

Boys Life Other Plays

Aboriginal Australians - The early life of poet and playwright, Jack Davis.

Boys' Life is the official youth magazine for the Boy Scouts of America. Published since 1911, it contains a proven mix of news, nature, sports, history, fiction, science, comics, and Scouting.

An Alabama boy's innocence is shaken by murder and madness in the 1960s South in this novel by the New York Times–bestselling author of *Swan Song*. It's 1964 in idyllic Zephyr, Alabama. People either work for the paper mill up the Tecumseh River, or for the local dairy. It's a simple life, but it stirs the impressionable imagination of twelve-year-old aspiring writer Cory Mackenson. He's certain he's sensed spirits whispering in the churchyard. He's heard of the weird bootleggers who lurk in the dark outside of town. He's seen a flood leave Main Street crawling with snakes. Cory thrills to all of it as only a young boy can. Then one morning, while accompanying his father on his milk route, he sees a car careen off the road and slowly sink into fathomless Saxon's Lake. His father dives into the icy water to rescue the driver, and finds a beaten corpse, naked and handcuffed to the steering wheel—a copper wire tightened around the stranger's neck. In time, the townsfolk seem to forget all about the unsolved murder. But Cory and his father can't. Their search for the truth is a journey into a world where innocence and evil collide. What lies before them is the stuff of fear and awe, magic and madness, fantasy and reality. As Cory wades into the deep end of Zephyr and all its mysteries, he'll discover that while the pleasures of childish things fade away, growing up can be a strange and beautiful ride. “Strongly echoing the childhood-elegies of King and Bradbury, and every bit their equal,” *Boy's Life*, a winner of both the Bram Stoker and World Fantasy Awards, represents a brilliant blend of mystery and rich atmosphere, the finest work of one of today's most accomplished writers (Kirkus Reviews).

This unforgettable memoir, by one of our most gifted writers, introduces us to the young Toby Wolff, by turns tough and vulnerable, crafty and bumbling, and ultimately winning. Separated by divorce from his father and brother, Toby and his mother are constantly on the move, yet they develop an extraordinarily close, almost telepathic relationship. As Toby fights for identity and self-respect against the unrelenting hostility of a new stepfather, his experiences are at once poignant and comical, and Wolff does a masterful job of re-creating the frustrations and cruelties of adolescence. His various schemes - running away to Alaska, forging checks, and stealing cars - lead eventually to an act of outrageous self-invention that releases him into a new world of possibility.

The misadventures of three former college buddies now seeking to make their way in the big city -- and with various women of their acquaintance.
