They make perfect gifts and the uplifting words can be read again and again. They are sure to withstand the test of time! Collect all the titles in this inspirational series!

An estimated 9 million children every year are affected by pediatric spinal deformities, encompassing a broad spectrum of pathologies. New classification systems, innovative imaging modalities, and advances in surgical techniques have contributed to a continually evolving, evidence-based treatment paradigm. Patient variables such as the age of onset, severity, course of deformity progression, as well as the availability of technology pose individualized challenges. AOSpine Masters Series, Volume 9: Pediatric Spinal Deformity is a concise yet comprehensive review of fundamental surgical and nonsurgical approaches, contemporary issues, and treatment obstacles. Internationally renowned spine surgeons Luis Roberto Vialle, Marinus de Kleuver, and Sigurd Berven and a cadre of esteemed contributors deliver a state-of-the-art reference on deformities of the pediatric spine. From early childhood to adolescent spine disorders, 17 richly illustrated chapters cover diagnosis, preoperative evaluation, imaging, spine surgery interventions, non-fusion procedures, and long-term management. Key Highlights Overviews on the classification and natural history of early onset scoliosis and adolescent idiopathic scoliosis, with subsequent chapters covering non-operative management and contemporary surgical techniques Evidence-based discussion of long-term surgical care outcomes, indications for revision surgery, and strategies for achieving optimal results Management of congenital and developmental kyphosis, lordosis, syndromic conditions, and low and high grade spondylolisthesis Clinical pearls on spine surgery in the developing world, safety issues and complications, and the importance of developing outcome metrics The AOSpine Masters series, a copublication of Thieme and the AOSpine Foundation, addresses current clinical issues featuring international masters sharing their expertise in the core areas in the field. The goal of the series is to contribute to an evolving, dynamic model of evidence-based approach to spine care. This outstanding textbook is a must have for spine surgeons, in particular those who specialize in treating childhood spine disorders. Orthopaedic and neurosurgery residents, as well as veteran surgeons with extensive knowledge will find this an indispensable tool for daily practice.

Outdoor erotic photography at its best. Corbin Fisher presents these young, tight-bodied heterosexual blokes in erotic encounters without any unnecessary ornamentation. The men are well built, sexy, and simply themselves. Required reading for all fans of authentic heterosexual amateurs in action - whether the models are out and about, alone in the shower, or having a tender intimate moment with another man!

Pope Pius XI wrote as follows in the Encyclical Letter, *Divini Redemptoris*: "For them (the peoples of the Soviet Union) We cherish the warmest paternal affection. We are well aware that not a few of them groan beneath the yoke imposed on them by men who in very large part are strangers to the real interests of the country. We recognize that many others were deceived by fallacious hopes. We blame only the system with its authors and abettors who considered Russia the best field for experimenting with a plan elaborated years ago, and who from there continue to spread it from one end of the world to the other." In this pamphlet, I have outlined some of the historical evidence which goes to prove that those "strangers to the real interests of Russia," who are experimenting with this Marxian plan elaborated years ago, are members of the Jewish nation, and that Communism is the latest and, up to the present, the most decadent materialistic phase of the opposition of that nation to the Supernatural Messiah.

DIV In this immensely readable and thoroughly researched book, Tarek Osman explores what has happened to the biggest Arab nation since President Nasser took control of the country in 1954. This new edition takes events up to summer 2013, looking at how Egypt has become increasingly divided under its new Islamist government./div

This book contains no nudity. No profanity. No sexual material of any kind. And yet it just might be the most obscene thing we've ever published! Penis Pokey is an illustrated board book with a large die-cut hole in its center. Every spread features a dazzling full-color illustration with one thing missing a banana, perhaps, or a fire hose, or a sea serpent. Male readers can complete the illustrations using the talents God has given them. Are we serious? Yes! Is this funny? Absolutely! Will this be a terrific hit with college students, bachelorette parties, and exhibitionists of all ages? Of course! Penis Pokey is far and away the strangest and funniest novelty book we've seen in a long, long time.

