

## Boomer A Steele Riders Mc Book 1

It's my first day as the new reporter covering New Zealand's famous rugby team. I'm an American who knows nothing about rugby, but after taking one step into the locker room after the game, I'm a huge fan. These massive tough men are true alphas. And there's one who stands taller than the rest. Akea Saluni. The Samoan god. Covered in tribal tattoos, this chiseled man has muscles for days. He puts the moan in Samoan. He makes the Rock look like a pebble. He brings me to my knees. And once this possessive man lays his dark eyes on me, that's exactly where I'm going to stay... Oh yes!!! We're headed to NZ for a Samoan rugby player who is looking to score with his one and only! Over-The-Top. Insta-love. And of course a sugary sweet HEA guaranteed! You know how OTT does it. Grab this book and let Akea bring you to your knees...

RECOMMENDED FOR READERS 18 AND OLDER DUE TO STRONG LANGUAGE, SEXUAL SITUATIONS, AND VIOLENCE. This is Book 1 of 3 in the Nine Minutes Trilogy. On May 15, 1975, fifteen-year-old Ginny Lemon is abducted from a convenience store in Fort Lauderdale by a member of one of the most notorious and brutal motorcycle gangs in South Florida. From that moment on, her life is forever changed. She gets a new name, a new identity and a new life in the midst of the gang's base on the edge of the Florida Everglades—a frightening, rough and violent world much like the swamps themselves, where everyone has an alias and loyalty is tantamount to survival. And at the center of it all is the gang's leader, Grizz: massive, ruggedly handsome, terrifying and somehow, when it comes to Ginny, tender. She becomes his obsession and the one true love of his life. So begins a tale of emotional obsession and manipulation, of a young woman ripped from everything she knows and forced to lean on the one person who provides attention, affection and care: her captor. Precocious and intelligent, but still very much a teenager, Ginny struggles to adapt to her existence, initially fighting and then coming to terms with her captivity. Will she be rescued? Will she escape? Will she get out alive—or get out at all? Part psychological thriller, part coming-of-age novel, filled with mystery, romance and unexpected turns, *Nine Minutes* takes readers into the world of one motorcycle gang and inside the heart of a young girl, whose abduction brought about its fall. "I'd die for you..." As the "Princess" of the Steele Riders, Morgan Steele is untouchable. A mere tattoo artist isn't worthy of her, but Mick's going to do whatever he can to win her love. Morgan wants her man and is going to do whatever she can to get Ewan "Mick" McMann to claim her body and soul. With the glitz of the Las Vegas lights and men fighting for dominance, Mick can't hold back any longer. They believe the only thing standing in their way is the President of the Riders, but life has a way of shredding happiness. When a part of Morgan's recent past comes to collect on unfinished business... Mick gets to prove his actions speak louder than words.

Sarah and Michael meet for the first time at her aunt's party and the tension

could be cut with a knife. The attraction is high between them; however there are obstacles in their way. Michael was born on the streets of Sicily and grew to make something of himself. Until Sarah Owen entered his life he thought he was doomed to sparse bed partners and no true happiness. Now he wants it all, the house, the career and most importantly the family, and Sarah the key to making it happen.

After years of cowboying, Charles A. Siringo had settled down to store-keeping in Caldwell, Kansas, when a blind phrenologist, traveling through, took the measure of his "mule head" and told him that he was "cut out" for detective work.

Thereupon, Siringo joined the Pinkerton National Detective Agency in 1886. A Cowboy Detective chronicles his twenty-two years as an undercover operative in wilder parts of the West, where he rode with the lawless, using more stratagems and guises than Sherlock Holmes to bring them to justice and escaping violent death more often than Dick Tracy. He survived the labor riots at Coeur d'Alene, Idaho, in 1892 (his testimony helped convict eighteen union leaders), hounded moonshiners in the Appalachians, and chased Butch Cassidy's Wild Bunch. Once described as "a small wiry man, cold and steady as a rock" and "born without fear," Charlie Siringo became a favorite of high-ups in the Pinkerton organization. Nevertheless, the Pinkertons, ever sensitive to criticism, went to court to block publication of Siringo's book. Frank Morn, in his introduction to this Bison Books edition, discusses the changes that resulted from two years of litigation. Finally published in 1912 without Pinkerton in the title or the text, A Cowboy Detective has Siringo working for the "Dickensen Detective Agency" and meeting up with the likes of "Tim Corn," whom every western buff will recognize. The deeper truth of Siringo's book remains. As J. Frank Dobie wrote, "His cowboys and gunmen were not of Hollywood and folklore. He was an honest reporter.

