“One of the most anticipated YA debuts of 2018, Brightly Burning is a gothic, romantic mystery with hints of Jane Eyre, Marissa Meyer, and Kiera Cass.” —Entertainment Weekly “Brightly Burning delivers a brooding gothic mystery and a swoony romance, all set in space. Donne’s atmospheric, twisty update of a cherished classic will keep you up late into the night!” —Elly Blake, NYT bestselling author of the Frostblood Saga Stella Ainsley leaves poverty behind when she quits her engineering job aboard the Stalwart to become a governess on a private ship. On the Rochester, there’s no water ration, more books than one person could devour in a lifetime, and an AI who seems more friend than robot. But no one warned Stella that the ship seems to be haunted, nor that it may be involved in a conspiracy that could topple the entire interstellar fleet. Surrounded by mysteries, Stella finds her equal in the brooding but kind nineteen-year-old Captain Hugo. When several attempts on his life spark more questions than answers, and the beautiful Bianca Ingram appears at Hugo’s request, his unpredictable behavior causes Stella’s suspicions to mount. Without knowing who to trust, Stella must decide whether to follow her head or her heart. Alexa Donne’s lush and enthralling reimaging of the classic Jane Eyre, set among the stars, will seduce and beguile you.

Adam is now the Nordar King of Kings and the most powerful human ruler to ever exist. Except he isn't human. He knows that he is Tiger. He knows that he has to save the universe. But all kings have enemies, and it's time to deliver some fucking payback. Elaka Nota is responsible for the agony and torture that Adam's wife Eve has endured, and the best way to remedy this is to take their most prized possessions. Possessions that might be Adam's best chance at destroying the Draugr.

A breathtaking, illustrated anthology featuring an animal poem for every day of the year by award-winning artist, Britta Teckentrup.

Ghosts and other supernatural phenomena are widely represented throughout modern culture. They can be found in any number of entertainment, commercial, and other contexts, but popular media or commodified representations of ghosts can be quite different from the beliefs people hold about them, based on tradition or direct experience. Personal belief and cultural tradition on the one hand, and popular and commercial representation on the other, nevertheless continually feed each other. They frequently share space in how people think about the supernatural. In *Haunting Experiences*, three well-known folklorists seek to broaden the discussion of ghost lore by examining it from a variety of angles in various modern contexts. Diane E. Goldstein, Sylvia Ann Grider, and Jeannie Banks Thomas take ghosts seriously, as they draw on contemporary scholarship that emphasizes both the basis of belief in experience (rather than mere fantasy) and the usefulness of ghost stories. They look closely at the narrative role of

such lore in matters such as socialization and gender. And they unravel the complex mix of mass media, commodification, and popular culture that today puts old spirits into new contexts.

He leaned close, his mouth by my ear, his breath tickling my neck. "When we're done with the next kiss, you won't even remember your name." I moved back and arched an eyebrow. "Oh really?" "It only gets hotter from here." I swallowed. "And the kiss after that, you'll be begging me, Adara." "For what?" I whispered the question. "For what only I can give you." Endre came close again, and I tried to back away, but found the cave at my back. He crowded me, forcing me into the jagged rock wall. "After this, I don't think we'll be able to stop at just kissing, do you?" "We can't just fall into bed together. That's crazy." "No. Not crazy. It's the magic of fate and fire. I'll play by your rules for now, but keeping me at a distance doesn't change anything. I'm yours and you're mine. Our flames will rise as one someday." ~\*~ USA Today and NY Times bestselling author Michelle Fox makes spontaneous human combustion sexy in a steamy, RONE finalist romance! ~\*~ Adara Brenton thinks she's an average girl: single and dreaming of romance. Also? In need of a job. As it turns out, horking up fireballs at work is the fast track to unemployment. Yes. Fireballs. See, in her family, spontaneous human combustion is genetic...like red hair, only, you know, fatal, and now it's her turn to burn. Endre Felman has lived deep inside a mountain for centuries, adding to his hoard and looking for his mate. Meeting Adara before she goes up in smoke gives him hope, but convincing her dragons are real, that he's the dragon of her heart, and keeping her alive through what's to come proves to be more difficult than he ever imagined. In the end, they may both burn to ash because no dragon lives forever without love. No cliffhanger. HEA ending. Novella length.

