As she watches him move from one woman to the next, Evie is glad that her heart is safe from his attention. After all, she's a far cry from the size zero models he usually takes to his bed. But soon being around Xavier doesn't feel like a job, and seeing him walk around his apartment half naked all the time isn't helping either. Evie knows that giving in to her attraction will lead to heartbreak, but when Xavier starts treating her as more than just his assistant, resisting his charms seems like an impossible task.

Can you ever truly leave the past behind in a house full of haunted souls? Kiara always wanted a loving family she could take care of. She never thought she'd find it with the Falcones. Nino and Kiara both lost part of themselves in their traumatic childhood. Together they're trying to recover the missing pieces, but they aren't the only broken souls in the

Falcone mansion; Kiara fears that not all of them can be saved. Determined to protect her new family and the future of her dreams, she's on a mission to help each of them in her own way, even if it means stacking up secrets. Four brothers bound together by an unbreakable bond forged in their dark past. If one of them falls, will they all?

I was born a monster. Cruelty ran in my veins like poison. It ran in the veins of every Vitiello man, passed on from father to son, an endless spiral of monstrosity. A born monster shaped into an even worse monster by my father's blade and fists and harsh words. I was raised to become Capo, to rule without mercy, to dish out brutality without a second thought. Raised to break others. When Aria was given to me in marriage, everyone waited with baited breath to see how fast I'd break her like my father broke his women. How I'd crush her innocence and kindness with the force of my cruelty. Breaking her would have taken little effort. It came naturally to me. I was gladly the monster everyone feared. Until her.
