

Business Ethics Case Studies And Selected Readings South

Joseph W. Weiss

Business Ethics Marianne Jennings,2012 The best-selling text of its kind on the market, BUSINESS ETHICS: CASE STUDIES AND SELECTED READINGS, 7e, International Edition gets behind the decision-making process of business leaders today to illustrate why good leaders often make questionable decisions. This fascinating collection exposes common themes in less-than-ethical decision making, and shows why leaders make ethical compromises in business that they would not make in their personal lives. A combination of short and long cases, readings, hypothetical situations, and current ethical dilemmas, BUSINESS ETHICS: CASE STUDIES AND SELECTED READINGS, International Edition provides students with a stimulating and thorough basis for evaluating business ethics, and encourages stronger values in future business leaders.

Business Ethics Marianne Jennings,2012-01-01 Packed with real-life examples of business decisions gone awry, the book explores the complex issues of business ethics from the leaders' perspectives. This best-selling text offers a rare collection of readings which examines the business decision-making processes of many types of leaders, while revealing some of the common factors that push them over ethical lines they might not otherwise cross.

Business Ethics Robert Frederick,Mark S. Schwartz,2001 Can a corporation have a conscience? What is wrong with reverse discrimination? Can ethical management and managed care coexist? Hoffman, Frederick, and Schwartz address these and many other current, intriguing, often complex issues in corporate morality. This introductory business ethics text contains a thorough general introduction on ethical theory, 54 readings, and 25 cases. Divided into five parts, each with an introduction that presents the major themes of its articles and cases, the text contains an impartial, point-counterpoint presentation of different perspectives on the most important issues being debated in business ethics. Each chapter ends with questions that can be used for student discussion, review, tests/quizzes, or for student assignments. The fourth edition has 27 new readings, 15 new cases, and 10 new mini-cases.

Business Cases in Ethical Focus Fritz Allhoff,Alexander Sager,2019-12-06 Business Cases in Ethical Focus is a new collection of in-depth case studies from around the world, covering all major areas of business ethics. Cases address a broad range of topics such as the ethics of entrepreneurship and finance, the challenges that diversity raises for business, and

whistleblowing. The cases are provocative yet complex, conveying the difficulty of moral dilemmas and the potential for reasonable disagreement.

Business Ethics O. C. Ferrell,1990-12

Business Marianne Jennings,2003 Without a doubt, the connection between law and business ethics is made clear with *Business: Its Legal, Ethical and Global Environment*. Through an integration of examples and applications, users learn how to apply legal and ethical reasoning skills when making business decisions. No other book on the market better prepares tomorrow's managers for the legal, ethical, and global environment in which they will work. Jennings balances coverage of traditional legal and ethical topics with emerging trends in the business world, such as cyberlaw, international law, and alternate dispute resolution.

Ethical Issues in Business Peg Tittle,2000-04-13 The core of this text comprises chapters on all the key issues of business in Canada today. Each chapter includes a hypothetical case study and an introduction highlighting key ethical points; two academic essays; and a real-life case study. Questions for discussion accompany the essays and case studies. The author has also included a general introduction to ethical issues and an overview of ethical theory; a section on institutionalizing ethics (discussing ethics officers/programs/codes etc.); and appendices providing excerpts from important classic contributions to ethical theory and from relevant Canadian law.

Ethics in Marketing Patrick E. Murphy, Gene R. Laczniak, Fiona Harris,2016-12-13 Understanding and appreciating the ethical dilemmas associated with business is an important dimension of marketing strategy. Increasingly, matters of corporate social responsibility are part of marketing's domain. *Ethics in Marketing* contains 20 cases that deal with a variety of ethical issues such as questionable selling practices, exploitative advertising, counterfeiting, product safety, apparent bribery and channel conflict that companies face across the world. A hallmark of this book is its international dimension along with high-profile case studies that represent situations in European, North American, Chinese, Indian and South American companies. Well known multinationals like Coca Cola, Facebook, VISA and Zara are featured. This second edition of *Ethics in Marketing* has been thoroughly updated and includes new international cases from globally recognized organizations on gift giving, sustainability, retail practices, multiculturalism, sweat shop labor and sports sponsorship. This unique case-book provides students with a global perspective on ethics in marketing and can be used in a free standing course on marketing ethics or marketing and society or it can be used as a supplement for other marketing classes.

Business Ethics: Case studies in business ethics ,2001

Case Studies in Business Ethics Marianne Jennings,1996

Case Studies in Organizational Communication Steve May,2012-01-20 The Second Edition of *Case Studies in Organizational Communication: Ethical Perspectives and Practices*, by Dr. Steve May, integrates ethical theory and practice

to help strengthen readers' awareness, judgment, and action in organizations by exploring ethical dilemmas in a diverse range of well-known business cases.

Military Ethics Stephen Coleman,2012-09-06 This book provides an introduction to the real-life ethical issues faced by those serving in modern military forces. With its focus on the practical problems facing those in positions of command, it is of particular relevance to prospective military officers at military academies. The book is also appropriate for Ethics of War and Military Ethics courses at non-military undergraduate programs in philosophy and ethics. The book includes more than fifty specially selected case studies, many previously unpublished. These cases enable students to examine, in real and understandable situations, the ethical problems which military personnel face in modern operations.

