First published in 1938, 'Anthem' is a dystopian fiction novel by British writer Ayn Rand. It takes place at some unspecified future date when mankind has entered another dark age. Technological advancement is now carefully planned and the concept of individuality has been eliminated.

Jaggar is a half-wolf, half-mountain lion shifter, but his halves don't make a whole. Instead, they form the beast, a misshapen killing machine that terrifies even the hard-charging wolf shifters of the KSRT, especially after the mauling. "Jaggar has tragic down," his friend says about him, which must be why his one true mate, Leilani, is also steeped in tragedy. She's a time-traveler. In fact, our boys in Serenity owe their very future to her. But what she has done for them has robbed her of her sight, and her sanity. When Jaggar and Leilani meet in the forest, her eyes flashing silver, his beast in complete control, it seems only a miracle can keep them together.

This revised edition includes a New Intergalactic Introduction by the Author. Mary Daly's New Intergalactic Introduction explores her process as a Crafty Pirate on the Journey of Writing Gyn/Ecology and reveals the autobiographical context of this "Thunderbolt of Rage" that she first hurled against the patriarchs in 1979 and no hurls again in the Re-Surgin Movement of Radical Feminism in the Be-Dazzling Nineties.

Life in lower class as offspring of a notorious thief was simple for the Quartar daughters until accidental mishaps with the other classes of society turn their dirt poor lives around for worse and better. Eight young women are taken from the slums into the high class world they never understood only at first to find betrayal, suffering, scandal, revenge and corruption. Then, before they know it they are wrapped in the grandest scandal their country of Galli has ever seen. The kingdom of Cretaine is trying to overthrow the corrupted kingdom of Galli. The Quartar family must betray their world in order to save Galli from a brutal civil war.

Hallie knows how to lose your best friend in one easy step. Offer him your virginity, then watch him reject you. But that was four years ago, and now she knows better. Working at Hunt's Bull Riding School, there's no shortage of hot young cowboys to keep her entertained. There's no need to think about Nate Mathews, especially since he's off on the pro bull riding tour. Out of sight, out of mind. Until Nate walks back into her life, four years older, four years hotter, and with four years of regrets behind the blue eyes she once fell in love with. But on his first night back in their sleepy hometown, Nate's plans to apologize are lost in the wail of sirens. In the devastating aftermath, Nate leans on the woman who once knew him better than anyone. But this time, it's more than friendship he wants from her. No amount of teenage history, bad-tempered bulls, or babies who hate his guts will stop him from getting his second chance. This second chance, friends-to-lovers romance brings the steam against a backdrop of professional

Music meets Movies in this sweet college romance. NYU freshman Nate Anderson is a triplet who is desperate to escape his wild and crazy brothers. After they screw things up for him one too many times, Nate flees his housing situation and takes the first available room for rent as far from his brothers as he can get. Enter his new roommate Jordan--a quirky LA girl who believes that everything in life has already been done in the movies. In this heartfelt tale of love, friendship and family, Nate learns how to deal with his new adult life using Hollywood films as a guide.

### Of Goblins and Gold

After a devastating war decimated most of the world, Hudson Lane has only known the oppressive life under her own father's tyranny. She finally escapes, branding herself an outlaw and is hunted by the Enforcers. Her best chance for survival is Connor Mackenzie, an aggressively sensual fugitive who opens her eyes to the wicked possibilities of a world without rules. As the leader of a band of outlaw fighters, Connor can't resist the beautiful stranger who asks for his protection. Despite his reservations, he agrees to introduce her to a whole new way of life. But when Connor discovers Hudson's connection to the enemies of liberty, he wonders how far he can trust the woman who has abandoned all inhibitions to challenge every forbidden desire. #1 NEW YORK TIMES BESTSELLER \* "The Uninhabitable Earth hits you like a comet, with an overflow of insanely lyrical prose about our pending Armageddon."--Andrew Solomon, author of The Noonday Demon With a new afterword It is worse, much worse, than you think. If your anxiety about global warming is dominated by fears of sea-level rise, you are barely scratching the surface of what terrors are possible--food shortages, refugee emergencies, climate wars and economic devastation. An "epoch-defining book" (The Guardian) and "this generation's Silent Spring" (The Washington Post), The Uninhabitable Earth is both a travelogue of the near future and a meditation on how that future will look to those living through it--the ways that warming promises to transform global politics, the meaning of technology and nature in the modern world, the sustainability of capitalism and the trajectory of human progress. The Uninhabitable Earth is also an impassioned call to action. For just as the world was brought to the brink of catastrophe within the span of a lifetime, the responsibility to avoid it now belongs to a single generation--today's. Praise for The Uninhabitable Earth "The Uninhabitable Earth is the most terrifying book I have ever read. Its subject is climate change, and its method is

