

Bro On The Go Lvestore

I was too isolated. I was about to be evicted. I made a final desperate call to the man who ruined my life, but he didn't come for me. Someone else did. And then there was Seven. When I first woke in the cell, I thought he was my captor, but he is a pawn, like me. Seven is beautiful and kind. I want him so much I can barely breathe. He wants to protect me from our captor, but he can't. We are both locked inside a game neither of us can ever hope to win, and even though it's wrong, I'm starting to want both men, not just the good one... the monster as well. * This is a standalone dark contemporary romance

?DNS Exercise Journal - A brochure for kids This journal or DNS Fit Kid App is intended for coaches and therapists who use DNS FIT KID in their practice, particularly those working with young children and their parents. The application consists of twenty exercises based on five developmental positions and serves as a home exercise program for children aimed at both the treatment and prevention of musculoskeletal pain. More generally, these exercises can also be used as a fundamental, dynamic warm-up for not only common recreational play, but also youth athletic training. The DNS exercise app explains the developmental exercise positions to children in a fun, relatable manner, comparing them with the way animals characteristically move and pose. The concise text and colorful illustrations help to explain not only how the child ought to move, but also what they should feel during each movement or position. Of course, these also describe how to detect and correct errors and movement faults typically found with each exercise. Furthermore, in order to help train exercise transitions, movement memory, mimicry, and team exercise (while also incorporating speech development), the DNS app has included a variety of rhythmic songs that are meant to be sung along with every global movement routine. By incorporating both animal imagery and catchy songs into each routine, the DNS Fit Kid App motivates children to exercise regularly in a pleasurable, playful way, while also emphasizing DNS principles like optimal posture and ideal movement coordination.

From the author of the bestselling Hunters Ridge series comes this stand-alone twisty rural suspense, this time set against the dark backdrop of Tasmanian mountains. The highly anticipated new thriller from the author of the Hunters Ridge trilogy... Indiana O'Meara is no stranger to the forces of evil. Her own past is full of violence. Now a policewoman, Indy is always fighting to redeem herself and defeat the dark. So when girls begin to go missing at a remote cattle station in Tasmania, she is quick to agree to go undercover to investigate chief suspect Logan Atherton, the owner of Calico Mountain Lodge, even though last time she went undercover it came to a bloody end. But her early encounter with Logan reveals a man full of contradictions. His deep empathy for horses and those he cares for is obvious but he is also taciturn to the point of rudeness, and there is a strange atmosphere at the lodge. It doesn't add up. As Indy begins to dig deeper into the secrets at the lodge, she finds herself embroiled in a murderous web more complex and terrifying than she could ever have imagined...one that is linked to her own past.

Remove unconscious bias from business processes and create an environment of real inclusion where employees feel valued, able to be themselves and perform to their full potential while boosting company profits.

Detective Inspector C. D. Sloan puzzles over an industrialist crushed under the rubble of a church tower in this crime novel by a CWA Diamond Dagger winner. On the hottest day in living memory, Richard Mallory Tindall, the owner of a patent firm, does not return home to Cleete village. When a man is found crushed to death, Tindall's case goes from missing person to homicide. In the course of solving murder cases, Detective Inspector C. D. Sloan has seen all manner of ugly death. But there's something particularly gruesome about this one, the body crushed beneath the marble and iron of an old Saxon church tower. With rubble blocking off access to the crime scene, no one can get close enough to inspect the body. What little evidence is available—a burned match, a black thread, an earring—doesn't bode well for a quick and easy solution. Even the legendarily cool-headed great detective might begin to crack when a second body turns up. And then an important file goes missing from Sloan's office. How does it all connect?

In this unforgettable novel of wicked pasts and secrets, radical rogue Samuel Charles Aubrey St. Aldwyn cannot resist the charms of wellborn Miss Lily Boscastle. Learn a broad range of techniques for dry flies, streamers, and wet flies by tying the modern flies that everyone is talking about. Author Tim Cammisa teaches you how to tie these simple but effective patterns and then how to take the techniques you've learned and use them for most of the other core patterns—old and new—that should be in your box. Includes information on the latest materials, tying tips from other tiers, and 16 patterns with recipes and complete step-by-step instructions.

