LiteroticaThe Very Best of Literotica.comBlack Book SHE WAS BOUND TO PLEASE! Jessica is a full-time college student surviving on scholarships with no time or money for anything else, except her erotic daydreams of a tall, dark, dominant stranger. Facing a penniless, jobless summer, Jessica is thrilled when one of her professors refers her for a three month au pair position in Haiti, working for the prominent and wealthy Michael Jergen. Jessica jumps at the chance, envisioning a summer of adventure in an exotic new land. But, little though she dreams it, Jessica's fantasies are about to become real. For Jergen is tall, dark, and a dom, and in Jessica he instantly recognizes a beautiful young woman eager to submit. Thus commences Jessica's journey into a whirlwind world of submission, pleasure -and the mystique of Haiti's legendary Voodoo rituals. This short story runs through an awkward-yet-funny meetup between a bookworm and a guy she had met after a long time.

In the bestselling tradition of The Five People You

Meet in Heaven and Humans of New York comes a collection of authentic, emotional, and inspiring stories about life's most important moments, as curated by the editors at Love What Matters. "90% of the reads bring me to tears. I just can't believe the love this world truly has when all we see is hate. This is so uplifting." —Shelsea Where do you go when you want to feel inspired? When you want to forget about the divisiveness and the anger? For over five million people, that place is Love What Matters, a digital platform dedicated to finding and sharing the daily moments of kindness, compassion, and love that so often go overlooked. This curated collection of powerful stories features first person accounts and photographs that perfectly capture each moment: A husband learning he's about to be a dad. A new mom embracing her body. A cashier inadvertently teaching a young girl a lesson about patience. A bagel from a stranger that saved a homeless man's life. From long overdue adoptions to military heroes returning home; from a fireman's touching 9/11 tribute to what an old dinner plate found at a bake sale can teach us all about life—these are the moments that matter. They are genuine. Authentic. Raw. And they are perfect in their imperfection—just like all of us. You will no doubt experience goosebumps and tears, but this mosaic of life's moments will leave you with something even more profound: a reminder that, in the end, love always

wins. “This really is the best page on Facebook. It renews your love of humanity. There are still good people. We need more reports of acts of kindness.”

The Pulitzer Prize-winning epic of the Great Depression, a book that galvanized—and sometimes outraged—millions of readers. First published in 1939, Steinbeck's Pulitzer Prize-winning epic of the Great Depression chronicles the Dust Bowl migration of the 1930s and tells the story of one Oklahoma farm family, the Joads—driven from their homestead and forced to travel west to the promised land of California. Out of their trials and their repeated collisions against the hard realities of an America divided into Haves and Have-Nots evolves a drama that is intensely human yet majestic in its scale and moral vision, elemental yet plainspoken, tragic but ultimately stirring in its human dignity. A portrait of the conflict between the powerful and the powerless, of one man's fierce reaction to injustice, and of one woman's stoical strength, the novel captures the horrors of the Great Depression and probes into the very nature of equality and justice in America. At once a naturalistic epic, captivity narrative, road novel, and transcendental gospel, Steinbeck's powerful landmark novel is perhaps the most American of American Classics. This Centennial edition, specially designed to commemorate one hundred years of Steinbeck, features french flaps

and deckle-edged pages. For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The Autobiography of Malcolm X was intended to be a true autobiography, with the name of Alex Haley appearing not at all or as a ghost writer or as a mere contributor or assistant. However, with the assassination of Malcolm X having occurred in Harlem in New York City on February 21, 1965 just before this book could be published, it became necessary to reveal the important role of Alex Haley in creating this book.

