NEW YORK TIMES BESTSELLER! In this warm and moving anthology, a group of bestselling authors and writers pay tribute to legendary, larger-than-life New York Times bestselling author Dorothea Benton Frank and her literary legacy. Inspired by the title Dorothea Benton Frank planned for her next book—Reunion Beach—these close friends and colleagues channeled their creativity, admiration, and grief into stories and poems that celebrate this remarkable woman and her abiding love for the Lowcountry of her native South Carolina—a land of beauty, history, charm, and Gullah magic she so brilliantly brought to life in her acclaimed novels. From Elin Hilderbrand, #1 New York Times bestselling author, a sequel to Summer of '69. From Adriana Trigiani, New York Times bestselling author, comes a heartwarming, humorous interview from the hereafter with Pat Conroy and Dorothea Benton Frank, two beloved icons of Southern literature. From Patti Callahan, bestselling author of Becoming Mrs. Lewis and Surviving Savannah, comes The Bridemaids, a story about a trip to the South Carolina beach. From Mary Alice Monroe, New York Times bestselling author, Mother and Child Reunion, a heartwarming story set under the warm South Carolina sun. Reunion Beach also features letters, short stories, poems, and essays from: Mary Norris, New York Times bestselling author and staff writer for The New Yorker Cassandra King Conroy, bestselling and award-winning author of Tell Me A Story Nathalie Dupree, James Beard Award-winning cookbook author Marjory Wentworth, former Poet Laureate of South Carolina Gervais Hagerty, author of In Polite Company Jacqueline Bouvier Lee, Peter Frank, Victoria Peluso, and William Frank Infused with Dorothea Benton Frank's remarkable spirit, Reunion Beach is a literary homage and beautiful keepsake that keeps this dearly missed writer's flame burning bright.

Christmas can be murder... After a busy year fighting crime, DCI Ryan and his team of murder detectives are enjoying a festive season of goodwill, mulled wine and, in the case of DS Phillips, a stottie cake or two--that is, until a freak snowstorm forces their car off the main road and into the remote heart of Northumberland. Their Christmas spirit is soon tested when they're forced to find shelter inside England's most haunted castle, where they're the uninvited guests at a 'Candlelit Ghost Hunt'. It's all fun and games--until one of the guests is murdered. It seems no mortal hand could have committed the crime, so Ryan and Co. must face the spectres living inside the castle walls to uncover the grisly truth, before another ghost joins their number... Murder and mystery are peppered with romance and humour in this fast-paced crime whodunnit set amidst the spectacular Northumbrian landscape. "LJ Ross keeps company with the best mystery writers" - The Times "A literary phenomenon" - Evening Chronicle John Alvin's movie poster art is among the most iconic of the last 40 years, from Disney films such as Beauty and the Beast, Mulan and Pinocchio, to Empire of the Sun, Gremlins, Blazing Saddles, Predator, and the Star Wars 30th anniversary posters. This book not only collects some of Alvin's finest work, but also includes previously unseen comprehensives and in progress sketches. With the text including commentary from Alvin's widow, this is a unique insight into the work of one of the 20th century's great artist/illustrators.

In a futuristic military adventure a recruit goes through the roughest boot camp in the universe and into battle with the Terran Mobile Infantry in what historians would come

to call the First Interstellar War

Discusses diseases and ailments that have been connected to sex throughout history, and the reactions to them that have been shaped by religion or morality.

Explains how Roland got on the bus with Mordecai, Lilith, and Brick. It also looks at the soldiers of Crimson Lance and what made him leave their ranks and search for the Vault.

After a long and eventful winter, DCI Ryan and his team are looking forward to the joys of spring. But, when one of their colleagues is shot dead on her own doorstep and the brass think it's an inside job, Ryan finds himself drafted in to investigate. He's barely scratched the surface when reports flood in of a terror explosion at Durham Cathedral. Chaos descends on the sleepy, historic city and, when the smoke clears, they find a priceless artefact that once belonged to Saint Cuthbert is missing. With tensions running at an all-time high, and unable to trust the local police, can Ryan and his team bring a killer to justice...and restore Cuthbert's cross to its natural resting place?

When you look at fine connections, it's hard to say exactly what relation "Alice in Wonderland" has to this book, "Through the Looking-Glass," Oh, it's plainly the same girl, though she seems older, here, and some characters (like Tweedledum and Tweedledee) appear in both. But she doesn't get there the same way, and doesn't refer to her adventures in Wonderland so much as once. Oh well: maybe it's all a dream and she can't remember the last one -- or maybe the magic through the Looking-Glass has hold of her, just as it has hold of Humpty Dumpty, or the Walrus and the Carpenter.