The book is a meticulously documented, white-knuckled tour through the cascading catastrophes that will soon engulf our warming planet."--Farhad Manjoo, The New York Times "Riveting. . . . Some readers will find Mr. Wallace-Wells's outline of possible futures alarmist. He is indeed alarmed. You should be, too."--The Economist "Potent and evocative. . . . Wallace-Wells has resolved to offer something other than the standard narrative of climate change. . . . He avoids the 'eerily banal language of climatology' in favor of lush, rolling prose."--Jennifer Szalai, The New York Times "The book has potential to be this generation's Silent Spring."--The Washington Post "The Uninhabitable Earth, which has become a best seller, taps into the underlying emotion of the day: fear. . . . I encourage people to read this book."--Alan Weisman, The New York Review of Books

Lois Lowry once again creates a mysterious but plausible future world. It is a society ruled by savagery and deceit that shuns and discards the weak. Left orphaned and physically flawed, young Kira faces a frightening, uncertain future. Blessed with an almost magical talent that keeps her alive, she struggles with ever broadening responsibilities in her quest for truth, discovering things that will change her life forever. As she did in THE GIVER, Lowry challenges readers to imagine what our world could become, how people could evolve, and what could be considered valuable. Every reader will be taken by Kira's plight and will long ponder her haunting world and the hope for the future.

Hackers, cyber-criminals, Dark Web users, and techno-terrorists beware! This book should make you think twice about attempting to do your dirty work in the smart cities of tomorrow. Scores of cities around the world have begun planning what are known as "smart cities."

These new or revamped urban areas use the latest technology to make the lives of residents easier and more enjoyable. They will have automated infrastructures such as the Internet of Things, “the Cloud,” automated industrial controls, electronic money, mobile and communication satellite systems, wireless texting and networking. With all of these benefits come new forms of danger, and so these cities will need many safeguards to prevent cyber criminals from wreaking havoc. This book explains the advantages of smart cities and how to design and operate one. Based on the practical experience of the authors in projects in the U.S. and overseas in Dubai, Malaysia, Brazil and India, it tells how such a city is planned and analyzes vital security concerns that must be addressed along the way. Most of us will eventually live in smart cities. What are the advantages and the latest design strategies for such ventures? What are the potential drawbacks? How will they change the lives of everyday citizens? This book offers a preview of our future and how you can help prepare yourself for the changes to come.

—Booklist (starred review) Nadia’s family is forced to flee their home in Aleppo, Syria, when the Arab Spring sparks a civil war in this timely coming-of-age novel from award-winning author N.H. Senzai. Silver and gold balloons. A birthday cake covered in pink roses. A new dress. Nadia stands at the center of attention in her parents’ elegant dining room. This is the best day of my life, she thinks. Everyone is about to sing “Happy Birthday,” when her uncle calls from the living room, “Baba, brothers, you need to see this.” Reluctantly, she follows her family into the other room. On TV, a reporter stands near an overturned vegetable cart on a dusty street. Beside it is a mound of smoldering ashes. The reporter explains that a vegetable vendor in the city of Tunis burned himself alive, protesting corrupt government officials who have been harassing his business. Nadia frowns. the beginning of the Arab Spring. Soon anti-government protests erupt across the Middle East and, one by one, countries are thrown into turmoil. As civil war flares in Syria and bombs fall across Nadia's home city of Aleppo, her family decides to flee to safety. Inspired by current events, this novel sheds light on the complicated situation in Syria that has led to an international refugee crisis, and tells the story of one girl's journey to safety.

