In order to help, an East Coast marine biologist moves to town and brings her two teenage sons, Charlie and Sam. Adventurous boys who love to explore, they soon discover a trapped animal at Black Rock Cove. It is a type of animal they have never seen before-but the most shocking discovery comes when Sam realizes he can communicate with it! Eleven souls, suicide victims resulting from various issues including: bullying, unwanted teen pregnancy, drug addiction, and sexual abuse awaken from a cocoon-like state, to find themselves on a mysterious realm named Destaris. An Oshlu (spirit guide), named Maree, has been appointed to assist the fallen souls, who are universally intertwined through life experience. The teens must complete their self-interrupted spiritual journey in order to free themselves from the limbo-like realm and move on to the next. Oblivious to their soul's true desire, they are put through a series of tests that will ultimately deliver them, one by one, through a porthole to their final destination, Heaven or Hell. The group, quite content being free of their earth burdens, soon realize that they cannot escape their biggest nightmare: the inability to escape themselves. They race against time to complete their testing for spiritual growth, for the longer they remain on Destaris, the more they must cope with the return of their former earth burdens. On Destaris, these past hardships re-emerge with a cruel psychedelic twist, as the realm holds unknown bizarre powers beyond those of a simple Earth. Many resist cooperating, for fear of being claimed by the Devil, and become deeper entrenched within their limbo state. This frustrates Maree, as she needs to free every trapped soul in Destaris before she is freed herself. She loses patience when several become uncooperative, tempting her to force the teens out through any porthole she can.

Adam Lambert is a true Hollywood success story. Despite coming second in season eight of American Idol, losing out to Kris Allen, Lambert has become one of the most successful and admired American pop artists of the 21st century. With just two solo albums under his belt, he has sold over two million albums and four million singles worldwide. He has won numerous awards and been nominated for some of the most coveted prizes in the music industry, including the Grammys.
