Winner of the Graywolf Press Nonfiction Prize, a lyrical meditation on family, place, and inheritance *Names for Light* traverses time and memory to weigh three generations of a family's history against a painful inheritance of postcolonial violence and racism. In spare, lyric paragraphs framed by white space, Thirii Myo Kyaw Myint explores home, belonging, and identity by revisiting the cities in which her parents and grandparents lived. As she makes inquiries into their stories, she intertwines oral narratives with the official and mythic histories of Myanmar. But while her family's stories move into the present, her own story—that of a writer seeking to understand who she is—moves into the past, until both converge at the end of the book. Born in Myanmar and raised in Bangkok and San Jose, Myint finds that she does not have typical memories of arriving in the United States; instead, she is haunted by what she cannot remember. By the silences lingering around what is spoken. By a chain of deaths in her family line, especially that of her older brother as a child. For Myint, absence is felt as strongly as presence. And, as she comes to understand, naming those absences, finding words

for the unsaid, means discovering how those who have come before have shaped her life. Names for Light is a moving chronicle of the passage of time, of the long shadow of colonialism, and of a writer coming into her own as she reckons with her family's legacy.

The primary purpose of this book is to provide a convenient place for you to write down the birthdays of family and friends you want to remember from year to year, along with such information as their mailing addresses, phone numbers, email addresses, and year of birth. Special events, such as anniversaries, could also be recorded. Each day of the year has its own, individual page. (This 404-page, 6" x 9" book is one to keep at home and not one you would want to carry around

with you on a daily basis.) The bottom portion of each page (almost half) is left completely blank for ample space and flexibility for you to write in the needed information you want to remember. Besides space for birthday information about family and friends, for each day of the year the name of a notable, historical American with the same birthday is given in the top portion of each page, along with a corresponding, black-and-white image (if available) and quote(s) from that person. In general, the quotes chosen are primarily positive, motivational, and/or thought provoking. The notables included feature a variety of occupations. You will notice that some important, notable, historical Americans are not included, and many times this is due to some notables having the same birthday. For example, all U. S. presidents are included, and they often take the place of other notables that otherwise would have been included, e.g., Stephen A. Douglas. The exact birthdays of some notables are not known, and, therefore, those notables are not included, for example, Frederick Douglass. All notables included are deceased, except for a very few, such as a few Presidents and Supreme Court Justices. Some other potential notables, such as athletes and entertainers are not included. Of course (!), there will be differences of opinion as to the choice of "Notables," so spaces are provided for each day for you to write in the birthdays yourself from your own sources of those persons you consider to be Notables. Just as Tip O'Neill, Speaker of the U. S. House of Representatives, said "You can't tell a story in a sound bite," you can't really know a notable by the short quotes given in this book. So, you are strongly encouraged to learn more about the historical notables listed throughout this book by looking them up on the Internet. Some of the notables and quotes may be controversial. So, you may agree with some quotes, while you may disagree with others. However, the quotes do come from men and women who have had some part in shaping our society, and the ideas presented may stimulate some reactions, additional thoughts, and even actions. An Index of the Names of Notables with their dates of birth is provided at the back of the book. The standard, "perfect bound," paperback version of this book is available through Amazon, while the spiral bound, paperback version is not.
