In late 2016, internationally acclaimed blogger and podcaster Chris Ducker coined the term "Youpreneur" to describe the rise of the personal brand entrepreneur, a new business model that very few people saw coming. Since then, the Youpreneur has risen to the top across sectors. A Youpreneur transcends the old rules of business and builds a sustainable business from the foundation of their experience, interests, and personality--their personal brand. Youpreneurs draw an engaged, loyal audience even as they pursue varying, changing interests. They play by their own rules, and they reap the benefits. Ready to pivot for the last time, guarantee the success of your business, and become the go-to leader in your industry? Chris Ducker will show you how to develop the Business of You and build a future-proof business model.

Three thousand years ago, deep inside the forests of India, a great 'thought revolution' was brewing. In those forest labs, the brightest thinker--philosophers contemplated the universe, reflected on ancient texts called the Vedas and came up with startling insights into questions we still don't have final answers to, like: • What is the universe made of? • How do I know I'm looking at a tree when I see one? • Who am I? My body, my mind, my intelligence, my emotions, or none of the above? And where did they put those explosive findings? In a sprawling body of goosebumpy and fascinating oral literature called the Upanishads! Intimidated? Don't be! For this joyful, fun guide to some of India's longest-lasting secular wisdoms, reinterpreted for first-time explorers by Roopa Pai, is guaranteed to keep you turning the pages. Why haven't you read it yet?

Are you looking for a career change or a promotion? Trying to win your first job or facing redundancy? Do you feel you need a more positive and successful approach to relationships? Are you stuck in a rut of self-doubt and low self-image? Or are you just a bit fed up with the old you? If so, it's time to change your personal 'brand'! By applying the simple strategies well known to the world's great brands, you can make dramatic, positive and lasting change in every aspect of your life. In this book you'll learn to step outside your own skin to discover and reveal your own authentic brand story - and how to position yourself to achieve your personal and professional brand objectives. Brand New You isn't a book about firm handshakes or dressing appropriately for interviews - it goes much deeper than that. It's about crafting and telling your new life story, and then living it! One Big Thing is about finding out what you were born to do with your life and how to use it to revolutionize your business or ministry---and change the world."

Build your confidence, increase your value, and make a lasting impact—a brand authenticity expert shares her most powerful secrets. Everyone in marketing is talking "authenticity." Which means making a personal or professional brand should be simpler than ever, right? What could be easier than "being yourself?" Simple? Sure. But easy? Not so much. Why? Because authenticity is unfiltered, unapologetic, and honest. Authenticity owns its imperfections and takes responsibility for mistakes. It shows up on the good and bad days. In short, authenticity feels scary. No wonder we try to brand ourselves as someone else we think will be more appealing than our real selves. Jessica Zweig founded the SimplyBe. agency to revolutionize an authenticity-first approach to branding. With Be: A No-Bullsh*t Guide to Increasing Your Self Worth and Net Worth by Simply Being Yourself, she shares her most powerful secrets for building authenticity, service, and real connection into your winning brand. "I'm opening up the freakin' vault to SimplyBe.'s best-in-class, trademarked methodologies, tools, and frameworks for clearing away everything that's keeping the real you from shining through," she says, including: Branding Reinvented—Forget the hacks and tricks, it's time to learn what personal branding is really about. Embracing Your Sh*t—All that stuff you think you need to hide? That's actually your most important resource! Your Vibe Attracts Your Tribe—Learn to magnetize the people who most want to support you (and they're out there). Your Personal Brand Hologram®—SimplyBe.'s universal framework can crystallize your utterly unique brand platform. The Supernova™—Create winning content with the secret sauce of consistency and clarity. The Pinnacle Content Framework™—Take the stress out of strategy and find the most direct, effective path toward your goals. Getting Social Media Right—Stop chasing trends and learn the 10 sustainable, evergreen principles for online connection. Living Your Brand—Take your authentic personal brand where it matters most: offline and into your relationships, your workplace, and the way you show up in the world. "We are living at an inflection point," says Jessica Zweig. "For any brand—business or personal—the game is no longer about eyeballs, but engagement. No longer about impressions, but impact. Content is no longer king, clarity is. Your best strategy? Service and generosity. Your best solution? Authenticity." Here is a powerful guide for connecting with others, changing lives, and moving the world forward as only you can.