In 2015, marriage equality became legal all over the United States. Even the top three major American team sports accept out players. Despite these milestones, teenage bullying resulting in deaths because of suicide is being documented throughout the USA. Did these teenagers die in vain? Is that attraction a lifestyle or a real authentic life? Adam and Steve: The Rules for Men Who Are Attracted to Other Men is written as an easy-to-read, smart, sexy, and provocative road map about same-sex attraction along with this author's findings that this is a real culture. Primarily, this book will speak to three different audiences. One is a teen or preteen male attracted to the same sex who may be discovering his own sexuality or is being bullied because of it. The other is the adult male who may understand his sexuality but not his obligation to others who come behind him. The third group is the parent or family member who just wants to be supportive.

Of all my years of growing up, I grew up in 1962... The Glee Club, made up of five hard-working, hard-drinking miners and a church organist, is preparing for the local gala. Though they're established in the working men's clubs, they aren't exactly at the vanguard of a musical revolution. This is the summer of '62. Britain and music are about to change, so too are the lives of these six men. Will anything ever be the same again? A raucous comedy featuring live music, this new edition of Richard Cameron's celebrated play was published to coincide with a 2020 revival by Out of Joint Theatre Company.

A British soldier walked over to the German front line to deliver newspapers; British women married to Germans became 'enemy aliens' in their own country; a high-ranking British POW discussed his own troops' heroism with the Kaiser on the battlefield. Just three amazing stories of contact between the opposing sides in the Great War that eminent historian Richard van Emdehn has unearthed incidents that show brutality, great humanity, and above all the bizarre nature of a conflict between two nations with long-standing ties of kinship and friendship. Meeting the Enemy reveals for the first time how contact was maintained on many levels throughout the War, and its stories, sometimes

funny, often moving, give us a new perspective on the lives of ordinary men and women caught up in extraordinary events.

Moosewood Restaurant, founded in 1973, revolutionized vegetarian cooking by introducing delicious soups, satisfying sandwiches, warming casseroles, zesty entrees, spiffy salads, and divine desserts. Moosewood Restaurant Favorites contains 250 of their most requested recipes completely updated and revised to reflect the way they're cooked now-increasingly vegan and gluten-free, benefiting from fresh herbs, new varieties of vegetables, and the wholesome goodness of newly-rediscovered grains. This mouthwatering cookbook includes favorites like: - Red Lentil Soup with Ginger and Cilantro - Sweet-Potato and Black Bean Burrito - The Classic Moosewood Tofu Burger - Caramelized Onion Pie - Peruvian Quinoa Salad - Confetti Kale Slaw - Vegan Chocolate Cake - Moosewood Restaurant Brownies - Apple Spice Cake with Sesame Seeds Including a guide to natural-cooking techniques, Moosewood Restaurant Favorites is the next classic book on their much-loved cookbook shelf.

Economists make confident assertions in op-ed columns and on cable news—so why are their explanations at odds with equally confident assertions from other economists? And why are all economic predictions so rarely borne out? Harnessing his frustration with this contradiction, Schlefer set out to investigate how economists arrive at their opinions.

A powerful investigation into the chances for humanity's future from the author of the bestseller *The World Without Us*. In his bestselling book *The World Without Us*, Alan Weisman considered how the Earth could heal and even refill empty niches if relieved of humanity's constant pressures. Behind that groundbreaking thought experiment was his hope that we would be inspired to find a way to add humans back to this vision of a restored, healthy planet-only in harmony, not mortal combat, with the rest of nature. But with a million more of us every 4 1/2 days on a planet that's not getting any bigger, and with our exhaust overheating the atmosphere and altering the chemistry of the oceans, prospects for a sustainable human future seem ever more in doubt. For this long awaited follow-up book, Weisman traveled to more than 20 countries to ask what experts agreed were probably the most important questions on Earth -- and also the hardest: How many humans can the planet hold without capsizing? How robust must the Earth's ecosystem be to assure our continued existence? Can we know which other species are essential to our survival? And, how might we actually arrive at a stable, optimum population, and design an economy to allow genuine prosperity without endless growth? Weisman visits an extraordinary range of the world's cultures, religions, nationalities, tribes, and political systems to learn what in their beliefs, histories, liturgies, or current circumstances might suggest that sometimes it's in their own best interest to limit their growth. The result is a landmark work of reporting: devastating, urgent, and, ultimately, deeply hopeful. By vividly detailing the burgeoning effects of our cumulative presence, *Countdown* reveals what may be the fastest, most acceptable, practical, and affordable way of returning our planet and our presence on it to balance. Weisman again shows that he is one of the most provocative journalists at work today, with a book whose message is so compelling that it will change how we see our lives and our destiny.

