Following the 2009 Gospel Coalition conference John Piper and D. A. Carson presented two talks at Park Community Church in Chicago, IL, sponsored by the Henry Institute at Trinity Evangelical Divinity School. The topic of their presentation was on the relationship of scholarship and pastoral ministry. Piper centered on the importance of scholarship and academic pursuits in his role as pastor. Carson, conversely, focused on the importance of pastoral ministry in his career as scholar. The event was enthusiastically received and brought great insight and balance. Now their talks have been edited with additional content and put into book form. Weaving testimony and teaching, Piper and Carson challenge all those in ministry to think carefully and holistically about their calling. An introduction by Owen Strachan and a conclusion by David Mathis provide context and application to these unique messages. Pastors and scholars will want to take advantage of this valuable insider perspective from two men who have been acclaimed for their sharp thinking and pastoral hearts.

Throughout the history of Christianity, the four canonical gospels have proven to be vital resources for Christian thought and practice, and an inspiration for humanistic culture generally. Indeed, the gospels and their interpretation have had a profound impact on theology, philosophy, the sciences, ethics, worship, architecture, and the creative arts. Building on the strengths of the first edition, *The Cambridge Companion to the Gospels*, 2nd edition, takes account of new directions in gospels research, notably: the milieu in which the gospels were read, copied, and circulated alongside non-canonical gospels; renewed debates about the sources of the gospels and their interrelations; how central gospel themes are illuminated by a variety of critical approaches and theological readings; the reception of the gospels over time and in various media; and how the gospels give insight into the human condition.

"Useful men are some of the greatest blessings of a people. To have many such is more for a people's happiness than almost anything, unless it be God's own gracious, spiritual presence amongst them; they are precious gifts of heaven." Certainly one of the most useful men in evangelical history was the man who preached those words, pastor and theologian Jonathan Edwards. Commemorating his 300th birthday, general editors John Piper and Justin Taylor chose ten essays that highlight different aspects of Edwards's life and legacy and show how his teachings are just as relevant today as they were three centuries ago. Even within the church, many people know little more about Edwards than what is printed in American history textbooks—most often, excerpts from his best-known sermon, "Sinners in the Hands of an Angry God." They unjustly envision Edwards preaching only fire and brimstone to frightened listeners. But he knew and preached God's heaven as much as Satan's hell. He was a humble and joyful servant, striving to glorify God in his personal life and public ministry. This book's contributors investigate the character and teachings of the man who preached from a deep concern for the unsaved and a passionate desire for God. Studying the life and works of this dynamic Great Awakening figure will rouse slumbering Christians, prompting them to view the world through Edwards's God-centered lens.

Imagine being shipwrecked on a deserted island, wandering around for years without ever inspecting the weather-beaten treasure chest aboard the ship. The chest contains a compass, map, mirror, silver and gold, and precious gems of every kind imaginable. Although you're regularly in the vicinity of the chest, you never take the time to discover what is inside. That's what happens in many of our lives. She explains the importance of mentoring relationships to help us reach new levels. You will get an understanding of how to use the keys of faith, hope and expectation to unlock your dreams and hidden potential. We are all divinely unique and were created to make an impact in the world in some capacity. In fact, we have a responsibility to do no less. It is a matter of stewardship.

John Piper pleads with fellow pastors to abandon the professionalization of the pastorate and pursue the prophetic call of the Bible for radical ministry.

Henry H. Mitchell has completely revised and integrated his popular books *The Recovery of Preaching* and *Black Preaching* for seminarians and pastors--both Black and White--who are seeking to add power and vision to their sermons. Mitchell persuasively demonstrates that Black culture and preaching style are vital for the empowerment of Black congregations and have much to offer the preaching method of all preachers. By focusing on the use of storytelling, imagination, and style of preaching rooted in African-American culture, Mitchell spotlights effective techniques for lively preaching.

In 1951, with the Second World War not long over and the menace of the Cold War generating anxiety in the West, Martyn Lloyd-Jones preached eight sermons on John 14:1-12 at Westminster Chapel in London. These sermons, presented in *Let Not Your Heart Be Troubled*, were intended to comfort, strengthen, and build up Christians in their "most holy faith" and to bring unbelievers to a knowledge of the only way men and women can face matters of life and death. Lloyd-Jones went through these verses carefully, showing that the way to deal with our fears is first to recognize and confront them and then to realize that the answer is only to be found in the great and unchanging truths of the gospel. Pastors, Lloyd-Jones readers, and anyone needing encouragement will benefit from this work by one of the twentieth century's foremost preachers.