In a nation on the brink of war, a young art student's star-crossed love begins to bloom in the first book of the New York Times bestselling epic fantasy trilogy by award-winning author Laini Taylor. Around the world, black handprints are appearing on doorways, scorched there by winged strangers who have crept through a slit in the sky. In a dark and dusty shop, a devil's supply of human teeth grown dangerously low. And in the tangled lanes of Prague, a young art student is about to be caught up in a brutal otherworldly war. Meet Karou. She fills her sketchbooks with monsters that may or may not be real; she's prone to disappearing on mysterious "errands"; she speaks many languages -- not all of them human; and her bright blue hair actually grows out of her head that color. Who is she? That is the question that haunts her, and she's about to find out. When one of the strangers -- beautiful, haunted Akiva -- fixes his fire-colored eyes on her in an alley in Marrakesh, the result is blood and starlight, secrets unveiled, and a star-crossed love whose roots drink deep of a violent past. But will Karou live to regret learning the truth about herself?

"I'd glimpsed the human behind the monster. Now I couldn't go back." At a busy coffee shop near Houston, Mia meets tall, dark, hot Brandon Levine. Brandon's jade-colored eyes captivate her. His smile beguiles her. But what secrets is he hiding behind those eyes and dazzling smile? Soon she'll discover Brandon's insidious motives, and truths that will shock her. And

just wait till she meets his brother Tyler. BND: This isn't role-play. This is the real deal. In the New Republic, every woman must marry five men. It's the law. Welcome to the apocalypse. Nix never put his name in the marriage lottery for a reason. He doesn't need a woman. There aren't that many to go around anyway after a genetically engineered virus wiped out 90% of the female population. He has his job as head of the Security Squadron and it's all he need. He looks out for the township. He protects the few women there are left. But when his name is called to be one of the five husbands to the woman rescued from the badlands, he doesn't speak up to correct the error. Because Audrey's like no one he's ever met before. Fiesty. That's the name for her. Not like so many of the women they've brought back before. She's not broken. She might be just the woman to handle a rough, brutal man like him. Sharing her with four other men is a small price to pay. In fact, the closer they all grow, the more Nix realizes he might finally have again what he lost so long ago—a real family. But when outside forces threaten everything he holds dear, Nix will be forced to face his deepest, darkest fear. When Audrey's life is endangered, will he be able to save the woman he's just learned how to love? NOTE: This book contains some dark elements and covers sensitive topics. Celia Stone is just a human girl trying to escape the clutches of her psychotic ex-boyfriend. Running for her life, with no where to go, she soon finds that it doesn't matter anyway. Destiny has plans for her. Celia crashes, quite literally, into a small town just barely far enough to be considered escaping. She finds herself drawn to, not just one man, but four of the most gorgeous, god-worthy guys she has seen in her entire life. Terrified for her life and stuck in the self-destruct mode that her ex trained her to live so well, Celia doesn't believe herself good enough for one man. Let alone four. Added to that, there's more to her than meets the eye, as she soon discovers. Celia's terrified to find this truth amid the chaos of her life but she quickly learns that she doesn't have any choice. Not now that Destiny has stepped her meddling ass into the picture. But does she have the courage to truly let go of her fears and save herself?

Can she release her past and accept her true destiny with four fated mates? Or will she let her ex win and forfeit her life before it's truly begun? Trigger Warning: Book contains past abuse, violence, and nonconsensual as well as consensual sexual content. Must be 18+ to read. Travis Maddox, Eastern University's playboy, makes a bet with good girl Abby that if he loses, he will remain abstinent for a month, but if he wins, Abby must live in his apartment for the same amount of time.

