

Breach Breach 1 By Ki Lynn Lanhaioire

My life was ash. Burned to the ground. Razed with no chance of rebuilding. Empty. Alone. Just as I had to be. No one else was going to get hurt because of me. No more deaths. For years I've secluded myself, stayed in the darkness, and tried to melt into the background. Hiding in plain sight. Taking a new job, working in close confines with a new partner, is risky, and I thought I was up to the task. So I hide behind a mask of my own making, a façade for the world. The problem is, I can't stop thinking about my new partner. I hate her, but I crave her like she's the most intoxicating thing I've ever encountered. It's maddening, but I need to stay away. I have to stay away. I can't love anyone ever again.

NEW YORK TIMES BEST SELLER • Celebrated food blogger and best-selling cookbook author Deb Perelman knows just the thing for a Tuesday night, or your most special occasion—from salads and slaws that make perfect side dishes (or a full meal) to savory tarts and galettes; from Mushroom Bourguignon to Chocolate Hazelnut Crepe.

"Innovative, creative, and effortlessly funny." —Cooking Light Deb Perelman loves to cook. She isn't a chef or a restaurant owner—she's never even waitressed. Cooking in her tiny Manhattan kitchen was, at least at first, for special occasions—and, too often, an unnecessarily daunting venture. Deb found herself overwhelmed by the number of recipes available to her. Have you ever searched for the perfect birthday cake on Google? You'll get more than three million results. Where do you start? What if you pick a recipe that's downright bad? With the same warmth, candor, and can-do spirit her award-winning blog, Smitten Kitchen, is known for, here Deb presents more than 100 recipes—almost entirely new, plus a few favorites from the site—that guarantee delicious results every time. Gorgeously illustrated with hundreds of her beautiful color photographs, The Smitten Kitchen Cookbook is all about approachable, uncompromised home cooking. Here you'll find better uses for your favorite vegetables: asparagus blanketing a pizza; ratatouille dressing up a sandwich; cauliflower masquerading as pesto. These are recipes you'll bookmark and use so often they become your own, recipes you'll slip to a friend who wants to impress her new in-laws, and recipes with simple ingredients that yield amazing results in a minimum amount of time. Deb tells you her favorite summer cocktail; how to lose your fear of cooking for a crowd; and the essential items you need for your own kitchen. From salads and slaws that make perfect side dishes (or a full meal) to savory tarts and galettes; from Mushroom Bourguignon to Chocolate Hazelnut Crepe Cake, Deb knows just the thing for a Tuesday night, or your most special occasion.

"Incredible and searing." --Nic Stone, #1 New York Times bestselling author of Dear Martin The Hate U Give meets Just Mercy in this unflinching yet uplifting first novel that explores the racist injustices in the American justice system. Every week, seventeen-year-old Tracy Beaumont writes letters to Innocence X, asking the organization to help her father, an innocent Black man on death row. After seven years, Tracy is running out of time--her dad has only 267 days left. Then the unthinkable happens. The police arrive in the night, and Tracy's older brother, Jamal, goes from being a bright, promising track star to a "thug" on the run, accused of killing a white girl. Determined to save her brother, Tracy investigates what really happened between Jamal and Angela down at the Pike. But will Tracy and her family survive the uncovering of the skeletons of their Texas town's racist history that still haunt the present? Fans of Nic Stone, Tiffany D. Jackson, and Jason Reynolds won't want to miss this provocative and gripping debut.

I'm dead. Literally. For years, I've been trapped in the home I died in. Three owners have been scared away by my angry outbursts. I don't know why I'm still here. Owner number four is coming and I'm ready to get rid of them just as fast. But something is different from the moment she walks in. My non-existent heart begins to beat.*** Shadows is a short Halloween themed romance***

The mafia never lets you go. I thought I was safe, free, but I never expected to find myself locked in a cage. I'm in his territory. His prison. The beast. A fate worse than death awaits me if I can't get away, so when the opportunity of salvation presents itself I grab it, even if I'm not sure if I can trust the hand I'm holding. The only way out is through, exposing secrets and spilling blood. Things aren't how they appear. Nobody is what they seem. Not even me.

