One man's "curiously thrilling joyride" of travelogue, history, and climatology, across a planet on the brink of cataclysmic transformation. As the planet warms, winter is shrinking. In the last fifty years, the Northern Hemisphere lost a million square miles of spring snowpack and in the US alone, snow cover has been reduced by 15-30%. On average, winter has shrunk by a month in most northern latitudes. In this deeply researched, beautifully written, and adventure-filled book, journalist Porter Fox travels along the edge of the Northern Hemisphere's snow line to track the scope of this drastic change, and how it will literally change everything—from rapid sea level rise, to fresh water scarcity for two billion people, to massive greenhouse gas emissions from thawing permafrost, and a half dozen climate tipping points that could very well spell the end of our world. This original research is animated by four harrowing and illuminating journeys—each grounded by interviews with idiosyncratic, charismatic experts in their respective fields and Fox's own narrative of growing up on a remote island in Northern Maine. Timely, atmospheric, and expertly investigated, *The Last Winter* will showcase a shocking and unexpected casualty of climate change—that may well set off its own unstoppable warming cycle.

The magic tree house carries Jack and Annie to New York City in 1938 on a mission to rescue a magical unicorn from New York City. They arrive during one of the darkest periods in the city's history--the Great Depression. Even worse, the city is in the grip of a terrible snowstorm. Where will Jack and Annie ever find a unicorn in the city? And who are the mysterious people following them? Includes instructions to make a snow globe.

Finalist for the Pulitzer Prize and the National Book Critics Circle Award *A New York Times Notable Book* *Winner of the Texas Book Award and the Oklahoma Book Award* This New York Times bestseller and stunning historical account of the forty-year battle between Comanche Indians and white settlers for control of the American West "is nothing short of a revelation...will leave dust and blood on your jeans" (The New York Times Book Review). *Empire of the Summer Moon* spans two astonishing stories. The first traces the rise and fall of the Comanches, the most powerful Indian tribe in American history. The second entails one of the most remarkable narratives ever to come out of the Old West: the epic saga of the pioneer woman Cynthia Ann Parker and her mixed-blood son Quanah, who became the last and greatest chief of the Comanches. Although readers may be more familiar with the tribal names Apache and Sioux, it was in fact the legendary fighting ability of the Comanches that determined when the American West opened up. Comanche boys became adept bareback riders by age six; full Comanche braves were considered the best horsemen who ever rode. They were so masterful at war and so skillful with their arrows and lances that they stopped the northern drive of colonial Spain from Mexico and halted the French expansion westward from Louisiana. White settlers arriving in Texas from the eastern United States were surprised to find the frontier being rolled backward by Comanches incensed by the invasion of their tribal lands. The war with the Comanches lasted four decades, in effect holding up the development of the new American nation. Gwynne's exhilarating account delivers a sweeping narrative that encompasses Spanish colonialism, the Civil War, the destruction of the buffalo herds, and the arrival of the railroads, and the amazing story of Cynthia Ann Parker and her son Quanah—a historical feast for anyone interested in how the United States came into being. Hailed by critics, S. C. Gwynne's account of these events is meticulously researched, intellectually provocative, and, above all, thrillingly told. *Empire of the Summer Moon* announces him as a major new writer of American history. Jack and Annie travel to a monastery in the Swiss Alps where, with the help of St. Bernard dogs and magic, they seek the second of four special objects necessary to break the spell on the wizard Merlin's beloved penguin, Penny.

"David Laskin deploys historical fact of the finest grain to tell the story of a monstrous blizzard that caught the settlers of the Great Plains utterly by surprise. . . . This is a book best read with a fire roaring in the hearth and a blanket and box of tissues near at hand." — Erik Larson, author of *The Devil in the White City* "Heartbreaking. . . . This account of the 1888 blizzard reads like a thriller." — Entertainment Weekly The gripping true story of an epic prairie snowstorm that killed hundreds of newly arrived settlers and cast a shadow on the promise of the American frontier. January 12, 1888, began as an unseasonably warm morning across Nebraska, the Dakotas, and Minnesota, the weather so mild that children walked to school without coats and gloves. But that afternoon, without warning, the atmosphere suddenly, violently changed. One moment the air was calm; the next the sky exploded in a raging chaos of horizontal snow and hurricane-force winds. Temperatures plunged as an unprecedented cold front ripped through the center of the continent. By the next morning, some five hundred people lay dead on the drifted prairie, many of them children who had perished on their way home from country schools. In a few terrifying hours, the hopes of the pioneers had been blasted by the bitter realities of their harsh environment. Recent immigrants from Germany, Norway, Denmark, and the Ukraine learned that their free homestead was not a paradise but a hard, unforgiving place governed by natural forces they neither understood nor controlled. With the storm as its dramatic, heartbreaking focal point, *The Children's Blizzard* captures this pivotal moment in American history by tracing the stories of five families who were forever changed that day. David Laskin has produced a masterful portrait of a tragic crucible in the settlement of the American heartland. The P.S. edition features an extra 16 pages of insights into the book, including author interviews, recommended reading, and more.

