Pastor and popular Bible teacher Sheryl Brady helps Christians prepare for, recognize, and cultivate the powerful yet easily overlooked moments when God shows up in their lives. Everyone experiences God moments, times when God pulls back the curtain and gives a glimpse of his active presence in their lives. Most of us operate under the misapprehension that these moments are rare occurrences that reveal themselves in grand fashion. We expect bells ringing, lights flashing, and neon signs that point to earthshaking revelations. But God often speaks in whispers, strategically and incrementally unveiling his plans, preparations, and purposes through the most unassuming circumstances. The key is to learn how to prepare for, recognize, and be faithful in these moments. In *Don't Miss the Moment*, Pastor Sheryl Brady reminds Christians that God is real and unwaveringly present in our daily lives. Through biblical teaching and personal stories of God showing up in times of need, she

shows how to pursue deeper relationship with the Faithful One so that we can learn to hear his voice and feel his leading, discern when we are in a defining moment, and redirect our hearts and lives toward his plans and purposes.

Tap into your God-given intuition and start achieving ultimate success with this inspiring #1 New York Times bestseller from Bishop T.D. Jakes. If you have ever felt misaligned, this book is for you. If you have lost the rhythm, the passion, or the thrill of living in alignment, then keep reading. As He did with the very cells that comprise our bodies and the dry bones that were joined together for new life, God has given us deeper instincts to be attracted to those things that fit a higher and better purpose. Never settle for less than God's best for your life. Some people have the courage to move beyond the ordinary, from the methodical mediocre into the revolutionary realization of where they belong. You can have this sense of belonging only when you connect to your core calling. The calling to creativity, the calling to teach, to give, to build, are all part of allowing your instinct to guide you to the "something more" that you suspect is out there. If you are ready to break through the confines of where you are and discover where you are meant to be, then Instinct is your key!!--EndFragment--

In *Jezebel Unhinged* Tamara Lomax traces the historical and contemporary use of the jezebel trope in the black church and in black popular culture, showing how it disciplines black women and girls and preserves gender hierarchy, black patriarchy, and heteronormativity in black families, communities, cultures, and institutions.

God is with you in the desert. Bishop T.D. Jakes gives you proof positive that God not only supplies you with everything you need, but your heavenly Father wants to bless you with refreshing water that will sustain you throughout any wilderness experience. According to Bishop Jakes, "Spiritually we must find a place where the Lord can minister to us in our wilderness—a place where He can instruct us about what to do next. The wilderness is a place of dying, where all the things that cause you to stumble in your walk with God are killed." Then will the lame leap like a deer, and the mute tongue shout for joy. Water will gush forth in the wilderness and streams in the desert (Isaiah 35:6). Find your special place in the wilderness where God will drench you in His life-giving water—you will break forth with a renewed and courageous spirit!

After the Altar Call: The Sisters' Guide to Developing a Personal Relationship With God is a fresh, real and relevant how-to manual for African-American Christian women who desire to move past the "church speak" and into an intimate relationship with their Creator. What makes this book unique from other "relationship with God" books is that this book is written from an African-American perspective and spans a variety of issues typically not included in one book--from being thrice-married to leaving the Jehovah's Witnesses. The book includes interviews with 24 remarkable women with compelling stories such as the "The View" co-host Sherri Shepherd; Valorie Burton, life coach, author and co-host on the Emmy award-winning show "Aspiring Women" and the former co-host of the national daily television program, "The Potter's Touch" with Bishop T.D. Jakes; and Bishop Vashti Murphy McKenzie, the 117th elected and consecrated bishop of the African Methodist Episcopal Church and the first woman elected to Episcopal office in over 200 years of A.M.E. history.

New York Times bestselling author T.D. Jakes explains the tools that we need to know—whether we're single and looking to have a committed relationship or already married—before taking the next big step. The star of BET's Mind, Body & Soul, and featured guest speaker on Oprah's Lifeclass, Potter's House pastor, T.D. Jakes turns his attention to the topic of relationships, guiding you

on the right track to making decisions you will benefit from for the rest of your life. In the vein of Joel Osteen's *Become a Better You* and Dr. Phil's *Life Strategies*, the New York Times bestselling *Making Great Decisions* gives you the psychological and practical tools you need to reflect, discern, and decide the next step toward strong relationships in your life. "Remember," writes T.D. Jakes, "your tomorrow is no better than the decisions you make today." "My promise is that if you read this book, you will be equipped, you will know all you need to know about making foolproof relational decisions," writes T.D. Jakes. Choosing the right partner, at home or at work, is one of the most consequential decisions we'll ever make. How can we be sure that we're choosing wisely? How do we know if we're doing the right thing when we change careers? By breaking our decisions down into their five crucial components: -Research: gathering information -Roadwork: removing obstacles -Rewards: listing choices and visualizing consequences -Revelation: narrowing your options and making your selection -Rearview: looking back and adjusting as necessary to stay on course Clear-sighted, realistic, and spiritually uplifting, *Making Great Decisions* is one of those rare books that can change lives.