Managing Business Ethics Linda K. Trevino,Katherine A. Nelson,2016-09-13 Revised edition of the authors' Managing business ethics, [2014]

Case Studies in Business Ethics Al Gini,Alexei M. Marcoux,2009 No further information has been provided for this title.

Public Health Ethics: Cases Spanning the Globe Drue H. Barrett,Leonard W. Ortmann,Angus Dawson,Carla Saenz,Andreas Reis,Gail Bolan,2016-04-20 This Open Access book highlights the ethical issues and dilemmas that arise in the practice of public health. It is also a tool to support instruction, debate, and dialogue regarding public health ethics. Although the practice of public health has always included consideration of ethical issues, the field of public health ethics as a discipline is a relatively new and emerging area. There are few practical training resources for public health practitioners, especially resources which include discussion of realistic cases which are likely to arise in the practice of public health. This work discusses these issues on a case to case basis and helps create awareness and understanding of the ethics of public health care. The main audience for the casebook is public health practitioners, including front-line workers, field epidemiology trainers and trainees, managers, planners, and decision makers who have an interest in learning about how to integrate ethical analysis into their day to day public health practice. The casebook is also useful to schools of public health and public health students as well as to academic ethicists who can use the book to teach public health ethics and distinguish it from clinical and research ethics.

Law and Ethics in the Business Environment Terry Halbert,Elaine Ingulli,2014-02-01 Blending theory with real-life applications, the 8th Edition of LAW AND ETHICS IN THE BUSINESS ENVIRONMENT presents up-to-the-minute issues in business ethics, along with the latest in case law for an exciting and thought-provoking text. Rather than shying away from controversial topics, the text encourages lively classroom debate on everything from privacy and workers' rights to diversity and stereotyping. Its insightful cases, end-of-chapter questions, historical quotes, and chapter projects sharpen your critical thinking skills, while a wealth of interactive assignments like role plays, mock trials, roundtables, and negotiations prepare

you for the ethical and legal dilemmas of the business world. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Business Ethics Joseph W. Weiss, 1998 Integrating late 20th-century issues from the complex workplace, this text spotlights major contemporary and international topics in business ethics. Following the premise that though ethical issues change, ethical principles remain constant, the text equips readers with practical guidelines to apply to the ethical dilemmas they will ultimately face.

Business Ethics and Values Colin M. Fisher, Alan Lovell, 2006 *Business Ethics and Values* introduces students to the complexities and principles of ethical issues by focusing on developing ethical awareness and the ability to argue business ethics matters. A proven resource, the second edition of this text continues to present a successful blend of concrete issues and academic theory, suitable for undergraduate and postgraduate students with or without practical experience of the world of organisations. It gives as much importance to individual conscience at work as it does to socially responsible behaviour at the corporate level and within the global business world. Hallmark features: Broad coverage of the many issues in this subject ensures that students see the whole picture. The use of real-world case studies and simulations helps to stimulate debate and appreciate the multi-faceted aspects of ethical arguments. New to this edition: New material on the ethics of e-communication, sustainability and the ethical impact of globalisation ensures that students are learning from the most up-to-date material available. Further analysis of Anglo-American approaches to corporate governance and their ethical underpinnings. Short test and assignment questions at the end of each chapter help students to consolidate their learning. More simulation exercises and activities give students the opportunity to reflect on their attitudes to this engaging subject. A well-developed supplements package to support tutors and students includes an instructor's manual, PowerPoint slides and a companion website. Colin Fisher is Professor of Managerial Ethics and Values, Nottingham Business School, Nottingham Trent University. Alan Lovell is Professor of Organisational Accountability and Head of the Department of Accounting, Finance & Economics, Nottingham Business School, Nottingham Trent University.

Policies and Persons Kenneth E. Goodpaster, Laura L. Nash, 1998 This comprehensive collection presents a case-method approach to teaching business ethics, making it ideal for advanced undergraduate- and graduate-level courses in both philosophy and business departments. It contains a wide range of individual, managerial, and corporate cases, many with an international perspective. All cases have been classroom-tested at the Harvard Business School; most have been developed in the field rather than in the library. The third edition is now in softcover for the first time with 15% fewer pages. Nine new cases (of the total 53 cases) cover such topics as labor-management trust, product liability, foreign bribery, the Dow bankruptcy over breast implant lawsuits, and more. A new appendix, *Ethical Frameworks for Management*, provides students with ethical frameworks for analysis and a second new Appendix, *Bridging East and West in Management Ethics*, discusses

certain basic similarities between Asian and Western ethical ideals.

Business Ethics James Owens, 1989

Business Ethics Case Studies And Selected Readings South Introduction

In the digital age, access to information has become easier than ever before. The ability to download Business Ethics Case Studies And Selected Readings South has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Business Ethics Case Studies And Selected Readings South has opened up a world of possibilities. Downloading Business Ethics Case Studies And Selected Readings South provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain

immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Business Ethics Case Studies And Selected Readings South has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Business Ethics Case Studies And Selected Readings South . These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Business Ethics Case Studies And Selected Readings South . Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Business Ethics Case Studies And Selected

Readings South, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Business Ethics Case Studies And Selected Readings South has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