A warm-hearted rural romance set among the scenic vineyards of the Margaret River from bestselling author Tricia Stringer, the authentic voice of Australian storytelling. Reserved high school teacher Keely Mitchell is more than ready for her holiday on the west coast of Australia, so when a medical emergency turns over all her plans and an intervention by a kind stranger finds her recovering in a Margaret River vineyard, she is at first downcast. Keely had wanted to put recent traumatic events out of her mind, and recuperating alone in a stranger's house won't help that. But slowly the lovely food, spectacular wine and beautiful landscape of the area begin to work their spell. As Keely makes friends with the locals and adapts to the rhythms of the vintner's year, she starts to feel part of the scenery too, particularly when her artwork and jewellery-making somehow find a home at Levallier Dell Wines. But clouds are on the horizon in the shape of a warring father and son, interfering family friends and a rival in love. Keely didn't mean to fall for anyone, but she can't help her feelings for clever, passionate wine-maker Flynn Levallier. Sadly, it seems he only has eyes for the beautiful Kat, daughter of a rival wine-maker. Can what Keely feels be real? Or is it just something in the wine? Falling for her best friend's older brother wasn't in the Fake Dating playbook. Callie's about to lose her job. Either she cleans up her debt, or her career at GG Financial is over. Despite the protests of her best friend's brother, Dean, she does the only thing she can think of; she finds employment with a date-for-hire company. NBA point guard Dean Kimball should be having the time of his life. But even his flourishing basketball career with Pittsburgh's brand new team can't help him forget about his feelings for his little sister's best friend. Apparently, distance really does make the heart grow fonder. Now, she's dating men for money, and he can't help but worry about what will happen if the date turns into

something more. In an attempt to save his heart, Dean proposes a plan: he'll pay Callie to be his girlfriend. Knowing she won't agree, he convinces her it's because he wants to win his ex-girlfriend back. Everything goes as planned, until feelings start to deepen. Now they both must decide if they can be truthful enough to allow themselves to fall in love.

A woman finds herself in need of protection and seduced by honor in this Novel of the Elder Races from New York Times bestselling author Thea Harrison. On the run from her former employer, Tess knows that she's vulnerable on her own amongst the Elder Races. That's why she decides to audition to become the human attendant of a powerful Vampyre of the Nightkind demesne. But while her position affords her the safety she seeks, her protector turns out to be more than she bargained for. The right-hand man of the Nightkind King, Xavier del Torro is both terrifying and alluring. While his true nature frightens Tess, she can't ignore the appeal of his innate sense of integrity and self-restraint. Thrown into Xavier's world, Tess must quickly learn to navigate the dangers—both to her life and to her heart. But the biggest threat comes from her own past...

Alex 'Hawk' James has a sordid and violent past, one that, in part, leaves him the single father of a little girl. His only solace is the world he's made within the Dogs of Fire Motorcycle Club. Payton Williams has everything under control. Her neat little world is as she has made it and she's happy with the life she's leading. But when a chance encounter with a gorgeous biker upends her tidy plans, she finds herself confronting things she'd been happy to gloss over... until now. Will Hawk and Payton's different worlds collide in chaos, or will they come together and heal the wounds of the past? Will a threat from someone out of Hawk's past destroy the trust he and Payton are building?

Her Knight In Shining Armor Came Armed With A Colt .45 Becca Sue Ellsworth is the youngest of the Texas Sweethearts and her biological clock is ticking loudly—especially since her three best friends are now married with children. In the first Chicago Aces romance from the bestselling author of the Heller Brothers Hockey series, a fun-loving free spirit tempts an uptight hockey star into opening himself up to love. As the captain of the Chicago Aces, Marc Dupuis is all business. The apartment he shares with his teammate and best friend, Duncan, is a refuge from the pressures of fame. But when the sexiest woman he’s ever seen interrupts his early morning coffee wearing only a skimpy cami and matching panties, Marc can’t exactly say he minds. Their chemistry is off the charts. Unfortunately, this girl’s no random puck bunny. She’s Duncan’s little sister—and she’s moving in. Lovey Armstrong could stare at Marc’s chiseled abs and listen to his French-Canadian accent all day. She just has no idea what’s going on inside his head: When he’s not charming her pants off, Marc makes a Zamboni machine seem warm and cuddly. Lovey knows the team’s bro code says no messing with sisters, but all these mixed messages are hard on a girl’s self-esteem—especially since she’s finally getting her new life together in Chicago. She decides he’s worth another shot . . . because if anyone can melt the ice around Marc’s heart, it’s Lovey. A dead man in a Maine diner serves up trouble for one young woman in this Agatha Award–nominated cozy mystery by the author of *Musseled Out*. An autumn chill has settled over Busman’s Harbor, Maine, but Julia Snowden is warming up the town by offering lobster stew at the local diner. When her landlord discovers a dead body in the walk-in refrigerator, Julia must figure out who ordered up a side of murder. Nothing’s colder than a corpse—especially one stashed inside a sub-zero fridge. The victim spent his last night on earth dining at the restaurant bar, so naturally Julia finds herself at the center of the ensuing investigation. Lost in the November fog, however, is who’d want to kill the unidentified stranger—and why. It might have something to do with a suspicious group of retirees and a decades-old tragedy to which they’re all connected. One thing’s for sure: Julia’s going to make solving this mystery her early bird special... Includes Traditional Maine Clambake Recipes! Praise for *Fogged Inn* “A cleverly crafted, character-driven whodunit that engages readers both intellectually and emotionally.”—*Crimespree Magazine* “An entirely surprising conclusion wraps up this smartly-plotted mystery whose heroine is intelligent and as appealing as the gorgeous Maine coast.”—*Kings River Life Magazine*

