In this book your child will find: over 60 units covering the basic rules of spelling and vocabulary a wide variety of interesting activities a mastery test for each level to measure progress a lift-out answer section

Building on Michael Graves's bestseller, *The Vocabulary Book*, this new resource offers a comprehensive plan for vocabulary instruction that K–12 teachers can use with English language learners. It is broad enough to include instruction for students who are just beginning to build their English vocabularies, as well as for students whose English vocabularies are approaching those of native speakers. The authors describe a four-pronged program that follows these key components: providing rich and varied language experiences; teaching individual words; teaching word learning strategies; and fostering word consciousness. This user-friendly book integrates up-to-date research on best practices into each chapter and includes vignettes, classroom

activities, sample lessons, a list of children's literature, and more.

This instructor's edition of a vocabulary textbook for college students, who read at the fifth to eighth grade level, features 25 chapters and teaches 250 basic words. The first and third chapters in each unit contain word-part practices. The second and fourth chapters in each unit contain synonym-antonym practices. The book's last chapter in each unit contains an analogy practice, review, and test. Also included is an answer key, a section on dictionary use, and a word list. The student edition is identical to the instructor's edition except that answers are not provided. (CR)

Facilitate a love of language in children of all ages with Building Essential Vocabulary! This 96-page book includes more than 400 reproducible photo cards, games, puzzles, and activities that provide vocabulary instruction.
