

## Blood Lust Erotic Vampire Tales

In this collection of erotic vampire tales from authors Northwestern and Northwestern at heart, the creatures range from classic to alien, from dom to sub, from blood-drinking to soul-sucking. In Jeff Mann's "Summer Solstice Sacrifice," a burly, kilted vampire faces losing a lover or turning him before it's too late. Colleen Anderson's "Hold Back the Night" explores how cultural norms divide two very different women in Mumbai--one of them undead. A male vampire watches his wife solve his murder in Joscelyne Gray's "The Longest Death of the Year." And Sara Dobie Bauer in "Forever Dead" brings us a muscular, vamp-hunting detective with an uncomfortable hankering for a blood-sucking guy. Whatever your sexual orientation, you'll find something here for you.

There's an allure to vampire tales that have seduced readers for generations. From Bram Stoker to Stephanie Meyer and beyond, vampire stories are here to stay. For those fresh-blooded fans of paranormal romance or for those whose hunt and hunger never dies, these stories have what readers want! This collection of original tales comes from some of the hottest, most popular, and best-selling YA writers, including: Holly Black (The Spiderwick Chronicles, Tithes), Libba Bray (A Great and Terrible Beauty), Melissa De La Cruz (Blue Blood), Cassandra Clare (City of Bones), Rachel Caine (Morganville Vampires), Nancy Holder and Debbie Viguie (Wicked), Cecil Castellucci (Boy Proof, Queen of Cool), Kelley Armstrong (Women of Otherworld), Maria V. Snyder, Sarah Rees Brennan, Lili St. Crow, Karen Mahoney and Dina James....They will make everyone a sucker for eternal kisses.

A collection of vampire stories by women includes elements of African folklore, Eastern European vampire traditions, and a humorous story about a Jewish vampire. In this dark and intriguing paranormal romance from New York Times bestselling author Larissa Ione, a forbidden romance turns deadly when a slayer is tasked with killing the demon who saved her life. In a place where ecstasy can cost you your life . . . She's a demon-slayer who hungers for sensual pleasure-but fears it will always be denied her. Until Tayla Mancuso lands in a hospital run by demons in disguise, and the head doctor, Eidolon, makes her body burn with unslakable desire. But to prove her ultimate loyalty to her peers, she must betray the surgeon who saved her life. Two lovers will dare to risk all. Eidolon cannot resist this fiery, dangerous woman who fills him with both rage and passion. Not only is she his avowed enemy, but she could very well be the hunter who has been preying upon his people. Torn between his need for the truth and his quest to find his perfect mate before a horrific transformation claims him forever, Eidolon will dare the unthinkable-and let Tayla possess him, body and soul... They walk in the darkness, seeking their prey, driven by needs and desires they cannot control. Their lust for human blood struggles with their desire for the body of a beautiful man—and if they are truly lucky, they can satisfy both lusts at the same time. In these tales of the gay vampire, some of today's top erotic writers explore the duality of blood lust coupled with passion and sensuality, and the need of the vampire to take blood and give erotic delight in return.

Dante Gabriel is starving. What he craves is red gold—human blood. After being held captive as a blood slave to a female vampire for years, he has finally escaped. Unchained at last, he follows his nose to the nearest blood bank to sate his hunger. ER nurse Erin Hamilton expects just another busy night shift...until she finds a gorgeous

stranger vandalizing the hospital blood bank. Though her logic tells her to turn him in, she's pulled by stronger and unfamiliar emotions to protect the man who seems oddly infatuated with her scent. Chemistry sizzles between them, but Dante, plagued by nightmares of his time in captivity, fears he won't be able to control himself...especially when he discovers a secret she doesn't even know she's hiding.

The blood is everything... **KEPT**: Cat shifter blood is sought after to enhance spells and potions, but due to a quirk of her birth, Greta's blood is potent enough to kill for. When she learns she'll be sacrificed, Greta is forced to ally herself with Dayne, the dangerous local sorcerer, and the only person strong enough to protect her. **CLAIMED**: Charlee wakes in a strange bed without any memory of who she is. All she knows is that the man who claims to be a doctor and is there to help her doesn't seem to want to let her go. And maybe this is just her imagination, but does he have fangs? **MATED**: Jane isn't a vampire, but their blood runs through her veins, making her a target for those who resent a human being "kindred". When she's given to the leader of the werewolf pack to satisfy a gambling debt, she discovers her blood has a far greater impact on her destiny than she ever could have imagined. **Note**: This title was originally published by Zoe Winters (who is the same person as Kitty Thomas), as Blood Lust, Preternaturals Book 1. All story content remains the same. This is the only title in the series which is 3 novellas, the other 5 books are novels. All titles are complete and will be released on a rapid-release schedule (a month or less between releases, likely 2 weeks between releases.)

