Bought by the Billionaire: The Series Everly Stone
NATIONAL BESTSELLER A top journalist crosses the yellow tape to investigate a shocking high-society crime. Billionaires, philanthropists, socialites . . . victims. Barry and Honey Sherman appeared to lead charmed lives. But the world was shocked in late 2017 when their bodies were found in a bizarre tableau in their elegant Toronto home. First described as murder-suicide — belts looped around their necks, they were found seated beside their basement swimming pool — police later ruled it a staged, targeted double murder. Nothing about the case made sense to friends of the founder of one of the world's largest generic pharmaceutical firms and his wife, a powerhouse in Canada's charity world. Together, their wealth has been estimated at well over \$4.7 billion. There was another side to the story. A strategic genius who built a large generic drug company — Apotex Inc. — Barry Sherman was a self-described workaholic, renowned risk-taker, and disruptor during his fifty-year career. Regarded as a generous friend by many, Sherman was also feared by others. He was criticized for stifling academic freedom and using the courts to win at all costs. Upset with building issues at his mansion, he sued and recouped millions from tradespeople. At the time of his death, Sherman had just won a decades-old legal case involving four cousins who wanted 20 percent of his fortune. Toronto Star investigative

journalist Kevin Donovan chronicles the unsettling story from the beginning, interviewing family members, friends, and colleagues, and sheds new light on the Shermans' lives and the disturbing double murder. An intensely sexy *Billionaire Fairy Tales* standalone novel by Jackie Ashenden that is billionaire romance meets *Beauty and the Beast* with a happily ever after. *Nero de Santis: Damaged. Bastard. Beast.*

Nero hasn't left his house in ten years. He demands the world come to him, and the world is only too happy to bend to the strong-willed billionaire. His last handful of assistants have left his house in tears, but the prim redhead applying for the job now looks up to the task. The fiery passion he senses beneath his reserved assistant's exterior makes him want to break down the barriers he lives behind, and unleash the beast within. *Phoebe Taylor: Uptight.*

Misunderstood. Engaged. Phoebe needs the obscene amount of money that comes with being Nero's personal assistant for one thing, and one thing only—to pay for the mounting hospital costs that her fiancée's two-year coma continues to incur.

She's heard rumors that the de Santis beast is a force that cannot be tamed—but even she isn't prepared to handle the smoldering intensity simmering beneath his hard shell of feral dominance.

And yet he is the one person to look into her eyes and see her soul. Nero can't help but stake his claim on this woman who has shaken up his life. He wants to keep her. He wants to devour her. And Phoebe just might let him. Jackie Ashenden's novels have been described as "Dark, explosive, and gritty, with a splash of dominance." (Publishers Weekly, starred review on *In Bed with the Billionaire*) and *The Billionaire Beast* is the ultimate combination of those unforgettable qualities. Don't miss the sexy Cinderella retelling: *The Billionaire's Virgin*.

The Billionaire's Mistake is a classic billionaire-chases-former-virgin romance - if your idea of classic is steamy, steamy angst with another plot twist that will make you gasp... No one says no to me. I've never worked to get laid in my life. Women throw themselves at my feet. My last name is enough for models, socialites, actresses, and A-listers--I hardly even have to buy them dinner first. Emery is nothing like normal women. She seduced me, gave me her first time, and suddenly I'm the one on my knees. Finding out that she was keeping secrets from me should have made my life easier. I could go back to living it on my own terms. No attachments, no obligations. No big blinky eyes begging me for more. When she walked away, I should have thrown a party. But she doesn't get to just walk away. I'm the one who says when this is over. And her perfect, sweet small town is an addiction I can't kick. There's no way I'm letting her get away that easily. It's time to remind her exactly what she's missing. I might even have to remind her twice. Fine, three times, max. She belongs at my side. In my bed. And she'd better not be keeping any other secrets from me. Book two of three in the Intern Trilogy.