"Fascinating. Doidge's book is a remarkable and hopeful portrait of the endless adaptability of the human brain."—Oliver Sacks, MD, author of *The Man Who Mistook His Wife for a Hat* What is neuroplasticity? Is it possible to change your brain? Norman Doidge's inspiring guide to the new brain science explains all of this and more An astonishing new science called neuroplasticity is overthrowing the centuries-old notion that the human brain is immutable, and proving that it is, in fact, possible to change your brain. Psychoanalyst, Norman Doidge, M.D., traveled the country to meet both the brilliant scientists championing neuroplasticity, its healing powers, and the people whose lives they've transformed—people whose mental limitations, brain damage or brain trauma were seen as unalterable. We see a woman born with half a brain that rewired itself to work as a whole, blind people who learn to see, learning disorders cured, IQs raised, aging brains rejuvenated, stroke patients learning to speak, children with cerebral palsy learning to move with more grace, depression and anxiety disorders successfully treated, and lifelong character traits changed. Using these marvelous stories to probe mysteries of the body, emotion, love, sex, culture, and education, Dr. Doidge has written an immensely moving, inspiring book that will permanently alter the way we look at our brains, human nature, and human

This December, take a break from dreidel spinning, gelt winning, and latke eating to experience the joy of Chanukah. When you fall in love during the Festival of Lights, the world burns a whole lot brighter. It's definitely not love at first sight for Amanda and her cute but mysterious new neighbor, Ben. Can a Chanukah miracle show them that getting off on the wrong foot doesn't mean they can't walk the same road? Lawyers in love, Shari Cohen and Evan Sonntag are happy together. But in a moment of doubt, he pushes her away—then soon realizes he made a huge mistake. To win her back, it might take something like a Chanukah miracle. When impulsive interior designer Molly Baker-Stein barges into Jon Adelman's apartment and his life intent on planning the best Chanukah party their building has ever seen, neither expects that together they just might discover a Home for Chanukah. All Tamar expected from her Israel vacation was time to hang out with one of her besties and to act like a tourist, cheesy t-shirt and all, in her two favorite cities. She definitely was not expecting to fall for Avi, a handsome soldier who's more than she ever dreamed.

In the tradition of Memento and Inception comes a thrilling and scary young adult novel about blurred reality where characters in a story find that a deadly and horrifying world exists in the space between the written lines. Emma Lindsay has problems: no parents, a crazy guardian, and all those times when she blinks away, dropping into other lives so surreal it's as if the story of her life bleeds into theirs. But one thing Emma has never doubted is that she's real. Then she writes "White Space," which turns out to be a dead ringer for part of an unfinished novel by a long-dead writer. In the novel, characters travel between different stories. When Emma blinks, she might be doing the same. Before long, she's dropped into the very story she thought she'd written. Emma meets other kids like her. They discover that they may be nothing more than characters written into being for a very specific purpose. What they must uncover is why they've been brought to this place, before someone pens their end.

An extraordinary novel about loss, understanding and the importance of speaking up when all you want to do is shut down. From an incredible new talent, perfect for fans of Angie Thomas, Gayle Foreman, Jennifer Niven and Nikesh Shukla.

