

Blood Red Sunset A Memoir Of The Chinese Cultural Revolution

The Gift of Disappointment is a roller coaster ride of tragedy, disappointment, victory, and spiritual growth everyone can relate to. When a young woman is diagnosed with a serious kidney disease out of nowhere while in college, she is faced with two options: fight or die. Follow Leilah on her journey to finding life's true purpose through the worst eight years of her life. While in the fire, like most, she didn't know God had something much greater ahead. Hindsight is 20/20. With open eyes, an open mind, and a pure heart; she reflects on how everything she went through was all a part of His perfect plan for her life.

The memoir of Shen, age 12 at the start of the Cultural Revolution in 1966, recounts being complicit in arduous Red Guard activities that directly or indirectly led to several gruesome deaths of political "enemies"--And later falling in love with and marrying the daughter of a man brutally tortured and killed by one of his fellow Red Guards.

When a young runaway is found dead one morning, a syringe hanging out of his arm, no one is terribly shocked. A known junkie, even local detective Rubens McCauley is quick to conclude that Dallas Boyd died of an accidental overdose. But anomalies in the boy's death—and the haunting memory of a childhood friend—continue to nag at McCauley. Unable to shake his unease, he soon digs deeper into the case and finds himself enmeshed in a secret network of pedophiles, child abusers, and underage prostitutes. Forced to look evil in the eye, McCauley must conquer his own demons as he battles to find justice for a young boy he never even met.

"Red Sorrow . . . reminds us that it is people who make history." —Atlanta Journal-Constitution At the outbreak of the Cultural Revolution, thirteen-year-old Nanchu watched as Red Guards burst into her home and arrested her parents, who were tortured and jailed. Made an outcast, left to care for herself and her younger brother, she witnessed her native Shanghai fall prey to Mao's "red cyclone." She was eventually sent to a military-labor camp on the Sino-Soviet Border, where one million of her generation were relocated, and there suffered privation, unspeakable hardship, and abuse by party officials. Not until schools reopened was Nanchu able to escape the camp for a university, but there she discovered that the revolution in the classroom had not ended. In this unforgettable memoir, Nanchu delivers a gut-wrenching portrayal not only of her own family's travails but of a society thrown into upheaval by the struggle for power at the highest levels of the state, scarring an entire generation. Red Sorrow is essential reading for anyone interested in China and the struggle for freedom and human dignity.

"Emotionally intense. With candor and humor, Cao reveals the reality of human pettiness and cruelty at a time of political repression and material scarcity."—Rey Chow, author of *Writing Diaspora* and *Primitive Passions: Visuality, Sexuality,*

Ethnography, and Contemporary Chinese Cinema "In this poignant and moving memoir, Guanlong Cao has captured the beauty and the cruelty, the mundane and the memorable, in prose that is deceptively sparse. With uncommon wit and an eye for the bizarre, he has created a haunting image of contemporary China."—Howard Goldblatt, editor of *Chairman Mao Would Not be Amused: Fiction from Today's China* and translator of *Blood Red Sunset* "Beneath Cao's descriptions of daily life lurks an intense, troubled humanism. It generates metaphor and imagination that, like good poetry, can make you look again at ordinary things and see them as if for the first time. Occasionally it reaches out, grabs you, and pulls you cringing through pages you will never forget."—Perry Link, author of *Evening Chats in Beijing* and editor of *Roses and Thorns*

