

Blood Bound Guidance For The Responsible Vampire

A plain-English guide to the human body and how it works Looking for a companion text for your anatomy and physiology class? Need a refresher for a course you took years ago? Or are you just interested in learning more about how the human body works? Professor Kevin Langford walks you through all the structures of the body, from cells to organs to systems and how they interact. This all-in-one guide covers all you need to know about anatomy and physiology, including: Scientific terminology for organs, systems, and functions The functions of each system in the body How systems are formed, from conception through adulthood Diseases and disorders that affect each system With simple explanations and dozens of illustrations, The Everything Guide to Anatomy and Physiology provides a detailed look into the wonders of the human body.

Justice has never known freedom. She woke up ten years ago, naked and alone with no memory of who or what she was. Since then, she's been a prisoner, compelled by powers she doesn't understand. She's roamed the country, doing whatever the fates demanded of her, good or bad. Completely alone. Until now. Ronan is starving to death. Like all the Sanguinar, his survival depends on finding the dwindling traces of blood left behind by an ancient, magical race. Weeks ago, Justice saved his life and since then, it's been her blood he craves, her face he dreams about. As evil closes in on all sides, threatening the only stronghold the Sentinels have to protect them, Ronan must find a way to gain Justice's trust and free her from the dark powers that control her. Because if he can't, the next person she is compelled to kill may be him.

By blood, by word, by magic... Most can't touch the power. But Liv Warren is special—a paranormal tracker who follows the scent of blood. Liv makes her own rules, and the most important one is trust no one. But when her friend's daughter goes missing, Liv has no choice but to find the girl. Thanks to a childhood oath, Liv can't rest until the child is home safe. But that means trusting Cam Caballero, the former lover forbidden to her. Bound by oath and lost in desire for a man she cannot have, Liv is racing to save the child from a dark criminal underworld where secrets, lies, trauma and danger lurk around every corner...every touch...every kiss. And more blood will be spilled before it's over...

A fatal hazing accident thirteen years ago comes back to haunt the families involved in this first full-length novel featuring fan favorite detective Joe Bashir. Sexy Pakistani-American Detective Joe Bashir is called to a crime scene in the wealthy foothills of California, where politically ambitious Bryce Engler's dinner party is ruined when a guest's body is found in a pool of blood. Two days later, Engler's beautiful wife Gail lies dead at the foot of a cliff on nearby Mount Diablo. When Joe turns to Gail's sister Marva for insight into the family history, he discovers that thirteen years earlier, Gail was responsible for the hazing death of a fellow co-ed. Her then-boyfriend engineered a cover-up that deflected blame onto another girl. As Joe searches out everyone who might still hold a murderous grudge, he realizes there was more to the Engler marriage than meets the eye....

Fascination with blood -- the hot magical fluid of life -- is as old as humankind. Yet in these days when blood can be as deadly as it is compelling, how can a vampire... well... be a vampire? Blood Bound: Guidance for the Responsible Vampire, by Deborah Addington and Vincent Dior, available this November from Greenery Press, offers the knowledge and insights of two experienced blood-lovers and vampires. It covers a wide variety of techniques for safely releasing blood from its human container with minimal risk of damage or disease transmission. Topics include temporary piercing, shallow cutting, blood drawing and more. Also included are Addington and Dior's intense, dark and lyrical ruminations on the meaning of vampirism and the role it has played in their lives, as well as contributions by other vampires nationwide. Blood Bound Guidance for the Responsible Vampire Greenery Press (CA)

After waking in a shallow grave and clawing her way to freedom, Penelope Francis hunts for the rogue who stole her life and transformed her into a vampire. Despite being corrupted into a feared preternatural, she clings to her humanity and refuses to prey on innocents, instead slaking her thirst on other miscreant vampires. In exchange for a chance at revenge, she joins forces with the charismatic master of the Lowrance brood, a choice that may spell the salvation—or destruction—of humanity as she knows it.

“Kick-ass were-coyote auto mechanic Mercedes Thompson” (Publishers Weekly) has leapt to the forefront of today's urban fantasy heroes, thanks to bestselling author Patricia Briggs. Now, Mercy finds herself in the middle of a bloodbath—with only one way out... Mercy has friends in low places—and in dark ones. And now she owes one of them a favor. Since she can shapeshift at will, she agrees to act as some extra muscle when her vampire friend Stefan goes to deliver a message to another of his kind. But this new vampire is hardly ordinary—and neither is the demon inside of him. When the undead and the werewolves sent to find him don't return, the local vampire queen turns to Mercy for help. A coyote is no match for a demon, but Mercy is determined to get her friends back—including the two werewolves circling around her heart.

