

Board Resolution For Appointment Of Authorised Signatory

This publication presents a detailed overview of the current state of the public-private partnership (PPP) environment in the Philippines. In over three decades, the country developed a robust public-private partnership (PPP) enabling framework through the Build-Operate-Transfer Law of 2012 and the PPP Center. Among developing member countries of the Asian Development Bank, the Philippines has a relatively mature market that has witnessed 116 financially closed PPPs. Under the government's 2017-2022 Development Plan that has an infrastructure investment target of \$180 billion, PPPs are expected to play a pivotal role in financing national and subnational infrastructure investments. With a pipeline of 37 PPPs, the government is taking various steps to further improve the environment for PPPs.