Soon to be a major television event from Pascal Pictures, starring Tom Holland. Based on the true story of a forgotten hero, the USA Today and #1 Amazon Charts bestseller *Beneath a Scarlet Sky* is the triumphant, epic tale of one young man's incredible courage and resilience during one of history's darkest hours. Pino Lella wants nothing to do with the war or the Nazis. He's a normal Italian teenager--obsessed with music, food, and girls--but his days of innocence are numbered. When his family home in Milan is destroyed by Allied bombs, Pino joins an underground railroad helping Jews escape over the Alps, and falls for Anna, a beautiful widow six years his senior. In an attempt to protect him, Pino's parents force him to enlist as a German soldier--a move they think will keep him out of combat. But after Pino is injured, he is recruited at the tender age of eighteen to become the personal driver for Adolf Hitler's left hand in Italy, General Hans Leyers, one of the Third Reich's most mysterious and powerful commanders. Now, with the opportunity to spy for the Allies inside the German High Command, Pino endures the horrors of the war and the Nazi occupation by fighting in secret, his courage bolstered by his love for Anna and for the life he dreams they will one day share. Fans of *All the Light We Cannot See*, *The Nightingale*, and *Unbroken* will enjoy this riveting saga of history, suspense, and love.

Lord Branin of the dragshi, is more than just a man, but two beings—one a dragon, the other a human. The pair share one body in space in time and are able to change forms with the other at will. From the time Branin's twinned soul, Llewlyn, awoke, Branin knew the freedom of flight. However, being a shifter comes with a price. Branin and Llewlyn are the only two of their kind who have not found their intended mates, despite millennia of waiting... and searching. The red-haired firebrand, Broch of Ky'Port plans to fill that position in Branin's life—with or without his cooperation. For eons, he fears he would never find a woman with her own dragon soul partner—until one day another's mind touched his.

'Let's get one thing straight right up front: If you're going to call me a bitch, I'm going to take it as a compliment.' Christine Quinn, the breakout star of Netflix's hit *Selling Sunset*, shows women how to unapologetically own their power in

business and relationships to live the life they want. Part prescriptive how-to, part manifesto, part tell-all, Christine Quinn's *How to Be a Boss Bitch* candidly covers sex and money, fashion and fame, gossip and gratitude, confidence and consciousness. Quinn has been called everything from "the most-talked-about woman on TV" to "the villain 2020 needed," and she isn't shy about any of the qualities that got her the success she has today: tenacity, confidence, and fearlessness, all while dressed in full glam and designer. By sharing details of her journey from high school dropout to self made millionaire, reality TV star, and fashion and beauty entrepreneur, Quinn gives her readers the tools to define their own Boss Bitch style and manifest their own success - without being held back by society's terms. From branding yourself with a signature style that reflects your unique strengths, to using your opponent's poison as your power, to learning the basics of a successful negotiation, to getting fired - and being ecstatic about it, *How to Be a Boss Bitch* is a modern guide to living a bold, authentic life.

An insidious parasite is working its way through the suburbs of Washington, D.C. *NITS* follows the trail of a virulent outbreak of head lice as it wreaks havoc on the lives of a social climbing mother of a scholarship student, a buff young Latin teacher and a controlling do-gooder who is so consumed with exterminating the pest, people start calling her the "Lice Nazi." A social satire with bite, *NITS* explores the themes of class, ambition, and the unavoidable interconnectedness of modern life.

My purpose for writing this book is to leave a legacy of a man who was truly remarkable. My journal consists of the 30 odd years we spent together, all the adventures and travels.

"The fulfilled renown of *Moby-Dick* and of *As I Lay Dying* is augmented by *Blood Meridian*, since Cormac McCarthy is the worthy disciple both of Melville and Faulkner," writes esteemed literary scholar Harold Bloom in his Introduction to the Modern Library edition. "I venture that no other living American novelist, not even Pynchon, has given us a book as strong and memorable." Cormac McCarthy's masterwork, *Blood Meridian*, chronicles the brutal world of the Texas-Mexico borderlands in the mid-nineteenth century. Its wounded hero, the teenage Kid, must confront the extraordinary violence of the Glanton gang, a murderous cadre on an official mission to scalp Indians and sell those scalps. Loosely based on fact, the novel represents a genius vision of the historical West, one so fiercely realized that since its initial publication in 1985 the canon of American literature has welcomed *Blood Meridian* to its shelf. "A classic American novel of regeneration through violence," declares Michael Herr. "McCarthy can only be compared to our greatest writers."

