With the rising sun comes a new day. Lexi along with Galen, Rafferty, Maverick and Ranger have survived the Blood Moon. Lexi has discovered her new powers and with them comes a great deal of responsibility. With the help from her father, Tobias and all the Wolf Packs can Lexi help heal the curse that has been placed on the Shifters. Or does her power only go so far.

You can have your cake and eat it too... can't you? Galen is a Vampire, Rafferty is a Red Wolf, and the twins, Ranger and Maverick shift into Grey Wolves. What the shifters don't know is there is a war brewing and Lexi is caught right in the middle. But Lexi isn't human... Is she the cure they all have been waiting for? Or is she the destruction that ends them all. Can she save the packs and the people she has come to call family and friends? Possible Trigger warnings. This book contains violence and 'self sacrificing heroes' which may be triggers for some readers. MM themes, and some sex themes.

In her own singularly beautiful style, Newbery Medal winner Sharon Creech intricately weaves together two tales, one funny, one bittersweet, to create a heartwarming, compelling, and utterly moving story of love, loss, and the complexity of human emotion. CURSE OF THE FULL MOON MUST BE BROKEN!

On a dark and stormy night, Cleo and Evan are haunted by a disaster. Evan has been bitten by a werewolf! If they can't find the cure -- and the right key -- before the full moon rises, he'll be stuck prowling the pages of this ghost story for good! An erotically charged, addictive thriller from the future queen of suspense. Living in Toronto for a year, Elena is leading the normal life she has always dreamed of, including a stable job as a journalist and a nice apartment shared with her boyfriend. As the lone female werewolf in existence, only her secret midnight prowls and her occasional inhuman cravings set her apart. Just one year ago, life was very different. Adopted by the Pack when bitten, Elena had spent years struggling with her resentment at having her life stolen away. Torn between two worlds, and overwhelmed by the new passions coursing through her body, her only option for control was to deny her awakening needs and escape. But now the Pack has called Elena home to help them fight an alliance of renegade werewolves who are bent on exposing and annihilating the Pack. And although Elena is obliged to rejoin her "family," she vows not to be swept up in Pack life again, no matter how natural it might feel. She has made her choice. Trouble is, she's increasingly uncertain if it's the right one. An erotically charged thriller, Bitten will awaken the voracious appetite of every reader, as

the age-old battle between man and beast, between human and inhuman forces, comes to a head in one small town and within one woman's body.

My whole life, all I wished for was a best friend and a boyfriend who treated me like a princess. Well for me, living in a small community where everyone knows everyone. And everyone knew me as the "annoying" girl, it was hard for me to get even one of those wishes. But when new girl Lexi Turner strolled into English class and sat next to me. My wish finally came true. For the first time, in eighteen years. Me. Ada Stephens, had a best friend. Lexi wasn't a regular new girl who blended into the background. No, she was turning every male head in the high school, especially the Kiba boys. Ugh... they were so hot and knew it. But they didn't hold a flame to Saint Wood. He graduated last year and I never stopped crushing... how could you. He was Saint-freaking-Wood. Now I had the bestie, I was just missing the one other thing I wished for. Only... I think I wished a little too hard. But not everything is what it seems. The Kiba boys held secrets... ones I shouldn't have known.

Bastian had to have been the most handsome man that Katherine had ever met. It really was unfortunate that he was also the most stubborn, controlling, downright infuriating jackass she'd ever known as well. Oh, and there was the fact that he was a werewolf – a werewolf who has bitten her.

Sixteen-year-old Katherine Mayes had never believed in mythological creatures like werewolves or mermaids – certainly not those sparkly vampires that her friend Abby was obsessed with. Even when she's bitten by a massive animal after a reckless night of teenage adventure and her body begins to change in mystifying ways, she can't force herself to believe in what she's convinced is impossible. Little does she realize she's been infected with a disease a little more permanent than the rabies she feels fortunate to have not contracted. Lycanthropy. Her fierce denial is soundly shattered, however, when she is simultaneously saved and kidnapped by Bastian and his pack. Forced to leave small town Iowa behind and adjust to their way of life in a hidden society, Katherine must also deal with fighting the pull she feels towards the man – or wolf, rather – who has bitten her and disrupted her life so completely.

Have you been attacked by a wolf-like creature in the last 30 days? Was it after the sun had set and under a full moon? If you answered, "yes" to both these questions, there's a very good chance that you were bitten by a werewolf. You now have less than a month before the full moon returns and with it your first transformation into a savage, bloodthirsty beast. Survival is an option, but first, know this: * Werewolves are real. * The majority of lycanthropes who do not have access to this book die during or shortly after their first transformations, generally due to heart failure, gunshot wounds, exposure, drowning or suicide. * Hollywood horror movies are NOT to be used as guides to living as a werewolf. Their goal is not to educate, but to entertain. As a result, they are largely ignorant of the realities of the condition. * Ignorance creates monsters; lycanthropy does not. * You are not a monster. The Werewolf's Guide to Life cuts through the fiction and guides you through your first transformation and beyond, offering indispensable advice on how to tell if you're really a werewolf, post-attack etiquette, breaking the news to your spouse, avoiding government abduction, and how to not just survive, but thrive. Mercy Thompson, car mechanic and shapeshifter, faces a threat unlike any other in this thrilling entry in the #1 New York Times bestselling series. I am Mercedes Athena Thompson Hauptman. My only "superpowers" are that I turn into a thirty-five pound coyote and fix Volkswagens. But I have friends in odd places and a pack of werewolves at my back. It looks like I'm going to need them. Centuries ago, the fae dwelt in Underhill--until she locked her doors against them. They left behind their great castles and troves of magical artifacts. They abandoned their prisoners and their pets. Without the fae to mind them, those creatures who remained behind roamed freely through Underhill wreaking havoc. Only the deadliest survived. Now one of those prisoners has escaped. It can look like anyone, any creature it chooses. But if it bites you, it controls you. It lives for chaos and destruction. It can make you do anything--even kill the person you love the most. Now it is here, in the Tri-Cities. In my territory. It won't, can't, remain. Not if I have anything to say about it.
