(Keyboard Instruction). This one-of-a-kind book applies traditional technique exercises to specific jazz piano needs. Along with warm-ups, etudes isolate each technical problem within a jazz context. This allows for improvisation, directly addressing the needs of the jazz player. Practicing is not only pragmatic, it's fun! Topics include: scales (major, minor, chromatic, pentatonic, etc.), arpeggios (triads, seventh chords, upper structures), finger independence exercises (static position, held notes, Hanon exercises), parallel interval scales and exercises (thirds, fourths, tritones, fifths, sixths, octaves), and more! The CD includes 45 recorded examples. Enhanced by an audio CD of selected examples and pieces, a course in playing all major styles of piano covers a history of the instrument and offers progressive instruction in all areas of technique, including posture, fingering, pedalling, scales, and exercises.

(Musicians Institute Press). Now available with a play-along CD! From the Private Lessons series, this bestselling book is intended as a sequel to Hanon's *The Virtuoso Pianist*. It is perfect for the beginning to professional pianist, and can even benefit players of other genres, such as jazz or classical. Features 50 patterns in Latin, Cuban, Montuno, Salsa and Cha-Cha styles.

Authentic progressive exercises and etudes for the contemporary piano student. Explains the elements of Blues style.

(Evans Piano Education). Scales have long been considered an essential element of keyboard mastery. They provide piano students the technical skill needed to play the instrument and give practical instruction in the basics of music theory. Jazz Piano Scales and Exercises presents a novel and more interesting way to practice patterns and etudes while learning jazz. Following the notation and fingerings for scales major, harmonic minor, and melodic minor in each of the 12 keys, three jazz exercises are given. These serve to reinforce the patterns and fingers and to give the player a sense of the melodies, rhythms, and harmonies that are integral to jazz stylings.

(Willis). The Modern Course series provides a clear and complete foundation in the study of the piano that enables the student to think and feel musically. It may be preceded by the Teaching Little Fingers to Play series. Pianism and musicianship march on in this book and the student becomes increasingly familiar with works from the masters.
