The theme of the story is that love has no laws and is blind and unpredictable. William Shakespeare wrote many great comedies and tragedies. This story, an entertaining fantasy, takes the reader through a romantic farce on a midsummer's eve, during a time of great rejoicing amongst the elves and fairies who live in the woods. Puck, Oberon, Theseus, Hermia, Demetrius, Helena, Bottom, and Lysander are just a few of the characters in this timeless, world-famous comedy.

Published in 1933 by Hogarth, Flush is an experiment in biography, using the medium of a pet dog, the eponymous character, to examine the imagined life of the poet Elizabeth Barrett Browning. While Woolf's approach is essentially fictional, she used existing correspondence between Browning and her husband, combined with poems about Flush the dog to create non-fictional threads. On these factual underpinnings, Woolf then layered themes that she wished to explore. Connections to A Room of One's Own come across in the way Woolf deals with Browning's life as a woman writer and intellectual, existing in a patriarchal city environment. In choosing such an approach, Woolf certainly betrays the autobiographical elements in the text, given her own status and also allows her to cover the pressures imposed by her private ailments.