Introduction to Sociology 2e adheres to the scope and sequence of a typical, one-semester introductory sociology course. It offers comprehensive coverage of core concepts, foundational scholars, and emerging theories, which are supported by a wealth of engaging learning materials. The textbook presents detailed section reviews with rich questions, discussions that help students apply their knowledge, and features that draw learners into the discipline in meaningful ways. The second edition retains the book's conceptual organization, aligning to most courses, and has been significantly updated to reflect the latest research and provide examples most relevant to today's students. In order to help instructors transition to the revised version, the 2e changes are described within the preface. The images in this textbook are grayscale. Authors include: Heather Griffiths, Nathan Keirns, Eric Strayer, Susan Cody-Rydzewski, Gail Scaramuzzo, Tommy Sadler, Sally Vyain, Jeff Bry, Faye Jones

Raised for her father in a motorcycle gang, Arianne always was dreaming with a normal life but when she escapes her father's domineering grasp, she finds herself at the mercy of the alpha leader of the notorious Sinner's Tribe. Jagger

Knight is a really strong man, but Arianne can't ignore their tempestuous attraction.

One moment, one ordinary day changed my life and led me to my forever. Three guys tried to kidnap me. One man saved me. I was beyond scared. Being blind, I was already terrified of my every move, the unknown frightening. His name is Torch. Once he decided I was his, he didn't let me go. Torch became everything to me: my protector, my safe haven, my husband, lover, and most of all, the father to my babies. He made me see that I didn't have to be afraid of my every step, because he would always be there to catch me before I fell. Torch is the Vice President of the Devils Souls MC. The men are violent and scary, but I learned to trust them, because above everything else, their women are protected. They became my family. My only family. This is a standalone, with a HEA.

Sun Ra, Brian Eno, Lee Perry, Kate Bush, Kraftwerk, Aphex Twin, Ryuichi Sakamoto and Brian Wilson are interviewed in this extraordinary work of sonic history. It travels from the rainforests of Amazonas to virtual Las Vegas; from David Lynch's dream house high in the Hollywood Hills to the megalopolis of Tokyo. Ocean of Sound begins in 1889 at the Paris exposition when Debussy first heard Javanese music performed. An ethereal culture developed in response to the intangibility of 20th century communications. Author of Rap Attack 3 and Exotica, David Toop has in Ocean of Sound written an exhilarating, path-breaking account of ambient sound.

Fascinated. One look and I'd known at that moment that she'd be my wife. Nothing and no one will keep my queen from me, even if I have to wait years to finally claim her. There are no words to express what I'm willing to do to protect our future together. Aria Grasso is mine. An arranged marriage. I had no idea that I'd be forced to marry a man I didn't know. I should push him away, but the moment Domani Bianchi and I speak for the first time, I'm confident that it's a lost cause. Domani has decided I'm his, and my body agrees. Not everyone agrees with our upcoming wedding. However, Domani will have his way. I will be his.

The Captive Series The three original stories of insta-love with captor and captive. One captor found his captive tied up, one snatched her from her family, and the other carried her out of her bed: Luciano's Willing Captive is a dark tale of sex, romance, violence and abuse. This is a HEA story, but with a gritty center that's gut wrenching. Luciano Rossi is the head of his outfit. Amber McLaren is a fresh faced high school graduate. Luciano wants to possess her forever but others plot to separate them. Will they be able to be one or will the horrible events to come take away their forever? The Russian's Captive leaves our hero claiming the spoils of war. He believes the sister/daughter of his enemies belongs to him. Nothing will stop him from making her his own. Nikolai Rykov spent a year in America under the alias Vladimir Zarachenko; where he headed his criminal organization. Then he was betrayed and sent to prison in Russia. After the charges were dropped, he was out for revenge. All evidence pointed to the one family, he actually aided. They were in his debt, and this is how they repaid him. He would get his revenge one way or another, and the young beautiful daughter Bianca was looking like their only bargaining chip. Nikolai is rough, unapologetic and instantly in love with the enemy's own. Bianca had a secret crush. She kept her feelings about him to herself. That is, until she'd been caught by her mother. Forcing her to move on, her mother accidentally pushes her and her family into the arms of trouble. What happens when her crush becomes her captor?

