

Breve Storia Del Tarantismo

"Gets right under Italy's skin. Few books about living in foreign climes are written as entertainingly, beautifully or romantically." -- Sydney Morning Herald WINNER OF THE GROLO RUZZENE FOUNDATION PRIZE When Chris travelled from Sydney to Dublin, he never dreamed his life was about to change forever. There he meets Daniela - one L, smile as you say it to pronounce it correctly - and it's amore at first sight. Before he can say si, he's uprooted to follow her to her sun-kissed hometown of Andrano, Puglia, tucked in the heel of southern Italy. The whitewashed houses, olive groves and cobblestone lanes are beautiful, but soon Chris is getting to grips with everyday Italian life. There's infuriating bureaucracy, an anarchic road system and - biggest challenge of all - Daniela's mamma, who's determined to convert him to the Catholic faith and build an extension on her house where the couple might live la dolce vita.

Italians love to talk about food. The aroma of a simmering ragú, the bouquet of a local wine, the remembrance of a past meal: Italians discuss these details as naturally as we talk about politics or sports, and often with the same flared tempers. In *Why Italians Love to Talk About Food*, Elena Kostioukovitch explores the phenomenon that first struck her as a newcomer to Italy: the Italian "culinary code," or way of talking about food. Along the way, she captures the fierce local pride that gives Italian cuisine its remarkable diversity. To come to know Italian food is to discover the differences of taste, language, and attitude that separate a Sicilian from a Piedmontese or a Venetian from a Sardinian. Try tasting Piedmontese bagna cauda, then a Lombard cassoela, then lamb ala Romana: each is part of a unique culinary tradition. In this learned, charming, and entertaining narrative, Kostioukovitch takes us on a journey through one of the world's richest and most adored food cultures. Organized according to region and colorfully designed with illustrations, maps, menus, and glossaries, *Why Italians Love to Talk About Food* will allow any reader to become as versed in the ways of Italian cooking as the most seasoned of chefs. Food lovers, history buffs, and gourmands alike will savor this exceptional celebration of Italy's culinary gifts.

Le tradizioni popolari legate al tarantolismo hanno generato culti e riti che hanno dato vita ad alcune delle più vitali musiche e danze popolari: tammurriate, tarantelle e pizziche, il cui rinnovato interesse tra i giovani sta suscitando un forte richiamo internazionale. L'autore analizza l'evoluzione di tali tradizioni, includendo i luoghi di ritrovo e le feste, le sagre e gli appuntamenti legati al culto della Taranta. La prefazione è un'intervista a Teresa De Sio, grande protagonista e studiosa di musica popolare.

Un libro unico sulla storia del documentario scritto da Adriano Aprà, uno dei grandi protagonisti della critica cinematografica italiana. La nonfiction, come preferisce denominarla l'autore, accompagna tutta la storia della Settima

Arte e ne attraversa generi e sperimentazioni. Un racconto per immagini, corredato da numerosi fotogrammi delle opere trattate, che ci restituisce tutta la valenza pittorica ed estetica del documentario, dalle origini al digitale.

With its roots in one of the most well known and long-lasting healing rituals to be found in Europe, the tarantula's dance has now become a popular music and dance craze. In this book the author examines the history and evolution of the ritual.

Restoration of stone buildings using traditional methods and materials.

Tarantella, a genre of Southern Italian folk music and dance, is an international phenomenon--seen and heard in popular festivals, performed across the Italian diaspora, even adapted for New Age spiritual practices. The boom in popularity has diversified tarantella in practice while setting it within a host of new, unexpected contexts. Incoronata Inserra ventures into the history, global circulation, and recontextualization of this fascinating genre. Examining tarantella's changing image and role among Italians and Italian Americans, Inserra illuminates how factors like tourism, translation, and world music venues have shifted the ethics of place embedded in the tarantella cultural tradition. Once rural, religious, and rooted, tarantella now thrives in settings urban, secular, migrant, and ethnic. Inserra reveals how the genre's changing dynamics contribute to reimagining Southern Italian identity. At the same time, they translate tarantella into a different kind of performance that serves new social and cultural groups and purposes. Indeed, as Inserra shows, tarantella's global growth promotes a reassessment of gender relations in the Italian South and helps create space for Italian and Italian-American women to reclaim gendered aspects of the genre.

La banca dati bibliografica "Bibliografia di storia della psichiatria italiana 1991-2010", a cura di Matteo Fiorani, dà conto di oltre 2.000 pubblicazioni sulla storia della psichiatria italiana apparse nell'ultimo ventennio. Vuole sostenere la ricerca, a più riprese avvertita come necessaria a partire dagli anni Novanta, di un nuovo approccio storiografico sulla psichiatria. Si propone inoltre come uno strumento di confronto con le riflessioni sempre attuali che il passato ci ha consegnato attorno a follia, salute mentale, psichiatria e società. La banca dati bibliografica offre la possibilità di compiere ricerche mirate facilitando l'accesso alle informazioni, ai fini di ricerca e di studio.

Anthropological view of the phenomenon of tarantism in Southern Italy ; dance, music and colours combined in a ritual to exorcise the victim of a mythical tarantula.