Can a disabled veteran and a magical dancer learn the secret of dreamwalk, or will demons turn the world into an all-you-can-eat buffet? Disabled, scarred veteran Idrián Odair is running out of time. If he doesn't figure out how to use earth magic to renew the barrier protecting his tribal lands near Magic, New Mexico soon, they'll be vulnerable to marauders, thieves, and worst of all, tourists. Trouble is, his grandfather died before telling him the secret, and Idrián is the only dreamwalk warrior left. Except for the stunning dancer he saw only once and can't forget. Riya Sanobal, mostly human dancer in Denver, is about to be named artistic director of a dance company. She can't stop thinking about the sexy, eagle-footed warrior she's been dreaming about for weeks. Especially since she has to deal with with an obnoxious visiting star and a big donor with an off-the-charts sleaze factor. When Idrián's grandfather insists they must drive to Denver to protect the dancer, finding her turns out to be the easy part. A powerful, greedy demon wants to invite more of his kind to town to make the world an all-you-can-eat buffet. He needs a dancer to do it, and he's targeted Riya. If he discovers Riya's gift for portal magic, he'll never let her go. Not if Idrián has anything to say about it. But even stealing Riya away and spiriting her to his New Mexico home won't save them if they can't figure out the secret of dreamwalk. In *Graves Below* is part of S.E. Smith's *The Worlds of Magic*, New Mexico, where creatures of fairy tales, myth, and nightmares are free to be themselves and find their happily ever after. - - - - Note to Readers: This is a re-release of a story was originally published via the Magic, New Mexico worlds program. James Donovan, shipwrecked on a strange, alien planet, must fight for his life in the arena against an alien twice his size. The Tyger shifter is gorgeous, powerful, and set on killing him. When Donovan shows reckless courage, the alien spares his life and takes him to be his submissive captive against his will. The young Alliance pilot tries to accept his fate, and against all odds he falls in love with his captor, Ragan. Yet on this planet, mating with a fierce and beautiful Tyger male means having to prove your ingenuity and bravery by participating in a deadly game of cat and mouse with his Tyger mate, while thousands watch on closed-circuit television. In his bestial form, Tyger won't recognize his mate and will try his best to kill him. Can Donovan outwit the game, survive the contest, and find happiness, or will the challenge prove to be too great? \*\* A Siren Erotic Romance

From #1 New York Times bestselling author Jennifer L. Armentrout comes a new novel in her Blood and Ash series... Is Love Stronger Than Vengeance? A Betrayal... Everything Poppy has ever believed in is a lie, including the man she was falling in love with. Thrust among those who see her as a symbol of a monstrous kingdom, she barely knows who she is without the veil of the Maiden. But what she does know is that nothing is as dangerous to her as him. The Dark One. The Prince of Atlantia. He wants her to fight him, and that's one order she's more than happy to obey. He may have taken her, but he will never have her. A Choice.... Casteel Da'Neer is known by many names and many faces. His lies are as seductive as his touch. His truths as sensual as his bite. Poppy knows better than to trust him. He needs her alive, healthy, and whole to achieve his goals. But he's the only way for her to get what she wants—to find her brother Ian and see for herself if he has become a soulless Ascended. Working with Casteel instead of against him presents its own risks. He still tempts her with every breath, offering up all she's ever wanted. Casteel has plans for her. Ones that could expose her to unimaginable pleasure and unfathomable pain. Plans that will force her to look beyond everything she thought she knew about herself—about him. Plans that could bind their lives together in unexpected ways that neither kingdom is prepared for. And she's far too reckless, too hungry, to resist the temptation. A Secret... But unrest has grown in Atlantia as they await the return of their Prince. Whispers of war have become stronger, and Poppy is

at the very heart of it all. The King wants to use her to send a message. The Descenters want her dead. The wolveren are growing more unpredictable. And as her abilities to feel pain and emotion begin to grow and strengthen, the Atlantians start to fear her. Dark secrets are at play, ones steeped in the blood-drenched sins of two kingdoms that would do anything to keep the truth hidden. But when the earth begins to shake, and the skies start to bleed, it may already be too late. Reeling for the news of his fate, Adam decides to chase the one clue that might lead him toward answers: his sister. But the other Nordar clans have heard of the change in power, and they come to challenge his rule. The tiger will have to assert control over his new empire and kill all that stand in his way. Before he goes insane.

