

Bishop David Oyedepo And

I have always been fascinated by the story of the lion being the king of the jungle, and through the benefit of hindsight, the inspiration to do this mini secret of success book was as a result of the might and grace the grace of the lion. On May 19, 2014 few days to my birthday, I wrote an elaborate piece in my column for BUSINESS WORLD in my segment called Business world on His Highness UAE Vice President, Prime Minister and Ruler of Dubai His Highness Sheikh Mohammed bin Rashid Al Maktoum, titled: MAN BEHIND EMIRATE AIRLINE. Few days later, on my birthday, MAY 29TH 2014 I got a parcel as birthday present and in the neatly wrapped pack was a big book by the subject matter himself, Mohammed Bin Rashid Al Maktoum, the voluminous book titled: MY VISION, Challenges in the Race for Excellence. I love what I saw at the back of the book about the Lion and the gazelle as researched by the author.: "With each new day in Africa, a gazelle wakes up knowing he must outrun the fastest lion or perish. At the same time, a lion stirs and stretches, knowing he must outrun the fastest gazelle or starve. It is no different for the human race. Whether you consider yourself a gazelle or a lion, you simply have to run faster than others to survive." In His Highness Sheikh Mohammed bin Rashid Al Maktoum viewpoint, life consist of a number of opportunities and greater opportunities do not come knocking on people doors. Whoever wants such opportunities must grab them when they arise, for his people and for himself. We have to be powerful, strong-willed, determined and willing to grasp such opportunities, so that we do not have to scavenge the leftovers of lions. Not long after my reading this story of lion and gazelle, I was in the gigantic Winners Chapel one Sunday and here was the anointed man of God, Bishop David Oyedepo telling his mammoth flock the need to think and start living like lion in the race for life rather than acting like cows. It is not a surprise that the narration and motivation of the story of lion as told by the Bishop can be said to be the true motivation behind this book in your hand today. However it must be noted that the writer has gone a step forward to talk about the much speculated worth of the man of God, what Forbes said he is worth and of course the book is further spiced with a rare never before seen type of quotes or inspirational sayings from the man, called to liberate his people from abject lack or one manner of illness or the other. I am confident that no matter your race, religion or age, this book can in one way or the other be of great motivation to you in your drive to either live like a lion or a gazelle-whether you call or see yourself as either of the animal, you simply have to RUN faster than others to survive CHIEF MIKE CERUTTI OSAGIE 2014

Secret of preparation on time is a crucial part of moving from emergency preparation to taking advantage of the various seasons in your life to prepare for the next season. You can apply this teaching to your personal life, career, family, church, business and whatever constitutes your life or whatever is attached to your life. If you consistently build and prepare towards your destiny, career etc. when the time of manifestation comes you will look stronger than somebody that really has greater gifts and grace in his life but didn't prepare. I want you to make up your mind not to wait until crisis comes before you begin to prepare on time. Don't do emergency preparation in your life.

Pentecostal and Charismatic Christianity is a global phenomenon that comprises a quarter of the world's two billion Christians and is growing rapidly. This volume reveals that the primary appeal of pentecostalism worldwide is as a religion of healing. Contrary to popular stereotypes of flamboyant, fraudulent, anti-medical "faith healing" televangelists who preach a materialistic, "health and wealth" gospel, handle serpents, or sensationally "exorcize" demons, this book offers a more nuanced portrait. The collected essays illumine local variations, hybridities, and tensions in practices on six continents, and depict the extent of human suffering and powerlessness experienced by people everywhere and the attractiveness to many of a global religious movement that promises material relief by invoking spiritual resources. This is the first book of its kind. Achieving the twin goals of thick description and comparative analysis of global practices is best achieved by bringing area experts into conversation. This volume's

distinguished, international team of contributors includes sociologists, anthropologists, historians, political scientists, theologians, and religious studies scholars from North America, Europe, and Africa. Read together, these essays set the agenda for a new program of scholarly inquiry into some of the largest forces of change at work in the world today-globalization, pentecostalism, and healing-each of which is extremely powerful in itself and which together are reshaping our world in vastly significant ways.

In 2005, I resigned as a full-time pastor of a church and relocated to Lagos, Nigeria, with one mission in mind: To observe and study the life of Bishop David Oyedepo, resident Bishop of Faith Tabernacle, Ogun State, Nigeria, the Largest Single Church in the world, according to Guinness Book of Records What I share with you in this book is a summary of what I have learned from the life and ministry of Bishop Dr. David O. Oyedepo in this last 10 years. It's been a long journey, but suffice it say that I have enjoyed every bit of it. Like all men of great influence, Bishop Oyedepo, has been analysed in the public domain and given different names by different people. However, I believe that no man actually rises to the top by making mistakes. People only rise to the top by doing the right things over a long period of time. In this book, I share with you the success habits and secrets of one of the greatest leaders of Charismatic revival on earth today...Bishop David Olaniyan Oyedepo May we all fulfill the purpose for which we are born.

Doubt is a habit. You aren't born a doubter. You learn to doubt over time, after being hit with the injustices and instability of this world. In this book, I'm going to try to help you go back in time?and regain what you lost. The wonder of faith is a pure thing-a childlike thing-and it's the only thing that works to access God and draw in what you really want. He doesn't respond to need. He doesn't respond to begging or pleading or wishing. God responds to faith. Doubt has roots. From the beginning of my walk with God in 1974, I decided that if I was going to be a "believer," then I was going to believe. I had a lifetime of doubting people behind me-but I learned in the Bible that God is not a man that He should lie. I also learned that the roots of doubt must be pulled up in order to make way to receive from God. I began a new way of thinking all those years ago that I am still using today. It's brought me joy. It's brought me success over the many challenges I've had. And it's brought me great favor and full peace in a world filled with trouble. Doubt isn't what you think. It's not a passing thought. It's not pondering the Word of God or reasoning with God, or even with others. Doubt is an inner-lifestyle choice-a bad habit of taking your own word over God's, your thoughts over God's, and putting more stock in the words of others over God's, too. That's not what living a successful life as a believer is all about! In this

book, I hope to help you shut doubt down and develop a mindset that sees God's truth as bigger than the doubts of the mind?or anything else. Develop a habit of never learning to doubt!

Perspectives are very important; and no institution has been as much a victim of negative perspectives as the marriage institution. However, in this re-edited and expanded edition, Mrs. Faith A. Oyedepo, a well known marriage counsellor, comes up with more insight into the marriage institution. Very convincingly, this book corrects all the wrong-headed views on marriage and concludes that: Marriage is Gold. However, like every precious metal, time and other resources must be invested to dig it out. This book will heal your home of heartaches, fears and anxiety which have torn many marriages apart. You have in your hand a God-sent instrument to successfully build your marriage hitherto considered only a necessary evil.
