It's a planner, to-do list, and diary for every aspect of your life: work, home, relationships, hobbies, everything. Early adopter Rachel Wilkerson Miller explains how to make a dot journal work for you—whether you find the picture-perfect examples on Pinterest inspiring or, well, intimidating. You decide how simple or elaborate your journal will be, and what goes in there: Lists of your to-dos, to-don'ts, and more Symbols that will make those lists efficient and effective Spreads to plan your day, week, month, or year Trackers for your habits and goals (think health, money, travel) Accouterments such as washi tape, book darts, and more!