The history of the American Ranger is a long and colorful saga of courage, daring, and outstanding leadership. It is a story of men whose skills in the art of fighting have seldom been surpassed. The United States Army Rangers are an elite military formation that has existed, in some form or another, since the American Revolution. A group of highly-trained and well-organized soldiers, US Army Rangers must be prepared to handle any number of dangerous, life-threatening situations at a moment's notice—and they must do so calmly and decisively. This is their handbook. Packed with down-to-earth, practical information, The Ranger Handbook contains chapters on Ranger leadership, battle drills, survival, and first aid, as well as sections on military mountaineering, aviation, waterborne missions, demolition, reconnaissance and communications. If you want to be prepared for anything, this is the book for you. Readers interested in related titles from The U.S. Army will also want to see: Army Guerrilla Warfare Handbook (ISBN: 9781626542730) Army Guide to Boobytraps (ISBN: 9781626544703) Army Improvised Munitions Handbook (ISBN: 9781626542679) Army Leadership Field Manual FM 22-100 (ISBN: 9781626544291) Army M-1 Garand Technical Manual (ISBN: 9781626543300) Army Physical Readiness Training with Change FM 7-22 (ISBN: 9781626544017) Army Special Forces Guide to Unconventional Warfare (ISBN: 9781626542709) Army Survival Manual FM 21-76 (ISBN: 9781626544413) Army/Marine Corps Counterinsurgency Field Manual (ISBN: 9781626544246) Map Reading and Land Navigation FM 3-25.26 (ISBN: 9781626542983) Rigging Techniques, Procedures, and Applications FM 5-125 (ISBN: 9781626544338) Special Forces Sniper Training and Employment FM 3-05.222 (ISBN: 9781626544482) The Infantry Rifle Platoon and Squad FM 3-21.8 / 7-8 (ISBN: 9781626544277) Understanding Rigging (ISBN: 9781626544673)

I'm going to make her my queen. One wedding. One child. Five years. Ten million dollars. Those are the terms of our contract. My offer is sound, bold, and necessary. In order to

gain my inheritance, I have to have a wife. She thinks her clause will keep me from having her skin on mine. She's very wrong. The de Loughrey's rule the world, and I am their king. I get what I want, and what I want is her. I'll have her beneath me no matter what.

A girl abandoned by her parents. A disabled princess who fights all odds to become the most feared warrior queen. A woman almost forced into sati by her trusted prime minister. A mother whose son brands her as a witch. This is the story of Rani Didda, the forgotten Hindu queen of undivided Kashmir. History is often unkind and cruel to women, especially women who wield power. Trampled by wars and religious crusades, lies hidden the story of a glorious woman who was considered a harbinger of bad times when she was born but went on to become a legendary warriorthe saviour of Srinagaram, the capital city of Kashmir. Didda: The Warrior Queen of Kashmir is the untold story of a woman's rise to power during the tenth century. The legend of Didda is entwined with a life of solitary struggles against prejudice and patriarchy. She eventually went on to rule the unified Kashmir encompassing the Lohar Kingdom and Kashmir for a period of forty-four years, taking it to glorious heights and making it the most powerful kingdom in mediaeval Asia. The foundation laid by Didda helped Kashmir defeat the dreaded warlord Mahmud of Ghaznavi twice.

David Ellis' Line of Vision has won the 2002 Edgar Award for Best First Novel by an American Author! Marty Kalish has been accused of murdering his lover's husband. He had a motive. He was at the scene of the crime. He manipulated evidence to hide his guilt. He even confessed. But that's not the end of the story. That's only the beginning. These are not your mother's erotic stories. We're not giggling about foul language over tea, or avoiding smut talk at the Tupperware party. This book is slick fingers and flesh on your lips. It's twisted bodies late at night when the city sleeps and the moans fall where no one can hear them. This book is pain and pleasure, lust and passion, a body brought to the breaking point. It's drenched in the musk of sweat, shuddering at the touch of a Master.

