**Thomas Donaldson, Patricia Hogue Werhane**

**Business & Society** Ann K. Buchholtz, Archie B. Carroll, 2012 Learn to make strong business decisions with a better understanding of business ethics, sustainability and stakeholder management from a strong managerial perspective. BUSINESS AND SOCIETY: ETHICS AND STAKEHOLDER MANAGEMENT, 8E, International Edition demonstrates how the most successful business decision makers balance and protect the interests of various stakeholders, including investors, employees, the community, and the environment -- particularly as business recovers from a perilous financial period. The authors effectively balance strong coverage of ethics and the stakeholder model with a new focus on one of business's most recent, urgent mandates: sustainability. Coverage highlights the connection between business and the natural, social, and financial environments, illustrating how all three must be maintained in balance to sustain current and future generations. New actual business cases, real applications and today's latest business examples present you with specific business challenges that test your values and require you to focus your reasoning skills for ongoing success in today's workplace.

Business & Society Archie B. Carroll, Ann K. Buchholtz, 2006 BUSINESS AND SOCIETY employs a stakeholder management framework. This framework emphasizes a business's social, legal, political, and ethical responsibilities to both external and internal groups that have a stake, or interest, in that business. It is a fundamental goal of the course that students really get that responsible business decision makers strive to balance and protect the interests of various stakeholders-investors, employees, community, environment, etc. An emphasis is also placed on the fact that one needs to understand that business situations will continually arise that will truly test one's values and ethics. BUSINESS AND SOCIETY not only exposes students to diverse and important stakeholder and ethical frameworks for considering and protecting stakeholder interests, through its use of cases and other real-world applications, this text enhances the precision with which students think about and practice ethical decision making. Opportunities to apply stakeholder and ethical systems to specific business problems abound, and questions are provided with all cases and applications to focus student reasoning, ensuring excellent preparation for class discussions.

**Girl, Woman, Other** Bernardine Evaristo, 2019-11-05 NATIONAL BESTSELLER WINNER OF THE BOOKER PRIZE “A must-read about modern Britain and womanhood . . . An impressive, fierce novel about the lives of black British families, their struggles, pains, laughter, longings and loves . . . Her style is passionate, razor-sharp, brimming with energy and

humor. There is never a single moment of dullness in this book and the pace does not allow you to turn away from its momentum.” —Booker Prize Judges Bernardine Evaristo is the winner of the 2019 Booker Prize and the first black woman to receive this highest literary honor in the English language. *Girl, Woman, Other* is a magnificent portrayal of the intersections of identity and a moving and hopeful story of an interconnected group of Black British women that paints a vivid portrait of the state of contemporary Britain and looks back to the legacy of Britain’s colonial history in Africa and the Caribbean. The twelve central characters of this multi-voiced novel lead vastly different lives: Amma is a newly acclaimed playwright whose work often explores her Black lesbian identity; her old friend Shirley is a teacher, jaded after decades of work in London’s funding-deprived schools; Carole, one of Shirley’s former students, is a successful investment banker; Carole’s mother Bummi works as a cleaner and worries about her daughter’s lack of rootedness despite her obvious achievements. From a nonbinary social media influencer to a 93-year-old woman living on a farm in Northern England, these unforgettable characters also intersect in shared aspects of their identities, from age to race to sexuality to class. Sparklingly witty and filled with emotion, centering voices we often see othered, and written in an innovative fast-moving form that borrows technique from poetry, *Girl, Woman, Other* is a polyphonic and richly textured social novel that shows a side of Britain we rarely see, one that reminds us of all that connects us to our neighbors, even in times when we are encouraged to be split apart.

*Social Responsibilities of the Businessman* Howard R. Bowen, 2013-12-01 Corporate social responsibility (CSR) expresses a fundamental morality in the way a company behaves toward society. It follows ethical behavior toward stakeholders and recognizes the spirit of the legal and regulatory environment. The idea of CSR gained momentum in the late 1950s and 1960s with the expansion of large conglomerate corporations and became a popular subject in the 1980s with R. Edward Freeman's *Strategic Management: A Stakeholder Approach* and the many key works of Archie B. Carroll, Peter F. Drucker, and others. In the wake of the financial crisis of 2008–2010, CSR has again become a focus for evaluating corporate behavior. First

published in 1953, Howard R. Bowen's *Social Responsibilities of the Businessman* was the first comprehensive discussion of business ethics and social responsibility. It created a foundation by which business executives and academics could consider the subjects as part of strategic planning and managerial decision-making. Though written in another era, it is regularly and increasingly cited because of its relevance to the current ethical issues of business operations in the United States. Many experts believe it to be the seminal book on corporate social responsibility. This new edition of the book includes an introduction by Jean-Pascal Gond, Professor of Corporate Social Responsibility at Cass Business School, City University of London, and a foreword by Peter Geoffrey Bowen, Daniels College of Business, University of Denver, who is Howard R. Bowen's eldest son.