Thirty-five uncanny and erotic tales of vampires written by supernatural fiction's greatest mistresses of the macabre. "Fashions change, and the urbane vampire created by Byron and cemented in place by Stoker has had to move on . . . Are you, like me, ready for the new dusk?" —Ingrid Pitt, from her Introduction Prepare to arm yourself with garlic, silver bullets, and a stake. Featuring the only vampire short story written by Anne Rice, the undisputed queen of vampire literature, and boasting an autobiographical introduction and original tale by Ingrid Pitt, the star of Hammer Films' *The Vampire Lovers* and *Countess Dracula*, this is one anthology that every vampire fan—vampiric feminist or not—will want to drink deep from. From the classic stories of Edith Wharton, Edith Nesbit, Mary E. Wilkins-Freeman, and Mary Elizabeth Braddon to modern incarnations by such acclaimed writers as Poppy Z. Brite, Nancy Kilpatrick, Tanith Lee, Caitlín R. Kiernan, and Angela Slatter, these blood-drinkers and soul-stealers range from the sexual to the sanguinary, from the tormented Good to the unspeakably Evil. Among those memorable Children of the Night you will encounter are Chelsea Quinn Yarbro's Byronic vampire Saint-Germain, Nancy A. Collins' undead heroine Sonja Blue, Tanya Huff's vampiric detective Vicki Nelson, and Freda Warrington's age-old lovers Karl and Charlotte. Nominated for the World Fantasy Award and the International Horror Guild Award, and now revised and updated, *The Mammoth Book of Vampire Stories by Women* fulfills the bloodlust of the somnambulist horror fan, delivering the ultimate bite.

*Bloodlust* is a very erotic, extremely intense love story with a difference. It is also a vampire story in the finest tradition of Anne Rice's sexy novels, but much more explicit and set in contemporary Australia. The central character of *Bloodlust* is a young woman called Carmilla, who is attractive, headstrong, curious, sexually aggressive and wildly independent. She is also a vampire. An invader of the normal, a loner, hungry for experience and dedicated to her search for meaning. And blood. She meets a young man, Jonathan, at a party, and they are instantly and fatally attracted to each other; they begin a wild sexual affair that will not satiate their desires, and gradually they begin to explore sexual bloodsports, eventually luring others to their house to feed their fetish and fantasy games. Or at least Jonathan thinks they are games - but even he becomes alarmed by the lengths to which Carmilla is prepared to go to satisfy her lusts...but by then his life is so entangled with hers he cannot break free from her spell... A dark, thrillingly erotic and chilling novel of sex and horror from a young writer of disturbing and powerful talents, *Bloodlust* is also a metaphor for the modern world. We live in an age of vampires - lusty, hungry, obsessed and isolated. Has the need for love gone underground? Do people disguise it, not admit they need it, seek it in other forms? Vampires embody society's social anxieties, particularly on the brink of a new millennium. They also at times fear life and long to die...*Bloodlust* explores the cruelty and primal lusts that lie just below humankind's surface respectability as well as hidden and forbidden power, life beyond the everyday, and the extraordinary within the

ordinary.

Blood lust and sexual desire; for vampires the two are inseparable. Prepare to devour 'Red Grow the Roses', an explicit vampire erotica novel with plenty of bite.

The sexy, vampire love-story that destroyed all the ancient myths. Modern science tells us that blood sugars are released, along with endorphins, on the climaxing of both males and females. Governments worldwide tell us that vampires do not really exist. The facts revealed in this book, told separately by Maria and by Jeffrey, tell us that sweet-blood lapping by vampires, after puncture, is tied into sex as much as canine tooth growth is tied into the climax. Nighttime walking and the fear of the dawn, garlic and crucifixes are discarded to the Hollywood film bin as you read and learn not to drink alcohol to excess on your

next foreign holiday. Maria, a small-island, seventeen-year-old virgin, dreams of a life on her neighbouring larger islands. Her move sees her willing to convert to being a vampire in her search for love from Jeffrey, and her female employers in this uplifting tale. The unknown government compiler that translated, from the Greek, Maria's papers, allowing this author to merge them, time-wise, into Jeffrey's English journal is to be commended as, without that work, Maria's story may never have been told. The true story of vampire life may never have been revealed. "Explicit and erotic but without the usual swear words, which made this an enlightening, uplift, holiday read." "My heart went out to Maria, wishing she'd make the right choices at every turn." "My thoughts leapt back to the early seventies, to my raucous, drunken behaviour on holiday with the girls, and how I could have easily become a victim."
