Barron's Let's Review Regents: Living Environment gives students the step-by-step review and practice they need to prepare for the Regents exam. This updated edition is an ideal companion to high school textbooks and covers all Biology topics prescribed by the New York State Board of Regents. All Regents test dates for 2020 have been canceled. Currently the State Education Department of New York has released tentative test dates for the 2021 Regents. The dates are set for January 26-29, 2021, June 15-25, 2021, and August 12-13th. You'll get one recent Regents exam and question set with explanations of answers and wrong choices. The edition also features teachers' guidelines for developing New York State standards-based learning units. Two comprehensive study units cover the following material: Unit One explains the process of scientific inquiry, including the understanding of natural phenomena and laboratory testing in biology. Unit Two focuses on specific biological concepts, including cell function and structure, the chemistry of living organisms, genetic continuity, the interdependence of living things, the human impact on ecosystems, and several other pertinent topics.