'In this great read, Giles Yeo ruthlessly and amusingly destroys the calorie as our most persistent diet myth.' Tim Spector, author of *Spoon-Fed* and *The Diet Myth* 'A tour de force by the wise and witty Professor Giles Yeo. As well as being one of the UK's foremost experts on the genetics of obesity, Professor Yeo knows how to tell a great story. After reading this brilliant book you will understand what the labels on food really tell us, and what they don't.' Michael Mosley, author of *The Fast 800* 'Giles Yeo knows that when it comes to motivating us to make better food choices, a little understanding goes a long way. He writes with a gift for making the science of diet interesting and a knack for telling us just what we need to know, and not too much more. Here he takes on the demon calories, and shows us why we should neither fear them, nor worship them, and certainly not count them. It's a book that will help you not just to eat better, but to enjoy eating better. And that's got to be worth having on your kitchen shelf.' Hugh Fearnley-Whittingstall Calorie information is ubiquitous. On packaged food, restaurant menus and online recipes we see authoritative numbers that tell us the calorie count of what we're about to consume. And we treat these numbers as gospel; counting, cutting, intermittently consuming and, if you believe some 'experts' out there, magically making them disappear. We all know, and governments advise, that losing weight is just a matter of burning more calories than we consume. Here's the thing, however, that most people have no idea about. ALL of the calorie counts that you see everywhere today, are WRONG. In *Why Calories Don't Count* Dr Giles Yeo, obesity researcher at Cambridge University,

challenges the conventional model and demonstrates that all calories are not created equal. He addresses why popular diets succeed, at least in the short term, and why they ultimately fail, and what your environment has to do with your bodyweight. Once you understand that calories don't count, you can begin to make different decisions about how you choose to eat, learning what you really need to be counting instead. Practical, science-based and full of illuminating anecdotes, this is the most entertaining dietary advice you'll ever read.

From the Sunday Times bestseller comes a stunning novel that will warm your heart 'The feeling you get when you read a Milly Johnson book should be bottled and made available on the NHS' Debbie Johnson 'Clear your house and clear your mind. Don't let life's clutter dictate to you. Throw it away and take back the control!' When Lou Winter picks up a dog-eared magazine in the dentist's waiting room and spots an article about clearing clutter, she little realises how it will change her life. What begins as an earnest spring clean soon spirals out of control. Lou's loved ones grow disgruntled. Why is clearing out cupboards suddenly more important than making his breakfast, her husband Phil wonders? The truth is, the more rubbish Lou lets go of, the more light and air can get to those painful, closed-up places at the centre of her heart. Even lovely Tom Broom, the man who delivers Lou's skips, starts to grow concerned about his sweetest customer. But Lou is a woman on a mission, and not even she knows where it will end . . . Praise for Milly Johnson: 'Every time you discover a new Milly book, it's like finding a pot of gold' heat 'A glorious, heartfelt novel' Rowan Coleman 'Absolutely loved it. Milly's writing is like getting a big hug with just the right amount of bite underneath. I was rooting for Bonnie from the start' Jane Fallon 'Bursting with warmth and joie de vivre' Jill Mansell 'Warm, optimistic and romantic' Katie Fforde