Critical care medicine is one of the fastest-growing areas of practice, and Critical Care Study Guide, 1st ed., was the first reference to combine both concise text and reviews with questions. The second edition expands and improves coverage, including comprehensive studies in airway management, cardioversion and defibrillation, medical ethics, and the use of blood products. The unique combination of text with questions and answers makes this a crucial reference for all practitioners and residents who see patients in the Intensive Care Unit, and those planning to sit for medical boards.

Just as the vampire war escalates into a full-blown demon war, Zachary finds himself responsible for a beautiful necromancer who is connected to a dark moment in his past. He had watched her mother step across the thin line and straight into the arms of a demon. It was his job to make sure Tiara didn't choose the same lustful path... unless it was with him. Now, with the demons closing in, the last thing he expected was for Tiara to be kin to them. As tempers soar and secrets are kept, jealousy becomes a dangerous game. Someone should have warned her that when you play with fire you are bound to be burned. PUBLISHER: TEKTIME

Two friends—one white and one Cheyenne—must choose sides as frontier tensions built to the Battle of Little Bighorn in this historical Western.

Young Matt Bodine and Sam Two Wolves became blood brothers on the day the rancher's son saved the Native American boy's life. Beneath the Montana sky, Matt learned the ways of the Cheyenne from his friend. And as years passed, a legend grew of the Indian and the white man who rode together—and who could draw killing iron with the best of them . . . Now tensions are high in the territory thanks to Lone Dog and his renegades scalping settlers by the dozen. Meanwhile, greedy rancher Tom Thomas is recruiting an army of gunhawks to steal Indian land. And with General Custer and his men riding toward the Little Big Horn River, it seems Bodine and Two Wolves will have to choose sides. Because there will only be two kinds of folk in the battle that's brewing: the kind that kill and the kind that die.

Treating and Beating Heart Disease is an accurate, up-to-date guide to the cardiac medicines currently prescribed in the United States. This valuable manual provides answers to patient questions about their medication, presenting possible side effects of each medicine; and emphasizing the important role of doctor-patient communication in overall health. This comprehensive and concise manual elevates communication in healthcare by providing patients with the information they need to better understand medication Women's Heart Foundation (WHF) is a 501c3 charity and the only non-governmental organization that designs and implements demonstration projects for prevention of heart disease. Our mission is to improve survival and quality of life by institutionalizing women's heart care and wellness

As the enemy's true plans are revealed, Dante Gabriel finally finds his missing uncle under the most unexpected circumstances. Time is running out, however, and Dante must act quickly to free those imprisoned, especially when he learns what his captor has in mind for all of them. He and Erin Hamilton continue to find new secrets hiding in the Vampyre Texts, and with the help of an unlikely ally, they discover the devastation their sinister opponent has planned. Dante's new abilities keep those around him protected and the narcissistic so-called queen at bay until his nemesis plays her final card. Dante must face one last foe...and only one can emerge undefeated.

The gold standard for readers' advisory, this book represents an essential resource for LIS students and practicing librarians who want to better understand readers, reading interests, and fiction and nonfiction genres.

As a vampire, Anna Strong has an immortal life...but now she's running out of time. Anna's relationship with shape-shifter Daniel Frey has given her hope for a future with him and his son—especially when Frey proposes... But just when Anna starts to think her life couldn't be better, she must fly to France to be at the side of her dying mother. There she learns that not every vampire accepts her Chosen One status. And one such vamp is about to go rogue—by leading his followers in a fight to usurp humanity...

Beware the beast of teeth and stars. Everly's entire life is upside down. She's not even sure if she's human anymore, and no one seems to know what she is. Or whether it's good or evil. The only thing she's sure of is she has to save the man she loves. And to do so, she's going to have to face up to Darkfrey Estate, crazy cultists, and a creature that is deadlier the darker it gets. With the Howell team on her side, Everly uncovers dangerous secrets . . . ones that could break her apart. Literally. Return to the world of shadys, Shroudhaven, and soul magic, in Blood Bound, book two of the Beshadowed series by S.A. Fenech.

Now that Dante Gabriel recognizes the blood bond Erin Hamilton has formed with him, he has to convince her that she must complete the bond for both their sakes. Vampires are rapidly dying out, and humans have long considered them nothing more than a myth. How can he make her understand? Erin has fallen in love with Dante, but she's still confused and angered by his behavior. To keep her mind occupied, she immerses herself in a mystery that has evolved at work. Patients have been disappearing from the hospital, and Erin finds a clue regarding their blood.

