Seven Days Without You Anmol Rana, 2012-12

Those 7 Days Anmol Rana, 2019-11-07 Some friends are special, because their stories are special. Stories that are innocent, beautiful, colourful and different in their own way. This is one such story -- A story of two friends Vishwas and Shailja and their journey of seven days. The journey in which they were not together. Wreathed in smiles, with his bag of dreams, aspirations and youthful reveries, Vishwas, a typical middle class lad, a mealy-mouthed mummy-papa boy sets off on his dream journey from his small world in the tranquil foothills of the Himalayas. But soon the small town boy's dreams and fantasies are hijacked by the pace and character of the big city he lands in. The roller coaster called life derails from the path he chooses and goes amok refusing to stop, until he discovers a truth he hadn't imagined. This romantic comedy is a delight to read. ** Now a web series LOVE SLEEP REPEAT streaming on ZEE5 ** Starring - Anshuman Malhotra -- Raima Sen -- Priyal Gor -- Teena Singh -- Harshada Vijay Directed by - Abhishek Dogra.

Scientific Basis for Ayurvedic Therapies Lakshmi C. Mishra, 2003-09-29 Arguably the oldest form of health care, Ayurveda is often referred to as the Mother of All Healing. Although there has been considerable scientific research done in this area during the last 50 years, the results of that research have not been adequately disseminated. Meeting the need for an authoritative, evidence-based reference, *Scientific Basis for Ayurvedic Therapies* is the first book to analyze and synthesize current research supporting Ayurvedic medicine. This book reviews the latest scientific information, evaluates the research data, and presents it in an easy to use format. The editor has carefully selected topics based on the availability of scientific studies and the prevalence of a disease. With contributions from experts in their respective fields, topics include Ayurvedic disease management, panchkarma, Ayurvedic bhasmas, the current status of Ayurveda in India, clinical research design, and evaluation of typical clinical trials of certain diseases, to name just a few. While there are many books devoted to Ayurveda, very few have any in-depth basis in scientific studies. This book provides a critical evaluation of literature, clinical trials, and biochemical and pharmacological studies on major Ayurvedic therapies that demonstrates how they are supported by scientific data. Providing a natural bridge from Ayurveda to Western medicine, *Scientific Basis for Ayurvedic Therapies* facilitates the integration of these therapies by health care providers.

Societies, Social Inequalities and Marginalization Raghbir Chand, Etienne Nel, Stanko Pelc, 2017-04-04 This book provides an overview of marginality or marginalization, as a concept, characterizing a situation of impediments - social, political, economic, physical, and environmental - that impact the abilities of many people and societies to improve their human condition. It examines a wide range of examples and viewpoints of societies struggling with poverty, social inequality and marginalization. Though the book will be especially interesting for those looking for insights into the situation and position of ethnic groups living in harsh mountainous conditions in the Himalayan region, examples from other parts of the world such as Kyrgyzstan, Israel, Switzerland and Finland provide an opportunity for comparison of marginality and marginalization from around the world. Also addressed are issues such as livelihood, outmigration and environmental threats, taking into account the conditions, scale and perspective of observation. Throughout the text, particular attention is given to the context and concept of 'marginalization', which sadly remains a persistent reality of human life. It is in this context that this book seeks to advance our global understanding of what marginalization is, how it is manifested and what causes it, while also proposing remedial strategies.

Sahaja Yoga Shri Mataji Nirmala Devi,2018-04-15 Shri Mataji writes that “India is a very ancient country and it has been blessed by many seers and saints who wrote treatises about reality and guidelines on how to achieve it.” This is just such a book. This book is both an introduction to Sahaja Yoga, describing the nature of the subtle reality within each of us, and a step-by-step handbook on how to be a good Sahaja Yogi, the nature of Sahaj culture, how to be a leader and how to raise children. “The knowledge of Sahaja Yoga cannot be described in a few sentences or one small book, but one should understand that all this great work of creation and evolution is done by some great subtle organization, which is in the great divine form.”

Chasing a Mirage Tarek Fatah,2008-05-09 In *Chasing a Mirage*, Tarek Fatah Writes: Islamists argue that the period following the passing away of Muhammad was Islam's golden era and that we Muslims need to re-create that caliphate to emulate that political system in today's world. I wish to demonstrate that when Muslims buried the Prophet, they also buried with him many of the universal values of Islam that he had preached. The history of Islam can be described essentially as the history of an unending power struggle, where men have killed each other to claim the mantle of Muhammad. This strife is a painful story that started within hours of the Prophet closing his eyes forever, and needs to be told. I firmly believe the message of the Quran is strong enough to withstand the facts of history. It is my conviction that Muslims are mature and secure in their identities to face the truth. This is that story. Advance Praise for *Chasing a Mirage* Tarek Fatah has written a provocative and challenging book which is a must read for anyone who cares about these issues. —Janice Gross Stein *Chasing a Mirage* is an extremely valuable contributing to the fight by progressive Muslims against Islamist fascism. This book should be required reading for the Left in the West who have mistakenly started believing that Islamists represent some sort of anti-imperialism. —Farooq Tariq Fatah argues passionately for universalism instead of exclusivism, integration instead of ghettoism, and makes a powerful appeal for the silent majority of Muslims to speak out before it is too late. This work of courage and daring needs to be read widely. — Pervez Hoodbhoy This fascinating work by brave and brilliant tarek Fatah is simultaneously thought-provoking, instructive and enlightening for laymen and scholars, Muslims and non-Muslim...an

invaluable and rare addition to the corpus of Islamic literature in the post-9/11 world, a bold step towards Islamic Reformation and Enlightenment. —Taj Hashmi Tarek Fatah's is a voice that needs to be heard.
