a powerful collection of wartime memories. Abirached was born in Lebanon in 1981. She grew up in Beirut as fighting between Christians and Muslims divided the city streets. Follow her past cars riddled with bullet holes, into taxi cabs that travel where buses refuse to go, and on outings to collect shrapnel from the sidewalk. With striking black-and-white artwork, Abirached recalls the details of ordinary life inside a war zone.

Learn about what taxis do and who uses them.

Introduces jet planes, how they work, and for what purposes they are used.

"Windy Lake is a fictional First Nation in the midst of the boreal forest and a connection of lakes and rivers. The community is conflicted over a nearby mine, which has the support of the Chief and Council, but is a source of concern for First Nation families connected to the land. As part of the agreement with the community, the mine must do an archeological assessment of any new land they disturb. Unfortunately, soon after his arrival, the old archeologist goes missing. It's a perfect case for The Mighty Muskrats, a group of cousins: Sam, Chickadee, Otter and Atim who use the mysteries they come across to explore their community, their culture, the land and its history."--

Describes what forklifts are and how they work.

Introduces the functions and parts of dump trucks.