The tie-in edition of the nine-part CBS All Access series starring Whoopi Goldberg, Alexander Skarsgard, and James Marsden. When a man escapes from a biological testing facility, he sets in motion a deadly domino effect, spreading a mutated strain of the flu that will wipe out 99 percent of humanity within a few weeks. The survivors who remain are scared, bewildered, and in need of a leader. Two emerge--Mother Abigail, the benevolent 108-year-old woman who urges them to build a peaceful community in Boulder, Colorado; and Randall Flagg, the nefarious "Dark Man," who delights in chaos and violence. As the dark man and the peaceful woman gather power, the survivors will have to choose between them--and ultimately decide the fate of all humanity.

Happiness is a four letter word. I've never been happy before, never experienced love, until I met Nathan. He's my happy place, and my husband. Everything should be rainbows and unicorns, but it's not. The problem is, the past doesn't stay buried, and ours is popping up in spades. A trial. A warning. Reciprocity is at hand. The battle for survival has begun.

Mikolas Leandros carries the Guardian's mark, and has been working behind enemy lines trying to protect the Muses from the Order of the Titans. The moment he lays eyes on Trinity Porter, the Muse of Music, a power awakens inside of him, a primal need to protect her. Trinity has lost two of her Muse sisters to the Order of the Titans, and just because the sexy Greek billionaire claims to be her Guardian doesn't mean she can trust him. With Kronos on the loose, the stakes couldn't be higher as Trinity and her sisters open the legendary Theater of the Muses. But the longer Mikolas works at Trinity's side, the more he comes to realize that love is the only thing worth fighting for, and in the end, love could save them all.

I got pregnant on New Year's Eve. That night was hands down the best night of my life. A magical night with the man of my dreams. The aftermath changed everything. After weeks of silence from him and a positive pregnancy test, it was safe to say I was in full out panic mode. Until I walked into a conference room only to find Mr. Man-of-my-dreams-father-of-my-unborn-child at the head of the table. Turns out the VP of finance isn't an old boring guy with white hair. Two different cities. A baby on the way. An intense attraction. And he's technically my boss. Life just got even more complicated.

The Janeway's Immunobiology CD-ROM, Immunobiology Interactive, is included with each book, and can be purchased separately. It contains animations and videos with voiceover narration, as well as the figures from the text for presentation purposes.

The companion volume to The Earth Chronicles series that reveals the identity of mankind's ancient gods • Explains why these "gods" from Nibiru, the Anunnaki, genetically engineered Homo sapiens, gave Earthlings civilization, and promised to return • 30,000 sold in hardcover Zecharia Sitchin's bestselling series The Earth Chronicles provided humanity's side of the story concerning our origins at the hands of the Anunnaki, "those who from heaven to earth came." In The Lost Book of Enki we now view this saga from the perspective of Lord Enki, an Anunnaki leader revered in antiquity as a god, who tells the story of these extraterrestrials' arrival on Earth from the planet Nibiru. In his previous works Sitchin compiled the complete story of the Anunnaki's impact on human civilization from fragments scattered throughout Sumerian, Akkadian, Babylonian, Assyrian, Hittite, Egyptian, Canaanite, and Hebrew sources. Missing from these accounts, however, was the perspective of the Anunnaki themselves. What was life like on their own planet? What motives propelled them to settle on Earth--and what drove them from their new home? Convinced of the existence of a lost book that held the answers to these questions, the author began his search for evidence. Through exhaustive research of primary sources, he has here re-created tales as the memoirs of Enki, the leader of these first "astronauts." What takes shape is the story of a world of mounting tensions, deep rivalries, and sophisticated scientific knowledge that is only today being confirmed. An epic tale of gods and men unfolds, challenging every assumption we hold about our past and our future.