Adam has one mission: Hunt down the Magate Order and recover his kidnapped crew before they are lost forever. Unfortunately, his life has been bound to the Prime Valkyrie, and if Adam doesn't submit to her powerful father, he'll be executed. But the genetically engineered Marine submits to no man, and the king of the Vaish Overlord Clan is about to find out what happens when you try and kill a tiger.

Over the course of his thirty years of investigation into UFOs, including his own field research, photographic evidence, and meticulously compiled case studies, Philip Imbrogno has provided fascinating new insight into paranormal phenomena. In this book, he reveals for the first time the detailed findings of prominent paranormal experts as well as his own firsthand experiences. Using the latest quantum theories, Imbrogno sheds new light on classic UFO cases, government cover-ups, and the hidden connections between UFOs and other unexplained phenomena—from crop circles and animal mutilations to angels and jinn (or genies). Imbrogno's insider knowledge spans the very early UFO reports to present-day sightings. He personally investigated four of the best-known UFO flaps of the modern era—Hudson Valley, Phoenix lights, the Belgium sightings, and the Gulf Breeze Florida sightings—and shares information never released before, including photographic evidence that something very unusual is taking place on planet Earth.

From the New York Times and internationally bestselling authors of the Illuminae Files comes a new science fiction epic . . . The year is 2380, and the graduating cadets of Aurora Academy are being assigned their first missions. Star pupil Tyler Jones is ready to recruit the squad of his dreams, but his own boneheaded heroism sees him stuck with the dregs nobody else in the academy would touch . . . A cocky diplomat with a black belt in sarcasm A sociopath scientist with a fondness for shooting her bunkmates A smart-ass tech whiz with the galaxy's biggest chip on his shoulder An alien warrior with anger-management issues A tomboy pilot who's totally not into him, in case you were wondering And Ty's squad isn't even his biggest problem--that'd be Aurora Jie-Lin O'Malley, the girl he's just rescued from interdimensional space. Trapped in cryo-sleep for two centuries, Auri is a girl out of time and out of her depth. But she could be the catalyst that starts a war millions of years in the making, and Tyler's squad of losers, discipline cases, and misfits might just be the last hope for the entire galaxy. NOBODY PANIC.

Following the hint given by Persephone, the crew arrives at planet Y-114-a. What they find throws them into an impossible struggle against an army of deadly robots, a corrupt corporation wishing to enslave the planet, and an evil that is more ancient than the galaxy. And this time, they might not all make it out alive.

SUMMER" From Danielle Vega, YA's answer to Stephen King, comes a new paranormal novel about dark family secrets, deep-seated vengeance, and the horrifying truth that evil often lurks in the unlikeliest of places. Clean slate. That's what Hendricks Becker-O'Malley's parents said when they moved their family to the tiny town of Drearfield, New York. Hendricks wants to lay low and forget her dark, traumatic past. Forget him. But things don't go as planned. Hendricks learns from new friends at school that Steele House--the fixer upper her parents are so excited about--is notorious in town. Local legend says it's haunted. But Hendricks isn't sure if it's the demons of her past haunting her ...or of the present. Voices whisper in her ear as she lays in bed. Doors lock on their own. And, then, one night, things take a violent turn. With help from the mysterious boy next door, Hendricks makes it her mission to take down the ghosts . . . if they don't take her first.

To save the galaxy, Adam and his wives must conquer the remaining three Nordar Blood Overlord Clans. But when the Queen of the Idonan Clan escapes capture, the six most veteran of the Valkyries challenge the new king to mortal combat. These are women who have never lost in combat to a man, but they are about to learn what happens when you catch a tiger by his tail.

It's the beginning of senior year and Yuki's psychic awareness of ghostly spirits is threatening to ruin her life. Her ability to sense spirits of the dead isn't glamorous like the ghost hunting on television. SHE SMELLS THE DEAD. The smell impressions are becoming stronger. Yuki is being visited in her dreams, and she suspects that her friend Calvin is involved in something strange. To make matters worse her crush on Garrett is going unrequited, Yuki's friend Emma is on a rampage against bee oppression, and annoying Calvin Miller mysteriously disappears. Will Yuki be able to focus her powers in time to save the lost soul who is haunting her? Meanwhile, who will save Yuki from following the spirits into the light?