The original edition of this accessible and interdisciplinary textbook was the first to consider the ethical issues of digital media from a global, cross-cultural perspective. This third edition has been thoroughly updated to incorporate the latest research and developments, including the rise of Big Data, AI, and the Internet of Things. The book's case studies and pedagogical material have also been extensively revised and updated to include such watershed events as the Snowden revelations, #Gamergate, the Cambridge Analytica scandal, privacy policy developments, and the emerging Chinese Social Credit System. New sections include "Death Online," "Slow/Fair Technology", and material on sexbots. The "ethical toolkit" that introduces prevailing ethical theories and their applications to the central issues of privacy, copyright, pornography and violence, and the ethics of cross-cultural communication online, has likewise been revised and expanded. Each topic and theory are interwoven throughout the volume with detailed sets of questions, additional resources, and suggestions for further research and writing. Together, these enable readers to foster careful reflection upon, writing about, and discussion of these issues and their possible resolutions. Retaining its student- and classroom-friendly approach, Digital Media Ethics will continue to be the go-to textbook for anyone getting to grips with this important topic.

A successful personal brand is based on authenticity. In Digital You: Real Personal Branding in the Virtual Age, branding pioneer William Arruda guides you to discover the questions that will help you uncover your brand and the methods to master delivering your unique brand value, both in person and virtually. Branding isn't about being famous, Arruda says; it's about being selectively famous.

customers, customer loyalty, and word-of-mouth advertising. This book: Provides a step-by-step guide for building an organizational effectiveness report card Takes you from identifying key services and products and using metrics, to determining business strategy Provides examples of how to identify, collect, analyze, and report metrics that will be immediately useful for improving all aspects of the enterprise, including IT

Getting clear on the story you want to tell is not an easy feat, but it's an essential part of any branding process - including personal branding - and it's more important than ever before in a world where the first impression you make might very well be online. It requires some soul searching, a lot of introspection, hard work and asking tough questions like who are you, what do you do and why do you do it. But the payoff is huge! When you're crystal clear on the story you want to tell you're on the road to a successful personal brand! It's also the place where most of us trip up. The purpose of the ten exercises in this workbook is to assist you in the process. Be forewarned this will not be easy. Some of the exercises may be more challenging than others. At times you may feel that you've already answered a question. That's done intentionally to help you really hone in on the essence of your brand story. But if you're willing to invest your time in the work, at the end you will have the information you need to get your personal brand story straight both online and offline. In order to take your career and your business where you want it to go, in order to get clear on what we like to call our "personal brand," in order to present yourself in a way that is authentic to you - online and offline - the first thing you need to do is get your story straight. This easy to follow workbook is your first step!

How would like to spot future trends before the competition? We all know the rules for success in our business or professions, yet we also know that these rules--paradigms--can change at any time. What Joel Barker does in *Paradigms: The Business of Discovering the Future* is explain how to spot paradigm shifts, how they unfold, and how to profit from them. Through the power of this method--paradigm spotting--you can: find the people in your organization most likely to spot a new trend help your key people adept when a massive change is occurring learn to effectively grapple with your "intractable problems" and improve your results incalculably. In addition, *Paradigms* is full of concrete examples of paradigm shifts and predictions for the future, and contains a new introduction detailing recent developments and pointing out areas to watch for paradigm shifts.

The Five Elements brings the wisdom of an ancient healing system to modern readers, helping them understand themselves--why they do what they do--better. Dondi Dahlin shows us that we are all born with individual rhythms that go beyond the influence of our genes and upbringing. The five elements originated in ancient Chinese medicine over 2,000 years ago--when scholars theorized that the universe is composed of five forces: water, wood, fire, earth, and metal. Understanding these elements helps us stay in balance physically, mentally, spiritually, and emotionally. By explaining the efficacy of wood, the depth of water, the joy of fire, the compassion of earth, and the wisdom of metal, this book helps people understand themselves and form lasting connections to others, answering the age-old question of why we do what we do.

Why do consumers pay a premium for a Dell or Hewlett-Packard laptop, when they could get a generic machine with similar features for a lower price? The answer lies in the power of branding. A brand is not just a logo. It is the image your company creates of itself, from your advertising look to your customer interaction style. It makes a promise for your business, and that promise becomes the sticking point for customer loyalty. And that loyalty and trust is why, so to speak, your laptops sell and your competitors' don't. Whatever your business is, whether it's large or small, global or local, Branding For Dummies gives you the nuts and bolts know-how to create, improve, or maintain a brand. This plain-English guide will help you brand everything from products to services to individuals. It gives you step-by-step advice on assembling a top-notch branding team, positioning your brand, handling advertising and promotion, avoiding blunders, and keeping your brand viable, visible, and healthy.