Now, she uses her gift for clockwork machinery to earn a living on the black market. Cvareh would do anything to see his sister usurp the Dragon King's place on the throne, and the Alchemist Guild on Loom might hold the key. When Ari stumbles across a wounded Cvareh, she sees an opportunity to slaughter an enemy and make a profit. He sees an opportunity to navigate Loom with the best person to get him where he wants to go. He offers Ari the one thing she can't refuse: a wish of her greatest desire, if she brings him to the Alchemists of Loom. --

Provides game walkthroughs, a storyline guide, an almanac of enemies, and interviews with the creators of the popular video game.

A magnificent tale of death and destiny, past and present, in an Ireland rich with tradition, myth, and mystery: "Lake of Sorrows has a heft and richness uncommon in contemporary suspense novels" (Minneapolis Star-Tribune). American pathologist Nora Gavin has come to the Irish midlands to examine a body unearthed at a desolate spot known as the Lake of Sorrows. As with all the artifacts culled from its prehistoric depths, the bog has effectively preserved the dead man's remains—his multiple wounds suggest he was the victim of an ancient pagan sacrifice known as "triple death." But signs of a more recent slaying emerge when a second body, bearing a similar wound pattern, is found—this one sporting a wristwatch. Someone has come to this quagmire to sink their dreadful handiwork—and Nora soon realizes that she is being pulled deeper into the land and all it holds: the secrets to a cache of missing gold, a tumultuous love affair with archaeologist Cormac Maguire, and the dark mysteries and desires of the workers at the site. As they draw closer to the truth, Nora and Cormac must exercise the utmost caution to avoid becoming the next victims of a ruthless killer fixated on the gruesome notion of triple death.

Provides walk-throughs, strategy, advice, and tips for the video game.

In this "relentlessly gripping, brilliant" epic fantasy (James Islington), an ousted queen must join forces with a young warrior in order to reclaim her throne and save her people. Tau and his Queen, desperate to delay the impending attack on the capital by the indigenous people of Xidda, craft a dangerous plan. If Tau succeeds, the Queen will have the time she needs to assemble her forces and launch an all out assault on her own capital city, where her sister is being propped up as the 'true' Queen of the Omehi. If the city can be taken, if Tsiora can reclaim her throne, and if she can reunite her people then the Omehi have a chance to survive the onslaught. "This gritty series set in a South African–inspired fantasy world is an intense reading experience, and the second book is just as phenomenal as the first."—BuzzFeed News "The Fires of Vengeance is epic fantasy at its finest."—Winter Is Coming The Books of The Burning Series The Rage of Dragons The Fires of Vengeance The Lord of Demons

Deborah is starting to notice things about her best friend, Willy—like how cute he looks in his Halloween costume and the adorable way his red hair curls just above his collar. He's the coolest boy in sixth grade, and the closest friend she's got . . . that is, until her alien parents tell her she has to eat him for dinner. After all, she's an alien, too—even if she and her family do live in disguise. Should she keep Willy alive and survive on forbidden hamburgers and chocolate . . . or point her tentacles at her best friend and gain approval from alien kind? There are times when everyone feels like they're from outer space. A zany adventure and a close and sympathetic look at middle-school friendships and rivalries, Alethea Eason's wonderfully unique first novel satisfies that craving to fit in.

This highly acclaimed first novel in the Revelation Space universe has redefined the space opera with a staggering journey across vast gulfs of time and space to confront the very nature of reality itself . . . Nine hundred thousand years ago, something annihilated the Amarantin civilization just as it was on the verge of discovering space flight. Now one scientist, Dan Sylveste, will stop at nothing to solve the Amarantin riddle before ancient history repeats itself. With no other resources at his disposal, Sylveste forges a dangerous alliance with the cyborg crew of the starship Nostalgia for Infinity. But as he closes in on the secret, a killer closes in on him. Because the Amarantin were destroyed for a reason, and if that reason is uncovered, the universe and reality itself could be irrevocably altered . . . "[A] tour de force... Ravishingly inventive." -- Publishers Weekly

Abandoned in the jungle of the Nepalese Borderlands, two-year-old Nandu is found living under the protective watch of a pack of wild dogs. From his mysterious beginnings, fate delivers him to the King's elephant stable, where he is raised by unlikely parents-the wise head of the stable, Subba-sahib, and Devi Kali, a fierce and affectionate female elephant. When the king's government threatens to close the stable, Nandu, now twelve, searches for a way to save his family and community. A risky plan could be the answer. But to succeed, they'll need a great tusker. The future is in Nandu's hands as he sets out to find a bull elephant and bring him back to the Borderlands. In simple poetic prose, author Eric Dinerstein brings to life Nepal's breathtaking jungle wildlife and rural culture, as seen through the eyes of a young outcast, struggling to find his place in the world.