The #1 bestselling Magic Tree House series is ready to whisk you away through time with Jack and Annie--this time to the snowy mountains of Nepal! The magic tree house takes Jack and Annie to Nepal with a mission to find. . . a ghost! As frightening as that sounds, the mission is clear: find the ghost and save the world. But what does all this have to do with a mountain, an old man, and a snow leopard? The journey is dangerous and the path uncertain, but Jack and Annie can do this -- they're the only ones who can! New York Times Bestseller A New York Times Notable Book Named one of the Best Books of the Year by the Wall Street Journal, the Economist, Foreign Affairs, and Kirkus Reviews Finalist for the National Book Critics Circle Award (Nonfiction) Shortlisted for the Cundill Prize in Historical Literature Finalist for the Los Angeles Times Book Prize (History) A San Francisco Chronicle Holiday Gift Guide Selection A New York Times Book Review Editors' Choice Selection A sweeping, "magisterial" history of the Roman Empire from one of our foremost classicists shows why Rome remains "relevant to people many centuries later" (Atlantic). In SPQR, an instant classic, Mary Beard narrates the history of Rome "with passion and without technical jargon" and demonstrates how "a slightly shabby Iron Age village" rose to become the "undisputed hegemon of the Mediterranean" (Wall Street Journal). Hailed by critics as animating "the grand sweep and the intimate details that bring the distant past vividly to life" (Economist) in a way that makes "your hair stand on end" (Christian Science Monitor) and spanning nearly a thousand years of history, this "highly informative, highly readable" (Dallas Morning News) work examines not just how we think of ancient Rome but challenges the comfortable historical perspectives that have existed for centuries. With its nuanced attention to class, democratic struggles, and the lives of entire groups of people omitted from the historical narrative for centuries, SPQR will to shape our view of Roman history for decades to come.

A New York Times Bestseller "The Wild Truth is an important book on two fronts: It sets the record straight about a story that has touched thousands of readers, and it opens up a conversation about hideous domestic violence hidden behind a mask of prosperity and propriety."—NPR.org The spellbinding story of Chris McCandless, who gave away his savings, hitchhiked to Alaska, walked into the wilderness alone, and starved to death in 1992, fascinated not just New York Times bestselling author Jon Krakauer, but also the rest of the nation. Krakauer's book, Into the Wild, became an international bestseller, translated into thirty-one languages, and Sean Penn's inspirational film by the same name further skyrocketed Chris McCandless to global fame. But the real story of Chris's life and his journey has not yet been told - until now. The missing pieces are finally revealed in The Wild Truth, written by Carine McCandless, Chris's beloved and trusted sister. Featured in both the book and film, Carine has wrestled for more than twenty years with the legacy of her brother's journey to self-discovery, and now tells her own story while filling in the blanks of his. Carine was Chris's best friend, the person with whom he had the closest bond, and who witnessed firsthand the dysfunctional and violent family dynamic that made Chris willing to embrace the harsh wilderness of Alaska. Growing up in the same troubled household, Carine speaks candidly about the deeper reality of life in the McCandless family. In the many years since the tragedy of Chris's death, Carine has searched for some kind of redemption. In this touching and deeply personal memoir, she reveals how she has learned that real redemption can only come from speaking the truth.

When a fierce blizzard suddenly kicks up on a mild winter day, a young Nebraska girl must find the courage and strength to lead others to safety. It is 1888. Twelve-year-old Anna loves life on the Nebraska prairie where she lives with her parents and four-year-old brother in a simple sod house. She doesn't mind helping out with chores, especially when she is herding sheep with her beloved pony, Top Hat. On the open prairie, Anna feels at home. But at school she feels hopelessly out of place. Arithmetic is too hard, her penmanship is abysmal, and stuck-up Eloise Baxter always laughs at her mistakes. When an intense Nebraska blizzard traps Anna, her schoolmates, and young teacher in the one-room schoolhouse, Anna knows they must escape before it is too late. Does she have the courage and strength to lead her school through the whiteout to safety? Alison Hart offers young readers a dramatic story of rescue and survival featuring a plucky, determined protagonist. An author's note provides more information about prairie life in the late nineteenth century and about the great storm that hit Nebraska in 1888, now known as "The School Children's Blizzard."