Discover a more lighthearted side of the funeral industry in this collection of real-life stories from the authors of Mortuary Confidential. Not knowing what to do, I sat on the church steps and waited. As the gravity of my failure began to well up in me, I began to cry . . . I Had Lost The Hearse! Funerals and the all the things that accompany them are traditionally somber, contemplative events in which the bereaved look to their undertaker to guide them through that most difficult of times. Of course, sometimes tradition gets thrown under the bus. From a dysfunctional family who turn their mother's wake into a full-blown riot, to funeral crashers looking for free meals, to a horse-drawn hearse taking the dearly departed for the ride of their afterlife, these accounts from actual undertakers will have you laughing, thinking, and gasping in disbelief. A literal graveyard of wild coincidences, slapstick humor, and touching moments, *Over Our Dead Bodies* explores the lighter side of the dead, the living, and the lone undertaker who must make it all go as planned—even if it doesn't. Praise for *Mortuary Confidential* "Outrageous funeral stories, dipped in beauty and morbid humor." —Caleb Wilde, author of *Confessions of a Funeral Director* "Curious, wildly honest stories that need to be told, but just not at the dinner table." —Dana Kollmann, author of *Never Suck a Dead Man's Hand* "As unpredictable and lively as a bunch of drunks at a New Orleans funeral." —Joe R. I love this book." —Jonathan Maberry, Bram Stoker Award-winning author of *They Bite!* And *Rot & Ruin* "These true mortuary tales are poignant—and suddenly, gaspi

For forty years John Hadden and his father of the same name fought at the dinner table

over politics, art, and various issues concerning America. One was haunted by what he had witnessed during his long CIA career, from Berlin to Tel Aviv; the other retreated to the Vermont woods to direct Shakespeare until finally he confronted his father at the table one last time with a tape recorder. *Conversations with a Masked Man* is a series of conversations Hadden had with his father about the older man's thirty-year career as a CIA officer and how American policy affected the family and the world. Father and son talk about John senior's early life as a kid in Manhattan, his training at West Point, the stench of bodies in Dresden after the war, Berlin and Vienna in the late forties and fifties at the height of the Cold War, the follies of the Cuban missile crisis, how he disobeyed orders to bomb Cairo while he was station chief in Israel during the Six-Day War, and treacherous office politics in Washington. The story unfolds in dialogue alternating with the writer's own memories and reflections. What emerges is hilarious, unexpectedly candid, and deeply personal. Combining the candid descriptions of the world of the CIA with intimate conversations between a father and son, this book is written for the political junkie, the psychologist, the art lover, or anybody who wonders who the hell their father really is.

A sensational debut novel perfect for fans of *Outlander* and *The Binding*. This is gothic, epic, romantic fantasy at its very best; a tale of magic, intrigue on dangerous waters and a love story for the ages.

A unique approach to the study of geothermal energy systems This book takes a unique, holistic approach to the interdisciplinary study of geothermal energy systems, combining low, medium, and high temperature applications into a logical order. The emphasis is on the concept that all geothermal projects contain common elements of a "thermal energy reservoir" that must be properly designed and managed. The book is organized into four sections that examine geothermal systems: energy utilization from resource and site characterization; energy harnessing; energy conversion (heat pumps, direct uses, and heat engines); and energy distribution and uses. Examples are provided to highlight fundamental concepts, in addition to more complex system design and simulation. Key features: Companion website containing software tools for application of fundamental principles and solutions to real-world problems. Balance of theory, fundamental principles, and practical application. Interdisciplinary treatment of the subject matter. *Geothermal Heat Pump & Heat Engine Systems: Theory and Practice* is a unique textbook for Energy Engineering and Mechanical Engineering students as well as practicing engineers who are involved with low-enthalpy geothermal energy systems.

World-renowned behavioral scientists Jane Goodall and Marc Bekoff have set forth ten trusts that we must honor as custodians of the planet. They argue passionately and persuasively that if we put these trusts to work in our lives, the earth and all its inhabitants will be able to live together harmoniously. The Ten Trusts expands the concept of our obligation to live in close relationship with animals -- for, of course, we humans are part of the animal kingdom -- challenging us to respect the interconnection between all living beings as we learn to care about and appreciate all species. The world is changing. We are gradually becoming more aware of the damage we are inflicting on the natural world. At this critical moment for the earth, Goodall and Bekoff share their hope and vision of a world where human cruelty and hatred are transformed into compassion and love for all living beings. They dream of a day when scientists and non-scientists can work together to transform the earth into a place where human beings live in peace and harmony with animals and the natural world. Simple yet profound, The Ten Trusts will not only change your perspective regarding how we live on this planet, it will establish your responsibilities as a steward of the natural world and show you how to live with respect for all life.

