The Business Communication field is at a crossroads as communication technologies are reshaping how people communicate in the workplace. "Business Communication: Developing Leaders for a Networked World," by Peter Cardon, puts students at the center of business communication through the author's unique focus on credibility woven throughout the textbook chapters, forward looking vision built on traditional concepts, and practitioner and case-based approach. Students are more likely to read and reflect on the text, and are better positioned to understand the essentials of efficient and effective business communication, thereby transforming them into leaders for a networked world.

Effective communication is the foundation of sound management. Regardless of the size of the business we are in - a multinational company, a medium enterprise or a small-scale industry - effective communication skills are always needed for success. This comprehensive book dwells onto all aspects of business communication which helps to attain success in a business. This book is organized in three sections. Section-I (Basics of Communication) details on how messages in business should be conveyed clearly and unambiguously through various models of communication. It further explains that a message when communicated effectively can help in selling the concept, goods, products or services more conveniently and effectively. Section-II (Oral and non-verbal communication) elucidates that besides verbal communication, non-verbal communication such as gestures, postures, dressing and hair style also plays an equal and important role in imparting messages in a corporate environment. Section-III (Written communication) details on the factors which help to enhance the business writing abilities (letters and memos). Besides, the book teaches various other aspects of business communication like how to prepare for an interview, how to conduct a meeting and also how to draft an impressive resume. Primarily intended for the postgraduate students of management, the book is equally beneficial for the business professionals and company owners, to help them learn the traits of effective communication.

QUICK WIN BUSINESS COMMUNICATION is written for business people who recognise how vital effective communication is to their own success and to the success of their organisations. While you are reading through the answers to your questions, other business people may be discussing missions, goals, losses, profits, overheads, policies, budgets, loans, promotions, strategic plans, product development, training, hiring, technology, downsizing, take-overs, global competitiveness, office parties, desk arrangements, coffee breaks, or office supplies. Imagine the implications if you can't understand what is being discussed online, in webinars, boardrooms, offices, or at lunch. Imagine the implications if your colleagues don't understand your views or are unable to articulate their own. Whether you are ordering paper for the copier or making long-range hiring plans, if communication fails, the outcome is confusion. Therefore, let's examine ways of ensuring a happier outcome. There are six sections to this book: Business Communication Essentials covers some of the fundamental questions that business people have about what makes an effective communicator and why it matters. It also explains the communication process in theory and what may prevent you from being clear; Business Communication Techniques answers questions ranging from unblocking communication to the importance of valuing people and includes topics like the importance of word choices, organising your thoughts and the role and use of visuals; Meetings & Interviews looks at aspects of well-run meetings; Writing - Offline & Online answers your questions about how to achieve greater clarity with the written word; Speaking & Presenting addresses your basic questions about formal and informal talks; Achieving Business Communication Excellence considers your ongoing development as an effective communicator. **QUICK WIN BUSINESS COMMUNICATION** is designed so that you can dip in and out seeking answers to your top business communication questions as they arise. Answers to your queries can be located not only from the contents list but also by using the subject grid at the start of the book and by following the thread of cross-references provided at the end of

each Q&A.

The book is designed to comprehensively cover the course requirements of management programmes, where business communication is taught as a subject. It follows a simple and needs based approach and covers, apart from aspects of communication such as reading, writing, and listening, topics such as business etiquettes, negotiations, presentations etc. It also discusses the contemporary issues in communication. The book has a blend of theoretical and application based approach, and the coverage of the book has been designed keeping in view the industry requirements as well as feedback received by the authors from the students and teachers of communication.

Communication is one of the most important aspects of the business world. Professional men and women use communication for getting ahead, resolving interpersonal conflicts and working collaboratively with others to achieve unified goals. Since communication is such a necessary business component, business people must familiarize themselves with communication techniques that will be most effective for them and their professional counterparts. The importance of communication skills can be seen when good, quality communication occurs that prevents misunderstandings, miscommunication and conflict. It produces productive work and performance which ultimately impacts the company's bottom line. Business Communication is any communication used to promote a product, service, or organization - with the objective of making sale. In business communication, message is conveyed through various channels of communication including internet, print (publications), radio, television, outdoor, and word of mouth. There is a good chance that you may not know what kind of listener you are. After all, until the topic arises, most people do not tend to think about the issue. So now is the time to think about it. There are different types of listeners out there, and learning about some of the different ways that people listen may help you use that information to improve your listening skills. This book covers all the aspects of Business Communication. It is hoped that this book will meet the requirements of teaching, training and development programme. Besides, the text will provide valuable guidance to any individual who is keen on improving his/her communication skills.
