Book of Saints Gift Set Resurrection Press The Illustrated Rosary Page by Page and Bead by Bead Regina Press Malhame
NEW YORK TIMES BESTSELLER • In hardcover for the first time, this tenth-anniversary edition of the game-changing #1 New York Times bestseller features a new foreword and brand-new tools to make the work your own. For over a decade, Brené Brown has found a special place in our hearts as a gifted mapmaker and a fellow traveler. She is both a social scientist and a kitchen-table friend whom you can always count on to tell the truth, make you laugh, and, on occasion, cry with you. And what's now become a movement all started with *The Gifts of Imperfection*, which has sold more than two million copies in thirty-five different languages across the globe. What transforms this book from words on a page to effective daily practices are the ten guideposts to wholehearted living. The guideposts not only help us understand the practices that will allow us to change our lives and families, they also walk us through the unattainable and sabotaging expectations that get in the way. Brené writes, "This book is an invitation to join a wholehearted revolution. A small, quiet, grassroots movement that starts with each of us saying, 'My story matters because I matter.' Revolution might sound a little dramatic, but in this world, choosing authenticity and worthiness is an absolute act of resistance."

Winner of a 2016 Association of Catholic Publishers Excellence in Publishing Award: Inspirational Books (First Place). In this edgy, honest, and often audacious book of Catholic spirituality, blogger and popular podcaster Maria Morera Johnson explores the qualities of twenty-four holy women who lived lives of virtue in unexpected and often difficult circumstances. In *My Badass Book of Saints*, Johnson shares her experience as a first-generation Cuban-American, educator of at-risk college students, and caregiver for a husband with Lou Gehrig's disease. Through humorous, empowering, and touching portraits of twenty-four spiritual mentors who inspired her, Johnson shows how their bravery, integrity, selflessness, perseverance, and hope helped her and can help others have courage to reach for a closer connection to God. She presents remarkable holy women and saints--including the gun-toting Servant of God Sr. Blandina Segale who tried to turn the heart of Billy the Kid, and Nazi resister Irena Sendler who helped smuggle children out of the Warsaw Ghetto during World War II--in a way that brings their vivid personalities to life and helps readers live out the challenges of their lives with virtue and conviction. The book includes a group discussion guide.

An enthralling literary tour-de-force that pays tribute to Detroit's legendary neighborhood, a mecca for jazz, sports, and politics, *Black Bottom Saints* is a powerful blend of fact and imagination reminiscent of E.L. Doctorow's classic novel *Ragtime* and Marlon James' Man Booker Award-winning masterpiece, *A Brief History of Seven Killings*. From the Great Depression through the post-World War II years, Joseph "Ziggy" Johnson, has been the pulse of Detroit's famous Black Bottom. A celebrated gossip columnist for the city's African-American newspaper, the *Michigan Chronicle*, he is also the emcee of one of the hottest night clubs, where he's rubbed elbows with the legendary black artists of the era, including Ethel Waters, Billy Eckstein, and Count Basie. Ziggy is also the founder and dean of the Ziggy Johnson School of Theater. But now the doyen of Black Bottom is ready to hang up his many dapper hats. As he lays dying in the black-owned-and-operated Kirkwood Hospital, Ziggy reflects on his life, the community that was the center of his world, and the remarkable people who helped shape it. Inspired by the Catholic Saints Day Books, Ziggy curates his own list of Black Bottom's venerable "52 Saints." Among them are a vulnerable Dinah Washington, a defiant Joe Louis, and a raucous Bricktop. Randall balances the stories of these larger-than-life "Saints" with local heroes who became household names, enthralling men and women whose unstoppable ambition, love of style, and faith in community made this black Midwestern neighborhood the rival of New York City's Harlem. Accompanying these "tributes" are thoughtfully paired cocktails—special drinks that capture the essence of each of Ziggy's saints—libations as strong and satisfying as Alice Randall's wholly original view of a place and time unlike any other.

When Theseus, Prince of Athens, arrives to vanquish the beast, Ariadne sees in his green eyes not a threat but an escape. Defying the gods, betraying her family and country, and risking everything for love, Ariadne helps Theseus kill the Minotaur. But will Ariadne's decision ensure her happy ending? And what of Phaedra, the beloved younger sister she leaves behind? The legend of Saint Christopher, first written in the thirteenth century, tells the story of a strong man named Offero, who wants to find the greatest ruler in all the world and to serve him as his bearer. Offero's search is in vain until a mysterious child at a riverside asks Offero to carry him over the river. Only after Offero has carried the child over the river does he discover the child's true identity. Then Offero's name is changed to Christopher. / Author Margaret Hodges retells with power and simplicity this unforgettable tale of the man who became known as the patron saint of travelers. And illustrator Richard Jesse Watson has created hypnopompic paintings that dramatically capture Offero's journey and the brilliance of his discovery of the One he sought. / Based on old nursery rhymes, the poetic text by Newbery Honor winner Kathi Appelt and the beautiful light-filled paintings of Debra Reid Jenkins combine to make this gentle bedtime story a perfect illustration of God's abiding love.