Millennials mean business, and they are shaking up the workplace as they enter management roles for the very first time. They are tearing down the corporate ladder, communicating on the fly, and bringing play to work. Millennials are creative, big thinkers, and they will change the face of leadership-IF they can bridge the gap between the hierarchical management style of senior executives and the casual, more collaborative approach of their peers. *Manager 3.0* is the first-ever management guide for Millennials. They will master crucial skills such as dealing with difficult people, delivering constructive feedback, and making tough decisions-while gaining insight into the four generations in the workplace and how they can successfully bring out the best in each. Packed with interviews and examples from companies like Zappos, Groupon, Southwest Airlines, and Google, *Manager 3.0* will help these new managers enhance their unique talents while developing an effective leadership style all their own.

"Dolvett offers a dieting trifecta: easy, effective, and friendly to cheaters. He helps trick your metabolism into cooperating with his rapid weight loss formula for success." --Mehmet Oz, M.D. Want to finally lose the weight and keep it off? Want to be able to eat the foods you love?

Reaching your goals can only happen when you don't feel deprived and you continue to stay motivated. Now, celebrity trainer and star of the hit reality series *The Biggest Loser*, Dolvett Quince, tells you how to do all of that and more in his revolutionary program, *THE 3-1-2-1 DIET*. This 21-day program works by manipulating your body's natural tendency to slow its metabolic rate in response to calorie restriction. It takes a new approach to getting lean-one scientifically based on changing up food and calories to tap into your body's potential to burn fat. This unconventional plan results in greater muscle and less fat than any other diet you've ever tried. Dolvett's effective eating plan is as easy as 3-1-2-1: three days of clean eating, one day of cheating, two more days of clean eating, and one final reward meal at the end of the week. No foods are off limits and you will never feel deprived because the plan is flexible enough to fit into any lifestyle. You'll lose weight fast-10 pounds or more in just 21 days-and you won't plateau. Dolvett's simple meal plans and delicious, easy-to-prepare recipes, together with his fast and effective workouts that combine cardio and body-shaping moves, will have you back in your skinny jeans in less than three weeks! Published in conjunction with the exhibition ... held at the Museum of Modern Art, New York, Sept. 28, 2013-Jan. 12, 2014, the Menil Collection, Houston, Feb. 14-June 1, 2014, and at the Art Institute of Chicago, June 29-Oct. 12, 2014.

This is a tale of friendship, greed, and betrayal in the music industry—and a definitive history of America's biggest rap mogul. No one knows more about creating hits than Sean “Puffy” Combs. For years he virtually ran hip-hop. It seemed the perfect arrangement: “Puffy” provided the sounds and obsessive attention to detail while the Notorious B.I.G. promoted an image that kept rap fans happy. It should have lasted forever, but “Biggie” was murdered at the height of his career—and “Puffy”'s ascension to superstardom ushered in an age of disloyalty and deception that exploded into one of the greatest debacles in the history of the music industry. Through interviews with label insiders, grand jury testimony, and other sources, America's preeminent rap journalist Ronin Ro -reveals the true story of “Puffy” -addresses the larger issues that shaped the man and the industry -explains how Bad Boy both helped and destroyed hip-hop and R&B music -details why some artists “Puffy” created ultimately left his Bad Boy family in disgust. At once an intimate history and a portrait of an era, *Bad Boy* shows readers exactly how Combs lost his strangle-hold over the multibillion-dollar rap music industry. The story of Bad Boy Entertainment is the story of the American Dream, an up-close and personal account of the people, the money, the creative process that made it all come true, and the young mogul who caused the dream to fall apart. In this hip-hop tragedy of Shakespearean dimensions, readers finally learn the story that Sean “Puffy” Combs does not want them to know.

From the moment he sees handsome Liam McCullough showering naked behind a Tunisian bar, ESL teacher Aidan Greene wants to screw the sexy bodyguard. At first, though, a dead courier and beefy hired thugs get in the way. But Liam soon convinces him -- with wiles and smiles and solid logic -- to join him on a race across the desert for a rendezvous with a Tuareg tribe at a remote oasis. Then nothing can stop them from getting naked and getting it on. Together they explore the passion Liam hid from as a closeted Navy SEAL, and the love Aidan's missed after his longterm boyfriend kicked him to the curb. From the back of a motorcycle to a Turkish bath to a remote dune in the desert, these two Romeos find ways to bring each other to the heights of pleasure. So what if they're carrying the password to a million-dollar Swiss bank account and being chased by Libyan intelligence agents determined to stop them at all costs? Love and lust fuel their passion and not even three wrong turns in the desert will keep them from surviving this adventure alive -- and together. "Publisher's Note: This book contains explicit sexual content, graphic language, and male/male sexual practices."