Four tales of sexy young woman screaming in mingled pain and pleasure as they're roughly taken by insatiable, hugely hung monsters. Included in this bundle are: Unstoppable - Lacey is a Space Marine, trained to be tough, trained to fight. But all her training won't help her when she finds herself alone and on the run from a hulking, massively hung alien monster in a remote research base. Her laser rifle won't stop it. Grenades won't stop it. The base's titanium-reinforced doors won't stop it. Nothing will stop it until it gets what it wants—to roughly have its way with the sexy young soldier. Taken by the Ogres – Furious at being forced into an arranged marriage, Arabella Stroud runs away from home to teach her overbearing father a lesson. But she makes the mistake of cutting through Stonemouth Forest, where she learns a lesson of her own when she's captured by a trio of ogres, and the huge, well-hung brutes roughly have their way with her. Like an Animal – Dr. Celestia Devereux of W.E.I.R.D.'s Cryptozoology Division has seen her share of unusual monsters. But the group's latest acquisition is different: The incredibly well-endowed beast clearly lusts after Celestia. Though she knows she shouldn't, she can't help teasing the captive monster with some tantalizing peeps of the body it wants so badly. It's just a little good-natured fun...until the hulking creature bursts from its supposedly escape-proof cell and roughly takes the sexy scientist. Deflowered

Who do you trust when your world unravels and everything you believed is a lie? For the past fifteen years, The Office of Civilian Safety and Defense has guarded the public against the rampant threat of terrorism. Teenagers Tommy and Careen have never known life without the government-approved Civilian Restrictions. For them, there's no social media. No one is allowed to gather in public places or attend concerts or sporting events. Only a small, select group of adults have driving privileges. It's a small price to pay for safety. Now a new, more deadly, terrorist threat looms: airborne chemical weapons that can be activated without warning. The OCSD is ready with an antidote to counteract the effects of the toxins. Three drops a day is all it takes. It's a small price to pay for health. Tommy and Careen obediently take the antidote; neither considers stopping when strange things begin to happen. The day the disaster sirens signal the dreaded attack, Tommy shares his last dose with Careen, even though doing so might hasten his death. It's a small price to pay for a friend. Follow Tommy and Careen as they uncover a web of lies and deceit reaching to the highest levels of the United States government and join an underground resistance group that's determined to expose the truth.

A Bionic, a Mutant, and a Geek are forced by their Keepers to team up and prepare to take back the ruined world. Throughout their training, these teens are led to believe that not everything is as it seems.

In a world like ours, humans are born in pairs. When a newborn boy takes his first breath in the coastal town of Tularosa, the exact time is noted, recorded in the Registry, and later compared to the birth times of other newborns around the globe. There will be one identical match—his half. They will meet on their eighteenth birthday and they will spend their lives together. Except this time, there is no match.

Falsely convicted of a crime, I'm sentenced to life as a mail-order bride to an alien. I'm Starr Elizabeth Conner. Earth's government falsely convicted me of a crime, packed me on a ship with other female felons, and sent us to Dakon, a primitive, frozen wasteland of a planet. But I'm no barbarian's 'mail order bride,' even if he is super tall, muscular, and the chief of his tribe. He doesn't want a BBW blonde, either--it's written all over his chiseled face. He'll be truly angry if he ever learns what my 'crime' was. I am Torg. I have waited 34 rotations for a mate of my own. With this shipment, I was sure to get a fine, sturdy mate who'll bear me many daughters. Instead, I receive a small, curvy, pale-haired female who looks at me with anger and fear. It is only when we 'kiss' that I believe things may work out between us. But I'm hearing rumors that Starr and her shipmates are law-breakers. To survive, Dakonians must obey all laws ... or be exiled into the frozen wasteland. Just when I have found her, will I have to banish my mate?