Miranda and Caliban is bestselling fantasy author Jacqueline Carey's gorgeous retelling of *The Tempest*. With hypnotic prose and a wild imagination, Carey explores the themes of twisted love and unchecked power that lie at the heart of Shakespeare's masterpiece, while serving up a fresh take on the play's iconic characters. A lovely girl grows up in isolation where her father, a powerful magus, has spirited them to in order to keep them

safe. We all know the tale of Prospero's quest for revenge, but what of Miranda? Or Caliban, the so-called savage Prospero chained to his will? In this incredible retelling of the fantastical tale, Jacqueline Carey shows readers the other side of the coin—the dutiful and tenderhearted Miranda, who loves her father but is terribly lonely. And Caliban, the strange and feral boy Prospero has bewitched to serve him. The two find solace and companionship in each other as Prospero weaves his magic and dreams of revenge. Always under Prospero's jealous eye, Miranda and Caliban battle the dark, unknowable forces that bind them to the island even as the pangs of adolescence create a new awareness of each other and their doomed relationship. The #1 New York Times–bestselling author's “groundbreaking” work on women's sexual fantasies (Publishers Weekly). First published in 1973, *My Secret Garden* ignited a firestorm of reactions across the nation—from outrage to enthusiastic support. Collected from detailed personal interviews with hundreds of women from diverse backgrounds, this book presents a bracingly honest account of women's inner sexual fantasy lives. In its time, this book shattered taboos and opened up a conversation about the landscape of feminine desire in a way that was unprecedented. Today, *My Secret Garden* remains one of the most iconic works of feminist literature of our time—and is still relevant to

millions of women throughout the world. “The author whose books about gender politics helped redefine American women’s sexuality.” —The New York Times This book has been considered important throughout the human history, and so that this work is never forgotten we have made efforts in its preservation by republishing this book in a modern format for present and future generations. This whole book has been reformatted, retyped and designed. These books are not made of scanned copies of their original work and hence the text is clear and readable.

Cole thought he was saving his wife from sexual slavery. He never imagined that he would be forced to take her place pleasuring a gang of well-endowed black men. Ex-NBA All Star Rodney Robinson has a secret kinky obsession. He loves to turn white heterosexual men into submissive sissies who crave sex with dominant black men like himself. He believes that he is only releasing Cole's hidden desire to wear women's clothing and serve a strong black man as his bottom bitch. As Cole fades away, Colette takes his place on her journey to become Rodney's black cock hungry white sissy. This contains Diary of a Black Cock Hungry Sissy Part One and Diary of a Black Cock Hungry Sissy Part Two bundled together for the first time in one book. This story includes interracial, gay, and straight erotica as well as forced submission.

Ask any woman about her favorite pair of shoes, and you’re sure to get an answer that goes beyond their material design. In *Our Shoes, Our Selves: 40 Women, 40 Stories, 40 Pairs of Shoes*, actress Bridget Moynahan

and journalist Amanda Benchley ask 40 accomplished women to recount the memories behind their most meaningful pair of shoes. This collection features stories from icons like Bobbi Brown, Danica Patrick, and Misty Copeland to intrepid reporters like Christiane Amanpour and Katie Couric to creative forces like Rupri Kaur, Maya Lin, and Gretchen Rubin. Beautifully illustrated with a portrait of each woman and her chosen shoes, the stories explore what most women already know: that what we wear can have power and significance beyond merely clothing our bodies. *Our Shoes, Our Selves* reveals these remarkable journeys, and the steps these inspiring women have taken to get there, with the hopes of encouraging all women to forge their own paths.

The secluded rental cabin offers Jim Traynor exactly what he needs: peace and quiet to finish his latest book, and maybe a little inspiration for a new series. There's even a little dog named Buster to provide an adorable distraction. Buster's owners, however, bring distraction of

a very different kind. Jim's determination to focus on his work doesn't stop his delicious fantasies, but each new encounter with Julian and Michael makes him forcefully aware of the aching desire building within him. Julian and Michael have built a wonderful life together. Then Jim's arrival rocks it to its foundations. Julian is drawn to the quiet writer, aware of an intensifying connection between them. Michael feels that same magnetic pull, but remains haunted by the past: they've been down this road before. Reaching the end of it broke Julian's heart, something Michael will not let happen again. He strives to be the strong one, but with every passing night, he's falling for Jim just as hard as Julian is. Both men know Jim can only hurt them if they let him in. The trouble is, Jim might already be through that door. If he is, the day will come when he'll walk right back out of it. Only this time, how many hearts will be broken? *The bears featured in this story are strictly of the human variety. Any resemblance to bear shifters - okay, they're furry - is purely coincidental.