Can the prey really catch the predator? Or will the predator devour the prey? When Maya, a dark sorceress, discovers an ancient scroll in her search for ultimate power, she decides to kidnap a Cardinal Alpha known for his ruthless and brutal ways. And she succeeds. Yet all her attempts to activate the dark ritual fail within the first few tries. Her test specimens fall unconscious with their mouths seared shut in a thick layer of black. And her time is starting to run out the longer she plays this game of cat and mouse with the Alpha. With no other choice, Maya decides to activate the ritual herself. But just when she's about to attain all his powers, she painstakingly decides to back out due to a sudden and terrifying realization: she is bound and chained to Xavier Thaeos. Can she walk away from an addiction that is far more lethal than any drug on earth? Can she fight him and the call of his blood? But, most importantly, will the cunning Alpha let her? ***This steamy romance novel contains detailed scenes of adult intimacy.***

Reviews What the readers are saying about this book: "The story line is truly captivating and absolutely thrilling. I love the fact that the main [character] is not some naive girl who knows nothing. She has character."—Zinhlenkomo70 "This story is soo good! I enjoy how Maya isn't the usual goody two shoes. She's cunning and she's not afraid to do everything to save her mother regardless of the repercussions...She's so badasssss and maaan, I just love it! It is easily one of the most original plots I have read so far."—Ayesa First "This book is just like quicksand. You come here, knowing nothing, and when you realize it's got a hold of you, it's too late, you're addicted, just like the rest of us... This book is so fabulous. Best book ever!"--Ogooney "This book is amazing ?"—Casper98 "I love the depth of the characters' personalities, it made them seem real, and I loved how we got to know them. I recommended this book to a group of 7 friends because I really do just love it and think they'd like it too."—Interstellar_1107 "It's a beautiful story. The amount of details just adds more life to it. I have read many other authors' books but this story and series has attracted me like none other. The amount of suspense, anticipation, love and hate just encourages me to read the story again and again. Every detail just increases a reader's love for the story..."—Tasfiaanjum "I really like the story, how the characters developed and how the story progressed. I have read her other books and I can say that she's a terrific author, and I can't wait for her future books."—Almazanprincessjuz "Fantastic story by a great author. Love reading her books and enjoy how she brings the characters to life."—Crystal "[I] absolutely love this book.?? I have read many werewolf books, but this book has a completely different take and it is written exceptionally well. I would recommend this book to anyone that enjoys a good read..."—Christine van der Bank "The

suspense is perfect. The chemistry between them is off the charts and they haven't even properly bonded yet. They both are driven, which makes dynamics of their soon to be relationship interesting. Who will bend and how will they make it work? So far this book has captured my imagination right from the first chapter. Great writing. Thank you. I have no doubt that with your writing talents you shall be an established author in no time."—Rose Heuer Wiggill "I can vividly picture the story in my mind. The author is truly talented at bringing the characters setting and scenes to life! I'm aroused and excited at every chapter, even in waiting!"—MizuAki_0011 "This story just began and I'm already craving it like a drug...I'm even writing a review, when it is something that I NEVER do! Before reading, you just need to know that it is dark, so if it is something you don't like, this story is not for you. But if you could care less, and you love romance, hot werewolf dominant men, and strong women, this story is just for you! The plot is marvelous and for those like me who read thousand of werewolf's stories, its originality is like fresh wind..."—Opale.G "This story is far from the cliché werewolf stories out there. I've only read the first few but it has me hooked! The writer is so descriptive that I can picture everything in my mind. This story is a must read for anyone who loves a little mystery with their romance."—Nikki Brown "Really, really, reeeeeally great story!! It's definitely a 10/10!!"—Kari

Throughout the history of mankind from primitive man to the present time, vitamin deficiencies have been a major cause of death and disease. Pellagra, scurvy and beri-beri have decimated armies, ships' crews and even nations (Figure 1). As late as 1925 the disease 'pernicious' anaemia caused by the absence of vitamin B12 within a person's body really lived up to its name. Although there were isolated instances of recognition of dietary deficiencies even a thousand years ago, the importance of dietary factors in the genesis of these diseases was more widely recognized from the eighteenth century onwards and it was not until this century that the chemical structure of these factors was determined and the substances themselves synthesized. As the science of biochemistry has developed it has been found that the clinical manifestations of vitamin deficiency follow derangement of multiple metabolic functions. The majority of the vitamins in fact form specific co-enzymes in various chemical processes but at least one is converted within the body into a hormone. The commercial extraction and synthesis of the vitamins, which began mainly in the 1930s and 1940s, produced adequate quantities for a relief of vitamin deficiency diseases. The use of vitamins then became fashionable and dramatic cures were claimed for an ever increasing number of diseases.