Urban planning is as broad as the scope of urban government, which is closest to the people. It is an essential prerequisite to the successful performance of duties of urban government, because it does offer most logical approach to solving city's problems, arising from rapid urban growth and expansion, as well as from changing conditions affecting

inner city. This book is about establishing what has gone wrong with urban planning in Delhi, and of fixing flawed urban planning in operation. In this context, it is pertinent to have an understanding of the metropolis of Delhi, as much as the urban planning process. The book describes the metropolis through its morphology, its socioeconomic profile, the way rich and the poor live, its built environment, mode of travel, and the administrative aspects of urban planning. This book is not only for town planners but also for the citizens of Delhi, with the intention of making them more aware and enlightened about urban planning and urban governance. Urban planning is making decisions that profoundly affect the form and character of Delhi metropolis, in which its citizens live and the manner of their lives.

"With honesty, humor, and grace Heather Alaine spins her tale of dating in the modern age in *READY*. A memoir for any woman who has been on the roller coaster of *First Dates*, this is an immensely readable story of love, forgiveness, and redemption. And it's funny as hell. This is a book to turn to for a laugh and a cry as well as a reminder to be brave enough to try again." ~ Katherine Field Rothschild, Author of *Hope and Other Feathered Things*

Growing up in Pennsylvania, author Mike Carmichael could be found either at the library or "out tearing up a back road somewhere." That love of both books and cars is borne out in the pages of his debut book, *Past The Hood Ornament: "Life Through The Rearview Mirror."* In the tradition of story tellers like Jean Shephard, Carmichael's tales are fueled by small town life, enduring friendship, and a lifetime love of cars. Whether he's sharing the adventures of boyhood with his best friend Billy or musing on the trials and tribulations of adulthood, Carmichael's reminiscences are sure to warm the hearts of both car enthusiasts and readers of all ages who enjoy a nostalgic tale told well.

Part "Little House" and part "The Waltons," this funny and warm-hearted memoir of life on a small Missouri farm in the 1950s is told through the eyes of a young girl, the seventeenth of eighteen children, and her sisters, nicknamed Mush and Tom. These delightful stories, wonderfully illustrated with original artwork, recall a more innocent age and, ultimately,

eulogize an entire family. Over 150 photos and illustrations.

Fractured Rebellion is the first full-length account of the evolution of China's Red Guard Movement in Beijing, the nation's capital, from its beginnings in 1966 to its forcible suppression in 1968. Andrew Walder combines historical narrative with sociological analysis as he explores the radical student movement's crippling factionalism, devastating social impact, and ultimate failure.

A brief, but, elegant, & interesting story about a young woman, new African American flight attendant, entering the job as a scab breaker, during a strike. Hired on the spot, during an intensive interview and trained in Miami, Florida. She leaves a job from the steel industry wearing a hard hat, work uniform, and steel toed shoes, and takes on the elegance of wearing a flight attendant uniform, graceful cap, and high heel shoes. Flying across the country with a secret plan to make large amounts of money doing the wrong thing. But, somehow, her plan works. She begins a relationship with a secret service agent, he hires her, and keeps her out of trouble, and she becomes one of the largest drug/money carriers in the USA-legally. She has fun. But every plan has a beginning, a middle, and an end.

Recently widowed, Henry Wolff is an emotionally challenged father who is being sued by his daughter, Sharon, for financial control of the estate. He must prove that he fits in - not an easy thing to do when you aren't quite all there. Rumors run rampant around the town in attempts to explain away his odd behavior. But Henry does have a very special gift. In a town divided by the haves and have-nots, Henry alone can inspire and touch even the most jaded lost souls. With a family secret tucked tightly away, members of the Wolff family struggle to see eye to eye. Between an impending trial looming and drama ensuing in the town, will Henry be able to unite his own family as tragedy strikes them yet again?

