Dynamic Business Law: The Essentials is appropriate for the one-semester Business Law course. It contains the basics of business law but does not get bogged down in the kind of details that are more appropriate in an upper-level law class. The text provides an examination of the basic questions, concepts, and legal rules of business law. Emphasis on the BUSINESS in business law. Dynamic Business Law: The Essentials emphasizes the tie of legal issues back to the core business curriculum. This will help both students and faculty. Faculty need to know how this is integrated as they are constantly 'defending' the inclusion of this course in the business curriculum. And students need to understand how the concepts tie to their future business careers. Emphasis on TEACHING. Many professors teaching this course are attorneys first and academics second. They do not have a lot of time to prepare or think about how to apply this information effectively for their business students. Dynamic Business Law: The Essentials contains a helpful instructor's manual, particularly for the many adjuncts teaching this course. Emphasis on CRITICAL THINKING. Neil Browne, one of the co-authors of this text, has written a successful text on critical thinking. His framework is included in Dynamic Business Law: The Essentials as well – to help students learn how to frame and reframe a question/issue. Critical thinking questions are also included at the end of each case, to tie in this component even further.

The latest edition of this popular casebook includes full coverage of the principles surrounding trademark acquisition and registration under federal law, as well as infringement and dilution issues. Novel issues involving trademark usage in the on-line context are treated in depth. The book also deals with competitor false advertising remedies under the Lanham Act and public enforcement of prohibitions against unfair and deceptive practices by the Federal Trade Commission. Case selection has been made with an eye towards holding student interest and provocative notes and questions make the book highly teachable.

The new edition of AUSTRALIAN BUSINESS LAW: COMPLIANCE AND PRACTICE builds on the strengths of previous editions - providing a practical, self-paced text ideal for the classroom or student self-study. Key principles of Commercial, Contract, Consumer, Finance, Property and Workplace Law are explained clearly and concisely for students. Pearson eTexts - more than just a great book online. With a Pearson eText teachers benefit from the underpinning content they know Pearson provides combined with the great functionality of an eText. This means that users can search for key words and phrases, highlight important points, bookmark key pages. Students can add their own notes and check their understanding by completing additional interactive activities. Instructors can share notes with students, access time saving teachers' resources or re-order and hide content.