Discusses the nature, causes, and dangers of blizzards, blizzards of the past, and ways to survive them.

The #1 bestselling chapter book series of all time celebrates 25 years with new covers and a new, easy-to-use numbering system! Jack and Annie are on a mission to save Merlin from his sorrows! Eight-year-old Jack and his little sister, Annie, are playing in the woods during their summer holiday, when they find a mysterious tree house full of books. But these are no ordinary books . . . And this is no ordinary tree house . . . Jack and Annie are whisked into the future - to an exciting outer-space hotel! But they've only got two hours before they run out of air . . . Will the mysterious moon man and his map help them get back safely?

In the 1840s, there was a real vounteer firefighter named Mose Humphreys whose bravery was reknown throughout New York City. Plays about him began being performed on Broadway in 1848 and over the years his strength and heroics took on larger-than-life proportions, much like those of Paul Bunyan. Mary Pope Osborne has honed down the legends about him to a brief, dramatic, sometimes comical, but ultimately moving text of picture book length. Steve Johnson and Lou Fancher's stunning paintings capture this 8-foot-tall superhero rushing into burning buildings, saving babies and bankers, and wolfing down the feasts bestowed upon him by the grateful citizens of old New York—until the one big hotel fire after which he was never seen again. The author has included a historical note about the origins of this tall tale, and the book is dedicated to the 343 New York City firefighters who gave their lives to save others on September 11, 2001. Mary Pope Osborne included a longer, different version of this legend in her distinguished collection American Tall Tales.

Merlin Mission Books 1-4 of the #1 New York Times bestselling Magic Tree House series! Beyond the realms of time and space are lands that exist only in myths and legends. This is where the magic tree house is taking Jack and Annie on the mission of a lifetime! They will visit Camelot, a haunted castle, an island lost in mist, and the Land-Behind-the-Clouds. It is one unforgettable adventure! Recently rebranded, the first 4 Magic Tree House Merlin Mission books are the perfect gift for fans of the Magic Tree House series. Parents, teachers, and librarians hail the chapter-book series as a tool to promote reading, as even the most reluctant readers want to know where the magic tree house will take the brother-and-sister team next. Magic Tree House Merlin Missions are more challenging adventures for the experienced Magic Tree House reader. Books in this Merlin Missions set include: Christmas in Camelot (#1), Haunted Castle on Hallows Eve (#2), Summer of the Sea Serpent (#3), Winter of the Ice Wizard (#4).

Just when Tyler thought his day couldn't get any worse, his speech team's bus gets stuck in the middle of the desert. After an embarrassing screw-up that caused the team to lose, all Tyler wants is get home.

But the wind is picking up and the dark, ominous clouds approaching look threatening. His teammates are starting to panic. If they aren't running away or getting hurt, they're bickering with one another. Can Tyler help his team keep it together as they figure out how to survive the incoming dust storm?

“Some said Mount Hope was founded on love, and some said it was founded on war. . . . The Keatings said Mount Hope was founded on fish, plain and simple.” So begins New York Times bestselling author Luanne Rice’s mesmerizing novel *Blue Moon*. For generations the Keating family has trawled the waters and served the catch at Lobsterville, the most popular waterfront restaurant in town. But now the forces of nature, human and otherwise, threaten to disrupt their lives—and the three Keating sisters are fighting to keep it together. Then the unthinkable happens—the tragedy dreaded by every fisherman and fisherman’s wife. And when it strikes, it threatens the entire Keating clan with a crisis that will test—and perhaps renew—their deepest passions and loyalties.

On January 12, 1888, a sudden blizzard barreled across Iowa, Minnesota, Nebraska, and the Dakota Territory. Blinding snow and howling wind took rural towns by surprise. Many children were stranded in one-room schoolhouses. Far from their homes on the Midwestern prairie, would the people caught in the storm survive? To understand the impact of a disaster, you must understand its causes. How did warm weather earlier in the day give people a false sense of safety? How did the lack of an accurate forecast contribute to the severity of the disaster? Investigate the disaster from a cause-and-effect perspective and find out!