Sergei's Stubborn Captive finds our hero frustrated with a woman who was so stubborn, she didn't know how to quit. She had to learn, though. Claudio Santini had been wreaking havoc on all those who crossed his path. When he disappeared no one asked questions. That was until a rookie detective named Lana Grey waltzed into town looking into his whereabouts. Starting

with his rivals, the Rossi and Rykov Families, she was certain they had something to do with his absence. Her superiors forced her to back off, but she only changed her tactics. Lana went after Nikolai Rykov's right hand man, Sergei Antonov. Sergei was immediately intrigued by the beautiful pain in the ass. The biggest issue he had with Miss Grey was her persistence in the search for Santini. After one too many encounters with the nosy woman, he took matters into his own hands. She became Sergei's stubborn captive. Bonus stories: Love, sex and absolute devotion. All three heroes are captivated with their brides, even when the bloom should have left the rose. Years and kids do nothing to diminish their captivation.

**NO CHOICE:** Natalie Cromwell is an unassuming, and intelligent beauty and soon-to-be college grad. Cameron James is a hot, hardworking, and wealthy businessman. Their lives crossed paths purely by chance. Visiting his sister in school, Cam sees Nat and instantly realizes that she's the one. Natalie on the other hand is very interested, but skeptical. Time and distance tear apart their relationship, just as she believed it would, but she didn't realize that Cam wouldn't give up. **NO WAY OUT:** Simon James doesn't get serious with women because work takes priority, but what happens when a bubbly blonde bounces into his life? He must have her and no amount of running away is going to stop him from claiming what's his. Emmy Watts had no intention of falling in love with a stranger at first sight, but that's the best thing about love. It strikes us unexpectedly. She falls head over heels for him, but when she sees how different their backgrounds are she feels unworthy of him and his lifestyle. Like a thief in the night she sneaks away, but will that stop Simon? No because for her there's no way out. **NO MORE WAITING:** Tim Russell had no idea what his life would have in store when he agreed to pick up his boss's little sister, but the instant the photo hit his phone he quickly learned. Vanessa James didn't want to go home for the holidays, but she missed her family. When her brother tells her that he can't get her at the airport, but he's sending his head of security she didn't really care. That's until...Cam sends a picture of the man who's going to pick her up. He's a beast of a man. Tim's tall and built like a wall. Losing her mind and body on the plane, Vanessa realizes she's crushing hard on the giant man in the photo. Sparks fly immediately, but issues arise in the form of time, distance, and an older brother. Follow Vanessa and Tim's journey to love and happily ever after.

"This book presents case studies, literature reviews, ethnographies, and frameworks supporting the emerging technologies of RFID implants while also highlighting the current and predicted social implications of human-centric technologies"--Provided by publisher.

A sudden snowstorm strands Rosamund Hunter and Justin Halliday, Earl of Wetherby, at a hunting lodge in the country. Despite their initial embarrassment over the fact that they are strangers, they soon relax and enjoy a magical three days of friendship, fun, and passion. They part reluctantly, expecting never to meet again. She is on her way, after a year of mourning for her late husband, to rejoin her family for the celebration of the long-awaited betrothal of her niece. He is on his way to honor a match arranged long ago by his mother and Rosamund's and recently made more formal when he made a definite offer to her brother and guardian. By the time Rosamund and Justin realize that they are bound for the same place, it is too late for him to withdraw honorably from his betrothal and far too late for either of them to avoid heartache.