***Available on Google Play for a limited time! When Rylie Hart adopts her best friend's daughter, in the wake of the woman's untimely death, she goes from being an honorary aunt to a mother in the blink of an eye. Two years later, after kindergartner Mickey is diagnosed with leukemia, an anonymous donor is her only hope. Twelve months after retired Marine Raider and current Blackhawk Security CEO, Chase Dixon, found himself in a position to give a little girl the gift of life, he gets to meet her for the first time. Not only does she instantly steal his heart, but so does her mother. After Rylie receives legal documents contesting Mickey's adoption, she discovers the secret her friend took to the grave. Once again, she finds herself fighting for her daughter's life. Will Chase be able to come to their rescue one more time? Or will Rylie lose her little girl and the man she's falling in love with?

Larsa is a dhampir-half vampire, half human. In the gritty streets and haunted moors of gothic Ustalav, she's an agent for the royal spymaster, keeping peace between the capital's secret vampire population and its huddled human masses. Yet when a noblewoman's entire house is massacred by vampiric invaders, Larsa is drawn into a deadly game of cat-and-mouse that will reveal far more about her own heritage than she ever wanted to know. From Pathfinder co-creator and noted game designer F. Wesley Schneider comes *Bloodbound*, a dark fantasy adventure of murder, intrigue, and secrets best left buried, set in the award-winning world of the Pathfinder Role Playing Game. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Being a werewolf, Jade has always been under the impression that all Alpha males are nothing more than self-centered, murdering macho-bullies that use pack members as nothing more than stepping stones to become king of the hill. She should know. Her brother, her fiancé, and her kidnapper were all Alphas of the worst kind... much less fall for one. She struggles to keep that vow when she is rescued by a blond haired blue eyed Alpha with the body of a Greek God. No matter how hard she fights, Jade fears this is one Alpha that she will lose to. PUBLISHER: TEKTIME

This guide provides an easy-to-use desk reference for diagnostic information on commonly used hematology, clinical chemistry and urinalysis parameters. Additional reference materials are provided as an aid in evaluating clinical pathology data. For many toxicologists, the evaluation of hematology, clinical chemistry and urinalysis data can be the most challenging aspect of animal toxicity studies. In a typical toxicity study, dozens of parameters are measured several times over the course of the study. There may be hundreds of data points, each of which needs to be considered. A Toxicologist's Guide to Clinical Pathology in Animals will serve as an essential primer for toxicologists in training and in industry as well as for researchers and professionals in a veterinary practice or a laboratory.

A billionaire vampire. An ordinary girl. In *Blood Bond* (Cora's Choice Billionaire Vampire Series #5), The bite of a vampire saved Cora Shaw's life—but at the price of an eternal bond that gives him complete power over her mind and body. Dorian Thorne offers worldly riches, eternal youth, physical pleasure, and even a kind of happiness. But the vampire has already shown that he will change even Cora's innermost thoughts when it suits him, so Cora knows she has everything to lose. Cora discovers that the bond may not be eternal, and she finds herself facing a choice: to break the bond and resume her old life—or to keep it and choose Dorian at the risk of losing herself. The bond, once broken, can never be repaired, so Cora is playing for keeps with the most important decision of her life. But each choice comes with its own terrible price. *Blood Bond* (Cora's Choice Billionaire Vampire Series #5) is a new adult vampire paranormal romance / urban fantasy that features a billionaire alpha vampire hero, a college student heroine, a love triangle, and a dangerous bargain. Intended for a more mature audience than Stephenie Meyer's *Twilight* Saga, *Blood Bond* (Cora's Choice Billionaire Vampire Series #5) takes the "every girl" heroine in a direction more reminiscent of Anne Rice's *Vampire Chronicles* or Sherrilyn Kenyon's *Dark-Hunter* Series.