A notorious rake feigns impotence to trick his way into the intimate company of married ladies in this comic masterpiece, which offers an enduring combination of cynicism, satire, and farce.

In the year 2034, Theo Quderian, a French physicist, made an amusing but impractical discovery: the means to use a one-way, fixed-focus time warp that opened into a place in the Rhone River valley during the idyllic Pliocene Epoch, six million years ago. But, as time went on, a certain usefulness developed.

The misfits and mavericks of the future—many of them brilliant people—began to seek this exit door to a mysterious past. In 2110, a particularly strange and interesting group was preparing to make the journey—a starship captain, a girl athlete, a paleontologist, a woman priest, and others who had reason to flee the technological perfection of twenty-second-century life. Thus begins this dazzling fantasy novel that invites comparisons with the work of J.R.R. Tolkien, Arthur C. Clarke, and Ursula Le Quin. It opens up a whole world of wonder, not in far-flung galaxies but in our own distant past on Earth—a world that will captivate not only science-fiction and fantasy fans but also those who enjoy literate thrillers. The group that passes through the time-portal finds an unforeseen strangeness on the other side. Far from being uninhabited, Pliocene Europe is the home of two warring races from another planet. There is the knightly race of the Tanu—handsome, arrogant, and possessing vast powers of psychokinesis and telepathy. And there is the outcast race of Firvulag—dwarfish, malevolent, and gifted with their own supernormal skills. Taken captive by the Tanu and transported through the primordial European landscape, the humans manage to break free, join in an uneasy alliance with the forest-dwelling Firvulag, and, finally, launch an attack against the Tanu city of light on the banks of a river that, eons later, would be called the Rhine.

Myth and legend, wit and violence, speculative science and breathtaking imagination mingle in this romantic fantasy, which is the first volume in a series about the exile world. The sequel, titled *The Golden Torc*, will follow soon.

Netporn delves into the aesthetics and politics of sexuality in the era of do-it-yourself (DIY) Internet pornography. Katrien Jacobs, drawing on digital media theory and interviews with Web porn producers and consumers, offers an unprecedented critical analysis of Web culture as digital artistry and of the corresponding heightened government surveillance and censorship of the Internet. *Netporn* features Web users who question the goals of global commercial porn industries—whether they are engaged in Usenet fringes, video blogging, peer-to-peer distribution, porn art collectives, or decadent amateurism. Emphasizing gender and cultural differences, Jacobs shows how the creative uses of netporn images and services are important ways of exploring or redefining the 'network body' and indispensable ingredients of a maturing network society.

“Dazzling. . . The most revolutionary reimagining of Jefferson’s life ever.” —Ron Charles, *Washington Post* Winner of the Crook’s Corner Book Prize Longlisted for the 2016 Center for Fiction First Novel Prize A debut novel about Thomas Jefferson and Sally Hemings, in whose story the conflict between

the American ideal of equality and the realities of slavery and racism played out in the most tragic of terms. Novels such as Toni Morrison's *Beloved*, *The Known World* by Edward P. Jones, James McBride's *The Good Lord Bird* and *Cloudsplitter* by Russell Banks are a part of a long tradition of American fiction that plumbs the moral and human costs of history in ways that nonfiction simply can't. Now Stephen O'Connor joins this company with a profoundly original exploration of the many ways that the institution of slavery warped the human soul, as seen through the story of Thomas Jefferson and Sally Hemings. O'Connor's protagonists are rendered via scrupulously researched scenes of their lives in Paris and at Monticello that alternate with a harrowing memoir written by Hemings after Jefferson's death, as well as with dreamlike sequences in which Jefferson watches a movie about his life, Hemings fabricates an "invention" that becomes the whole world, and they run into each other "after an unimaginable length of time" on the New York City subway. O'Connor is unsparing in his rendition of the hypocrisy of the Founding Father and slaveholder who wrote "all men are created equal," while enabling Hemings to tell her story in a way history has not allowed her to. His important and beautifully written novel is a deep moral reckoning, a story about the search for justice, freedom and an ideal world—and about the survival of hope even in

the midst of catastrophe.

