The demonic ghost of a Russian aristocrat uses his magic violin to enchant the exquisite Triana and transport her to a terrifying realm where they join a battle of wills, in an evocative tale of seduction. Reprint.

Business Goals is a three-level course in communicative Business English. Each Student's Book provides 30 core hours of class work extendable to over 60 hours using the additional material provided. Functional language, vocabulary and grammar are introduced in manageable amounts. With a focus on listening and speaking, learners are given the opportunity to build their confidence in areas such as telephoning, ordering, networking and dealing with problems in authentic business contexts. The Business Goals Workbooks provide extra practice in all four skills and are also valuable for students preparing for the BEC examinations, with BEC-style activities and exam advice. Each Workbook comes with an audio CD and contains full transcripts of all recordings. Model answers for speaking tasks are included on the CD. An overview of how the Workbooks link to BEC exams is available on the Business Goals website.

Humor is a powerful management tool, although few business people know how to use it. Malcolm Kushner, a prominent consultant to corporations on the use of humor, presents his easy-to-apply formulas that help command respect and attention, build morale, and create a more productive work environment.