Miguel de Ruyter is a man with a past. Fleeing the 'wolves' - the xenocidal alien machines known as Inhibitors - he has protected his family and community from attack for forty years, sheltering in the caves of an airless, battered world called Michaelmas. The slightest hint of human activity could draw the wolves to their home, to destroy everything ... utterly. Which is how Miguel finds himself on a one-way mission with his own destructive mandate: to eliminate a passing ship, before it can bring unwanted attention down on them. Only something goes wrong. There's a lone survivor. And she knows far more about Miguel than she's letting on . . . Ranging from the depths of space to the deeps of Pattern Juggler waters, from nervous, isolated communities to the ruins of empire, this is a stealthy space opera from an author at the top of his game. Praise for Al Reynolds' Revenger 'A swashbuckling thriller' The Guardian 'A blindingly clever imagining of our solar system in the far flung future' The Sun 'A rollicking adventure yarn with action, abduction, fights and properly scary hazards' The Daily Telegraph 'By far the most enjoyable book Reynolds has ever written' SFX

Volumes in Writing Spaces: Readings on Writing offer multiple perspectives on a wide-range of topics about writing, much like the model made famous by Wendy Bishop's "The Subject Is . . ." series. In each chapter, authors present their unique views, insights, and strategies for writing by addressing the undergraduate reader directly. Drawing on their own experiences, these teachers-as-writers invite students to join in the larger conversation about developing nearly every aspect of craft of writing. Consequently, each essay functions as a standalone text that can easily complement other selected readings in writing or writing-intensive courses across the disciplines at any level. Topics in Volume 1 of the series include academic writing, how to interpret writing assignments, motives for writing, rhetorical analysis, revision, invention, writing centers, argumentation, narrative, reflective writing, Wikipedia, patchwriting, collaboration, and genres.

**SPECIAL DOUBLE-SIZED ISSUE!** The next chapter in 2021's Netflix global phenomenon begins here as MARK MILLAR returns for the sequel to one of his most critically acclaimed series. An original novel set in the universe of the award-winning video game! The Borderlands cannot be conquered! Mordecai and Daphne have gotten themselves in a tough spot near the highly dangerous town of Gunsight, one of the most remote outposts on the planet Pandora, out in the boonies of the boonies of the Borderlands. Daphne has been taken prisoner by Jasper, a local warlord who controls the area around Gunsight . . . except for that other settlement, the former mining town Tumessa. There's some kind of big secret operation going on in Tumessa—another warlord, a particularly mutated Psycho named Reamus, is somehow making money. And he's been relentlessly raiding Gunsight and kidnapping Jasper's people. Jasper may be scum, but he needs those people for raids on other towns, so it all has to balance out. Mordecai needs to negotiate for Daphne's release, but now the only way he'll ever see her alive again is to kill his way into Tumessa, find out what's going on there, and report back to Jasper—only then will Mordecai get a paycheck and the girl. Mordecai doesn't want the job, but he is pretty devoted to Daphne . . . and somehow, he just might be able to turn

this entire mess to his advantage. . .

Alejandro de la Fuente and George Reid Andrews offer the first systematic, book-length survey of humanities and social science scholarship on the exciting field of Afro-Latin American studies. Organized by topic, these essays synthesize and present the current state of knowledge on a broad variety of topics, including Afro-Latin American music, religions, literature, art history, political thought, social movements, legal history, environmental history, and ideologies of racial inclusion. This volume connects the region's long history of slavery to the major political, social, cultural, and economic developments of the last two centuries. Written by leading scholars in each of those topics, the volume provides an introduction to the field of Afro-Latin American studies that is not available from any other source and reflects the disciplinary and thematic richness of this emerging field.

Roland, a former mercenary, becomes a guide and bodyguard to Zac Finn and his family on a dangerous planet in the Borderlands, and must protect them from aliens and bandits while Zac searches for alien treasure.

When you sell your soul, the devil gives no refunds... When an old man is burned alive in a sleepy ex-mining village, Detective Chief Inspector Ryan is called in to investigate. He soon discovers that, beneath the facade of a close-knit community, the burn from decades-old betrayal still smoulders. When everyone had a motive, can he unravel the secrets of the past before the killer strikes again? Meanwhile, back at Northumbria CID, trouble is brewing with rumours of a mole in Ryan's department. With everyone under suspicion, can he count on anybody but himself? Murder and mystery are peppered with romance and humour in this fast-paced crime whodunnit set amidst the spectacular Northumbrian landscape. Few genres were as popular and as enduring in twentieth-century Mexico as the Western. Christopher Conway's lavishly illustrated *Heroes of the Borderlands* tells the surprising story of the Mexican Western for the first time, exploring how Mexican authors and artists reimagined US film and comic book Westerns to address Mexican politics and culture. Broad in scope, accessible in style, and multidisciplinary in approach, this study examines a variety of Western films and comics, defines their political messaging, and shows how popular Mexican music reinforced their themes. Conway shows how the Mexican Western responds to historical and cultural topics like the trauma of the Conquest, mestizaje, misogyny, the Cult of Santa Muerte, and anti-Americanism. Full of memorable movie stills, posters, lobby cards, comic book covers, and period advertising, *Heroes of the Borderlands* redefines our understanding of Mexican popular culture by uncovering a vibrant genre that has been hiding in plain sight.