One of the country's most-acclaimed and popular novelists offers a selection of a dozen short stories set in James Lee Burke's most beloved milieu, the Deep South. "America's best novelist" (The Denver Post), two-time Edgar Award winner James Lee Burke is renowned for his lush, suspense-charged portrayals of the Deep South—the people, the crime, the hope and despair infused in the bayou landscape. This stunning anthology takes us back to where Burke's heart and soul beat—the steamy, seamy Gulf Coast—in complex and fascinating tales that crackle with violence and menace, meshing his flair for gripping storytelling with his urbane writing style.

Anna's family secret has robbed her of her future! Anna's memories are painful and if she had a choice, she would rather not remember them at all. But certain memories can't be forgotten and because of this, Anna has vowed never to fall in love. Instead, she'll guard her family's secret and protect her mother and sisters from harmful men. Seth has always liked Anna but after waiting four years for her to attend singings, it's time to try another tactic. He orchestrates several chance encounters, and each time falls a little more in love. There's only one problem-Anna is terrified of him! When a sequence of events leads Seth to the wrong conclusions, it forces Anna to admit her secret. But that doesn't

mean that Seth's attempts at courting her will bear any fruit. Will Anna be able to let go of the past and confidently turn to the future? Can Seth earn her trust and her heart? This story takes you on a journey of pain, regret and loss as Anna reconciles with her past in this sweet Amish romance.

From bestselling author Scarlett St. Clair comes a dark and enthralling reimagining of the Hades and Persephone Greek myth. "Let me worship you," he said. She remembered the words she had whispered to him in the back of the limo after La Rose. "You will worship me, and I won't even have to order you." His request felt sinful and devious, and she reveled in it. She answered, "Yes." Persephone is the Goddess of Spring in title only. Since she was a little girl, flowers have only shriveled at her touch. After moving to New Athens, she hoped to lead an unassuming life disguised as a mortal journalist. All of that changes when she sits down in a forbidden nightclub to play a hand of cards with a hypnotic and mysterious stranger. Hades, God of the Dead, has built a gambling empire in the mortal world and his favorite bets are rumored to be impossible. But nothing has ever intrigued him as much as the goddess offering him a bargain he can't resist. After her encounter with Hades, Persephone finds herself in a contract with the God of the Dead, and his terms are impossible: Persephone must create life in the Underworld or lose her freedom forever. The bet

does more than expose Persephone's failure as a goddess, however. As she struggles to sow the seeds of her freedom, love for the God of the Dead grows—a love that is both captivating and forbidden. You've just found the ultimate erotic science-fiction series! It's 2779 and a retired Terran Federation Marine has taken up life as a trader. Half a million copies sold! The breakout novel from the New York Times bestselling author of *The Orphan Collector*, *What She Left Behind* weaves together riveting stories of past and present, exploring the strength of women in two different times as they face adversity in two very different ways. Go inside the horrifying walls of a 1920s New York asylum as a wrongly imprisoned woman fights for what is most important to her—and meet the young woman confronting the pain and mystery of her own family's mental illness two generations later. Ten years ago, Izzy Stone's mother fatally shot her father while he slept. Devastated by her mother's apparent insanity, Izzy, now seventeen, refuses to visit her in prison. But her new foster