Brantley "Lucifer" Black Since I was fourteen years old I've been this town's worst nightmare, becoming a ward of the state alongside my brother, my partner in crime, and VP. I've done many horrible things in my life. You see, I'm the President of the Alpha Demons MC. When I was younger, I was burned by the women in my life including my mother. So, I vowed never to give my heart to anyone else. Now, most people run from me when I come walking down the street. The only ones that truly know me are the brothers in my club. Can one chance encounter change my life? Will I take a gamble with the heart most claim I don't even have and open up again? Or, will I lose everything before it has a chance to begin? Preslee Collins I'm

down on my luck other than meeting two amazing men in a short period of time. I have a boss that is disgusting and run into some issues with him. When I think things are going to continue on a path leading nowhere, I find a sign that may just save me. Can I take a chance on love in an unconventional manner? Is someone out to get me and ruin my happiness, and if so, will my savior's turn out to be spawned from hell itself? Xavier "Duke" Cassle As Vice President of the Alpha Demons MC, my job is to stand by my brother's side and support my best friend. The two of us are all we've ever had since we were teens. We may not always see eye to eye, but we have one another's back no matter what. Will one person come between my best friend and brother? Can we overcome every obstacle put in our way and find the happiness in life that's always eluded us?

The Time in Between, the third and final book in the Magdalene series, will be out on August 29, 2017. More details on this book coming soon!

Sometimes a mother does know best. Simon "Wrench" West has been hounded by his matchmaking mother for the past eight months to meet the woman she knows is perfect for him. In those eight months, he's never encountered the woman and starting to think his mom has lost her mind until a broken down car finds his mystery girl on the back of his bike. Head back to Steeleville for this quick Insta-love Romance.

A Dark Reverse Harem Romance from USA Today Bestselling Authors Zoe Blake & Alta Hensley This is no fairytale... They've been sent to break me. Not one, but seven. They plan to steal my beauty, my innocence. Seven Hunters to track me down and claim me as theirs. I try to run, but it is hopeless. They have caught me. I am their prey, their prize, to do with as they please. But I will capture something far more precious... the Huntsmen's hearts. Warning: In our Fairytales, there is danger in the shadows, the beasts bite and no Heroine is truly safe. If dark tales of danger, forced attraction and multiple partners offend you then please do not purchase.

For bar owner, Brogan MacFarlane, hard work and nightly beach runs help drown the war memories he would rather forget. But there was one thing in town that provided a distraction... the pretty cop with the haunted eyes. Ginny Spencer carried her own battle scars deep inside and kept people at arm's length. If only the surly bartender with the Irish blue eyes did not make her long for more. When a peeping tom in town escalate to assault, Ginny is determined to find the culprit, but it opens wounds she'd rather forget. Brogan, seeing her pain, steps in and allows her to soothe his nightmares as well. When two scarred souls come together, their love gives them the peace they've been seeking. Baytown Boys... Military duty called them away to war zones, but after tours overseas, the group of friends found their way back home as men, seeking the peaceful little seaside town. Now, the band of brothers, together once more, work to provide a place for less fortunate veterans to call home.

Harris Newmark (1834-1916), son of a modest Prussian Jewish merchant, sailed to America in 1853 to join his older brother in Los Angeles. He made a fortune in real estate, the wholesale grocery business, and hides and wools, becoming a leader in the local Jewish community and the city at large. Sixty years in Southern California (1916) begins with his description of Los Angeles as he found it; judges and lawyers, merchants and shops, churches and other landmarks. In the chapters that follow, Newmark organizes his materials chronologically and outlines his various mercantile partnerships and traces changing patterns of social life in Los Angeles, political factions, railroad construction in southern California, crime and vigilantism, the Chinese Massacre of 1871, and real estate speculations. In a more personal vein, he chronicles Jewish family life and philanthropy.

Sneak into my Christmas office party my friend said... It won't be a big deal she said... Well, now I have her hot CEO Trevor Benotti staring me down like Santa staring at a plate of cookies. It all started when I spotted him at the bar. I knew immediately that he was the true alpha male in the room. Power and authority flowed off him in waves and he had so much confidence, you'd

swear he owned the entire world. I didn't think I could ever be with a man like him. A big curvy girl like me would need a Christmas miracle for that to happen. Well, luckily there's always a little magic in the air at Christmas time. Because when Mr. Benotti sees me, all my dreams come true. I'm all he wants for Christmas. Looks like I'm going to have a very Merry Christmas... Enjoy my first Christmas romance book! And Happy Holidays!