I had a one-night stand. It wasn't my first, but it would be my last. A gun to the head. A trained killer. A deadly conspiracy. Kidnapped and on the run, my life and death is in the hands of a sadist captor who happens to be my one-night stand. Armed with countless weapons, money, and new identities, the man I call Six drags me around the world. The manhunt is on and Six is the next target. Can we find out who is killing off the Cleaners before they find us? Two down, seven to go. When it's all over he'll finish the job that dropped him into my life, and end it. Stockholm Syndrome meets bucket list, and the question of what would you do to live before you died. The questions aren't always answered in black and white. Gray becomes the norm as my morals are tested. Death is a tragedy, and I'll do anything to stay alive. Are you ready for the last ride of your life? Six has a gun to your head--what would you do? This isn't a love story. It's a death story. **Due to the dark and explicit nature of this book, it is recommended for mature audiences only as some scenes may be particularly disturbing.**

Breached Breach #4 Infracation Catastrophic Press

He promised me forever. Then he boarded a plane for a college a thousand miles away and never returned. A decade later there's a ring on my finger with a new promise from a new love. Just as my life falls into place, pretty as the pages of a magazine, my world is knocked over. The moment he touches me everything around me begins to crack, exposing all the lies I've told myself. Every glance reminds me. Every touch ignites. Things aren't how they used to be. Love isn't easy.

"Emma Addison is a busy woman. She's finishing up her MBA and working near full-time hours as a supervisor at the Cameo Hotel ... Gavin Grayson is demanding, and he's not shy at all about showing his displeasure when things aren't up to his high standards--and his are the highest Emma has ever seen. He's just transferred in, a guest on extended stay at the prestigious hotel and will only deal with Emma ... The Cameo doesn't allow relationships between employees and guests, so when Gavin makes his intentions for Emma known, a secret relationship is born ..."--Back cover.

It has, improbably, been called uncommonly lucid, even riveting by The New York Times, and it was a finalist for the 2004 National Book Awards nonfiction honor. It is a literally chilling read, especially in its minute-by-minute description of the events of the morning of 9/11 inside the Twin Towers. It is The 9/11 Commission Report, which was, before its publication, perhaps one of the most anticipated government reports of all time, and has been since an unlikely bestseller. The official statement by the National Commission on Terrorist Attacks Upon the United States--which was instituted in late 2002 and chaired by former New Jersey Governor Thomas Kean--it details what went wrong on that day (such as intelligence failures), what went right (the heroic response of emergency services and self-organizing civilians), and how to avert similar future attacks. Highlighting evidence from the day, from airport surveillance footage of the terrorists to phone calls from the doomed flights, and offering details that have otherwise gone unheard, this is an astonishing firsthand document of contemporary history. While controversial in parts--it has been criticized for failing to include testimony from key individuals, and it completely omits any mention of the mysterious collapse of WTC 7--it is nevertheless an essential record of one of the most transformational events of modern times.

It was the beginning of my downfall. My rise as king was also my demise. Love has no place in my life, but there was something about her. An itch I scratched was a gateway to a need for her. When an ultimatum is thrown at me, my rule is in jeopardy. I need a wife. And I'm going to make her my queen.

This eBook edition of "The Social Contract" has been formatted to the highest digital standards and adjusted for readability on all devices. The Social Contract, originally published as On the Social Contract; or, Principles of Political Rights by Jean-Jacques Rousseau, is a 1762 book in which Rousseau theorized about the best way to establish a political community in the face of the problems of commercial society, which he had already identified in his Discourse on Inequality (1754). The Social Contract helped inspire political reforms or revolutions in Europe, especially in France. The Social Contract argued against the idea that monarchs were divinely empowered to legislate. Rousseau asserts that only the people, who are sovereign, have that all-powerful right.