parents, employees at the local museum, have enlisted Izzy's help in cataloging items at a long-shuttered state asylum. There, amid piles of abandoned belongings, Izzy discovers a stack of unopened letters, a decades-old journal, and a window into her own past. Young flapper and suffragette Clara Cartwright is caught between her overbearing parents and her desire to be a modern woman. Furious when she rejects an arranged marriage, instead finding love with an Italian Immigrant, Clara's father sends her to a genteel home for nervous invalids. But when his fortune is lost in the stock market crash of 1929, he can no longer afford her care—and Clara is committed to the public asylum. Even as Izzy deals with the challenges of yet another new beginning, Clara's story keeps drawing her into the past. If Clara was never really mentally ill, could something else explain her own mother's violent act? Piecing together Clara's fate compels Izzy to re-examine her own choices—with shocking and unexpected results. "Screams with authenticity, depth, and understanding." —The New York Journal of Books "A real page turner...will appeal to all readers of fiction." —The Historical Novels Review "Amazing...A great read!" —The San Francisco Book Review "Will both haunt and inspire you... a moving, and at times chilling story that totally endears you to her characters." —SpaWeek "A great coming-of-age

story.” —School Library Journal

Now in paperback, a powerful and inspirational memoir of a shocking and improbable journey from torture to recovery. Michelle Stevens has a photo of the exact moment her childhood was stolen from her: She's only eight years old, posing for her mother's boyfriend, Gary Lundquist--an elementary school teacher, neighborhood stalwart, and brutal pedophile. Later that night, Gary locks Michelle in a cage, tortures her repeatedly, and uses her to quench his voracious and deviant sexual whims. Little does she know that this will become her new reality for the next six years. Stevens can also pinpoint the moment she reconstituted the splintered pieces of her life: She's in cap and gown, receiving her Ph.D. in psychology--and the university's award for best dissertation. The distance between these two points is the improbable journey from torture, loss, and mental illness to healing, recovery, and triumph that is Stevens's powerful memoir, *Scared Selfless*. In this harrowing tale, Stevens, who was inspired to help others heal by becoming a psychotherapist, sheds light on the all-too-real threat of child sexual abuse, its subsequent psychological effects, and the best methods for victims to overcome their ordeals and, ultimately, thrive. *Scared Selfless* is both an examination of the extraordinary feats of the mind that are possible in the face of horrific trauma and Stevens's courageous testament to their power.

Taken from her beloved family and woods, Aria's biggest fear isn't death... it's becoming a blood slave for a member of the vampire race. No matter her fate, she must keep her identity hidden from the monsters imprisoning her. She's already branded a member of the rebellion, but the vampires can never learn the truth of her involvement. Hoping for death, Aria's world turns upside down when Braith steps

forward to claim her. The powerful vampire delays her execution, but it's only a matter of time before he destroys her. Aria's determination to hate Braith only increases when she learns he's a member of the royal family responsible for reducing humans to nothing more than servants and slaves. However, his strange kindness and unexpected gentleness slowly make her realize he's more than just a monster. Torn between her loyalties to the rebellion, and a growing love for her greatest enemy, Aria must decide between everything she's ever known and a love she never dreamed of finding. A collection of very Dark Erotica - the scenes are blazing, the relationships are not traditional (if they can even be considered relationships), and a happily-ever-after is not guaranteed. These tales are NOT for the faint of heart!*Trigger Warning - Some of the adult content could be upsetting to some readers - the stories get darker as you read, if you start to feel uncomfortable it's best to retreat*Prison Sentence: Noelle White chooses to forgo a traditional prison sentence, choosing to be auctioned off as a pleasure slave to repay her debt to society and the company she stole from. She tells herself it'll be easier to serve a year as a pleasure slave rather than spend ten years in a jail cell. She hadn't expected just how shockingly aroused serving a man who literally owns her would be. Her body betrays her as she finds her pleasure being owned by a man who cares nothing for her. MF.The Lord's Personal Maid - set in Victorian England. When the lord of the manor, Sir Ethan, discovers his favorite maid engaged in clandestine activities, rather than turn her out for lewd behavior, he gives her the option of being lewd with him and retaining her position. It is an opportunity which she gladly takes despite the great age difference between them. As his desires become more depraved, her own satisfaction grows greater. MF and MFM.The Truth Will Set You Free - a hot mind control short story. Sam confronts his ex-girlfriend using a new truth serum he created. He's determined to get to the truth behind all the lies she's told him. When her fantasies of being forced and her obvious arousal at having to cater to his every demand becomes apparent, Sam finds himself crossing some