Out of the Crucible offers an illuminating study of the novels and short stories relating to the lives of Chinese urban youth who were dispatched to rural areas to live the peasants' life during the second phase of the Cultural Revolution. This comprehensive achievement covers the works, authors, themes, characters, and plots of zhijing literary writing from the late nineteen-seventies to the late nineteen-nineties. The book demonstrates the historical, political, social and humanistic significance of the urban youths' rural experience.

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources

and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

An amazing life. As a New Yorker brought up in the world of Broadway theater, the author, Burt Boyar, became a child radio actor earning \$1000 a week in the late 1930's, early 40's, playing Archie on Archie Andrews, Billy Batson on Captain Marvel, Dexter Franklin on Corliss Archer, etc. etc. Then he became a caviar taster, a polo player, a widely syndicated Broadway columnist, close friend and biographer to Sammy Davis, Jr. with the worldwide Best Selling book, Yes I Can. Then, an intimate of the world's greatest tennis players, Rod Laver, Ken Rosewall, Lew Hoad, etc. which brought him and beloved wife, Jane, to Spain where they lived for 28 glorious years in a beach house in Marbella as close friends of Chief of State General Francisco Franco's family, among other European dazzlers, until Jane's untimely death brought their idyllic 44 year marriage to an end. Burt returned to the U.S., to Los Angeles, where he is living yet another extraordinary life.

Born Red is an artistically wrought personal account, written very much from inside the experience, of the years 1966-1969, when the author was a young teenager at middle school. It was in the middle schools that much of the fury of the Cultural Revolution and Red Guard movement was spent, and Gao was caught up in very dramatic events, which he recounts as he understood them at the time. Gao's father was a county political official who was in and out of trouble during those years, and the intense interplay between father and son and the differing perceptions and impact of the Cultural Revolution for the two generations provide both an unusual perspective and some extraordinary moving moments. He also makes deft use of traditional mythology and proverbial wisdom to link, sometimes ironically, past and present. Gao relates in vivid fashion how students-turned-Red Guards held mass rallies against 'capitalist roader' teachers and administrators, marching them through the streets to the accompaniment of chants and jeers and driving some of them to suicide. Eventually the students divided into two factions, and school and town became armed camps. Gao tells of the exhilaration that he and his comrades experienced at their initial victories, of their deepening disillusionment as they utter defeat as the tumultuous first phase of the Cultural Revolution came to a close. The portraits of the persons to whom Gao introduces us - classmates, teachers, family members - gain weight and density as the story unfolds, so that in the end we see how they all became victims of the dynamics of a mass movement out of control. In the seventies, a young woman flies to Paris expecting her academic dreams to be fulfilled, only to crash into reality. SOIT-so be it-is a poignant, humorous novel of survival, illusions and disappointments evolving into catharsis. Confronting stalkers, scams, noblesse oblige, kidnapping and human trafficking builds enough character to find her own

path. Most of us have something to hide. Finding secrets almost sets you free.

How would you handle losing the #1 person in your life? Ryan Krohn lived the perfect life as a college student without a care in his perfect world. But then that perfect world came to a screeching halt when his beloved mother, Patricia, was T-boned by a semi-truck. Shattered, the community grieving along with them, Ryan and his family spent an agonizing week at the hospital, making the toughest decision anyone should never have to make. In these pages, Ryan Krohn shares this painful journey and the invaluable advice his mother gave him as he struggled to find a true purpose in being the one left behind.

In a powerful memoir of the Chinese Cultural Revolution, a former member of the Red Guard tells of his betrayal and imprisonment, the survival of his humanity against all odds, and the inner workings of the Chinese psyche. 15,000 first printing.

I'm sixteen years old and I have written my autobiography. Why you might ask? Well, my life has been a mixed journey of dramatic ups and depressing downs. I have had a lot of people come and go in my life. A lot of hurt has been inflicted on me and I have reciprocated in kind, yet God has forgiven me and accepted me into His family. It's been another journey since, as I have had to navigate through Life, but this time with Jesus. Care to join me?