New York Times bestselling author Lynn Viehl continues her captivating *Lords of the Darkyn* saga, as a warrior of hidden legacy is finally allowed to enter the fray.... Beaumaris of York has many secrets. No human can know that he's an immortal Darkyn assigned to Knight's Realm, the Kyn stronghold disguised as a medieval theme park. And none of his brethren can discover that he's a half-breed, rescued from slavery as a child. Lately Beau has been yearning for action—and he's about to find it with his new mission. Brilliant archaeologist Dr. Alys Stuart is infamous for her extraordinary theories—especially those concerning the mysterious Knights Templar—and she is unaware that her research is funded by the Kyn coffers. When the Kyn sends a vexingly good-looking man to assist—and protect—her, she doesn't expect the surge of attraction she feels for him. When a powerful Templar artifact surfaces, Alys and Beau must trust each other enough to stop mankind's greed for immortality from sparking a war between mortals and Kyn that will destroy the world.

The Kingdom of Alden is under attack from neighboring Oridia and every citizen must rise to defend it, including Lady Alix Black. Although Alix's family is known for being bold, the noblewoman-turned-scout surprises everyone when she saves King Erik's life during a brutal battle. But as Erik fights to protect Alden, his brother plots to steal it, with the help of Alden's greatest enemy, the Priest. An Oridian lord and

powerful witch, the Priest keeps Oridia's soldiers equipped with bloodforged weapons, and is rumoured to command darker magicks besides. It is said the Oridian army never loses a battle when the Priest rides with them, and now he's been spied on the battlefield itself, just as Alix is thrust to the front lines. Newly promoted to Captain and personal bodyguard to the king, Alix finds herself dangerously unprepared for the task at hand. To make matters worse, she's been separated from her comrades, including Liam, her most trusted confidant – and maybe something more. Torn between her duty and her heart, Alix must rely on her instincts as she grapples with political intrigue, fierce battles, and unspeakable evil in order to protect her king and save her country. Praise for the Bloodbound series "Lindsey's mostly balanced mix of romance and heroic fantasy will [capture] readers' hearts." —Publishers Weekly "Contains all the best of romance, warfare, magic and political scheming; all glued together by a cast of warm and wonderful characters." —Tor.com "Lindsey's fabulous, descriptive storytelling, coupled with high-stakes conflict and distinctive characters, is guaranteed to draw readers in from the first page. ... A stellar fantasy!" —RT Book Reviews "Strong romantic elements and a dash of humor enliven Erin Lindsey's fantasy debut set in a kingdom besieged by dark forces and torn apart by betrayal." —Jacqueline Carey, New York Times bestselling author "Puts the hero back into heroic fantasy." —Tanya Huff, bestselling author

Librarians who work with readers will find this well-loved guide to be a treasure trove of information. With descriptive annotations of thousands of genre titles mapped by genre and subgenre, this is the readers' advisor's go-to reference. • Helps librarians answer the challenging question "What should I read next?" • Helps LIS students understand popular genres and better select books for which readers are looking • Serves as a starting point for library patrons looking for their next read

Once bonded, never broken. The words give Dante Gabriel hope...until he remembers where he first heard them. The information he needs is hidden in the ancient Vampyre Texts, but he encounters obstacle after obstacle while trying to decipher them, even when someone from his past returns to help. Though she tries, Erin Hamilton can't resist Dante. When he comes for her, she always submits willingly, despite her best intentions. She loves him but still can't bring herself to accept him as vampire...even as other vampires, lured by her arousing scent, begin to close in on her.

This text presents primary care information for the nurse-midwifery scope of practice, including management of primary care problems in essentially healthy women, and the management/coordination of primary care for pregnant women with significant, established medical conditions. The text covers prevention, including lifestyle changes and immunizations; screening; management of common health problems appropriate to nurse-midwifery practice; and the presentation and management of common health problems in pregnancy.