If God can take David -- the invisible eighth son of a forgotten family -- and turn him into a king, just imagine what magnificent plans He has for redeeming your life. David was born a number 8 -- a hidden gem, often overlooked and undervalued by everyone except for God. For David, being a number 8 seemed like a curse until the day God transformed him from the unknown eighth son of Jesse into the much-honored king of Israel. When God sends out an invitation to greatness, His directions don't always make sense to us. You may feel like the most invisible, broken number 8 out there, but God sees your hidden value and is growing you for better things. David didn't know it, but his time as a simple shepherd with a dull future did not go unnoticed by God. In David's darkest moments, he was cultivating the kind of gifts, wisdom, and leadership he would need to become a king. Even when you're an underdog in the eyes of the world, God is working behind the scenes to develop you into a king or queen.

America's problem with race has deep roots, with the country's foundation tied to the near extermination of one race of people and the enslavement of another. Racism is truly our nation's original sin. "It's time we right this unacceptable wrong," says bestselling author and leading Christian activist Jim Wallis. Fifty years ago, Wallis was driven away from his faith by a white church that considered dealing with

racism to be taboo. His participation in the civil rights movement brought him back when he discovered a faith that commands racial justice. Yet as recent tragedies confirm, we continue to suffer from the legacy of racism. The old patterns of white privilege are colliding with the changing demographics of a diverse nation. The church has been slow to respond, and Sunday morning is still the most segregated hour of the week. In America's Original Sin, Wallis offers a prophetic and deeply personal call to action in overcoming the racism so ingrained in American society. He speaks candidly to Christians--particularly white Christians--urging them to cross a new bridge toward racial justice and healing. Whenever divided cultures and gridlocked power structures fail to end systemic sin, faith communities can help lead the way to grassroots change. Probing yet positive, biblically rooted yet highly practical, this book shows people of faith how they can work together to overcome the embedded racism in America, galvanizing a movement to cross the bridge to a multiracial church and a new America. There is an appetite for God. And it can be awakened. I invite you to turn from the dulling effects of food and the dangers of idolatry, and to say with some simple fast: "This much, O God, I want you." Our appetites dictate the direction of our lives - whether it be the cravings of our stomachs, the passionate desire for possessions or power, or the longings of our spirits for God. But for the Christian, the hunger for anything besides God can be an arch-enemy. While our hunger for God - and Him alone - is the only thing that will bring victory. Do you have that hunger for Him? As John Piper puts it: "If we don't feel strong desires for the manifestation of the glory of God, it is not because you have drunk deeply and are satisfied. It is because we have nibbled so long at the table of the world. Our soul is stuffed with small things, and there is no room for the great." If we are full of what the world offers, then perhaps a fast might express, or even increase, our soul's appetite for God. Between the dangers of self-denial and self-indulgence is this path of pleasant pain called fasting. It is the path John Piper invites you to travel in this book. For when God is the supreme hunger of your heart, He will be supreme in everything. And when you are most satisfied in Him, He will be most glorified in you.

Published in 1906 by Rev. Horace Talbert, some fifty years after slavery ended, AME church history comes to life through profiles of 122 men-faithful devotees, or spiritual "sons" of Bishop Richard Allen, founder of the African Methodist Episcopal Church. Founded in 1816, the AME church was the first organized African American denomination in the United States. These sterling portraits of the "sons of Allen," mostly AME pastors, but also leading black men from other areas of industry, awaken the dreamer within... In celebration of the 200th anniversary of the founding of the AME church, the descendants of the author have reissued this remarkable book, which includes a "Sketch" by Rev. Talbert about his beloved alma mater Wilberforce University. This edition also has new material from Talbert's family members: a preface from Mrs. Suesetta Talbert McCree, a granddaughter of Rev. Talbert, believed to be the last surviving member of her generation; and a foreword by Rev. Malcolm Hassan Stephens, an Itinerant Elder of the AME Church and a great-great grandson of Rev. Talbert. The Sons of Allen is excellent primary source material for those interested in AME Church history, African American history, American history and genealogy. All readers will be inspired by the lives these men set forth to live, encouraged by the AME motto: "God our Father, Christ our redeemer, the Holy Spirit our comforter, Humankind our family."

