Evelyn Del Rey is Daniela's best friend. They do everything together and even live in twin apartments across the street from each other: Daniela with her mami and hamster, and Evelyn with her mami, papi, and cat. But not after today—not after Evelyn moves away. Until then, the girls play amid the moving boxes until it's time to say goodbye, making promises to keep in touch, because they know that their friendship will always be special. **Twelve Hours' Sleep by Twelve Weeks Old** Suzy Giordano,Lisa Abidin,2006-01-19 There is no bigger issue for healthy infants than sleeping through the night. In this simple, straightforward book, Suzy Giordano presents her amazingly effective "Limited-Crying Solution" that will get any baby to sleep for twelve hours at night—and three hours in the day—by the age of twelve weeks old. Giordano is the mother of five children and one of the most sought-after baby sleep specialists in the country. The Washington Post calls her a baby sleep guru and an underground legend in the Washington area for her ability to teach newborns how to achieve that parenting nirvana: sleeping through the night. Her sleep plan has been tested with singletons, twins, triplets, babies with special needs, and colicky babies—and it has never failed. Whether you are pregnant, first-time parents, or parents who seek a different path with your second or third child, anyone can benefit from the Baby Coach's popular system of regular feeding times, twelve hours of sleep at night and three hours of sleep during the day, and the peace of mind that comes with taking the parent and child out of a sleep- deprived world.

Orphan Island Laurel Snyder, 2017-05-30 A National Book Award Longlist title! A wondrous book, wise and wild and deeply true. —Kelly Barnhill, Newbery Medal-winning author of *The Girl Who Drank the Moon* This is one of those books that haunts you long after you read it. Thought-provoking and magical. —Rick Riordan, author of the *Percy Jackson* series In the tradition of modern-day classics like Sara Pennypacker's *Pax* and Lois Lowry's *The Giver* comes a deep, compelling, heartbreaking, and completely one-of-a-kind novel about nine children who live on a mysterious island. On the island, everything is perfect. The sun rises in a sky filled with dancing shapes; the wind, water, and trees shelter and protect those who live there; when the nine children go to sleep in their cabins, it is with full stomachs and joy in their hearts. And only one thing ever changes: on that day, each year, when a boat appears from the mist upon the ocean carrying one young child to join them—and taking the eldest one away, never to be seen again. Today's Changing is no different. The boat arrives, taking away Jinny's best friend, Deen, replacing him with a new little girl named Ess, and leaving Jinny as the new Elder. Jinny knows her responsibility now—to teach Ess everything she needs to know about the island, to keep things as they've always been. But will she be ready for the inevitable day when the boat will come back—and take her away forever from the only home she's known? A unique and compelling story about nine children who live with no adults on a mysterious island. Anyone who has ever been scared of leaving their family will love this book (from the *Brightly.com* review, which named *Orphan Island* a best book of 2017).

**The Wild Robot** Peter Brown, 2020-04-07 Roz the robot discovers that she is alone on a remote, wild island with no memory of where she is from or why she is there, and her only hope of survival is to try to learn about her new environment from the island's hostile inhabitants.
