

Black And White Dungeness Lighthouse England Journal 150 Page Lined Notebook Diary

Around the Coast in 80 Days is an indispensable guide to the very best of Britain's diverse coastline. Whether you have just an afternoon, a whole day, a free weekend, or a whole week to explore our wonderful country, this book will guide you to 80 of the most interesting, fun and picturesque seaside spots our coast has to offer. Starting at Liverpool, one of the most fashionable tourist destinations in Europe, the book travels clockwise up to Scotland, down the east coast, across the southern shores, up through Wales and back to the northwest of England. It calls in at exciting seaside towns like Blackpool, Brighton and Newquay, and also invites you to explore the more tranquil coastal stretches, such as Balnakeil, Gower Peninsula and the Lizard. Covering nine coastal regions of Britain, chapters provide insights into the history, culture and key features of each place, how to get to there, where to eat – including the best places for fish and chips, and where to stay. Accompanied by beautiful photography and a handy map, and introduced with an entertaining and evocative Foreword by Ian McMillan, the book will delight families, couples and solo explorers of all ages and with all budgets. We all know there's so much more to explore and enjoy in our beautiful country – this book will help you do just that.

"Considers avant-garde art, architecture, film, literature and music, from the early twentieth-century to the present, setting the arrival of modernism against the background of seaside tradition."--Back cover.

South coast of England, the North coast of France and the Channel Islands
This journal with 150 ruled pages awaits your writing pleasure. You can use it to record your hopes and dreams, express your gratitude, to keep a bucket list, as a daily diary, or to jot down your "To-Do" lists. The possibilities are endless and the choice is all yours. Enjoy!

This second book in the Seraffyn cruising series begins with their arrival on the southwest coast of England where they coasted eastward, stopping where fancy held them, where good friends were made, to winter at Poole, and work to pay for the next leg of their voyage - toward the Baltic. Denmark, Sweden, Finland were full of welcoming and interesting people and an almost invisible bureaucracy. But things were definitely different when they reached Poland where armed guards watched while the people greeted them with flowers, fruits and sweets. Their foray behind the Iron Curtain of the 1970's introduced them to some of the people who lead the Solidarity Movement, the force that eventually toppled the Soviet Union. You'll be right on board as they weather a fierce mast-under broach in a Baltic gale and through the wintry North Seas. Here is a feast for the fantasies of stay-at-homes and a warm account of just two years of the lives of two people who have lived in a wide adventurous world for more than four decades. Their motto -- Go Small, Go Simple, Go Now has encouraged thousands of other sailors to take the plunge. And this book is an entertaining instruction manual on how to live a rich life on very little money. "Lin Pardey has, in her deceptively simple and fresh-faced style, told the story of an unusual and appealing marriage partnership, a special way of life. Yachtsmen will enjoy the technical description of the problems of maneuvering in the tight harbours and unmapped channels...the perils of heavy seas in a small boat. But what is remarkable is that she can draw a nonsailor into these special subjects and make them as comprehensible and absorbing to a landlubber as they would be to someone about to set out on the same itinerary in a small boat of his own." R. Sokolov, New York Times Book Review