In the twenty years since its publication, Celebration of Discipline has helped over a million seekers discover a richer spiritual life infused with joy, peace, and a deeper understanding of God. For this special twentieth anniversary edition, Richard J. Foster has added an introduction, in which he shares the story of how this beloved and enduring spiritual guidebook came to be. Hailed by many as the best modern book on Christian spirituality, Celebration of Discipline explores the "classic Disciplines," or central spiritual practices, of the Christian faith. Along the way, Foster shows that it is only by and through these practices that the true path to spiritual growth can be found. Dividing the Disciplines into three movements of the Spirit, Foster shows how each of these areas contribute to a balanced spiritual life. The inward Disciplines of meditation, prayer, fasting, and study, offer avenues of personal examination and change. The outward Disciplines of simplicity, solitude, submission, and service, help prepare us to make the world a better place. The corporate Disciplines of confession, worship, guidance, and celebration, bring us nearer to one another and to God. Foster provides a wealth of examples demonstrating how these Disciplines can become part of our daily activities-and how they can help us shed our superficial habits and "bring the abundance of God into our lives." He offers crucial new insights on simplicity, demonstrating how the biblical view of simplicity, properly understood and applied, brings joy and balance to our inward and outward lives and "sets us free to enjoy the provision of God as a gift that can be shared with others." The discussion of celebration, often the most neglected of the Disciplines, shows its critical importance, for it stands at the heart of the way to Christ. Celebration of Discipline will help motivate Christians everywhere to embark on a journey of prayer and spiritual growth.

This groundbreaking work helps readers discover the reality of the presence of Blacks in the Bible through the use of 12 moving sermons by Dr Jeremiah Wright. Each chapter contains an in-depth historical overview of the context in which the people lived. Africans Who Shaped Our Faith paved the way for many other works that have shed light on the parts Africans played in the Bible. 12 lessons. Leader's guide available. The dichotomy of this book juxtaposes success and failure while solidifying the truth that walking with God is not conflict free because the essential nature of man is a unity of two (dichotomy) distinct realities, one physical (body) and spiritual (soul, spirit, mind). When the question is asked, What is the mind? The authors present a logical case for linking the paradigms of the mind from theology (truth) to philosophy (the

search for truth) to provide a deeper understanding of two opposing forces that cause the battle between the desires of the flesh and the will of the spirit

In his exciting new book, bestselling author Dr. Tony Evans shows that it's through the names of God that the nature of God is revealed to us. Who is God in His fullness? How has He expressed His riches and righteousness? How can you trust His goodness? You will explore the depths of God as Elohim: The All-Powerful Creator Jehovah: The Self-Revealing One Adonai: The Owner of All Jehovah-Jireh: The Lord Who Provides El Shaddai: The Almighty Sufficient One El Elion: The Most High Ruler Jehovah Nissi: The Lord's Banner of Victory Jehovah Shalom: The Lord Our Peace Jehovah Mekadesh: The Lord Who Sanctifies Jehovah Rophe: The Lord Who Heals Jehovah Tsikenu: The Lord My Righteousness Jehovah Robi: The Lord My Shepherd Immanuel: God With Us By studying and understanding the characteristics of God as revealed through His names, you will be better equipped to face hardship and victory, loss and provision, and all of the challenges life throws at you.

The answer to your need is locked in prayer. While prayer has not been a "hot" topic for many Christians, it is the most substantive course one could ever enroll in. I haven't met a person who didn't want to be better. I haven't spoken to an individual who didn't want to have the best job and the best spouse, attend the best school, and experience the best life. But in our attempt to have the best, we often look to people to give us what only prayer can give. We look for things that can only be received via spiritual transfer. What we really need is prayer. Pastor John Hannah shares insights on how prayer is the most under-utilized tool in the treasure chest of Christianity, and it is a MUST HAVE. Just Pray explores the call, the seat, and the warfare of prayer. When you finish this book, not only will you have practical tools to improve your prayer life, but also an encyclopedia of benefits that will help you to experience your best life now. This book will show you how to deepen and intensify your prayer life and gain wisdom on how to access heaven on Earth in powerful and yet practical ways.