"The best new book on al Qaeda . . . and the best book on Yemen in years."—Bruce Riedel, *Daily Beast* Far from the battlefields of Iraq and Afghanistan, the United States and al-Qaeda are fighting a clandestine war of drones and suicide bombers in an unforgiving corner of Arabia. *The Last Refuge* charts the rise, fall, and resurrection of al-Qaeda in Yemen over the last thirty years, detailing how a group that the United States once defeated has now become one of the world's most dangerous threats. An expert on Yemen who has spent years on the ground

there, Gregory D. Johnsen uses al-Qaeda's Arabic battle notes to reconstruct their world as they take aim at the United States and its allies. Johnsen brings readers in-side al-Qaeda's training camps and safe houses as the terrorists plot poison attacks and debate how to bring down an airliner on Christmas Day. *The Last Refuge* is an eye-opening look at the successes and failures of fighting a new type of war in one of the most turbulent countries in the world.

Mary was an ordinary schoolgirl who never thought about having crazy adventures. One day, she was captured by an alien and sent to another planet for an experiment, but it was a failure. When the experiment failed, she was sent back to Earth by a UFO. Then she experienced another adventure, going back to her past life as a queen who was a fish. Will she be able to return to her present life? Age Range: 8-10 (Third/Fourth/Fifth grade)

From the winner of *Top Chef Masters* An affectionate, thoroughly diverse tribute to the modern American table "I'll introduce you to friends I've met along the way who have shared their foods, told me their stories and inspired me with their passion. With recipes that range from elaborate entrees to simple snacks, I give an overview of American food as I see it and, hopefully, will provide a primer to navigate through an array of international influences to bring a world of flavor into your own home." —Marcus Samuelsson In his bestselling *The Soul of a New Cuisine*, Marcus Samuelsson returned to the land of his birth to explore the continent's rich diversity of cultures and cuisines through recipes and stories from his travels in Africa. Now, in *The New American Table*, Samuelsson takes you on a journey of the inspired food of the United States, his beloved adopted country. Acclaimed for the distinct and diverse cuisine he has created at *Aquavit* and *Riingo*, Samuelsson shares more than 300 recipes that embody the uniquely inclusive spirit of American cuisine, from high-end fare to street food; down-home Southern cooking to Southwestern flavors to Asian cuisines, and beyond. In this new book, he explores the full spectrum of this regional American cooking that he has grown to love, meeting people along the way who have brought wonderful foods to their new home and to the receptive American people who have opened their minds and hearts to new foods and new cultures, including Green Salsa, to serve over shrimp or as a dip Breakfast Burritos Salmon Flatbread Tempura Crab Salad with Tamarind-Soy Vinaigrette Soy-Glazed Dumplings with Sweet Chile Sauce Chicken Sate with Baby Spinach and Garlic Feta Dip Turkey Meatloaf with Tomato-Spinach Sauce Beer-Braised Short Ribs Rustic Chocolate Tart Red Berry Cobbler A true celebration of the culinary gifts that define *The New American Table*, this book is accompanied by stunning food and travel photographs documenting Samuelsson's journeys across America and his discovery of the flavors of a nation. Drawing on his own rich cultural heritage, he has created an exciting tribute to the wide range of cultural influences and culinary traditions that have shaped modern American cuisine. *The New American Table* presents Samuelsson's interpretation of the food that has evolved from these diverse traditions—a contemporary, original, and uniquely American cuisine.

The Principles and Practice of International Aviation Law provides an introduction to, and demystification of, the private and public dimensions of international aviation law. Unlike other global sectors, the air transport industry is not governed by a discrete area of the law, but by disparate transnational regulatory instruments. Everything from the routes that an international air carrier can serve to the acquisition of its fleet and its liability to passengers and shippers for incidents arising from its operations can be the object of bilateral and multilateral treaties that represent diverse and often contradictory interests. Beneath this are hundreds of domestic regulatory regimes that also apply national and international rules in disparate ways. The result is an agglomeration of legal cultures that can leave even experienced lawyers and academics perplexed. By combining classical doctrinal analysis with insights from newer disciplines such as international relations and economics, the book maps international aviation law's complex terrain for new and veteran observers alike.