Our heroes are back . . . kind of. From the bestselling co-authors of the Illuminae Files comes the second book in the epic Aurora Cycle series about a squad of misfits, losers, and discipline cases who just might be the galaxy's best hope for survival. First, the bad news: an ancient evil--you know, your standard consume-all-life-in-the-galaxy deal--is about to be unleashed. The good news? Squad 312 is standing by to save the day. They've just got to take care of a few small distractions first. Like the clan of gremps who'd like to rearrange their favorite faces. And the cadre of illegit GIA agents with creepy flowers where their eyes used to be, who'll stop at nothing to get their hands on Auri. Then there's Kal's long-lost sister, who's not exactly happy to see her baby brother, and has a Syldrathi army at her back. With half the known galaxy on their tails, Squad 312 has never felt so wanted. When they learn the Hadfield has been found, it's time to come out of hiding. Two centuries ago, the colony ship vanished, leaving Auri as its sole survivor. Now, its black box might be what saves them. But time is short, and if Auri can't learn to master her powers as a Trigger, the squad and all their admirers are going to be deader than the Great Ultrasaur of Abraaxis IV. Shocking revelations, bank heists, mysterious gifts, inappropriately tight bodysuits, and an epic firefight will determine the fate of the Aurora Legion's most unforgettable heroes--and maybe the rest of the galaxy as well.

Adam's quest to destroy the SAVO is in its final phase. He has his unstoppable Space Viking navy, his Tiger powers, and his band of beautiful and deadly women. He's just missing one thing: A fleet that can take him and his fighting force 90,000 light-years away to the other side of the Milky Way. Fortunately, Adam knows where to find the last two Shadow Eagles, and no corp, alien, or pirate will prevent him from adding the beautiful dark angels to his harem.

Adam, Eve, and Z have narrowly escaped the clutches of Elaka Nota Corporation and exited hyperspace around the orbit of Queen's Hat Station- where they intend to re-stock and repair Persephone. Instead, our heroes find themselves in the middle of an undercover police operation, gang war, and terrorist plot that threatens the two million

Control dinosaurs. Tame women. Rule the world. Victor and his tribe of beautiful women prepare to leave their fort and journey to their new base, but as usual with Dinosaurland, things never go according to plan. Now Victor must protect all of his tribe without the aid of walls, and an old enemy gathers an army to give chase. Victor will have to use every power at his disposal to protect his women, and the journey will uncover new secrets of this strange world.

The final battle between Adam and the unstoppable SAVO has arrived. Odin's avatar has his amazing wives, an army of tiger-men soldiers, vampire witches, goddess-angel space-ships, and an entire Space Viking navy. But the draugr are older than the galaxy itself, and their evil and hunger cannot be measured by any mortal. And their queen knows that Adam is coming. She's been waiting an eternity to destroy him.

During one month in the autumn of election year 2000, scores of movie-business strivers are focused on one goal: getting a piece of an elusive, but surely huge, television saga, the one that opens with Huns sweeping through Mongolia and closes with a Mormon diviner in the Las Vegas desert; the sure-to-please-everyone multigenerational TV miniseries about diviners, those miracle workers who bring water to perpetually thirsty (and hungry and love-starved) humankind. Among the wannabes: Vanessa Meandro, hot-tempered head of Means of Production, an indie film company; her harried and varied staff; a Sikh cab driver, promoted to the office of -theory and practice of TV; a bipolar bicycle messenger, who makes a fateful mis-delivery; two celebrity publicists, the Vanderbilt girls; a thriller writer who gives Botox parties; the daughter of an L.A. big-shot, who is hired to fetch Vanessa's Krispy Kremes and more; a word man who coined the phrase -- inspired by a true story; and a supreme court justice who wants to write the script. A few true artists surface in the course of Moody's rollicking but intricately woven novel, and real emotion eventually blossoms for most of Vanessa's staff at Means of Production, even herself. The Diviners is a cautionary tale about pointless ambition; a richly detailed look at the interlocking worlds of money, politics, addiction, sex, work, and family in modern America; and a masterpiece of comedy that will bring Rick Moody to a still higher level of appreciation.