Find power in your prayer like never before with this inspiring guide from #1 New York Times bestselling author Bishop T.D. Jakes. In a time when women carry more influence than any other generation, the power of prayer has never been more important to remind us that we do not have to bear our crosses alone. We need prayer to stand guard over our hearts and minds and over the hearts and minds of our families. Women today are shattering glass ceilings and forging new paths in the world. What Happens When a Woman Prays is a clarion call for women to continue their progressive march of empowerment by dreaming like their daughters and praying like their grandmothers. Through exploring the lives of 10 prayer-filled women of the Bible, Bishop Jakes emphasizes the life-changing power that women have when they find their identity, their strength, their healing, and their voices in Christ.

If you want to know the temperature of your spiritual life, look at the thermostat setting on your prayer life. Prayer is the most misunderstood and neglected aspect of the Christian life. It has been estimated that most Christians pray three to five minutes a day. Compare that to the time many spend complaining, and you'll gain insight into the spiritual and

emotional condition of our day. Yet God has constructed the world in such a way that there is much He won't do in a Christian's life apart from prayer. Prayer, when combined with faith, can accomplish great things. In this practical and comprehensive overview of prayer, Tony Evans covers a variety of topics, including: Principles of productive prayer The power of prayer and praise Fasting and prayer Prayer and God's purposes Tony's expositions of various passages on prayer will help you realize its critical importance and encourage you to make it a dominant mark of your life.

A motivational entertainer presents a guide to overcoming temporary setbacks, showing how to take command of one's future, and offers anecdotes illustrating his approach

With Contributions by John Piper, John MacArthur, Jerry Bridges, Randy Alcorn, and Helen Roseveare These powerful calls to godly perseverance from four admired Christians elevate the value and necessity of lifelong faithfulness in the lives of God's people. Many people seek to better their lives by leaving, changing, swapping, or modifying their commitments. But God's Word holds up a beautiful value that, while difficult, leads to deep satisfaction and great reward: endurance. Such long, steady, hold-the-course perseverance is especially needed within our vacillating generation. This thoughtful book thus not only elevates the virtue of godly endurance but bears witness to its power in the Christian life through the exhortations of John Piper-who provides the context and overview for the entire book-John MacArthur, Jerry Bridges, Randy Alcorn, and Helen Roseveare. Each contributor represents a different kind of endurance: from MacArthur's longtime, faithful shepherding of a church to Alcorn's radical obedience in the culture wars, from Bridges' unswerving patience through suffering to Roseveare's courageous constancy on the war-torn mission field. Stand will awaken and solidify rugged, Christ-exalting endurance in people who are weary in their faith journey or who simply long to remain firm to the end. And for everyone who dreams of a Christian culture-shift from brief trial runs to lifelong commitments, John Piper and Justin Taylor's latest offering is a watershed that will serve to seal that vision in people's

minds and hearts.

The first Christians “turned the world upside down” (Acts 17:6) shaking the gates of hell even in the face of severe persecution. The result: People all around “were filled with wonder and amazement” (Acts 3:10). What can give Christians today the same impact? God’s Holy Spirit is ready to answer that for us in an awesome way, as Henry Blackaby and his son Mel Blackaby make clear in *Experiencing the Spirit*. You’ll see how the proof of the Spirit’s presence is our awareness of God’s personal assignments for us, plus our supernatural enablement to carry out those assignments. You’ll find essential clarification on the difference between natural talents and spiritual gifts. You’ll explore the dynamics of being filled with the Spirit through intimate relationship with Him, committed obedience, and radical departure from sin. Instead of considering what you can do for God with your abilities and talents, you’ll be encouraged here to seek what God wants to do through you supernaturally by His Spirit, empowering you beyond your personal competence and capacities. Release the Holy Spirit’s work at the very core of your experience of the Christian life – as He releases you to serve God as never before.

Discover the difference between natural and spiritual wealth and how being chosen by God should affect your life. *Six Pillars From Ephesians* Book 1.