Unmatched Test Prep: A variety of self-assessment tools prepare students for the certification exam, including recommended resources, general study tips, multiple-choice coding questions, coding case studies for various health settings, mock examinations, and competency maps to help students target their efforts and self-assess progress. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Erin Lindsay's Bloodbound trilogy is now available in a single omnibus edition. "The trilogy is exciting from start to finish: it starts with a desperate charge into a battle and never loses its momentum. The story contains all the best of romance, warfare, magic and political scheming; all glued together by a cast of warm and wonderful characters." —tor.com Bloodbound The Kingdom of Alden is under attack from neighboring Oridia and every citizen must rise to defend it, including Lady Alix Black. The noblewoman-turned-scout surprises everyone when she saves King Erik's life during a brutal battle. But as Erik fights to protect Alden, his brother plots to steal it, with the help of Alden's greatest enemy, the Priest. An Oridian lord and powerful witch, the Priest keeps Oridia's soldiers equipped with bloodforged weapons, and is rumoured to command darker magicks besides. It is said the Oridian army never loses a battle when the Priest rides with them, and now he's been spied on the battlefield itself, just as Alix is thrust to the front lines. Newly promoted to Captain and personal bodyguard to the king, Alix finds herself dangerously unprepared for the task at hand. Bloodforged War offers little respite for the bold, and as King Erik's bodyguard, Captain Alix Black is no exception. Though recently married to Prince Liam White and finally reunited with her brother Alix's duty to Erik has never been so important... or so difficult. The Oridian Warlord amasses his forces for invasion. Without aid, the Kingdom of Alden will surely fall, but gaining new allies will mean risking the few Erik already has. Riggard and his men must hold the line at the border, while Liam is sent to Onnan City to secure their fleet of ships, leaving Alix and Erik to the most dangerous task of all: crossing the Broken Mountains to seek an alliance with the Kingdom of Harram, an aloof nation led by a famously prickly king. But even Alix may be no match for the insidious assault Erik's enemies are preparing to deploy... Bloodsworn Alix Black's legendary boldness has landed her in trouble before, but her recent actions are tantamount to treason. By secretly ordering the assassination of the enemy King, Alix inadvertently strengthened the Warlord, last and most ruthless of Oridia's Trions, giving him free reign to escalate his butchery and prolong the bloody war. Unbeknownst to his court, King Erik has been spellbound by the enemy. Alix hopes to protect her king without sacrificing his crown. But she'd better hurry: in a court crawling with spies, it won't be long before her treachery is discovered, and then Alix and everyone she loves will pay the ultimate price. To save the kingdom, Alix must first save her king. The repercussions of Alix's secret mission have already cost her dearly, and even if she succeeds, she stands to lose her family, her husband, her king...and her soul.

Breaking into a cemetery isn't anything Dante Gabriel ever thought he'd do, but he has no choice. He must recover his father's body so he can claim his estate. Help arrives from two unexpected sources, but their plan is interrupted. Erin Hamilton's best friend is a wolf shifter. The man she loves is a vampire. His father is a ghost. She can deal with all of that, but new worries have surfaced. The missing doctor has returned to the hospital, and his strange actions are disturbing...but not as disturbing as the odd dreams that begin to plague her. She finds comfort and love in Dante's arms, even as he slowly begins to change.

Dante Gabriel needs Erin Hamilton's blood. The hunger is all-consuming, but flashbacks of his time in captivity, as well as his quest for answers, leave him questioning everything. With the help of his cousin, his father's ghost, and a Shakespeare-quoting voodoo priestess, he's determined to decode the book his grandfather claims will lead him only to darkness. Erin loves Dante and has finally accepted him for what he is, but she feels like she's been transported into another world. Ghosts, werewolves, and vampires are all real? Even her best friend might not be what she seems. In addition, the mystery at the hospital deepens—a doctor is now missing—and Erin fears there may be a connection to Dante.

Having unseated Dungeons & Dragons, Pathfinder RPG is the world's bestselling tabletop roleplaying game—now available in a series of novels. Larsa is a dhampir-half vampire, half human. In the gritty streets and haunted moors of gothic Ustalav, she's an agent for the royal spymaster, keeping the peace between the capital city's secret vampire population and its huddled human masses. Yet when a noblewoman's entire house is massacred by vampiric invaders, Larsa is drawn into a deadly game of cat and mouse that will reveal far more about her own heritage than she ever wanted to know.

In this twisted dark cartel romance, revenge and hate collide with the past... Hunted by a dangerous enemy, Ada Pavalos is forced to place her faith—and her life—in the hands of the man who has been holding her captive in his own twisted bid for revenge. But the truce they've forged between them is fragile, impeded by Ada's struggle to trust where Domino's loyalties lie—because what if the deadliest threat isn't Jaguar after all? What if it's Domino who will destroy her in the end?

If you liked Percy Jackson, you'll love Kid Beowulf! Inspired by the epic poem "Beowulf," this fun new series follows the adventures of 12-year-

old twin brothers Beowulf and Grendel as they travel to distant lands and meet fellow epic heroes! In book one of the series by Alexis E. Fajardo, our heroes' destiny is tied to the past, when a prince named Hrothgar begins a quest for power—one that leads him to a fiery dragon, an enchanted sword, and an oath sworn in blood. But when Hrothgar breaks his oath he breaks his kingdom, and the only thing that will save it is a family he's forgotten and heroes not yet born...