From New York Times & USA Today Bestseller, Vi Keeland, comes a steamy new romance novel. The rules: No dating. No sex outside of the game. No disclosing the terms of the contract. Rules were made to be broken, right? Eight weeks ago I signed a contract. One that seemed like a good idea at the time. A handsome bachelor, luxury accommodations, and a chance to win a prize my family desperately needed. There were some rules though. Lots of them actually. Follow the script, no dating, sex, or disclosing the terms of the deal. After my self-imposed moratorium on men the last year, it wouldn't be hard to live up to my end of the bargain...so I thought. Until I realized the deal I'd made was with the devil...and I was in love with his dirty-talking brother. Author's note – Throb is a full-length standalone novel. Due to strong language and sexual content, this book is not intended for readers under the age of 18. Excerpt from History of the 113th Field Artillery, 30th Division It has not been easy to write up to this regiment of ours. The Historian knows that he has not done it justice and no one knows better than he how far short he has fallen in the effort to do it justice. There has been no effort to write a solemn, ponderous chronological history modeled after the text-book variety of history. The reader will find the book written, rather, in newspaper style, or in something approaching that. In telling the story the Historian has adhered strictly to the cardinal rules of the newspaper game and has sought to exaggerate nothing, to write nothing in malice, and to be fair to everybody. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. Effective risk communication is essential to the well-being of any organization and those people who depend on it. Ineffective communication can cost lives, money and reputations. Communicating Risks and Benefits: An Evidence-Based User's Guide provides the scientific foundations for effective communications. The book authoritatively summarizes the relevant research, draws out its implications for communication design, and provides practical ways to evaluate and improve communications for any decision involving risks and benefits. Topics include the communication of quantitative information and warnings, the roles of emotion and the news media, the effects of age and literacy, and tests of how well communications meet the organization's goals. The guide will help users in any organization, with any budget, to make the science of their communications as sound as the science that they are communicating.

Are you ready to head to New Orleans? Fall in love with the sexy series readers call "deliciously addictive" and "binge-worthy" from New York Times, Wall Street Journal, and USA Today bestselling author Meghan March. I've always known she was too good for me, but that never stopped me from wanting her. And then I finally had her for one night. A night I don't remember. I figured I'd blown my shot. But now she's walked back into my life, and this time, I have the upper hand. I want my second chance. Will she be able to see the man beneath this ink? Beneath This Ink is the second book in the Beneath series, but each of these hot contemporary romances can be enjoyed as a stand alone. Then again, why would you want to miss out on all the alpha heroes and the women who bring them to their knees? After all,

there's something for everyone in New Orleans... The entire Beneath series is now live and each book in the Beneath series can be read as a standalone. Max McCain was content in his life. He had wealth, success and enough women to meet his needs. His eyesight was the only thing he thought he needed fixed. Suffering from a head injury in college that had damaged his vision, he became stunted-emotionally. That was until his poor eyesight leads him to the woman he needs more than anything else. He meets Alexandria Davis solely by accident when he crashes his car into hers. Alexandria Davis is a brilliant young lady fresh out of college. Coming from a middle class family, she understood the value of hard work, so she set out to do just that, until a handsome stranger bumps her on the expressway and wants to give her any and everything.

As the President of the Steele Riders Motorcycle Club, Garrett "Boomer" Steele is used to people following his command. No questions asked. As a former military man, he is dedicated, focused, and disciplined. Then in walks a fiery little beauty and all that goes out the window. He will do all he can to keep her as his. Even go to war to protect everything that belongs to him. Crystal Miller's just being the friend that Morgan needs when she runs into a bare-chested Boomer. He's cocky, loving, and bossy as hell. Even though she's one tough woman, she loves the way he needs to shield her from danger. And there's plenty of it. When trouble comes calling, can they stand together and survive, or will a big secret tear them apart?

Bound by responsibility and loyalty, small-town girl, Ardy Larkin is trapped. Then a deal gone wrong turns her into the property of the dark and dangerous president of the Dueling Devils, M.C. Demon. To pay off her father's debt, she'll do whatever he requires of her. In need of someone to watch his children while he's away, the innocent girl was a solution to all Demon's problems, until he caught a case of feelings. When a dangerous situation forces his feeling to the forefront, thrusting him into hell fire. She doesn't belong in his world. How can he keep her? How can he let her go?

