Black Sun Rising C.S. Friedman,1992-09-01 Over a millennium ago, Erna, a seismically active yet beautiful world was settled by colonists from far-distant Earth. But the seemingly habitable planet was fraught with perils no one could have foretold. The colonists found themselves caught in a desperate battle for survival against the fae, a terrifying natural force with the power to prey upon the human mind itself, drawing forth a person's worst nightmare images or most treasured dreams and indiscriminately giving them life. Twelve centuries after fate first stranded the colonists on Erna, mankind has achieved an uneasy stalemate, and human sorcerers manipulate the fae for their own profit, little realizing that demonic forces which feed upon such efforts are rapidly gaining in strength. Now, as the hordes of the dark fae multiply, four people—Priest, Adept, Apprentice, and Sorcerer—are about to be drawn inexorably together for a mission which will force them to confront an evil beyond their imagining, in a conflict which will put not only their own lives but the very fate of humankind in jeopardy.

When True Night Falls C.S. Friedman,1994-09-01 Blending science fiction and fantasy, the second book of the Coldfire Trilogy continues a dark tale of an alien world where nightmares are made manifest. Two men, absolute enemies, must unite to conquer an evil greater than anything their world has ever known. One is a warrior priest ready to sacrifice anything and everything for the cause of humanity's progress; the other, a sorcerer who has survived for countless centuries by a total submission to evil. In their joint quest, both will be irrevocably changed. *When True Night Falls* is the sequel to C. S. Friedman's acclaimed *Black Sun Rising*.

**Feast Of Souls** Celia Friedman,2010-01-07 In the High Kingdom of Danton Aurelius, magisters from across the known world are gathering for an unusual meeting. The High King's son is dying of an apparently incurable wasting disease, and he has charged them with providing an explanation and a cure. There is a mystery here, but not the one the High King thinks: the magisters know the cause of the prince's illness but they dare not reveal it for fear that it will expose the secret at the heart of their order. No, the mystery is not what is responsible, but who. . . Now the magisters must embark upon a manhunt, racing against time, before the High King learns the truth. But they have not counted on the young prince's determination to control his own fate, nor on the existence of Kamala, a young woman schooled in their own arts, who will soon shake the world to its very roots.

**Prince of Thorns** Mark Lawrence,2011-08-02 BOOK ONE IN THE BROKEN EMPIRE TRILOGY “Prince of Thorns deserves attention as the work of an iconoclast who seems determined to turn that familiar thing, Medieval-esque Fantasy Trilogy, entirely on its head.”—Locus When he was nine, he watched as his mother and brother were killed before him. By the time he was thirteen, he was the leader of a band of bloodthirsty thugs. By fifteen, he intends to be king... It’s time for Prince Honourous Jorg Ancrath to return to the castle he turned his back on, to take what’s rightfully his. Since the day he hung

pinned on the thorns of a briar patch and watched Count Renar's men slaughter his mother and young brother, Jorg has been driven to vent his rage. Life and death are no more than a game to him—and he has nothing left to lose. But treachery awaits him in his father's castle. Treachery and dark magic. No matter how fierce his will, can one young man conquer enemies with power beyond his imagining?

**Sun of Suns** Karl Schroeder,2007-07-31 In Karl Schroeder's sci-fi thriller, Hayden Griffin has come to the city of Rush with one thing in mind: to take murderous revenge for his parents' deaths. It is the distant future. The world known as Virga is a fullerene balloon three thousand kilometers in diameter, filled with air, water, and aimlessly floating chunks of rock. The humans who live in this vast environment must build their own fusion suns and towns that are in the shape of enormous wood and rope wheels that are spun for gravity. Young, fit, bitter, and friendless, Hayden Griffin is a very dangerous man. He's come to the city of Rush in the nation of Slipstream with one thing in mind: to take murderous revenge for the deaths of his parents six years ago. His target is Admiral Chaison Fanning, head of the fleet of Slipstream, which conquered Hayden's nation of Aerie years ago. And the fact that Hayden's spent his adolescence living with pirates doesn't bode well for Fanning's chances . . . At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**This Virtual Night** C.S. Friedman,2020-11-03 Now in paperback, returning to the universe of New York Times Notable book *This Alien Shore* comes a new space opera from an acknowledged master of science fiction. When deep-space travel altered the genes of the first interstellar colonists, Earth abandoned them. But some of the colonies survived, and a new civilization of mental and physical "Variants" has been established, centered around clusters of space stations known as the outworlds. Now the unthinkable has happened: a suicide assault has destroyed the life support system of a major waystation. All that is known about the young men responsible is that in their last living moments they were receiving messages from an uninhabited sector of space, and were playing a virtual reality game. Two unlikely allies have joined forces to investigate the incident: Ru Gaya, a mercenary explorer with a taste for high risk ventures, and game designer Micah Bello, who must find the parties responsible for the attack in order to clear his name. From the corridors of a derelict station lost to madness to an outlaw stronghold in the depths of uncharted space, the two now follow the trail of an enemy who can twist human minds to his purpose, and whose plans could bring about the collapse of outworld civilization.

**The Madness Season** C.S. Friedman,1990-10-03 Three hundred years had passed since the Tyr conquered the people of Earth as they had previously overcome numerous races throughout the galaxy. In their victory they had taken the very heart out of the human race, isolating the true individualists, the geniuses, all the people who represented the hopes, dreams, and discoveries of the future, and imprisoning them in dome colonies on planets hostile to human life. There the Tyr, a race which itself shared a unified gestalt mind, had left these gifted individuals to work on projects which would, the conquerers hoped, reveal all of human kind's secrets to them. Yet Daetrin's secret as one no scientist had ever uncovered, for down through the

years he had succeeded in burying it so well that he had even hidden his real nature from himself. But, taken into custody by the Tyr, there was no longer any place left for Daetrin to run, no new name and life for him to assume. Now he would at last be forced to confront the truth about himself—and if he failed, not just Daetrin but all humans would pay the price...