Being an adult has its advantages... Lucas Abbott and his identical twin grew up

sharing everything—including a reputation for funny, idiotic behavior. But now that Lucas is ready to shed that lovable-idiot image, grow up and have a real, adult relationship, the joke's on him. He and his twin have fallen for the same woman. Crushed and hoping a few days on the slopes will work out his frustrations, he heads for Stowe, Vermont. "Why would the police come back looking for a dead man? Young widow Tilly is

making a new life for herself, keeping house for the rangers at the Binboona Wildlife Sanctuary in the isolated wilderness of the north-western Gulf Country. Caring for injured wildlife and helping to run the popular tourist campsite are just the distraction she needs from everything she left behind when her husband, Gerry, and young daughter were lost at sea. But when the police show up asking questions about Gerry, the peaceful routine she's built is disrupted as she begins to question what really happened to her family. The arrival of botanist Connor stirs up even more emotion and has Tilly questioning who she can trust. When she and young ranger Luke stumble across evidence of wildlife smugglers on a visit to the local caves, suddenly her sanctuary is no longer safe and it becomes clear the past has well and truly come back to haunt her. Set against the lush backdrop of the Northern Territory with its vibrant birds and deadly wildlife, this is a chilling and highly evocative family mystery about the wild and dangerous things that can happen in the most remote and untamed corners of our country."--Publisher.

The first thrilling instalment in a legendary historical adventure series. Paris, 1307. The Knights Templar have been destroyed by Pope Clement, having been persuaded by a jealous king that they are corrupt devil worshippers. There is one survivor – a knight who swears vengeance. Devon, 1316. A charred body is discovered in a burned-out cottage, and newly appointed Bailiff, Simon Puttock, believes it to be accidental. Until the new master of the local manor, Sir Baldwin Furnhill, deduces that they were dead before the fire began. With the assistance of the astute yet strangely reticent knight, Simon begins to piece together the events of the man's last days. Then word comes of another, far more sinister murder – for in this case, the victim was undoubtedly burned alive. Are the two incidents connected, and will the killer strike again? An absolutely sensational historical mystery by a true master of the genre, ideal for fans of S. J. A. Turney, K. M. Ashman and Bernard Cornwell. Praise for Michael Jecks 'Marvellously portrayed' C. J. Sansom 'Michael Jecks is the master of the medieval whodunnit' Robert Low 'The most wickedly plotted medieval mystery novels' The Times In a stock market environment dominated by professional investors, *A Few Good Eggs in One Basket* offers a plain-talk approach to profitability by selecting and managing an investment portfolio of common stocks for an individual. Author Richard L. Gunderson, who has been an investor for more than forty years, outlines an enduring framework that improves the odds for the individual investor to exceed the performance of the market over the long term by buying good companies at bargain prices. He outlines what constitutes a good company and how to determine when a price meets the test of being a bargain. *A Few Good Eggs in One Basket* also helps individual investors by discussing what to look for; where to look; when to buy; when to sell; and how many stocks to own. *A Few Good Eggs in One Basket* presents a prescription designed to take advantage of opportunities created by market overreaction to bad news and disappointing results. Gunderson believes there are always bargains at any time and in any

market. The challenge is to consistently apply a disciplined approach to identifying the unusual and favorable opportunities and concentrating a portfolio on those stocks representing the best combination of overall quality and intrinsic value.