Meet Blake and Jasmine. They have been friends since they were two years old. Nothing has ever been able to come between them not even the difference in their skin color. Blake's young life is hit with opposition at the hands of his abusive father, Frank, at the mere age of nine. He still refuses to give up his friendship with Jasmine because she's the reason he was able to conquer the effects of his abuse. Frank is not the only one who has a problem with their friendship. Jasmine's mother, Vanessa is also not a fan but her resistance is a bit more subtle. By the time Blake and Jasmine make it to college Vanessa's wish seems to be granted until Jasmine is knocked down by life and bad choices. Blake and Jasmine meet four friends that quickly become family even though each one of them is a different nationality. Blake and Jasmine's families scramble to keep their skeletons from talking by using hatred, abuse and deception to silence them. When life and death stand face to face the collateral damage left behind will reveal what truly lies in each of their hearts. Those caught in the cross-hairs of fate's sniper will be powerless to stop it. Hard questions about love, hate, right, wrong, free will and divine order will refuse to go unanswered. If they limit love due to their own prejudices they will never release their families from pasts that have haunted and tormented them for decades. Dr. Sheridan Richards (Surviving Sunday) is called on to try and make sense of this family's secrets. Can she help them heal and move forward in the destiny that God has for them? She will have to face her own ugly truths about issues she didn't even know once she allows these strangers into her office in order to correctly respond to the madness that awaits her on Monday.

My will to live is weak. By all accounts, I should be dead, but somehow I made it through. Broken, battered, and barely hanging on, I'm forced to rely on the man who destroyed me. Recovery is a long road, and I'm not sure I can take it by his side, so I punish him, refusing to grant forgiveness. But it's still there--the spark. That incessant pull that I can't escape. The deepest scars of our hearts spill out. All the secrets we kept locked away are laid bare. Everything is different. Time is running out. All the infractions are catching up to us.

After the Happily Ever After... Nathan and Lila have been through a lot, and after battling many of their demons, are finally free. Able to live again. At least, that is how it should be. Life without

running isn't as simple as it seems. What do you do when the treadmill stops? Follow them on their journey to finding themselves and their future.

A less-expensive grayscale paperback version is available. Search for ISBN 9781680923018. Business Law I Essentials is a brief introductory textbook designed to meet the scope and sequence requirements of courses on Business Law or the Legal Environment of Business. The concepts are presented in a streamlined manner, and cover the key concepts necessary to establish a strong foundation in the subject. The textbook follows a traditional approach to the study of business law. Each chapter contains learning objectives, explanatory narrative and concepts, references for further reading, and end-of-chapter questions. Business Law I Essentials may need to be supplemented with additional content, cases, or related materials, and is offered as a foundational resource that focuses on the baseline concepts, issues, and approaches.

"Every girl has dreams of meeting Prince Charming, or at least I know I did. A fairy tale-like meeting of love at first sight. I'm just a small town Indiana girl that had a chance encounter with one of Hollywood's golden boys. You may think you know where this story goes--not even close. Life is different. Marriage is hard. It's even worse when you're strangers"--Page 4 of cover.

She always knew she'd marry him. He only knew her as his best friend's nerdy little sister. Ten years and one wild night later, the tables have turned.

Radioactive iodines are produced during the operation of nuclear power plants and during the detonation of nuclear weapons. In the event of a radiation incident, radioiodine is one of the contaminants that could be released into the environment. Exposure to radioiodine can lead to radiation injury to the thyroid, including thyroid cancer. Radiation to the thyroid from radioiodine can be limited by taking a nonradioactive iodine (stable iodine) such as potassium iodide. This book assesses strategies for the distribution and administration of potassium iodide (KI) in the event of a nuclear incident. The report says that potassium iodide pills should be available to everyone age 40 or younger--especially children and pregnant and lactating women--living near a nuclear power plant. States and municipalities should decide how to stockpile, distribute, and administer potassium iodide tablets, and federal agencies should keep a backup supply of tablets and be prepared to distribute them to affected areas.

"Separating himself from Lila puts Nathan in a level of hell he never knew existed. The journey is a spiraling descent where the beast inside is released and havoc reigns in the arena of self-destruction.