"The rulers' mistakes are paid for with the blood of the people. This is shown in history both recent and ancient, time and time again. It was no different of an Austrian mountain farmer's son who was thrown into the carnage of the Eastern Front. He was in the prime of his youth, and the German Reich was already close to losing the war. In ripe old age, he remembers those dark hours that have haunted him throughout his life. Manning his machine gun in merciless struggles with a superior enemy, or fighting for survival in brutal close combat, reduced to basest instincts. He also remembers the rock-solid comradeship with his mountain troop, the unexpected gestures of humanity, and an insane destructiveness at a time when the world was out of joint. This ruthless, honest, and touching real-life account of a simple frontline soldier serves as a reminder to stand up for peace at all times, and to despise war. Until the eyes shut..."--Amazon.com

When a ventilator prevented her from speaking during her final hours, Jennifer started writing. After her death, her husband turns to those pages to tell her story of courage and faith. James had just walked through the door after a day's work when Jennifer told him the news that changed everything: it was cancer. In the following two years they would lose their sense of normalcy and their dreams for the future. But along the way, they would gain something even greater than their loss. Told through the eyes of a grieving husband is this true story of a young woman's fight for her life. Jennifer's final words, penned by hand when a ventilator prevented her from speaking, provide a powerful backdrop to this journey of faith and hope. A memoir that also offers a practical pathway for those struggling with loss, *The Last Seven Pages* is a

testimony of a God who is present in our darkest moments, and who turned a devastating illness into a life-changing promise.

Eddie K. Wrights memoir detailing the controversial experience of being the young father of a son who would grow up to be the gayest man on the planet! His "NO SON OF MINE!!" street gangster mentality evolves during his difficult life journey coming to realize that his responsibility as a loving father didn't change just because his son is gay. The book is scheduled for publication on June 1, 2016. In his first memoir, Eddie shares his story of becoming a father at 18 years old who realized his son was showing 'stereotypical' signs of being gay while still in diapers. Spending most of his adult life engulfed in the street gangster/hip hop culture where this subject was not only hushed, but deeply frowned upon, he gives us the voice for what's been kept silent for far too long, confronting almost every aspect of this taboo topic. It took years for him to silently accept his son's homosexuality himself, regardless of all the signs. When his son was five years old, his favorite color was pink and there was nothing Dad could do about it. By the age of fourteen; he was an internet sensation, dancing on YouTube building his fan base to guarantee his success when performing as a drag queen a few years later. Eddie addresses the questions most are scared to ask; Was there anything I could do to stop my son's homosexuality? When did I know my son was gay? What made him that way? Parents will find comfort in reading that Eddie admits that his son's feminine behaviors embarrassed him and he seriously contemplated abandonment, a choice that too many fathers feel they have to choose.

A searing first hand account of China's Cultural Revolution that joins the ranks of great memoirs such as Life and Death in Shanghai, Wild Swans and A Chinese Odyssey First banned in its native land, this earthy, unflinching memoir has become one of the biggest bestsellers in the history of China. In 1968, a fervent young Red Guard joined the army of hotheaded adolescents who trekked to Inner Mongolia to spread the Cultural Revolution. After gaining a reputation as a brutal abuser of the local herd owners and nomads, Ma Bo casually criticized a Party Leader. Denounced as an "active counterrevolutionary" and betrayed by his friends, the idealistic youth was brutally beaten and imprisoned. Charged with passion, never doctrinaire, Blood Red Sunset is a startlingly vivid and personal narrative that opens a window on the psyche of totalitarian excess that no other work of history can provide. This is a tale of ideology and disillusionment, a powerful work of political and literary importance. "A deceptively straightforward story carried forward by deep currents of insight."—The Washington Post "A genuine, no-holds-barred, unadorned piece of writing...echoing the realities of contemporary China."—Liu Binyan, The New York Times Book Review