Angels and saints. Catholics tend to think of them as different from the rest of us. They’re cast in plaster or simpering on a holy card, performing miracles with superhero strength, or playing a harp in highest heaven. Yet they are very near to us in every way. In this lively book, Scott Hahn dispels the false notions and urban legends people use to keep the saints at a safe distance. The truth is that Jesus Christ has united heaven and earth in a close communion. Drawing deeply

from Scripture, Dr. Hahn shows that the hosts of heaven surround the earthly Church as a "great cloud of witnesses." The martyrs cry out from heaven's altar begging for justice on the earth. The prayers of the saints and angels rise to God, in the Book of Revelation, like the sweet aroma of incense. Dr. Hahn tells the stories of several saints (and several angels too) in a way that's fresh and new. The saints are spiritual giants but with flesh-and-blood reality. They have strong, holy ambitions—and powerful temptations and opposition that must be overcome. Their stories are amazing and yet familiar enough to motivate us to live more beautiful lives. In this telling of their story, the saints are neither otherworldly nor this-worldly. They exemplify the integrated life that every Christian is called to live. Still, their lives are as different from one another as human lives can be. Dr. Hahn shows the heavenly Church in all its kaleidoscopic diversity—from Moses to Mary, Augustine to Therese, and the first century to the last century. Only saints will live in heaven. We need to be more like the saints if we want to live in heaven someday. Dr. Hahn shows us that our heavenly life can begin now. It must.

From William C. Morris Award Finalist S.K. Ali comes an unforgettable romance that is part *The Sun Is Also a Star* mixed with *Anna and the French Kiss*, following two Muslim teens who meet during a spring break trip. A marvel: something you find amazing. Even ordinary-amazing. Like potatoes—because they make French fries happen. Like the perfect fries Adam and his mom used to make together. An oddity: whatever gives you pause. Like the fact that there are hateful people in the world. Like Zayneb's teacher, who won't stop reminding the class how "bad" Muslims are. But Zayneb, the only Muslim in class, isn't bad. She's angry. When she gets suspended for confronting her teacher, and he begins investigating her activist friends, Zayneb heads to her aunt's house in Doha, Qatar, for an early start to spring break. Fueled by the guilt of getting her friends in trouble, she resolves to try out a newer, "nicer" version of herself in a place where no one knows her. Then her path crosses with Adam's. Since he got diagnosed with multiple sclerosis in November, Adam's stopped going to classes, intent, instead, on perfecting the making of things. Intent on keeping the memory of his mom alive for his little sister. Adam's also intent on keeping his diagnosis a secret from his grieving father. Alone, Adam and Zayneb are playing roles for others, keeping their real thoughts locked away in their journals. Until a marvel and an oddity occurs... Marvel: Adam and Zayneb meeting. Oddity: Adam and Zayneb meeting.

The lives of the Saints are one of the most powerful ways God draws people to himself, showing us the love and the joy we can find in him. But so often, these Saints seem distant—impossibly holy or dull or unlike us in race and age and state in life. In *Saints Around the World*, you'll meet over one-hundred Saints from more than sixty countries, including Saints with different disabilities, strengths, and struggles. The beautiful illustrations and captivating storytelling will introduce you and your children to new heavenly friends while also helping you fall more in love with Jesus. Each story in this book is

written not only to capture the imagination but also to speak about God's tremendous love and our call to be saints. There are stories in *Saints Around the World* for when you feel like life isn't fair, when people are being unkind to you, when you've made a terrible mistake, when you're struggling at school, when prayer is hard. And there are stories of shouting down Nazis, of fleeing a murderous villain, of making scientific discoveries, of smoking a cigar while enemy soldiers amputate your leg. There are scared Saints, brilliant Saints, weak Saints, adventurous Saints, abused Saints, overjoyed Saints, disabled Saints—and the point of every one of them is the love of God. Whether you're checking the map to find Saints who look like you or perusing the extensive indices to find Saints with your skills or struggles, you'll find countless stories in this book that remind you how very possible holiness is.

Lives of fifteen well-known Saints, illustrated in full, color.

Sixty-three Saints of the Western Church from the 1st to the 20th Century Saints are the men and women who best love Christ and His Church. They may be kings or queens, statesmen or soldiers, scholars, visionaries, workmen or beggars. They teach us the real meaning of human history, and they show us how to live in any walk of life or set of circumstances. Included in this anthology are famous saints Francis of Assisi, Dominic, Joan of Arc, Ignatius of Loyola, Teresa of Avila but also more obscure ones, such as Raymond Lull and Hugh of Lincoln. Many of these saints were martyrs, killed in periods of persecution. Others died trying to bring the knowledge of Christ to pagan tribes. Yet others built up the Church through their example and their teaching, but were never called upon to shed their blood.