BoomerA Steele Riders MC NovelCreatespace Independent Publishing Platform

Hailed by national leaders as politically diverse as former Vice President Al Gore and former House Speaker Newt Gingrich, *Generations* has been heralded by reviewers as a brilliant, if somewhat unsettling, reassessment of where America is heading. William Strauss and Neil Howe posit the history of America as a succession of generational biographies, beginning in 1584 and encompassing every-one through the children of today. Their bold theory is that each generation belongs to one of four types, and that these types repeat sequentially in a fixed pattern. The vision of *Generations* allows us to plot a recurring cycle in American history -- a cycle of spiritual awakenings and secular crises -- from the founding colonists through the present day and well into this millenium. *Generations* is at once a refreshing historical narrative and a thrilling intuitive leap that reorders not only our history books but also our expectations for the twenty-first century.

Henry Knox has hurt the one person that meant something to him, the only person he has loved. He became involved with drugs, alcohol and the wild life. But what he really wants is real love and the high that comes along with it.

She was running from her past. He was unsure of his future. Richer than sin, Sean Cavanaugh had it all, and yet, he chased the dream of being a homicide detective like his father had been. When merit and effort failed, he decided to change his path. He had one last day on the job...

Macy Garcia lived in a trailer park with dreams of getting out. All her life she's wanted a bit of security and peace-doing everything she can to find it-until a little bit of speeding gets her into a world of trouble. Like many high-speed chases, this one ended with a crash. Their worlds collide and it's an explosion neither was prepared for. Could Macy get away or would Sean catch her? Would she even want to run? Would he let her try? This novel filled with romance, passion, and danger. FOR MATURE AUDIENCES ONLY

Anthony "Blade" Santini wants a slice of Jules Walker the second he sees the beauty at Penny's Bakery. Still, with the world of trouble following the Steele Riders, he knows it's not safe for her. As much as he'd love to be selfish and seal her fate as his, he refuses to put her in danger. What if pushing her away brings danger directly to her door? Will their relationship survive the hazardous situation they find themselves in, or will it crumble under the weight of their choices?

There are many rules a priest can't break. A priest cannot marry. A priest cannot abandon his flock. A priest cannot forsake his God. I've always been good at following rules. Until she came. Then I learned new rules. My name is Tyler Anselm Bell. I'm twenty-nine years old. Six months ago, I broke my vow of celibacy on the altar of my own church, and God help me, I would do it again. I am a priest and this is my confession.

Josiah Turner had just become the Alpha in his pack when his father decided to step down. Things would be incredible for the young Alpha if he could only find his mate. With the thousands of people who pass through White Wolf Ridge's resort town, Turner thought he would have met her sooner rather than later, but there's no such luck. It takes a conflict with another pack for him to finally find the one. Will it work? Can she submit to him and become his mate?

WARNING: THIS BOOK IS CONTAINS: INSTA-LOVE\*\*\*\*DRAMA

FILLED\*\*\*\*SMUTTY SMUTTINESS --Natalie Cromwell is an unassuming, intelligent beauty and soon-to-be college grad. --Cameron James is a hot, hardworking, and wealthy businessman. Their lives crossed paths purely by chance. Visiting his sister in school, Cam sees Nat and instantly realizes that she's the one. Natalie on the other hand is very interested, but skeptical. Time and distance tear apart their relationship, just as she believed it would, but she didn't realize that Cam wouldn't give up. Excerpt: "It still galled me that she was with someone else. I wondered if they'd been together before the party and were just coming out again as a couple. Either way, it really didn't matter--she was mine. Nobody was going to take her from me. Tonight, she'd have the ring to prove it. I'd just picked it up that afternoon of the accident. It was a four-carat solitaire diamond with a platinum band. When you looked at the ring, it looked like a normal huge rock, but it was the inscription that mattered: No choice, you're

stuck with me."

As a part of the Steele Riders, Dr. Joseph "Doc" Simmons knows that things aren't easy for those in power. Being one of the most successful motorcycle clubs in the region, there's always someone eager to dethrone, butcher, and bury them. One of those very attempts on their existence led Sophia into Doc's arms. Sophia's swept in and out of his life, and while young, he can't deny the way she made him feel. From the second he meets her, he can't stop himself from wanting the fabled happily ever after. Unfortunately, life just doesn't work like that and trouble comes beating on their door, forcing Doc to push her away. Can love last when the timing is all wrong? Can they survive the danger constantly lurking around the corner? Can he keep her safe? The Riders aren't above taking out threats, and that's what the Doc will do to claim the woman he loves. This is the fourth book in the series.
