Sweet Dreams Chocolate Company has been in the Sterling family for generations, ever since Great-Grandma Rose literally dreamed up her first fabulous recipe. But now it looks as if they're about to lose Sweet Dreams to the bank—and that would be a disaster, not only for the family but for the town of Icicle Falls, Washington. Can Samantha, the oldest daughter and new head of the company, come up with a way to save it? After Samantha does some brainstorming with her mother and sisters, inspiration strikes. They'll have a chocolate festival! Time's running out, but the Sterling women are determined and the town's behind them, so everything's bound to go smoothly.... Or not. Events seem to be conspiring against Samantha, and her mother's attempts to help aren't helping. To make matters worse, the fate of her company is in the hands of her archenemy, Blake Preston, the bank manager with the football-hero good looks. It's enough to drive her to chocolate. But Blake's also enough to convince her that (believe it or not) there's something even better than chocolate.

A deliciously illustrated historical tour of England's "chocolate city." In the nineteenth century, York was renowned for confectionery—particularly chocolate. Treats like Kit Kat, Fruit Gums, All Gold, and Butterkist were made by York companies Rowntree's, Terry's, and M.A. Craven and Son. This new book is the first to chart the history of chocolate and confectionery manufacture and marketing by York companies, from their origins in the eighteenth century through to recent takeovers by Nestle, Tangerine, and Kraft. Revolutionary new products such as Easter eggs in the 1870s and chocolate assortments in the 1890s are covered—along with such crucial turn-of-the-century developments as milk chocolate and the chocolate bar. The significance to the industry of the Quaker movement is discussed, along with an examination of the impact of the world wars and the intervening depression. Fully illustrated throughout, this book provides both an enlightening view of the chocolate industry—from production, quality control, distribution, and marketing to packaging, design, and branding—as well a tasty morsel of British history.

After *Miraculous Destiny*, *Family Secrets*, and *True Destiny*, author Annu Hirae comes back into the publishing limelight with her fourth book, *Delayed Justice*. Appealing to the general adult audience, worldwide travelers, Japanese descendants, French descendants in New Orleans, crime solvers, and fact learners, this new novel revolves around the old adage What goes around comes around. This book was born out of the authors encounter with an airplane crash of a wealthy family. That intrigued me to put it into the human drama. I also want to highlight life in general under the belief of what goes around comes around, she shares. In this book, a mysterious family tragedy tears loved ones apart for nearly two decades. The criminals who meticulously plan the grand larceny and the airplane crash almost get away with murder until incriminating evidence appears. The family reunites and the lost fortune is about to surface. It won't be too long before *Delayed Justice* is served on a cold platter.

*A Box of Mixed Chocolates* is about life and all that it involves. It tells of the love of family, children, and even dogs. It encompasses such famous figures as Jacques Cousteau, Henry David Thoreau, and Socrates, but it tells of ordinary people too. It embraces philosophy, the environment, the skies and planets. There are even many thoughts about love and losing things most dear to you. This book of poetry is written sometimes with humor, sometimes with sadness and caring, but it also includes such subject matters as love, divorce, dieting, smoking, eating chocolate, computers, the sea, Japanese gardens, Shangri-la, Xanadu, and reincarnation. In every sense of the word, this book is a box of mixed chocolates in its form, as well as the assorted styles of poetic verse and prose used within. It is a book of poetry that all kinds of people can enjoy.

Chocolate has been one of mankind's obsessions for centuries. This collection examines the history of cacao and chocolate-making--its use in literature, art, music, and folklore, as a subject for psychology and childrearing, and as an important product for business.

Kit Kat, Turkish Delight, Creme Egg, Rolo and All Gold: they are all as much a part of British life as were the companies that made them and which led the chocolate revolution in the nineteenth century: Rowntree's, Fry's, Cadbury's, Mackintosh and Terry's. This book charts the history of chocolate manufacture, marketing and consumption in Britain from its origins in the eighteenth century. It then describes the golden age from 1900 to the 1970s and the subsequent US and Swiss invasions, spearheaded by brands such as Mars, Toblerone and Nestlé's Milky Bar, including the takeovers by Nestle and Kraft.

He needs her to say I do... When professional rodeo cowboy Beck Ballantyne returns home to Marietta, Montana, nothing goes as planned. His granddad, flanked by his three determined daughters, announces his plan to sell his legacy ranch after the rodeo. Hoping he'll reconsider, Beck and his two cousins launch the Rodeo Bride Game. Beck initially has the advantage as he has a long-time girlfriend—except she's just called it quits. Ashni Singh has loved Beck since high school, but she's done living out of a suitcase on the rodeo tour. She's ready to put down roots and build her own career. Learning she's unexpectedly expecting makes her even more determined to make a new life. So when Beck dutifully proposes, she does what any self-respecting, career-oriented, educated woman at the end of her patience would do. She says no. The Rodeo Bride Game may have started as a fun challenge, but Beck has never been more serious about winning Ash's heart and her hand.

"A master of her craft." —Maggie Shayne Gathered together for the first time, all three of New York Times bestselling author Amanda Ashley's seductive tales of Morgan Creek and its unforgettable inhabitants . . . AS TWILIGHT FALLS Photographing ghost towns across the American West, Kadie Andrews takes a wrong turn and ends up in Morgan Creek, Wyoming—a spot that isn't on the map. It's a quaint little place, but when twilight falls, it takes on a sinister air. And when Kadie captures the attention of master vampire Rylan Saintcrow, she can feel his power. He may be the most compelling creature she's ever imagined, but he is also a man—one who needs a woman to be his willing prisoner—for eternity . . . TWILIGHT DREAMS Holly Parrish has never met anyone like Micah Ravenwood: his dark eyes, his movie-star smile, the indefinable way he looks at her. Even when she thought he was simply another investment firm client, her lust overpowered her logic. But she never expected their attraction to lead her to an eerie ghost town in Wyoming. Only vampires call the deserted place home—and one of them is Micah . . . TWILIGHT DESIRES Sofia Ravenwood was once fascinated by vampires—their seductive power, their inhuman strength, their dark desires. Then one attacked her family, and she vowed to keep clear. Until she heard about Ethan Parrish: a sweet, sizzling-hot former college football player, turned into a vampire against his will. Wandering the deserted streets of Morgan Creek, Ethan's sure he'll be alone forever—until Sofia agrees to meet him . . .