Protecting the innocent comes at a cost, and what seems to be a sleepy, quiet town is anything but. "A compelling story that touches on powerful social issues" Bookbub Reviewer NY Times & USA Today bestselling author Lorhainne Eckhart brings you the first book in a new crossover series! The social worker and the cop, an unlikely couple drawn together on a small, secluded Pacific Northwest island where nothing is as it seems. Billy-Jo McCabe never expected to become a social worker, considering the broken system nearly destroyed her. Shortly after she takes a job on a remote Pacific Northwest island, she gets a call about a missing girl. Meanwhile Roche Harbor detective Mark Friessen is called in to investigate the disappearance, but instead of working with the newly appointed social worker, he ends up butting heads and clashing with her every step of the way. Billy-Jo becomes the rival he does his best to avoid, considering the only conversations they have involve her pointing out his shortcomings and arrogance. But when Billy-Jo finds herself in over her head, she's forced to team up with the man who has the uncanny ability to bring out the worst in her and together, they come up against close-mouthed locals, island secrets that hit too close to home, and the realization that their case about finding and helping a young girl has turned into something far more sinister.

When the Patterson daughters return home to Meadow Brook to be with their father after their mother's death, they bring with them a world of complication and trouble. The eldest sister, obstetrician Madeleine, would rather be anywhere but her hometown, violinist Abigail has fled from her stellar career, while teacher Lucinda is struggling to have the children she and her husband so desperately want. The black sheep of the family, Charlie, feels her life as a barista and exercise instructor doesn't measure up to that of her gifted and successful sisters. Dealing with their bereft father who is determined to sell the family motel, their loves old and new and a series of troublesome decisions doesn't make life any easier, but when they go through their mother's possessions and uncover the shocking secret of an old family curse, they begin to question everything they thought they knew.

Banks has told his story in a raw and honest autobiography. It is the best true crime book published in Australia in a decade.' -John Silvester, Crime Reporter for The Age Undercover was like guerrilla warfare; to understand your enemy, you had to walk amongst them, to become them. The trick was to keep an eye on that important line between who you were and who you were pretending to be. This is the true story of Keith Banks, one of Queensland's most decorated police officers, and his journey into the world of drugs as an undercover operative in the 1980s. In an era of corruption, often alone and with no backup, he and other undercover cops quickly learned to blend into the drug scene, smoking dope and drinking with targets, buying drugs and then having dealers arrested. Very quickly, the lines between his identity as a police officer and the life he pretended to be part of became blurred. This is a raw

and confronting story of undercover cops who all became casualties of that era, some more than others, when not everyone with a badge could be trusted.

One stormy night, Erin swerves to avoid a dog in the road?only to end up crashing in the river. Struggling from the wreckage, she picks up the abandoned dog and wanders until she finds a clinic. The doctor, Dom, takes them both in; his warmth makes her chest so tight... The next day, out of nowhere, Erin offers to help Dom since he's so busy. Perhaps by his side, she can find meaning that can counter the listlessness she feels.

Nelson Connect with History for the Australian Curriculum Year 7 will be the first in a series of four books that address the new Junior National History Curriculum, and is to be viewed as a whole package that includes both book and digital resources. The student book is structured to facilitate the pedagogy of the Australian Curriculum for junior history within the context of world history. The Year 7 text covers the period from the earliest human communities to the end of the ancient period (c.60,000BP to c.500AD). Students will discover all about the ancient world, what we know and what we do not know about the ancient past through engaging site studies and a history mysteriesa , why and where did the earliest societies develop and what were the defining characteristics of these emerging ancient societies. The student will come to know about the legacies of these ancient societies and in doing so, make connections with the past. Visual timelines are a feature of the book and are highly effective in illustrating key points. The depth studies allow the student to zoom in deeper into an ancient society of choice to discover how people lived in these times, what type of clothes and what kind of jewellery they wore, how they practiced their religious beliefs, how they were governed, what they built and ultimately how they fought and what were the lasting legacies these societies left behind today. Nelson Connect with History for the Australian Curriculum Year 7 is all about making the connections with our ancient past.

Princess. Tribute. Sacrifice. Is she the one prophesied to unite two warring Fae courts? Or the one bound to destroy them? In a realm ruled by magic, the ruthless Queen of Thorns is determined to destroy her nemesis, the cursed Prince of Evernight. With war brewing between the bitter enemies, the prince forces Queen Adaia to uphold an ancient treaty: she will send one of her daughters to his court as a political hostage for three months. The queen insists it's the perfect opportunity for Princess Iskvien to end the war before it begins. But one look into Thiago's smoldering eyes and Vi knows she's no assassin. The more secrets she uncovers about the prince and his court, the more she begins to question her mother's motives. Who is the true enemy? The dark prince who threatens her heart? Or the ruthless queen who will stop at nothing to destroy him? And when the curse threatens to shatter both courts, is her heart strong enough to break it?
