayer provides a toolbox and an operator's manual for those who take seriously the Apostle Paul's statement that we wrestle not against flesh and blood but against principalities and powers. The demonic world around us is a reality, but all too few believers understand that realm of darkness to say nothing of having the skills to use effectively the weapons of warfare that God has given us. Based on a combination of sound biblical theology and real life experiences, this book is a user-friendly guide for those committed enough to join the army of God.

In his powerful examination of spiritual warfare, Richard Ing discusses the rulers and hierarchies of the demonic kingdom. For instance, he reveals the Jezebel and Ahab spirits that plague today's churches, destroying even the most effective ministries through controlling women and passive men. Discover how to overcome Satan's insidious tactics by learning the techniques and strategies available in your full arsenal of weapons, including:

This is not the person I use to know because his behavior changed. As we began to pray for him, he turned violent that three of us could hardly hold him down. About one hundred and forty four demons were cast out of him. The last twelve demons refused to leave as they claimed ownership of this brother. We stood our ground that brother Paul is a child of God. We rebuked and cast them out. Reluctantly they left,

remaining their leader that also left after all false claims. This violent brother by now was slain in the spirit and slept like a baby for quite some time. When he woke up he looked surprised wondering what has happened. What happened was that he had gone and laid hands on this said Cecilia when he heard her screaming and shouting. Cecilia was not born again and had been demon possessed and ran mental for years. The junior sister who is a Christian shared with us in fellowship how the demons that visit or that are in her senior sister Cecilia one day threw her, the junior sister out of her own room to the outside.
