**Body Massage for the Beauty Therapist** Audrey Goldberg, Lucy McDonald, 2013-04-03 The beauty therapist, increasingly called upon to administer massage, will welcome this manual. Its modern and practical approach will appeal to all who wish to improve their standard of massage. The physical comfort and reassurance which massage can give, especially when coupled with exercises, make it more than a sensuous luxury: rather it is a positive factor in promoting bodily wellbeing. The clear and detailed explanations of massage techniques in 'Body Massage for the Beauty Therapist' are supplemented by many drawings and photographs, which also serve to clarify the structure of the human body and its functioning. The personality and qualities of the therapist are brought into perspective and helpful advice given on the organization of the salon.