Empire of Night Kelley Armstrong,2015-04-07 The second book in a big, breathtaking new trilogy that blends fantasy, romance, horror, and pulse-pounding action, from #1 New York Times bestselling author Kelley Armstrong. Sisters Moria and Ashyn are the Keeper and Seeker of Edgewood. Or at least, they were. Their village is gone. Their friends have betrayed them. And now, they are all but prisoners in court, forced to watch and wait while the Emperor decides whether to help the children of Edgewood, who remain hostages of the treacherous Alvar Kitsune. But when the emperor finally sends the girls on a mission to rescue the children--accompanied by Prince Tyrus and a small band of men--the journey proves more perilous than any of them could have imagined. With lies and unrest mounting in the empire, Moria and Ashyn will have to draw on every bit of influence and power they possess to unite their people and avert an all-out war.

The Art of Michael Whelan Michael Whelan,1993 Award-winning artist Whelan has illustrated the work of almost every major author in speculative fiction. **The Eyes of God** John Marco,2003-01-07 Akeela, King of Liiria, was a young and idealistic scholar who was determined to bring peace to his kingdom—a land that had been plagued by war with the neighboring kingdom of Reec for decades. Lukien, the Bronze Knight of Liiria, had been taken in by the royal family when, at fourteen, he saved Akeela's life, but he'd never forgotten the brutal lessons of the streets he'd grown up on. A bond of loyalty stronger than blood linked these two men—but no two souls could be more different. And as Akeela and Lukien entered their enemy's stronghold on a mission of peace, neither man could foresee the turmoil this historic mission would wreak on their lives. For, to seal the peace, King Karis of Reec would bestow upon Akeela the hand of his charming, beautiful, and accomplished daughter Cassandra. But Cassandra hid a terrible secret. She was experiencing the first symptoms of a disease which would threaten her life and cause unimaginable strife for all who loved her. For Akeela and Lukien, the quest for Cassandra's salvation would overwhelm every bond of loyalty, every point of honor, every dream of peace. For only the magical amulets known as the Eyes of God could halt the progress of Cassandra's illness. But the Eyes of God would also open the way to a magical stronghold which could tear their world apart and redefine the very nature of their reality.

A Corpse in the Koryo James Church,2006-10-17 Against the backdrop of a totalitarian North Korea, one man unwillingly uncovers the truth behind series of murders, and wagers his life in the process. Sit on a quiet hillside at dawn among the

wildflowers; take a picture of a car coming up a deserted highway from the south. Simple orders for Inspector O, until he realizes they have led him far, far off his department's turf and into a maelstrom of betrayal and death. North Korea's leaders are desperate to hunt down and eliminate anyone who knows too much about a series of decades-old kidnappings and murders---and Inspector O discovers too late he has been sent into the chaos. This is a world where nothing works as it should, where the crimes of the past haunt the present, and where even the shadows are real. A corpse in Pyongyang's main hotel--the Koryo---pulls Inspector O into a confrontation of bad choices between the devils he knows and those he doesn't want to meet. A blue button on the floor of a hotel closet, an ice blue Finnish lake, and desperate efforts by the North Korean leadership set Inspector O on a journey to the edge of a reality he almost can't survive. Like Philip Kerr's Berlin Noir trilogy and the Inspector Arkady Renko novels, *A Corpse in the Koryo* introduces another unfamiliar world, a perplexing universe seemingly so alien that the rules are an enigma to the reader and even, sometimes, to Inspector O. Author James Church weaves a story with beautifully spare prose and layered descriptions of a country and a people he knows by heart after decades as an intelligence officer. This is a chilling portrayal that, in the end, leaves us wondering if what at first seemed unknowable may simply be too familiar for comfort.

**Bright Smoke, Cold Fire** Rosamund Hodge, 2016-09-27 Sabriel meets Romeo and Juliet in this stunning and atmospheric novel—the first in a duology—from the author of *Cruel Beauty* and *Crimson Bound*. When the mysterious fog of the Ruining crept over the world, the living died and the dead rose. Only the walled city of Viyara was left untouched. The heirs of the city's most powerful—and warring—families, Mahyanai Romeo and Juliet Catresou, share a love deeper than duty, honor, even life itself. But the magic laid on the Juliet at birth compels her to punish the enemies of her clan—and Romeo has just killed her cousin Tybalt. Which means he must die. Paris Catresou has always wanted to serve his family by guarding the Juliet. But when his ward tries to escape her fate, magic goes terribly wrong—killing her and leaving Paris bound to Romeo. If he wants to discover the truth of what happened, Paris must delve deep into the city, ally with his worst enemy . . . and perhaps turn against his own clan. Mahyanai Runajo only wants to protect her city—but she's the only one who believes it's in peril. In her desperate hunt for information, she accidentally pulls Juliet from the mouth of death—and finds herself bound to the bitter, angry girl. Runajo quickly discovers Juliet might be the one person who can help her recover the secret to saving Viyara. Both pairs will find friendship where they least expect it. Both will find that Viyara holds more secrets and dangers than anyone ever expected. And outside the walls, death is waiting. . . .

**Sweet Silver Blues** Glen Cook, 1990-05-01 It should have been a simple job. But for Garrett, a human detective in a world of gnomes, tracking down the woman to whom his dead pal Danny left a fortune in silver is no slight task. Even with the aid of Morley, the toughest half-elf around, Garrett isn't sure he'll make it out alive from a land where magic can be murder, the dead still talk, and vampires are always hungry for human blood.
