Help children draw and think more creatively by inspiring them with interesting and challenging art prompts and questions. Invitation to Draw offers 99 open-ended drawing prompts, each one proposing a question to investigate that encourages children to free associate and problem solve. The perforated pages make it easy to tear out prompts for on-the-go activities or allowing multiple kids to draw at the same time. A blank cake provides the chance to decorate a dream confection, an empty house inspires stories about who lives there, and a grid of triangles supplies the chance to explore abstract art. What might be hiding in that tree? What sort of robot can you design? The possibilities are endless! Drawing prompts inspire and encourage kids to think and draw differently, and sometimes more creatively, than they might when faced with a blank page. By offering constraints such as a pair of eyes or an empty car and asking a question, children begin thinking about the possibilities and answering the question in their heads even before they put pen (or marker or crayon!) to paper. And through the act of drawing and observing the drawing unfold, the brain continues to think and problem solve, opening up all kinds of creative possibilities around that specific idea.

Sketchbooks are a staple for every young artist. These blank books encourage creativity with art and storytelling. Kids can use these sketchbooks to showcase their sticker collections and they often like to use them as a draw and write diary with their bucket list of favorite activities, Christmas wish lists and more. Our sketchbooks also serve as a treasured keepsake book for kids who want to save their art work and see how they progress as they continue on to the next sketchbook. Extra Large 8 x 11 Drawing Surface Durable, Soft, Paperback Matte Cover 140+ Pages We offer a wide variety of cover selections for you to choose from. You'll find all sorts of creative covers to suit just about every personality. Please browse through our selections and choose a cover that matches your child's style preferences. Made with Standard Paper. Best for crayons, light watercolor paints, colored pencils and light fine-tip markers. Creative Learning Tools is a small family owned business, partnering with Amazon. Many of the graphics we choose to create our books are selected by our own children. Recently we published a few unicorn sketchbooks, sequencing and memory books and several grid-lined notebooks. Thank you for stopping by. We hope you continue to enjoy our books and journals. Have a great day!