The beloved, bestselling classic that became the movie, *A CHRISTMAS STORY* -- humorous and nostalgic Americana, reissued in a strikingly designed paperback edition. Before Garrison Keillor and Spalding Gray there was Jean Shepherd: a master monologist and writer who spun the materials of his all-American childhood into immensely resonant--and utterly hilarious--works of comic art. In *God We Trust: All Others Pay Cash* represents one of the peaks of his achievement, a compound of irony, affection, and perfect detail that speaks across generations. In *God We Trust*, Shepherd's wildly witty reunion with his Indiana hometown, disproves the adage "You can never go back." Bending the ear of Flick, his childhood-buddy-turned-bartender, Shepherd recalls passionately his genuine Red Ryder BB gun, confesses adolescent failure in the arms of Junie Jo Prewitt, and relives a story of man against fish that not even Hemingway could rival. From pop art to the World's Fair, Shepherd's subjects speak with a universal irony and are deeply and unabashedly grounded in American Midwestern life, together rendering a wonderfully nostalgic impression of a more innocent era when life was good, fun was clean, and station wagons roamed the earth. A comic genius who bridged the gap between James Thurber and David Sedaris, Shepherd may have accomplished for Holden, Indiana, what Mark Twain did for Hannibal, Missouri.

Here is a revealing look into male effeminacy: why some gay men are swishy, why other gay men are more masculine, and why effeminate men arouse anger, disgust, and disdain in both gay and straight men. *Sissyphobia* explores those negative feelings that are aimed at people termed fairies, faggots, flamers, and queens; men who, as author Tim Bergling puts it, "run more toward what we could term the 'Quentin Crisp school of homosexuality.'"--Publisher description.

Kate McCall's husband has been killed by her teenage son, Luke, in a tragic bow-hunting accident. In the aftermath, Jack, a charismatic but troubled ex-con from Kate's past, shows up. When Luke takes off on his own for their rural Michigan cabin, Kate and Jack follow, but they're not the only ones hot on his heels. Two-time losers Teddy and Celeste, along with hitman DeJuan, are all looking to cash in on the money left to Kate. As they all head for the woods of Northern Michigan, events rapidly spiral towards a dramatic life-and-death confrontation. Filled with unforgettable characters, razor-sharp dialogue and masterful plotting, *Quiver* displays the remarkable maturity and verve of a hugely exciting first-time novelist.

There's just nothing sexier than a man who loves kids and knows how to show it. Everyone knows that's a man who can be trusted with your heart. And, as they grew older and hotter (and so do we), it's equally sexy to see a man treat his teenaged or young adult offspring with love and respect. So curl up in your favorite chair and read these radically different tales of fathers we love from new dads to old dads, gay dads, vampire dads and even some dad ménage! With stories by Guy New York, Trinity Blacio, Ryan Field, Jon Jockel, John Michael Curlovitch, Stacy Brown, Stephen B. Pearl and Misha Martin.

Blake Mitchell knows a bit about enough things and a lot about a few. While the teenager is unsure of which direction to take in life, he's aware the road he's on is a direct route to desolation. Being outed as bisexual in the bluegrass state is alienating, and the events to follow are worse. Still, Blake is driven--by any means necessary--to make something more of himself. Identifying an opening, Blake paves a path and finds *His Own Way Out*.

*Bad Boy*The Influence of Sean "Puffy" Combs On the Music IndustrySimon and Schuster

A former Chicago Public School teacher breaks all the rules in this new self-help book for gay men that will empower homosexuals and educate heterosexuals. Setfrey goes beyond the hysteria and the hype of the down low and takes on the contradictions in the Bible that Christians use to justify their oppression of homosexuals. A no-holds-barred, yet often funny, look at homosexual stereotypes that is definitely a "Must Read" for all regardless of race, sex, class, age, or sexual orientation. Original.