Many very strong and courageous women are being forced into spiritual and mental bondage to satisfy the desires of those who lack wisdom and have an agenda of their own to push. When the thought of the day is that women have no place but under the foot of men, we can now see and understand why the sanity in the world is diminishing fast. Deborah, Anna, Judith, Huldah and other biblical women would be labeled as having the Jezebel spirit by some of today's charlatan-type men.

Find power in your prayer like never before with this inspiring guide from #1 New York Times bestselling author Bishop T.D. Jakes. In a time when women carry more influence than any other generation, the power of prayer has never been more important to remind us that we do not have to bear our crosses alone. We need prayer to stand guard over our hearts and minds and over the hearts and minds of our families. Women today are shattering glass ceilings and forging new paths in the world. What Happens When a Woman Prays is a clarion call for women to continue their progressive march of empowerment by dreaming like their daughters and praying like their grandmothers. Through exploring the lives of 10 prayer-filled women of the Bible, Bishop Jakes emphasizes the life-changing power that women have when they find their identity, their strength, their healing, and their voices in Christ.

What if the most steadfast faith you'll ever encounter comes from a Black grandmother? The church mothers who raised Yolanda Pierce, dean of Howard University School of Divinity, were busily focused on her survival. In a world hostile to Black women's bodies and spirits, they had to be. Born on a former cotton plantation and having fled the terrors of the South, Pierce's grandmother raised her in the faith inherited from those who were enslaved. Now, in the pages of *In My Grandmother's House*, Pierce reckons with that tradition, building an everyday womanist theology rooted in liberating scriptures, experiences in the Black church, and truths from Black women's lives. Pierce tells stories that center the experiences of those living on the underside of history, teasing out the tensions of race, spirituality, trauma, freedom,

resistance, and memory. A grandmother's theology carries wisdom strong enough for future generations. The Divine has been showing up at the kitchen tables of Black women for a long time. It's time to get to know that God.

Jakes is synonymous with *Woman, Thou Art Loosed!* A best-selling non-fiction title, a critically acclaimed play, a soon-to-be-released major film, and an annual conference that draws over 100,000 participants all bear that name, and the stamp of Bishop Jakes. Now Jakes brings us a novel based on the play and the movie, giving millions of fans another chance to embrace his inspiring message.

T.D. Jakes has emerged as one of the most prolific spiritual leaders of our time. He is pastor of one of the largest churches in the country, CEO of a multimillion dollar empire, the host of a television program, author of a dozen bestsellers, and the producer of two Grammy Award-nominated CDs and three critically acclaimed plays. In 2001 *Time* magazine featured Jakes on the cover and asked: Is Jakes the next Billy Graham? T.D. Jakes draws on extensive research, including interviews with numerous friends and colleagues of Jakes, to examine both Jakes's rise to prominence and proliferation of a faith industry bent on producing spiritual commodities for mass consumption. Lee frames Jakes and his success as a metaphor for changes in the Black Church and American Protestantism more broadly, looking at the ramifications of his rise—and the rise of similar preachers—for the way in which religion is practiced in this country, how social issues are confronted or

ignored, and what is distinctly “American” about Jakes's emergence. While offering elements of biography, the work also seeks to shed light on important aspects of the contemporary American and African American religious experience. Lee contends that Jakes’s widespread success symbolizes a religious realignment in which mainline churches nationwide are in decline, while innovative churches are experiencing phenomenal growth. He emphasizes the “American-ness” of Jakes’s story and reveals how preachers like Jakes are drawing followers by delivering therapeutic and transformative messages and providing spiritual commodities that are more in tune with postmodern sensibilities. As the first work to critically examine Bishop Jakes’s life and message, *T.D. Jakes* is an important contribution to contemporary American religion as well as popular culture.