shocking lines. MF and MFF. A Rough Sorority Rite - Lacy is willing to do anything to become a sister in the most influential sorority on campus. Her last night as a pledge includes servicing the president of the sorority. Zara is both cruelly and sensually dominant and Lacey finds herself responding in depraved ecstasy. FF. Being the Maid - When a princess and her maid are captured by a group of bandits, the leader of the group immediately claims the princess for his own, and the poor maid is handed off to his three cohorts for their own amusement. At least one of them is more than he seems and Bridget, the maid, finds herself more and more confused as the days pass and her heart is drawn to Garrett even as her body is shared between him and his rougher cohorts. The New York Times bestselling author of *The Party Is Over* delivers a no-holds-barred exposé of who really wields power in Washington. Every four years, tempers are tested and marriages fray as Americans head to the polls to cast their votes. But does anyone really care what we think? Has our vaunted political system become one big, expensive, painfully scripted reality TV show? In this cringe-inducing expose of the sins and excesses of Beltwayland, a longtime Republican party insider argues that we have become an oligarchy in form if not in name. Hooked on war, genuflecting to big donors, in thrall to discredited economic theories and utterly bereft of a moral compass, America's governing classes are selling their souls to entrenched interest while our bridges collapse, wages stagnate, and our water is increasingly undrinkable. Drawing on insights gleaned over three decades on Capitol Hill, much of it on the Budget Committee, Lofgren paints a gripping portrait of the dismal swamp on the Potomac and the revolution it will take to reclaim our government and set us back on course.

Andrea is running like hell. From an imposing loan shark who

wants her for an interest payment? Brilliant idea. To a sprawling horse ranch in Wyoming owned by a self-professed woman-hater? Not so much. But desperation drives Andrea into the turbulent whirlwind that is Braden Sutherland, uncertain if she, or her body, will remain unscathed on the other side of it...Braden has a temperament that he is legendary for. He breeds champions, carrying on his shoulders generations of hard work. What he doesn't need at his ranch? A woman like Andrea Banks-too damn beautiful with a side of trouble. As she blazes into his life like a firestorm, Braden isn't sure if he wants that fire to warm his bed or his callous heart...Note from JazzThis story has been about fifteen years in the making for me. That being said, this book has a callous alpha male who worships his fierce lady love to the fullest extent. Mature themes apply for strong language in and out of bed, sexual violence, and death.

Winner of the Los Angeles Times Book Prize in History A bold and searing investigation into the role of white women in the American slave economy
"Compelling."—Renee Graham, Boston Globe
"Stunning."—Rebecca Onion, Slate "Makes a vital contribution to our understanding of our past and present."—Parul Sehgal, New York Times Bridging women's history, the history of the South, and

African American history, this book makes a bold argument about the role of white women in American slavery. Historian Stephanie E. Jones-Rogers draws on a variety of sources to show that slave-owning women were sophisticated economic actors who directly engaged in and benefited from the South's slave market. Because women typically inherited more slaves than land, enslaved people were often their primary source of wealth. Not only did white women often refuse to cede ownership of their slaves to their husbands, they employed management techniques that were as effective and brutal as those used by slave-owning men. White women actively participated in the slave market, profited from it, and used it for economic and social empowerment. By examining the economically entangled lives of enslaved people and slave-owning women, Jones-Rogers presents a narrative that forces us to rethink the economics and social conventions of slaveholding America.