The crew of Persephone only has 300 days to find help for the planet of Uraniel. They return to Queen's Hat Station with hopes of recruiting more people for their ship, or finding any leads about the super-powered aliens threatening the galaxy. But Elaka Nota is waiting for them on Queen's Hat, and the conflict sets the crew of Persephone on a path that will change their friendship forever.

Jung's lifelong interest in the paranormal contributed significantly to the development of his influential but controversial theory of synchronicity. In this volume Roderick Main brings together a selection of Jung's writings on topics from well-known and less accessible sources to explore the close relationship between them. In a searching introduction he addresses all the main aspects of synchronicity and clarifies the confusions and difficulties commonly experienced by readers interested in achieving a real understanding of what Jung had to say. This book provides an excellent companion to Jung's *Synchronicity: An Acausal Connecting Principle* (Routledge) and reveals the full extent and range of Jung's researches into a range of psychic phenomena which are still not yet adequately explained.

**THE #1 NEW YORK TIMES BESTSELLER** In her bestselling Alpha and Omega series, Patricia Briggs "spins tales of werewolves, coyote shifters, and magic and, my, does she do it well" (USA Today Online). Now mated werewolves Charles Cornick and Anna Latham face a threat like no other--one that lurks too close to home... They are the wild and the broken. The werewolves too damaged to live safely among their own kind. For their own good, they have been exiled to the outskirts of Aspen Creek, Montana. Close enough to the Marrok's pack to have its support; far enough away to not cause any harm. With their Alpha out of the country, Charles and Anna are on call when an SOS comes in from the fae mate of one such wildling. Heading into the mountainous wilderness, they interrupt the abduction of the wolf--but can't stop blood from being shed. Now Charles and Anna must use their skills--his as enforcer, hers as peacemaker--to track down the attackers, reopening a painful chapter in the past that springs from the darkest magic of the witchborn...

Probing deeply into the C.G. Jung's theory of synchronicity, Roderick Main clarifies issues that have long been a source of confusion to interested readers. 30 halftones.

streets of New York City. She is used to being alone. But now someone is following Risika. Someone has left her a black rose, the same sort of rose that sealed her fate three hundred years ago. Three hundred years ago Risika had a family -- a brother and a sister who loved her. Three hundred years ago she was human. Now she is a vampire, a powerful one. And her past has come back to torment her. This atmospheric, haunting tale marks the stunning debut of a promising fourteen-year-old novelist. From the Hardcover edition.

Adam, Eve, and Z have successfully escaped the grasp of the Elaka Nota Corporation. Their plan was simple: arrive at the trading outpost on Gliese 876 - C's moon, look for honest work, and buy supplies for their strange new starship. But the team soon finds themselves fighting for the freedom of an entire planet, and the weretiger space marine, powerful vampire, and snarky hacker will have to use all their abilities to survive.

A new edition of an occult classic, which includes a new introduction by Mary K. Greer, author of *Women of the Golden Dawn*, and a new afterword with excerpts from rarely seen documents by Fortune herself describing how the book came about. After finding herself the subject of a powerful psychic attack in the 1930s, famed British occultist Dion Fortune wrote this detailed instruction manual on protecting oneself from paranormal attack. This classic psychic self-defense guide explains how to understand the signs of a psychic attack, vampirism, hauntings, and methods of defense. Everything you need to know about the methods, motives, and physical aspects of a psychic attack and how to overcome it is here, along with a look at the role psychic elements play in mental illness and how to recognize them. This is one of the best guides to detection and defense against psychic attack from one of the leading occult writers of the twentieth century.