Inspired by the author's life story; comes an intriguingly twisted tale of betrayal, lies, and murder - with an artistic edge. A spellbinding story of how four women's lives are unsuspectingly intertwined; as unnerving family secrets unveil; daunting memories

emerge; and an unsolved murder soon evolves. Asking the question: How far would you go to hide a secret? Evelyn thought she escaped her past long ago, but one woman, in the summer of 2006, brought back the daunting memories she desperately tried to bury. Melissa Contour, an Irish bred woman, born into the life of power, privilege, and corruption was somehow linked to a brutal slaying from Evelyn's past. Stumbling upon the answers for Melissa, lead Evelyn onto a road untraveled. She discovers that finding her way to redemption would not be through the stories of the women she consoled, but through the afflictions she tried to bury, deep within herself.

The definitive biography of Daphne Du Maurier, one of history's greatest psychological thriller novelists Rebecca, published in 1938, brought its author instant international acclaim, capturing the popular imagination with its haunting atmosphere of suspense and mystery. Du Maurier was immediately established as the queen of the psychological thriller. But the more fame this and her other books encouraged, the more reclusive Daphne du Maurier became. Margaret Forster's award-winning biography could hardly be more worthy of its subject. Drawing on private letters and papers, and with the unflinching co-operation of Daphne du Maurier's family, Margaret Forster explores the secret drama of her life - the stifling relationship with her father, actor-manager Gerald du Maurier; her troubled marriage to war hero and royal aide, 'Boy' Browning; her wartime love affair; her passion for Cornwall and her deep friendships with the last of her father's actress loves, Gertrude Lawrence, and with an aristocratic American woman. Most significant of all, Margaret Forster ingeniously strips away the relaxed and charming facade to lay bare the true workings of a complex and emotional character whose passionate and often violent stories mirrored her own fantasy life more than anyone could ever have imagined.

Described by Salon as 'the bible of female anal sex,' The Ultimate Guide to Anal Sex for Women is a comprehensive and creative guide to anal pleasure. Tristan Taormino offers the kind of informed reassurance that can encourage even an absolute beginner to explore this nerve-rich part of the body, either alone or with a partner of any gender. Beginning by dispelling common myths about anal eroticism, Taormino goes on to illustrate anatomy, give tips on building trust and communicating desires, providing reliable, easy-to-understand information. "Stay away from David Foster." Yeah, right. The minute I saw him on stage, the heartbreaking fears my ex-fiancé left me with went right out of my head. David's hips shimmied and my heart stammered. How could anyone say no to that rock star god with a voice like an angel and moves like the devil? I didn't even try. Anyway, it was just one night. One crazy, skin-tingling, earth-shattering night. At least that's what I thought. Then David showed up. Again. He says he wants me, but I think he just wants to shed his bad boy image. His leather-clad looks go with the billionaire lifestyle, and I don't think he's about to change. Not for me. But it's not just us now. There's a family growing inside me, and I'm starting to think David deserves a chance. I've never been lucky in love, but this time it looks like luck found me.

THE RESIDENCY INTERVIEW. These words make every applicant nervous. This MedEdits guide provides applicants with insight about the residency interview process as well as a general framework to dramatically improve their confidence on interview day. This book is based on Dr. Jessica Freedman's experience in residency admissions while on faculty at the Mount Sinai School of Medicine in New York City and her observations while privately advising residency applicants with MedEdits (www.MedEdits.com). Get practical advice on: 1) How to prepare for your interview 2) What to expect on interview day 3) The different types of interviewers 4) What information you must convey during your interview 5) How to structure your answers and direct your interview 6) What to wear, how to behave on tours, lunches, "night be- fore" gatherings and many other topics

Craig Stewart is one of America's most gifted writers. His work debuted on stage in Atlanta with *A Day in the Life*, wowing sold out audiences and critics alike. Stewart returns with his highly anticipated memoir, "Words Never Spoken" slated for release May 2012. Said to be Stewart's most revealing and personal work yet, "Words Never Spoken" details his journey as a songwriter, entrepreneur, playwright and self-discovery as a gay Black man living in Atlanta. Stewart writes candidly about his private conversations with media mogul Tyler Perry, and why Perry dubbed Stewart's work brilliant, but opted not to help him. Stewart also pulls us through the rise and fall of his musical relationship with Grammy award-winning recording artist Brandy Norwood. Stewart's story is as clean and crisp as the early works of the late E. Lynn Harris, but destined for a lane of its own because of its nuanced richness. "Words Never Spoken" reads like a diary that was never intended for the eyes of anyone other than its author. Stewart opens up about his struggles with love, friendships and a two-year bout with depression that led to an internet sex addiction.
